TC/1	Cleanliness; Safety	I feel unsafe in the town centre. Regularly seeing people on drugs, regularly passing gangs if unsavoury type people.
TC/3	Shopping; Public Transport; Events; Restaurants / Cafes; Car Parking; Cleanliness	Car parking, would be better if it was free. I travel to arnold ot out of town shopping centres to avoid these horrendous charges
TC/5	Shopping; Cleanliness; Events; Nightlife	There is limited shopping in Mansfield town centre, there is very little variety of shops and too many cafes and nail bars. The retail parks around the town have taken most shoppers out of the town centre and the shops remaining are either empty or look very run down, even the four seasons shopping centre has limited shopping now as many have left to go to the retail parks
TC/7	Shopping; Safety; Other	Too many drug users in town .
тс/9	Events; Shopping; Cleanliness; Car Parking; Safety; Restaurants / Cafes; Public Transport; Nightlife	The whole town needs MAJOR investment - I would estimate footfall in the town is at an all time low due to the lack of investment in the town. The run down buildings stood empty, the business properties that are empty, the Market Place - lack of nice places to eat / drink compared to other towns. I follow Mansfield Town FC all around the country and see other towns and envy the investments that have been made in them to make them more attractive to visitors
TC/11	Shopping; Cleanliness; Events	When I have been into the Town Centre it looks drab, tired and dirty, especially when raining. The market needs to be moved to outside the library because it is too small for the current location. Also need to lose the burger vans.
TC/15	Public Transport; Safety; Shopping; Cleanliness; Car Parking	Really needs investment, clear up of homeless, druggies and opening of small businesses. Offer free parking, offer low rates. Let's get this town alive again
TC/17	Cleanliness; Shopping; Car Parking; Public Transport; Safety; Nightlife; Events	The whole town needs a revamp,
TC/19	Cleanliness; Shopping; Nightlife; Car Parking; Events; Public Transport	I live in ladybrook the transport after 7pm doesn't exist is there no way you could have a smaller bus that does a route around the areas that have no late bus service once an hour or something we can't all afford taxis and sometimes if I have to work late I struggle to get home
TC/21	Safety; Shopping; Public Transport; Nightlife	The only reason I have to go into Mansfield town centre these days is to visit the few real ale pubs we have and socialise with friends. Afterwards, I have to walk home to Bull Farm as the buses have stopped running. I have been attacked and I have witnessed vandalism and threatening behaviour. As far as shopping is concerned I cannot get the quality I want or the range of items at shops in Mansfield as they are all aimed at the extreme budget market so I use the internet or visit Nottingham or London for clothes, shoes etc. We ought to have a quality supermarket in the centre of town. We don't have a decent shop for hi-fi equipment, photographic equipment or supplies for any of my other interests.
TC/23	Car Parking; Public Transport; Shopping; Cleanliness	More artisan and specialised food shops. I would visit in the evening if public transport was better.
TC/29	Public Transport; Shopping; Safety; Car Parking; Cleanliness	Town in untidy messy shabby
TC/31	Shopping; Nightlife; Restaurants / Cafes; Public Transport; Events	There isn't a lot of variety around, there's no longer no baby shops for mum to be's, nothing that stands out. Nightlife is ok but could be improved
TC/33	Restaurants / Cafes; Shopping; Other; Nightlife	I believe a whole multiple of reasons need to be addressed.
TC/35	Shopping	Too many shops have closed down and have not been replaced
TC/39	Nightlife; Cleanliness; Events; Car Parking; Safety	More needs to be done. Instead of vanity projects like the town hall, when other places don't get attention.
TC/41	Shopping; Restaurants / Cafes; Car Parking; Public Transport	Parking charges put people off the town (even if they are priced respectably compared to other places), and a lot of folk feel there isn't enough shopping or food services to warrant the parking charge. The buses are simply awful and don't run late enough to get people around town.
TC/43	Shopping; Car Parking; Cleanliness; Safety	Everywhere Is dirty - car parking expensive - to many empty shops - too many drunks and addicts hanging around

TC/45	Restaurants / Cafes; Shopping	In today's changing social environment, simply getting more shops into the centre is not necessarily going to increase foot traffic. Businesses need to increase their customer acquisition strategies in order to generate better cash flow and ultimately greater longevity in business. Local buying habits are changing and what people say they want publically and what they actually do privately can sometimes be totally different. For example, you could fill every empty shop with a business, but if those businesses are either not effectively communicating with their customers and/or not providing a service or selling what is in demand, it doesn't matter if the shops are empty or full. This is also true when considering transport, the cleanliness of the centre and parking charges. If the demand for what businesses were selling was high enough, people would come regardless. That's why restaurants and cafes may be a better option than standard retail. There's also much more that could be done online to promote the number of businesses within the centre. I've spent the last 10 -15 years working in digital, so have some experience in this field, working with small local businesses, through to multibillion £ companies. A social hub promoted by MDC and its affiliates would be great if structured and promoted corectly. If local town centre businesses are going to survive, their USP needs to focus on why people should shop locally. Their businesses need to be more personable and customers need to be able to relate to these people. Online case studies and profiles of individual business would help; somewhere the public can easily access information and see what these businesses are selling, and more importantly, why people should shop there. Then make space for restaurants and bars. Online shopping, big supermarkets and retail parks are killing local town centre retail. But you can't go for food or beer online or at your local supermarket. Overall revenue of restaurants has also been slowly increasing over the last 5 years, so
TC/47	Shopping	Too many independent shops are shutting
TC/49	Shopping; Cleanliness; Safety; Events	There is so much more that could be done with the market place, it seems to be very overlooked and underused. I think one of the answers to the shopping problem is to try and entice individual shop owners as they are more likely to sell face to face as opposed to online
TC/53	Cleanliness	The centre has no identity and as the town deteriorates for example the block paving it is replaced with blobs of tarmac. The shop fronts are allowed to be painted the most bright horrendous colours, no pride in the presentation.
TC/57	Safety; Shopping; Car Parking	Car parking too expensive to spend more than 3 hrs shopping safety at night needs improvement and need more variety of shops
TC/61	Shopping; Public Transport; Events; Cleanliness	The variety of shops is very small
TC/63	Safety; Shopping; Car Parking; Cleanliness; Restaurants / Cafes	No police it's not safe u have ppl homeless an asking for money for God sake open old BHS up an let them sleep there an also the amount of ppl on drugs why should our kids see that mdc say they have no money but they can use it out of our town so there is money but they don't no how to spend it right
TC/65	Cleanliness; Shopping; Car Parking	The whole area just looks untidy, in European countries all the empty accommodation above shops is lived in so it's safer. The empty BHS shop is really sad and I worry that they will close M and S in the future. Car parking should be improved and free, that would encourage people to go into town. We usually walk in for exercise, but whe the weather improves I am not convinced we would go in so often.
TC/67	Restaurants / Cafes; Shopping; Car Parking	There isn't a lot to do in Mansfield. Plenty of drinking establishments but not a lot else, especially when Notts is only 45 minutes away on the bus/driving. Things like the Theatre or trampoline park are great for once in a while, but in terms of encouraging social outings there is little.
TC/71	Cleanliness; Public Transport	We open our shop on a Sunday for children's parties and the town centre is embarrassingly dirty fromSaturday night. My last bus home is 7.05pm so a busy times of the year my weekly bus fares plus taxi to work and back top £50. Way to much to travel 3 miles
TC/73	Cleanliness; Car Parking; Safety	I think if these things are improved the other things will improve.
TC/75	Car Parking; Shopping; Safety	Car parking too expensive eg Arnold lovely town £2 all day to park ,Chesterfield is buzzing cheaper than Mansfield to park ,more shops and choice at Chesterfield ,don't feel safe at Mansfield ,my mum is 80 we go into town at least 3 times a week early ,you can see all druggies hanging about early after leaving over night shelter ,I have a lot of empathy with homeless but they are very intimidating ,last week me and mum went to flea market and there were at least 10 men hanging about being loud at monument .
TC/77	Shopping; Car Parking; Cleanliness	There are getting less & less shops. The car parking is too expensive. Everywhere looks like it would benefit from a thorough clean & tidy up.
TC/79	Cleanliness	It looks very unloved
TC/81	Shopping	Shops are empty, shops are closing because the footfall isn't there. With shops closed and 're opening with either coffee shops or pound shops there's actually nothing to come in for. The market has also been destroyed. This all needs addressing and quickly.
TC/83	Shopping	Too many empty shops
TC/85	Safety; Cleanliness; Shopping; Restaurants / Cafes	The town has been left behind, the whole ethos of the town needs to change.
TC/87	Restaurants / Cafes	We have a great market square. More cafes and outdoor seating would be great.

