Dear Mrs Housden,

RE: Mansfield Local Plan Examination

Thank you for your letter dated 16 July 2019 (EXAM 17). The Council have now considered each of the points raised and have commissioned an Appropriate Assessment of the Local Plan. Whilst the Council support the main modifications to policies H5 and E2a, may we suggest that a main modification is submitted to delete reference to renewable wind energy, as the policy is also to be used in determining future proposals for other forms of renewable and low carbon energy.

The Appropriate Assessment and any further modifications that are required to be made to the plan as a result of the assessment will be submitted for your consideration on the 6 September 2019.

Yours sincerely

Katie Mills

Planning Policy Team Leader
