

Mansfield Townscape Heritage Project

Backed by the
National Lottery
Heritage Fund

Mansfield District Council has been awarded a National Lottery Heritage Fund grant for a Townscape Heritage project which will restore the historic buildings on parts of Leeming Street, the Market Place and Stockwell Gate.

The programme will involve the whole community – putting heritage and restoration at the heart of the regeneration of the town centre.

The programme will last up to five years from early 2019 until 2024. The total budget for the project is over £1 million, with £849,100 provided by the National Lottery Heritage Fund.

Benefits for building owners

- Repairs to the fabric of a building, such as re-pointing masonry or joinery repairs
- Replacement of lost architectural features, such as traditional windows or shop fronts based on historical precedent
- Traditionally sign-written shop fascias and hanging signs.

Under the Townscape Heritage project, a grant scheme for building conservation works will be available for around 75% of the cost.

To find out which properties might be eligible for funding, see the area map at www.mansfield.gov.uk/TownscapeHeritage

Grants for buildings in the Townscape Heritage area will be awarded based on a number of criteria, including condition of the property, prominence and visibility of the improvements, quality of the proposals and value for money.

To register your interest, visit the website or contact Caroline Daghash, Townscape Heritage Officer: call 01623 463369, or email cdaghash@mansfield.gov.uk

Help shape the ideas
for activities

Everyone can join in!

The programme will provide opportunities for people of all ages and abilities to get involved in hands-on activities, events and training, and to gain a greater understanding of the historic environment in the town.

- Heritage walks including self-guided tours using our Townscape app
- 'Research your local history' training
- Storytelling and poetry writing days
- Traditional conservation skills training for contractors and building professionals, and building maintenance days for property owners
- Photography and art competitions.