Comment ID	Response to last question	Response to this question
тс/93	Car Parking	Received a ticket with a disabled badge, too few disabled spots and apparently have to be careful when parking on double yellow lines! No way is there enough disabled spots close to the town centre!
TC/95	Public Transport; Shopping; Restaurants / Cafes; Other	It'd be nice to see more greenery, somehow, in the town centre. Moves towards green zones like a number of towns and cities across the country. Lower public transport costs would have a great impact on people having an insentive to visit, and a little extra to spend while there. Times may get tough in the next year or so, a strong local market could be really important to folks about Mansfield.
TC/2	Cleanliness; Shopping; Events; Safety; Nightlife	I believe the four seasons shopping centre and Rosemary centre are in need refurbishment. They look dated and uninviting.
TC/4	Shopping	Need some better shops to encourage people from outside of the district to visit the town centre. Mansfield has too many cheap shops like poundstretcher and not enough designer shops.
TC/8	Shopping; Safety; Car Parking	Car parking is way too expensive to attract footfall, safety is not a given with all the crackheads and mamba users and shopping is going downhill rapidly with the number of stores closing.
TC/10	Shopping	Too much competition from supermarkets, out of town shopping parks and on-line shopping has removed the incentive for many to come into town. This trend needs to be reversed with realistic incentives for businesses to allow them to set up competitive alternatives for shoppers. Coupled with that improved facilities, cheaper parking and more events would help. I know that these are already being put on and am encouraged by the initiatives already in place that have brought the Tour of Britain and the Christmas skating facility to town.
TC/12	Shopping; Safety	Homeless spice users
TC/14	Cleanliness; Safety; Nightlife; Shopping; Events; Car Parking	It's horrendous, full of druggies laying around. Stinks in town of either drugs or urine.the night clubs are terrible compared to how it was 10 years ago. There are no alternative / rock clubs it's all the same crap. I've yet to see an event in mansfield that's good apart from the summer in the streets years ago with bands on. It's ridiculous that you have to pay for parking. I would rather travel further and park for free
TC/16	Shopping; Cleanliness; Safety; Restaurants / Cafes; Events; Nightlife	The town has gone downhill since the independents run the council
TC/18	Shopping; Events; Safety; Cleanliness; Other	Mansfield town centre over the years has slowly declined in the quality of shops along with a worsening market stall selection there appears to be more pigeon droppings cover seating etc and add to this the obvious drug users frequenting the town centre make visiting at times an unpleasant experience
TC/20	Shopping; Car Parking; Safety	All three need attending to so as to encourage more people to visit the town centre
TC/22	Shopping; Other	Mansfield is a town that is no longer welcoming. The streets are riddled with second hand shops, nail shops hairdressers, coffee shops and Cafes. Druggies and homeless adorn the streets and the Police are invisible. Why would anyone go into Mansfield if they had a choice?
TC/24	Restaurants / Cafes; Shopping; Public Transport	Town centres will never be what they were pre-Internet. The day of the big chain stores has gone. What's needed now is clever repurposing of the large properties into small retail/restaurant outlets and/or accommodation. Public transport around town is disgraceful. Buses take torturous, lengthy routes and stop far too early in the evenings.
TC/26	Shopping	Lots of empty shops.
TC/28	Events; Cleanliness; Restaurants / Cafes; Other	I think that Mansfield has some wonderful buildings and architecture ie the viaduct various fothergill Watson buildings. These features have never been taken advantage of. For example you could have bar's and restaurant s it could be pedestrianised completely down white heart Street. Mdc planning have rarely considered the visual impact historically or how scheme's further afield will affect the town centre. I will never forgive Mdc chair of the planning Committee for taking the casting vote to agree the Lindhurst development in 2011 or the spineless individuals who walked out this meeting rather than carry out there functions and vote. Shame on you. Mansfield and surrounding Districts have a long history of making these corrupt ill informed decisions that benefit the few but dessimate attractive parts of Mansfield but purporting to regenerate or be sustainable etc and this is one of the reasons why we now have an unattractive hole of a town which is dying on it's arse.
TC/30	Safety	I hate being negative about the town but real have felt a change in the last year. The rise in antisocial behaviour is huge and visible daily. I know so many people who no longer come into town because of it. I know there isn't an easy solution and everyone is doing their best, but I really fear for the towns future at the moment
TC/32	Nightlife; Shopping; Events; Restaurants / Cafes; Safety; Cleanliness	If you go to other local towns such as chesterfield or newark they have lots of areas for walking, nice statues (bot ridiculous heels or fearhers) quarters that boast for indepenant shops and resturant areas. If you restore the beautiful victorian buildings, lower the rent for the shops etc, put landmark statues that relate to the town such as coal mining, stags, robin hood ect it creates a point of interest, i also think there needs to be areas which have better lighting.

Comment ID	Response to last question	Response to this question
TC/34	Events	If there were events, I would visit th town centre more often, because like a lot of people, I do a lot of shopping online or in out of town supermatkets.
TC/36	Shopping; Cleanliness	If you need something specific (a bit out of the ordinary) there is no chance of buying it in the town. There is very poor choice. I ordered a book from Smith's which was advertised on their website and which I could have bought from Amazon and had it delivered within two days, and I am still waiting for it to come into the shop three week's later. I thought I was supporting the High Street, but have penalised myself. I couldn't buy an ordinary black skirt (suitable for an almost 70 year old) a bit dressy for Christmas, from any clothes shop in Mansfield. Fact.
TC/38	Shopping; Safety; Cleanliness; Public Transport; Events	Because I am a young female and don't feel safe its dirty drunken people teenagers vandalising things and the abuse is unreal my children don't need to see it
TC/42	Shopping	More shops needed please
TC/44	Shopping	It's what would make me go in to town more
TC/46	Events; Shopping; Car Parking; Cleanliness; Nightlife; Safety; Restaurants / Cafes	Mansfield has so much potential. There are no big name shops or shops of becent size to stock full ranges. There are no decent restaurants to eat and the night life is unsafe and rubbish. So everyone goes to Notts or meadowhall to get what they want.
TC/48	Safety; Shopping; Cleanliness; Restaurants / Cafes	Town centre is looking tired and needs a good tidy up. In the last year I have reduced the number of times I visit town centre due to some of the individuals hanging around which I don't want my children to witness.
TC/50	Car Parking	I would like to see free parking for 1 hour in all car parks
TC/52	Shopping; Events; Cleanliness; Restaurants / Cafes	I think there's a lot of opportunity for the town but it's not at it's full potential yet. I think that by demolishing some of the older decrepit buildings, inviting in fresh investment and make it a top destination for shopping in the East Midlands
TC/54	Public Transport	There are no buses in the evening to the surrounding villages I.e Rainworth and Blidworth
TC/56	Safety; Cleanliness; Shopping	too many closed shops that need bringing back to life, also the market is dead it needs more stalls and more variety to bring it back to what it used to be. Do not feel totally safe in town i actually felt very unsafe entering the Four seasons from service area D as there was a group of people puffing away and because I walked around them not directly past (cant stand cigarette smoke) i got called all sorts of names. The town just looks grotty with so many empty shops or badly maintained occupied shops especially Leeming street.
TC/58	Shopping; Car Parking; Cleanliness; Safety; Events	Mansfield no longer has a decent amount of quality shops. Ecig, charity shops and coffee shops don't cut the mustard. The market has very few stalls which offer very little choice. Parking is expensive. There is no draw to visit the town. Everywhere looks old & tired.
TC/62	Safety; Cleanliness	Due to the gangs of druggies and homeless people openly taking and dealing drugs in the town center, it's not a safe place any more, and the council dont do much about it. The gangs of kids causing anti social behaviour is out of control.i work in the town center and face this every time I go to work, which is very depressing the whole town looks scuffy, the council have got no pride in the town anymore and don't seem to listen.
TC/66	Shopping	Not enough shops
TC/68	Shopping; Other	There are too many empty shops and grouos of people wandering about who seem to be on drugs or homeless
TC/70	Shopping; Car Parking; Restaurants / Cafes; Events; Cleanliness	Would love to see a cafe culture in Mansfield.
TC/72	Safety; Car Parking; Cleanliness	There are a lot of drug users in the town centre and it makes me feel unsafe. Free parking needs to be longer to encourage people to she in the town centre. The town is often full of rubbish left by the drug addicts
TC/76	Safety	I feel unsafe walking from the bus station to the Four seasons where i work and particularly crossing the market place anytime after about 4 pm
TC/80	Shopping	Not enough shops.
TC/82	Shopping; Events	There's a lot of empty stores. Concerns over Debenhams future which would only deter more people from visiting
TC/84	Shopping; Nightlife; Events; Safety; Cleanliness	We have plenty of cafes and restaurants, loads of nail bars and hairdressers but there aren't enough good shops - just empty lots which is very disappointing.
TC/86	Safety; Shopping; Cleanliness; Events; Restaurants / Cafes; Nightlife	Drugs is a serious issue in Mansfield along with the homelessness! The town is getting quieter and quieter, shops are closing and the town is looking very old.
TC/88	Shopping; Car Parking	There are not enough decent shops. And parking your car is hard to find spaces nearby.
TC/92	Shopping; Safety	A lot of buildings stand empty which does not make Mansfield appealing to visk, as a business owner in Mansfield I feel not enough is done to help business's develop & want to be a part of the town. From a safety aspect there is not enough done regarding the use of drugs, just moving people fro. one area of the town to another is not solving the problem. Enforcing more punishments would deter the people from the town. I certainly try not to walk alone through town once it gets dark as if something was to happen I have no faith in things being done to prevent it in future.

