18/09/2018	Cllr Drewett	Regarding the Local Plan which is going through the process of adoption. Could we ask has it been taken into account the increased traffic flow and subsequent increase in air pollution? When was the traffic flow and air pollution last monitored?	Accepted	
20/11/2018	Cllr Answer	What active steps does Mansfield District Council (MDC) take in order to protect tenants from unscrupulous landlords such as those renting properties and not following guide lines? Landlords rent to some of the most vulnerable and needy, who are fearful of actively making formal complaints for fear of eviction procedures being enforced. As MDC issue such landlords with licences to provide supported housing, how far do MDC ensure best practice is enforced in order to protect all tenants?	Accepted	
	Mayor	I have recently learned of the proposed closure of Berry Hill Park, due to lack of funding. Berry Hill Park has been and could be an area of natural beauty and offers much to many throughout the year. I would like to ask what the Council proposes to do to preserve the Park what is left that is good about Mansfield?	Accepted	
	Cllr Drewett	Can the Council confirm that the Local Plan for the development of sites for housing does not include Pleasley Vale, and that its unique local environment enjoyed by generations will be preserved and used for projects in keeping with the Council's environment and wildlife protection policies?	Accepted
