MANSFIELD DISTRICT COUNCIL – CORPORATE EQUALITY AND INCLUSION STATEMENT

Mansfield District Council is committed to implementing and upholding equality and diversity in everything it does. The Council strives to be an effective service provider, community leader and corporate body and, in doing so, recognises the importance of meeting the needs of the diverse mix of communities represented amongst its residents, service users and workforce. In meeting those needs the Council will develop and harness a safe and sustainable community inclusive to all.

Mansfield District Council is committed to eliminating inequality on the basis of the protected characteristics and recognises that there are equality differences in the life chances available to people within the community with the services they gain access to and the job and careers they are able to pursue.

Equality is about ensuring that all people are treated equally, this does not mean treating everyone the same, but recognising the differences in life situations and experiences and ensuring that there is equality of opportunity for all people taking into account their individual needs.

The Council aims to ensure that organisations with which we do business comply with equal opportunities legislation and promote good practice and equality of opportunity within their own organisation.

The Council will encourage these organisations and individuals to observe and adhere to the principles contained within the Council's Corporate Equality and Inclusion Policy and by signing this document agree to these principles. This policy can be forwarded to organisations/individuals as requested or can be viewed online on the Mansfield District Council web page www.mansfield.gov.uk/equality.

It is imperative that you read and adhere to this policy as failure to do so will affect Mansfield District Council's compliance with legal requirements and may affect the outcome of your request.

Our organisation has/I have read and agreed to the principles of equality and diversity as outlined in the Mansfield District Council Corporate Equality and Inclusion policy