Comment ID	Response to last question	Response to this question
TC/94	Safety; Shopping; Car Parking	Still feel vulnerable at times particularly walking down Church Street and sometimes in the market place I know this is being addressed with regard to helping the homeless and drug addicts but tend to avoid going down Church street because of it. I know its the same in lots of small towns with shops closed on the high street but if car parking is high its another reason not to bother coming in as there isn't a great deal of shops to choose from and this means people use the internet more.
TC/96	Other	Most of the above. Mansfield is a desperate place to visit. I used to enjoy visiting town, but over the last decade or so I've visited less and less. The town is scruffy too many buildings look run down and unloved, Stockwell Gate and the old bus station areas in particular are horrendous. Shopping seems to cater for the minimum wage economy the town now has, people living in Mansfield with disposable income have no where to dispose of it. The Palace Theatre is a nice little venue, town centre events always seem to be done on the cheap, but I appreciate that MDC have their hands tied funding wise. The choice of restaurants has improved in the last few years, but shoe-horning 3 onto the leisure park was a terrible mistake, that has added to the horrendous traffic bottle necks on Nottm Rd. They would have been better place on the old bus station site or in Rosemary centre, that end of town is derelict. Car parking is stupidly expensive for a town with little to offer the visitor. The town centre can have a bit of an intimidating atmosphere with drunks, spice heads and hood rats roaming the market area. I'm a big feller and not easily intimidated, but I can see why older folk and people with kids would want to avoid the place.
тс/98	Shopping; Public Transport; Events; Safety; Cleanliness	During the past 20 years, the town centre has had to adapt to a different economic environment. Large superstores have started to erode the Market town culture, shops are closing due to consumers moving to online retail and business are struggling. An overhaul of the strategic direction for Mansfield is needed. Re-invest in the Market area and protect it by making Larger brands such as Tesco to build outside of a specific radius. Attract the blend of shops that reflect the local community. The Four seasons shopping area is feeling dated and claustrophobic with no natural light, in stark contrast to the Midlands outlet on the A38. Transprt infrastructure between Major cities is fantastic but between small villages in the area it's poor, with just bus routes to support. The location of the Taxi ranks is not idea.
TC/100	Safety	I am disabled and use a mobility scooter and do not feel safe on my own with the gangs of youngsters that hang around outside certain shops and the
TC/102	Shopping; Car Parking; Safety	beggars All three need attending to so as to encourage more people to visit the town centre
TC/104	Events; Shopping; Restaurants / Cafes	The town centre has improved in terms of safety and cleanliness however the offer thst Mansfield gives if anythung has declined, the town centre must align itself more with the way people spend their time and money and find more cause for people to visit the town centre.
TC/106	Shopping	Too many empty stores, too many cheap shops
TC/108	Shopping; Safety; Restaurants / Cafes; Nightlife	Not enough of it
TC/110	Shopping	To many shops closing and not enough filling the space after.
TC/112	Shopping; Car Parking; Events; Cleanliness; Safety	Shops are poor within Mansfield and parking is over priced for the availability of shops. The town centre doesn't feel safe always spice heads hanging about. Loved the ice skating rink this year and would like to see more events like this
TC/114	Cleanliness; Shopping; Safety	Same shops repeating, its looking run down. Sadly the youth make it feel unsafe
TC/118	Shopping; Car Parking; Other	We need more activities to do in town centre. Otherwise you have to travel a little while to get to places to have for or enjoyment. We need more of that in the town centre to draw people in more.
TC/120	Shopping; Public Transport; Restaurants / Cafes; Nightlife	Too many empty buildings in the town centre and transport links can be expensive
TC/124	Shopping; Safety; Cleanliness; Car Parking; Nightlife	It's no longer safe , dirty too many empty shops
TC/126	Safety; Shopping; Nightlife; Car Parking; Cleanliness	As i have small children i dont feel safe going through market square or town centre itself after 5pm. With all youths sitting on market stalls useing bad language and being intimidiating. With all drug users and drunks its less of them in day time but when dark comes its still an issue. I had to stop my child from after school dancing lessons as im too scared to walk throught town to church street. As im worried of being atacked. It is disgusting that young mum who doesnt drive is either forced to use taxi at high expense to go to kids afternoon clubs or resign and stop my kids from developing and fullfilling ambitions due to safety concerns. The problem are also groups of youths hanging around. McDonalds in town is a deffinitive no after 3pm when kids are off school.if i had to go in afternoon i would rather order things online for my shopping or try to go to town by 9am and leave as fast as i can. Not mentioning smell of weed being smoked everywhere. I dont feel is enough done in town to improve security.
TC/128	Shopping	The empty shops need filling.
TC/132	Safety	Wouldn't dare take my children with me. Too unsafe.
TC/134	Cleanliness; Safety; Other	Pigeons are everywhere and so is their mess other local towns don't have such vast numbers so you should make efforts to significantly reduce the numbers in Mansfield.

TC/136	Shopping; Cleanliness; Events; Car Parking	There are so many empty spaces for shops, the town centre looks unclean but I think that might be because of the age of the buildings. The car parking prices also keep increasing meaning people will go elsewhere for shopping and services.
TC/138	Shopping; Cleanliness; Safety; Nightlife	There is a very poor choice of shops. We now usually have to go to Meadowhall for clothes shopping, children's itemd etc. The town looks desolate with empty unused shops. The ones that are open need renovating. There are less cafes and places to eat. The market place looks bare and concrete. I feel intimidated to come down on my own in afternoon with my children shopping, due to the increase in drug addicts hanging around and openly taking drugs. Why should my children have to see this. It makes me feel sad nowadays when I walk round. I only tend to come down once every week or 2 to meet for a coffee.
TC/140	Shopping; Events; Public Transport; Car Parking; Safety	Too many empty shops not enough of a market, car parking and public transport are both too expensive making it an overall unpleasant experience plus increased homeless presence in the town centre and open drug use.
TC/142	Nightlife; Shopping; Events; Car Parking; Cleanliness	We need more variety & choice, modernised buildings & facilities, not charging to use a public toilet! Cheaper & moremodernised car parking facilities, a better market to attract shoppers, more child friendly activities more often
TC/148	Shopping; Car Parking; Cleanliness; Events; Safety	The town centre needs a complete make over to make it look brighter, and welcoming, all the empty shops filled with new businesses (NOT VAPE) because if the town has more shops instead of empty ones more people will come back and the same with the market it was once 1 of the best in the country once again this definitely would bring people back to our town instead of them having to go to Nottingham or Chesterfield, more needs to be done about large groups of young people hanging around the market, library ect they make older people feel uneasy.
TC/150	Shopping	Lots of shops have shut down and still empty or full of similar types of shops.
TC/152	Shopping; Cleanliness	Too many empty shops and centre looks scruffy. E.g multi storey car park. Scruffy buildings like Beales.
TC/154	Shopping; Car Parking; Public Transport; Safety	We need a more varied market on a weekly basis, getting to and from town by public transport at certain times is not possible unless getting a taxi which is still cheaper than paying for car parking.
TC/156	Shopping; Car Parking; Restaurants / Cafes; Nightlife; Safety	The shopping seems to be mainly second rate chain stores and so we miss out on local independent and on national chain stores, which means I am better off online Parking is a pain and costs, so I would rather go out of town and take my friends and business colleges to a coffee shop or for a meal with free parking We don't have a nice place to eat and our selection of cafe's are not great. We do not have a Nero, or I would prefer a 200 Degrees, it is hard to come into Mansfield and just relax for a day I grew up in the 90's when the town had a few pubs, some decent nightclubs and people wanted to come out. Now I go into Nottingham because there is a lot more to do in the bars. They have come up to date with stand-up comedy, music, games, and themes. The streets have a lot of people who are asking for money or something from you. I don't like my son being in town on his own because I worry about the way people behave and if he would be a target. He is 15.
TC/158	Cleanliness; Shopping; Safety; Restaurants / Cafes; Other; Events	The town needs more shops, and instead of turning the town hall into more shops, try filling the ones that are empty first. Lower rent and rates for a year as an incentive, push for locals, small business. Think local. Think our town.
TC/164	Car Parking; Cleanliness; Other	Public toilrts are often dirty and you have to pay!
TC/166	Events; Shopping; Cleanliness; Safety; Restaurants / Cafes	Those who use drugs are still always around the middle of town, to many shops are closing down or have already and it personally is looking like a ghost town. Events are mainly to much money for me and my young family to attend, would personally like to see a event around single, teen parents that give advice and support.
TC/168	Shopping	i would rather have 50 shops paying a low rent and recieve money than ask for a high rent and and have 50 empty shops where i recieve nothing!
TC/170	Shopping; Public Transport; Nightlife; Car Parking; Events; Cleanliness; Safety	Everything needs improvement. One of the worst town centres for a town of this size in the UK; and I travel a lot.
TC/172	Shopping; Events; Other	The atmosphere - what people think, facades or shop sign s would make things look more modern.
TC/174	Public Transport; Shopping; Safety; Car Parking; Events	Buses stop to early to get home from town, shops are shutting and not being reopened so are left empty month on end. Need more events in the daytime to attract more people to come to town
TC/176	Shopping; Restaurants / Cafes; Car Parking; Safety; Cleanliness	It's full of people who shout and swear and obviously take drugs. The car parking charges are ridiculous. It's easier and cheaper and much more pleasant to drive to Meadowhall than go into Mansfield town centre
TC/178	Shopping; Car Parking	Four seasons feels quite in need of repair A lot of empty shops
TC/182	Shopping; Safety; Public Transport; Other	What about if you are old? When you get off the bus there's nowhere to hire a scooter anymore???
TC/184	Public Transport	My local bus service does not run after 6pm which means I am unable to access the town in the evening or complete my journey home if I have been out of town
TC/186	Shopping; Cleanliness	The floors and shop fronts around town are dirty. Half the shops are empty and others filled with pound shops or phone shops. We need some good shops to get people in town shopping again.

TC/190	Safety	Too many drug addicts openly dealing in town Loud and aggressive youths

TC/101	Shopping	There are not enough shops that cater for teenage, and young children's clothing and toys.	
TC/103	Shopping; Car Parking; Safety	All three need attending to so as to encourage more people to visit the town centre	
TC/105	Other	Drug users	
TC/107	Shopping; Restaurants / Cafes	I don't feel particularly safe visiting the Town Centre after dark. I would like it to be a place I want to shop eat and relax in.	
TC/109	Shopping	The shops are shutting down and the market is full of shite	
TC/111	Shopping; Car Parking; Restaurants / Cafes; Events	Parking is always a bone of contention, but in a town like Mansfield, every penny counts. No1 wants to pay to park anywhere. Footfall needs to be increased in the town to entice larger stores etc to want to set up in Mansfield. Until footfall is increased, there will be little demand from shops.	
TC/113	Shopping; Safety; Cleanliness	The number of empty shops seems to be increasing, which doesn't help and makes the place look uncared for. I actually feel safer out in town at night (it's a lot less busy than it used to be and I rarely see any trouble) than I do during the day, when I've witnessed drug taking and aggressive behaviour.	
TC/119	Events; Shopping; Car Parking; Safety	free parking needs to happen in order to attract more people

TC/123	Restaurants / Cafes; Nightlife; Events; Safety; Cleanliness; Car Parking; Shopping	It all needs improving. Major lack of funds and extortionate rents and rates make it a ghost town. Invest in Mansfield not Manchester	
TC/125	Safety; Car Parking; Cleanliness	Needs a big clean up, it's filthy and depressing. There's still mamba zombies on bridge street too.	
TC/129	Car Parking; Public Transport	Both are too expensive. Free parking is too short and those who choose to use several outlets on retail parks are punished for doing so with two hour parking restriction. Buses are extortionate. To have to pay £2.10 to travel less than a mile to my home just past Sainsbury's is outrageous. It is literally cheaper to drive and park which is environmentally damaging. I live on Nottingham road where the traffic levels are ever increasing and public transport prices cannot be helping with this.	
TC/131	Shopping; Car Parking; Safety	Too many empty shops, car parking too expensive, too many drug addicts, drunks and beggers in the town centre	
TC/133		The streets need cleaning up from rubbish, both people and litter.	
TC/137	Shopping; Restaurants / Cafes; Cleanliness	The above are all inadequate at the moment	
TC/141	Safety; Shopping; Car Parking; Cleanliness; Restaurants / Cafes; Events	Homelessness and drug users walking through town that don't make you feel safe, asking for money. Kids hanging around that cause ASB and intimidate people the shops are not great lots of cheap shops, Car parking should be either made to be free parking or take a ticket and pay on the way out so not worrying about how much time you have and end up with a parking ticket! Cleanliness there's still lots of rubbish around, and it's brilliant when we had the bike rides going through saw loads of cleaners out cleaning the route but should be done all the time not just when an events on and being televised! There is nothing on in town that would want me to go down there! Most of the cafes don't cater for coeliacs And most places are not dog friendly	
TC/145	Shopping	The physical state and the lack of variety, along with the air of despondency is killing the town centre	
TC/149	Safety; Shopping; Events	I have 2 young children and don't always feel safe taking them into town with all the druggies and/or homeless people's are about. Shops are diminishing unless you count vape/polish/nail bars

TC/153	Safety	Always reports if people being attacked or robbed, once I had to pass a number of homeless near the library, I felt uneasy and couldn't wait to get out of there.	
TC/155	Shopping; Events; Restaurants / Cafes	Better variety of shops. More weekend outdoor events like the European market and beer garden. More restaurants within the town centre bringing them closer to public transport.	
TC/159	Shopping; Events; Cleanliness; Safety	On most days the town centre is almost deserted due to empty shops scruffy buildings and loose block paving all over town even the drains are blocked especially on west gate

TC/163		Too many empty shops, litter always flying around market, never enough bus services particularly on Sunday morning my job starts at 10 when the shop opens but first buses don't get into town till after 11am and also I don't like to walk around town anymore especially with my toddler as the homeless begging can be intimidating and I don't feel safe with the increase in drug users I have seen this last year.
TC/165	Safety; Cleanliness	Constantly seeing people passed out from mamba use, drinking alcohol on the market place, large groups of teens running riot and nobody of authority can be seen anywhere doing something about it.

TC/173	Shopping; Events	More and more shops are closing
TC/177	Shopping	Don't have enough shops,,no big names shops, not enough clothes shops and definitely not enough toy shops
TC/179		Save money scrap the mayor. Get more shops back open. Brighten up the centre more
TC/181	Shopping; Car Parking; Cleanliness; Events	car parking is too expensive as all the car parks have to subsidize the eyesore car park over B n M n pound strecher the market is dying and it looks dirty and shabby shops are closing
TC/183	Events; Shopping; Cleanliness; Car Parking	The town centre has become run down and huge reduction in visitors. Free parking for the town centre would be a start to increase foot traffic and boost revenue for the town. This needs reinvesting in the town centre however
TC/185	ISDODDING: Cleaniness: Mightife	It's a ghost town nothing has been done to regenerate the night life, people send money out of town instead of in town, I certainly do. Get rid of the homeless get some funding to help new shops open Mon to Friday night now on town is dead there is nothing to drag people into town anymore
TC/189	Cleanliness; Events; Restaurants / Cafes	I do feel like it's getting better cleanliness wise, however the main thing stopping me from the spice addicts in town. Last Saturday around 1.30pm, I got of the bus as I needed to do some shopping. Straight away in the market I saw some spice addicts, completely out of it, shouting and swearing. As I came shopping alone I just got what I needed and went home. However months ago we would come down weekly as a family, shop and browse and then get food or visit an entertainment place, but because of the spice addicts we no longer spend all our time in town anymore.
TC/191	Shopping	Too many empty shops! Too many new shops build outside of the centre e.g Costa Coffee on St Peters retail park. Th
TC/196	Car Parking: Shonning: Cleanliness	Free parking would be an incentive for people to shop and do business in Mansfield. as more and more shops close in the town, MDC need to put incentives out there for people to want to visit, especially as other nearby towns are already offering cheaper or free parking.
TC/198		As I child I used to enjoy shopping in vibrant Mansfield. Now it's dirty, empty shops, no market, . MIF have run the town down to nothing - it used to be a thriving market town, now it's nothing more than a "donut" nothing on the inside, everhing on the outside . I hope the MIF are proud of what they have done - decimated a thriving working class market town. Let's hope Labour get in at May elections and do something to turn around a the mess you have made! Mind you - no doubt a note will be left "good luck, the bank is empty". The MIF decision to waste money on an ice rink will not be forgotten!
TC/200	Car Parking; Safety	Without adequate and affordable parking, where you feel safe to leave your car let alone to then walk into the town, there will be no increased footfall and no attraction to new businesses to set up in the town. Businesses need to know they have a regular footfall to consider the town as possible location, before they even look at the Business rates. If people felt safe and could afford to park in the centre, businesses may consider paying the higher business rates, but whilst there is no footflow of passing trade, I doubt they get as far as looking into rates before considering Mansfield as a place to trade.
TC/202	Shopping; Car Parking; Cleanliness; Safety; Public Transport	I don't need to state the obvious
TC/204		Most shops are closed or boarded up or even nail salons or barbers there is only Iceland and heron you can buy food from the market trade is terrible rent is too high and Mansfield is a dying town The amount of drug users and homeless people that hang around is alarming nobody feels safe you can walk by 6 people drugged out and police and back the bid people do nothing they just walk by these people are constantly fighting and causing trouble within the town
TC/208	Safety	People have stopped coming into Mansfield because of drug related issues . The council should sort the problems out.
TC/210	Shopping; Car Parking	Shops are disappearing and no others apart from coffee shops are opening, it's pretty dull, a nominal fee for parking would help bring shoppers into the town centre.

TC/214	Car Parking; Cleanliness; Shopping	Shops are closing, parking is ridiculously expensive and disabled badge holder think they can park anywhere and with the homeless in every doorway it just seems grubby
TC/216	Events; Shopping; Safety; Nightlife	Not enough shopping choice therefore choose to go to Chesterfield, Nottingham or Sheffield as there is a better choice of shops and I am likely to get what I want. Nightlife has deteriorated in the last 5-10years. Mansfield used to be so busy on a Thursday, Friday and Saturday night, I've not experienced it like this in the last few years. People used to travel here from all over the country. Too many teenagers that aren't old enough to drink hanging around the market square at night and during the day. More events would attract people to the town such as the tour de Britain which was great.
TC/218	Shopping; Safety; Car Parking; Cleanliness	Not enough variety of shops
TC/220	Shopping; Cleanliness	Mansfield needs updating.
TC/222	Shopping; Car Parking; Nightlife; Cleanliness; Safety	These all need improving then the other areas will naturally improve
TC/224	Shopping; Car Parking; Cleanliness; Safety; Nightlife	It's far too intimidating going through the town centre st night and it only caters for younger generations.
TC/226	Shopping; Car Parking; Cleanliness; Safety; Events; Public Transport; Nightlife	Nightlife is diabolical and the state of public transport for this day and age is something to be desired especially between Mansfield and Notts inbetween concerts
TC/228	Shopping	More and more abandoned shops week after week and the shops that spring up in their place are usually the same as others we already have, for example Vape shops, phone repair shops etc
TC/230	Safety	I don't like to see the people who are hanging around doorways and on the market street. They make me feel uncomfortable.
TC/234	Car Parking; Shopping; Cleanliness; Nightlife; Events; Safety	Lack of free parking and the number of parking close to town is reducing, the number of shops and independent shops at that are becoming further afield, out of the town centre. The nightlife is reducing, the number of pubs/clubs are closing, its becoming increasingly expensive to attend in town and it feels often unsafe to do so because of the lack of presence of security and the increased amount of time waiting for a taxi. It would be better to see more events across a wider scope of generations, not just families and young children.
TC/236	Car Parking	Too difficult to park near anywhere unless use four seasons. Too far to carry stuff, puts me off buying anything heavy or bulky. Most car parks are pay and display. Which means always rushing. More pay on exit needed
TC/238	Safety	Too many mamba addicts
TC/244	Shopping; Car Parking; Cleanliness; Safety	Car parks are to expensive compared to other local towns. Shops are getting less with more coffee shops than real shops
TC/246	Shopping; Car Parking; Cleanliness; Safety; Restaurants / Cafes; Events	Mansfield town looks and is a very run down town. As a resident and business owner in the town, I feel the money is not spent in the right places to help boost the local economy. This town is on the decline and not progressing.
TC/248	Shopping; Events	There are too many out of town developments which because of the traffic chaos, especially around the Nottingham road area are a complete nightmare. There needs to be more activities in the town to attract people in & generate interest/participation
TC/250	Shopping; Public Transport; Safety; Events; Nightlife	Mansfield would be a lot better place letting the empty shops at a discount to encourage people into town instead of internet shopping allowing taxis into market area to collect elderly or disabled that have difficult in go up a hill and moving drug users out then empty shops reduce the rent and give markets free days to build the stall up again
TC/256	Shopping; Safety; Car Parking; Cleanliness	I genuinely feel unsafe in town after dark. I would not take my partner out in Mansfield after dark
TC/258	Shopping; Events; Restaurants / Cafes	Closed shops are an eyesore and more opportunity is needed to support new businesses. Maybe a broader look at what communities need and want to support a quality life would help, with high street access to all elements of this, not just shopping. More community involvement in events would provide opportunity to celebrate the diverse nature of our area. As people are valuing a more experiential life, as opposed to a material one, more restaurants, live music venues etc. would be a positive area for development.
TC/260	Cleanliness; Other; Safety	I used to go to Mansfield 3 times a week now it ful of drug user lying in the street it frightening plus all the shops re closing down the market is next to none
TC/262	Restaurants / Cafes; Cleanliness; Events	Needs to be busier, you need to think about what draws people in to a town centre
TC/266	Cleanliness; Safety; Other	Because of the amount of drug users etc I don't feel safe and avoid going into town
TC/270	Shopping; Car Parking; Cleanliness	The town seems to be made up of three types of shops; pound shops, vaping shops and hairdressers. This is fine if this is what you are seeking but doesn't give much variety and almost alienates those who have a bit more money to spend or don't vape. A greater range of shops and possibly free parking would certainly encourage people to come to town more. I personally leave my shopping until Sunday so I can use the free parking in the four seasons. If it couldn't be free parking, something like 2 hours for the price of 1 could be a good incentive and help out pubs/restaurants as people may stay longer to eat in town.
TC/272	Shopping; Restaurants / Cafes; Safety; Events	Mainly shops, there are so many closing and nothing's being opened. I don't feel safe in town at all I never have. I think having events in the town would bring more people. The cafes well could be a few more with more variety

TC/276	Shopping; Car Parking; Events; Cleanliness; Safety; Restaurants / Cafes	The town centre looks run down and depressing - money needs to be spent on smartening it up and encouraging people to come here. Attractive shopping opportunities coupled with free or very low cost parking would help.
TC/278	Other	Need more leisure and the reason why the market worked in the past for me was because of the cheapness of the products, so a tax/cost free market would be most beneficial. Along with free parking for a duration, at least for the non-primary carparks anyway (So like 3-4 hours free to be able to attend an event in the town for example). Also transportation, I would like to see my own Roller Rail system implemented haha (suitable for Mansfield, over Trams). That would help the market alot, being able to deploy rapidly from a local storage unit via a single train (or a few anyway). To be honest I am not an engineer, so would not be able to create the design for that system myself, or alone anyway. Lastly I would like to see a bike & bus lane from ST Peters Way/Portland Retail Park? to Rosemerry Way. The left turning is deadly for cyclists as motorists speed past to turn left and cut in front of you, along with motorists behind that cross over the white hashed marking despite me (as a cyclist) being right in front of them (a danger, or where it is not clear anyway as described in the highway code). So I want on portland street for there to be only a lefthand turning into ST Peters Way and begin a bus lane straight away to proceed forwards (so usual motorists going straight use the overtaking lane only). Then carry on the bus lane until the start of the Rosemerry Way which could be a lane merge. Which would also make it safer for motorists since the right-turn lane there always cuts into the overtaking lane. There is also the fact that most car users that want to go forward (from Portland Street) will be in the driving lane which means they have to wait for the left-turners and also usually there ends up being 12 cars in one lane and 2 cars in the other.
TC/282	Shopping; Car Parking; Cleanliness; Safety	I feel unsafe in Mansfield it appears run down shoos are empty or polish and car parking is very expensive
TC/284	Shopping; Restaurants / Cafes; Car Parking; Nightlife	More popular shops, such as H&M, Zara, and other likewise shops. Car parking is too expensive and should be free or drastically reduced. Improved bars/nightclubs/cafes that attract a more mature safisticated clientele. Better mix of music - djs
TC/286	Safety; Shopping; Car Parking; Public Transport; Events	Shopping what shops there all closing unless you want a phone or charity shop or fast food places Homeless or drugies hanging around which puts you off comming to town over the years mansfield has deteriated massively
TC/288	Shopping; Safety; Car Parking; Events; Public Transport	The town center is dead compared to what it was 20 years ago and needya massive overhaul.
TC/290	Shopping; Car Parking; Cleanliness	If parking was free it might encourage people in to shop.
TC/292	Shopping; Cleanliness; Safety	It is very rare I go down mansfield I just do not feel safe with all the drug users especially with my children, I do not want to keep on exppaing to my son why their are certain people like that, plus I do not feel like there is a wide variety of clothing shops to choose from unless your you need a new mobile phone which there is 0lenty of places to shop then. Compared to other towns around mansfield just does not look like it gets the care and attention it needs and is looking very dated and run down, the market place might aswell not exist anymore there is hardly any stalls anymore so no point in visiting especially when you have sutton just down the road, where the shopping centre is lovely and feels welcoming, sorry but mansfield has nothing to offer anymore in the town centre.
TC/193	IShonning Car Parking Restaurants / Cates Cleanliness Satety	I have lived in Mansfield all of my life and lused to go into Mansfield every week but now I usually go to Nottingham as you can't even get decent pair of shoes in Mansfield, the is only shop is dunelm mill that has homeware its like the stores in Mansfield don't think anyone wants to buy quality. There are a lot of new and expensive homes being built and renovated in Mansfield so keep this disposable income in the town get quality and choice and the people with money will follow not everyone wants cheap.
TC/197	Shopping; Car Parking; Cleanliness; Safety	The town is dying in front of our eyes. Expensive parking in a town with few shops and an intimidating atmosphere. Homeless asleep in shop door ways drinking in the streets, knife crime, nobe or very little visible police/security. Just not a nice place to be.
TC/199	Shopping	The town's shops comprise of Nail Bars, Barbers and empty shops. The market stalls have all disappeared and Marks and spencer is the only place selling food. There are no decent shops any more. There are too many scruffy people wandering about drinking from cans and shouting across the street to each other. I only go in if I have to go to my Bank to do business. No pleasure in strolling round any more.
TC/201	Car Parking; Cleanliness; Public Transport	Dirty areas parking over priced problem drug homeless poor people
TC/203	Shopping; Public Transport	Buses to ladybrook est stop to early
TC/207	Shopping; Events	Shops and businesses need to increase to keep the "high street" live. Key events that are currently put on support the community spirit and are usually well attended so these should be increased
TC/211	Shopping	Too many budget shops, vape shops, bookmakers. Let's get some good quality high street names in the town and clean it up. The foundations for a beautiful town are there, go and chase investment. I hate to say it but Chesterfield town centre is much better
TC/213	Safety; Shopping; Car Parking	There are just not the decent shops in Mansfield like in other towns. No enough good selection of shops. Cheap pound shops and cheap clothes shops fill the town. No shops like, joules, urban outfitters, Lush, maybe a noodle bar instead of Greggs everywhere!! So we have to visit Nottingham or Meadowhall then we also prefer Chesterfield or even Worksop!

TC/215	Shopping; Safety; Nightlife	A lot of shops closed down, I recently parked on church street and walked up and there were beggars and drug users all the way up The nightlife in town is rubbish now.
TC/217	Shopping; Car Parking	Less cafes, cheaper car parking, cheaper rent for market ,so stalls come back.
TC/219	Shopping; Cleanliness; Safety; Nightlife	The town is dirty, lots of people hanging around in gangs who clearly take drugs, the nightlife is getting quieter and quieter due to, many fights. The shops available are not as vast or enjoyable as they once were. New retailers would liven people up.
TC/221	Shopping; Restaurants / Cafes	Mansfield is not a pleasant experience. It feels down trodden and sad .more employment is needed in the area to put cash in everyone's pocket . I'm quite lucky and do have spare cash to spend. But Mansfield needs a revamp totally
TC/223	Safety; Public Transport; Shopping	There is less and less shops each month. I don't like the idea of my teenager being in town on her own as don't feel it's safe. Public transport needs to be improved as since the timetables were changes last year on several services the buses are continuously late.
TC/225	Cleanliness; Shopping; Car Parking; Public Transport; Safety; Restaurants / Cafes; Other; Events; Nightlife	The Whole Place is absolutely disgusting, shops empty, drunks and homeless everywhere, call yourself a council you need to get your act together and get this sorted with the so called government which is also a joke
TC/227	Restaurants / Cafes	Public transport and car parking are both pretty good in Mansfield from my experience. Personally I've never felt unsafe and the nightlife has always been good for a town our size although sadly it's not as busy in town on Friday or Saturday nights, it seems to be the same in most places though. Have always felt there's not enough restaurants and cafes in the centre and it's a pity the new restaurants on the Sainsbury's/cinema part of town aren't in the centre instead. Looking into the feature it seems less people will be visiting town and city centres for shopping due to online, so other things other than shopping seem to me to be vital to keep a vibrant town centre.
TC/229	Shopping	Too many cheap/budget shops, need to attract a better standard of shopping to stop people shopping in Chesterfield or Nottingham
TC/231	Shopping; Safety; Public Transport	not enough supermarkets nothing to go to town for
TC/233	Restaurants / Cafes; Nightlife; Events	Not a lot to do for teenagers
TC/235	Safety	There seems to be a influx of drug users and an increase in petty theft.
TC/237	Shopping	Everywhere I go from Chesterfield to London and lots of places around the IK with work, have more variety in niche shops and cafes, Mansfield seems very quick to attract (fairly or unfairly) chains or bargain versions of cafes, shops and entertainment. The night life is dead compared to plenty of other places I go concentrated in one scrum of an area that is overwhelmed with bad behaviour. I'd like to see more incentives for venues that are unique, The Brown Cow micro brewery and bar is a great example, and spread the entertainment more around the town to distribute people slightly better. It was more entertaining to travel around venues when you started at one side of town and needed up at the other, now you pretty much walk out of one door into another. Shop wise look to try and find more boutique and none chain stores, as well as modernise the four seasons, to make shopping better it now needs to be an experience, with great stores, great eateries and something to do. The town centre has been killed by better stores and facilities at A38 outlet and some of the retail parks that pull people out to the edges.
TC/241	Safety	Mamba!
TC/245	Shopping; Car Parking; Restaurants / Cafes; Events	There aren't enough choices and with Nottingham and Derby nearby and Sheffield not too far, there are better alternatives. I spend a lot of money in these other areas but I'd rather spend it in Mansfield if there were more choices. Car parking should be free.
TC/247	Car Parking; Nightlife; Public Transport; Events; Safety; Shopping	No free parking, can't see the taxi ranks ,not much light when it's dark ,not much to do in the midweek and Sunday afternoon ,not many good shops to visit,not many night clubs in Mansfield now ,no where to keep dry when it rains
TC/251	Shopping; Nightlife; Restaurants / Cafes; Safety; Events	- Shops in town centre closing, need more shops and four seasons should be refurbished to bring it out of the 70's at least Bring in more restaurants and cafes like capo lounge that are family friendly and more trendy- gentrification is your friend for
TC/253	Shopping; Cleanliness; Restaurants / Cafes	Dead town empty shops no quality restaurant or eateries
TC/255	Safety; Cleanliness; Events	The Christmas market closed early, therefore it wasn't there to enjoy when I finally broke up from work. The area is full of mostly men who are intimidating, homeless or openly on or taking drugs.
TC/257	Safety; Shopping; Car Parking; Restaurants / Cafes	I do not feel safe in the town centre as the seems to be a lot of drug users. There are not enough cafes or restaurants n the town centre. Car parking is very expensive.
TC/261	Shopping; Car Parking; Cleanliness	Shopping is dire. Not much left in the town centre now.
TC/263	Shopping	Too many low quality shops in Mansfield
TC/267	Public Transport; Car Parking	The Town Centre has become gridlocked with too many parking restrictions trying to accommodate all road users. As an unintended consequence this causes confusion & frustration prompting vehicle owners to take matters into their own hands, especially during the evenings in the town centre. More traffic wardens are required especially during the evenings to ensure parking restrictions are not being ignored
TC/269	Shopping; Safety; Car Parking; Public Transport	Shops to re open, getting the drug users help,buses do not run in the evening on my routes

TC/271	Safety; Shopping; Car Parking; Cleanliness	Mansfield is becoming a very scruffy place people laid in shop doorways empty shops it is a disgrace
TC/273	Restaurants / Cafes; Shopping; Car Parking; Cleanliness	It is a depressing place to go. Would choose not to go into the town centre unless no other option
TC/275	Shopping	There are too many shops and businesses closing down and the market that used to be the best in Nottinghamshire is now rubbish to many drug takers as well
TC/279	Shopping	We need a proper market back! Reduce the rents or give free days to market stall holders. We used to be a thriving market town, we can't be that with no decent market. Surely half price market stalls bring in more footfall than empty market stall!
TC/281	Safety	With the amount of burgers and drug users in town I feel unsafe and voulnrable when I take my children into town
TC/283	Shopping; Safety; Restaurants / Cafes	Half the shops are empty, why not open up one or two for the college? To show off the art they do in class. Have exabishtions. There are a lot of people with kids that don't want to see other people off the face in spice, or any other drug people are taking right now. Need to have quicker response time and harder punishment for people disrupting the peace and experience you what to achieve in town.
TC/285	Shopping; Car Parking; Safety; Public Transport	Because it will more business into town
TC/289	Shopping; Car Parking	Better shops with more choices and free parking for 3 hours
TC/294	Car Parking; Events; Shopping; Cleanliness; Restaurants / Cafes; Safety; Nightlife	I think Mansfield needs a massive face lift - It looks old, tired and uninviting. Also all the drug users that walk around or are collapsed in town on the floor is off putting, this makes me order on line cause I don't want to see that, makes you feel uneasy. There needs to be more shops, restaurants, things to do.
TC/296	Shopping; Public Transport; Events	Not enough clothes shops for children the ice rink was good but was far to expensive for adults so prices was to high and concentrated more on getting other people in town from other towns rather then the residents of mansfield
TC/298	Shopping; Car Parking; Nightlife; Cleanliness; Safety; Restaurants / Cafes; Events	There isnt a huge variety of anything that would attract me into town
TC/300	Shopping	There is a lack of electrical shops, toy shops,, kids clothes, .
TC/302	Shopping; Car Parking	I feel that the council/bid are not doing enough to promote the day to day foot fall needed in the town centre, the market is practically non existent compared to how it used to be
TC/306	Safety; Shopping; Restaurants / Cafes; Cleanliness	Mansfield town centre is a mess due to lack of investment
TC/308	Cleanliness; Shopping	I compare Mansfield to Chesterfield and they've more shops and looks bright and clean. Mansfield looks run down and dirty in comparison. Especially four seasons shopping centre. It's dark and dull. Not somewhere that's inviting to go.
TC/318	Shopping; Safety	I feel like more shops are closing, safety wise, I'm always holding into my bag and checking my purse is still in it.
TC/320	Shopping; Cleanliness; Safety	Do not feel safe going into town due to antisocial behaviour and feeling intimidated when passing homeless people. Also usually lots of people who are under the influence of drugs and alcohol. Shopping has gone down hill hardly any decent shops. Need more high end shops not just pound shops everywhere.
TC/322	Shopping; Car Parking; Cleanliness; Safety; Restaurants / Cafes	I have been to town today and saw 2 guys under the viaduct shopping small plastic bags, swearing then 2 more joined them feels very intimidating an elderly witnessed it to she was waiting for a luft
TC/324	Shopping; Restaurants / Cafes	More nationally recognised shop & restaurant chains.
TC/326	Restaurants / Cafes; Other	We need more market stores , bring the rent prices down and give the traders a chance instead of being greedy
TC/328	Shopping; Car Parking; Cleanliness; Safety	Not a very clean and welcoming place. Full of unsavoury people, rubbish and emptiness. It's like an old Wild West movie. The only thing you can see are tumbleweeds and litter blowing about.
TC/330	Shopping	I think there needs to be more children's clothes shops.
TC/336	Shopping; Car Parking; Cleanliness; Restaurants / Cafes; Safety; Nightlife	To many empty building s to many druggys and homeless hanging about. Should focus more on improving the shops and market. Far to many nail bars and vaping shops. The market is a let down. How it was years ago it should be thriving now. I don't think there is so much a problem with rubbish. The council should focus on these things I would not visit Mansfield at night especially after my 15 year old grandson nearly got stabbed after leaving McDonald's. Not bothered about office accommodation. There are no children's clothes shops. I don't like the whole atmosphere when we shop at Newark and Chesterfield it is totally different. The Xmas Market was cut short they wasted money on the stupid ice rink, it's nice that there are events but the shops come first.
TC/338	Shopping	Better shops would attract a different clientele. And improve the standard of the town centre and bring in more money. Would shop in Mansfield a lot more if there were nicer shops and less pound shops etc
TC/340	Shopping	not many decent shops many closed. i prefere to go out of town to notts
TC/342	Cleanliness; Shopping; Nightlife; Restaurants / Cafes; Public Transport; Car Parking; Safety	The town Center is dark and dingy and full of drunk youths at weekends, public transport stops in the early evening meaning you have to try to catch a cab along with everyone else. I've rarely seen any police but often see antisocial behaviour.

TC/344	Shopping	I think Mansfield contains too many charity shops, while other retailers are closing. Supermarkets should be encouraged to open small express store's
10/344	Shopping	in the town, not all people want to get a bus to and from the retail parks free or not!!
TC/346	Shopping; Safety	Poor range of shops, shops not let. Would rather go elsewhere.
TC/348	Car Parking; Shopping; Nightlife; Other; Safety; Public Transport; Events	Car parks are expensive, public transport is expensive and unreliable
TC/352	Events; Shopping; Car Parking; Cleanliness; Safety; Restaurants / Cafes; Public Transport	I use to shop weekly in Mansfield when the market was thriving and busy. If you go into Mansfield now all you see is drug dealers openly dealing down and outs and a lot of undesirable people. Once Mansfield had a lovely feeling no longer now. I try to avoid Mansfield and go further afield to shop such as Chesterfield or Meadowhall these places have a much nicer atmosphere and you feel safer. I am not alone with this opinion as all my friends and family feel the same.
TC/356	Shopping; Car Parking; Events	The rents on shops need to be bought down for more shops to come to Mansfield instead of having to travel to Nottingham or derby
TC/360	Safety; Shopping; Events; Car Parking; Nightlife; Cleanliness; Restaurants / Cafes; Public Transport	Mansfield needs to improve in all areas to attract people to spend their money. Car parking is too expensive, the shops are not competitive and there is a lack of decent restaurants and nightlife. The theatre is great and we go often.
TC/362	Shopping; Safety; Other; Events; Cleanliness	There are very few toilets for general public use, and on retail parks none at all. Very bad if you want to spend a couple of hours shopping. Tho only public ones that I know of are in the Four Seasons, not good if you are over the other side of town.
TC/364	Safety; Shopping; Restaurants / Cafes	Nothing to go into town for. I'd rather get the train into Nottingham. Didn't spend a penny in mansfield Xmas shopping.
TC/366	Shopping	Not enough clothes shops.
TC/368	Shopping; Safety; Events; Car Parking; Cleanliness; Public Transport; Restaurants / Cafes	There are alot of shops in Mansfield but they are all selling the same thing you need to look at what is in dirty centres and maybe take ideas from there Mansfield would be alot better that way and actually listened to what the public want we don't need anymore vape shops for example as there is to many we need more affordable clothes/shoe shops more children's clothes shops, we need a better market aswell
TC/370	Shopping	Too many shops shutting down
TC/372	Shopping; Safety; Public Transport	Do not feel safe anymore in town
TC/374	Shopping	Needs more shops
TC/382	Shopping; Cleanliness; Safety; Restaurants / Cafes	I do not feel safe in town anymore, due to drug problems . Foreigners and Eastern Europeans taking over the town.
TC/384	Shopping	So many shops are closed or closing. More cafes than anything elsr
TC/386	Shopping; Public Transport; Cleanliness; Restaurants / Cafes	Many empty shops / units need filling with variable companies
TC/388	Other	High Street Big Shop Retailing is a dying sector, please give up trying to flog the dead horse. If you want to make Mansfield fit for pitpose for the future please engage a mixed use development plan that focuses equally on Residential, Snall business, Retail & Leisure.
TC/390	Shopping; Safety; Restaurants / Cafes; Events	Mansfield has a very poor selection of shops compared to smaller places (Newark) or comparable places (Chesterfield) particularly in ladies fashion where these places have shops like Oasis, Monsoon, White Stuff, Fatface, H & M etc, and independent stores. When was the last time a national chain was encouraged to open in the town. Answer is a long time ago. Big retailers need to be encouraged to open in the town. What has happened to developing Leeming St, Stockwell Gate, White Hart St. Not a lot.
TC/396	Nightlife; Shopping; Car Parking; Cleanliness; Safety	I feel the Local council needs to open their eyes to what's going on in Mansfield Town Centre daily and stop hiding behind the civic centre, living in the 70s and 80s, get young blood into that council chamber and stop hiding behind the odd occasional good event that takes place. There is no consistency in approach, people being paid for no results. The town has no vison, the recent comments by the mayor about people parking in Mansfield from other areas just shows the nature and unbelievable way this local council is run. pits, labour, socialism, fat cats skimming off the top is over. working class hero talk again history, grow up and rethink the future now
TC/398	Events; Shopping; Car Parking; Other	Needs to be more events. Bring closes shops back into use. Offer free parking like other councils do (gedling and rushcliffe offer 2hrs free parking) A lot of derelict buildings need smartering up. (E.g. dickie dirts) Considering the amount rumoured to have been spent on the market there don't seem to be many stalls.
TC/400	Safety	I have lived in Mansfield all my life and can't believe the change! No market which is shocking and the amount of people on black mamba and how unsafe it feels the whole atmosphere of the town is very bleak it needs a vibrant change, where folk feel safe and a good market which will attract people back to the town

The town used to be a thriving centre with a vibrant market 3 or 4 days a week. There are quite a few empty shops now which do rousinesses to come to the town. I think rents need to be lowered to encourage smaller family-run shops to start up and MDC shou property stock and improve the appearance of the buildings they hold on our behalf.	· ·
We have nothing In the way of shopping. The market is a reason not to come into Mansfield rather than a selling point. Nobody was town because no-one uses it but no-one uses it because it has nothing positive to come in for, tramps, druggies, anti social behavior pay too much to park up to do anything so then only the walking in crowd come in as all the drivers plan there shop around places need a supermarket in the centre, we need the market to devolve, give stalls away for free if it revives it, do a 2 year free regenera them back in Mansfield making some money, the four seasons is horrible, make it nice again, have indoor market stores through it people to trade in the place as all retail is struggling. Mansfield is almost dead because of the out of touch people who run it and so trying to save the market when making it cheaper would work so much more. You need an idependant think tank made up of local from Mansfield to keep the local authority in touch with what Mansfield needs, I doubt anyone who has a say on what happens in actually uses it, it's like your following instructions on a plan that worked in another town instead of targeting the unique problems shop fronts all across Westgate need to be up to a high standard, it's looks terrible. getting down to brass tacks it's a massive horril anyone with something about them or with a choice would never dream of making a trip to Mansfield Town centre	ur and you have to they can park. TC/442	Shopping; Restaurants / Cafes; Car Parking; Safety; Cleanliness	I feel that the car parks provided are all in a poor condition and are too expensive when compared to the privately operated ones. Whilst I appreciate that the council staff do try their best I find that the overall cleanliness of the town center is poor and the general dreariness is emphasized by the large amount of empty shops, poorly surfaced pedestrianized walkway's and lack of variety in the shops that are open. How many nail bar's, vape shops, phone repair shops and hairdressers does one town need? The issue of the homeless and drug taking people that seem to overwhelme the town centre also urgently needs addressing.
TC/444	Shopping; Car Parking; Nightlife; Cleanliness; Safety	Mansfield town centre is a disgusting, Unsafe place to be, I only visit out of necessity, I will avoid the town at all costs. I constantly see needles, drug use, fighting, loitering of intimidating youths on the market and to top it all off I have seen homeless people plesureing them selfs outside the bus station and church street on numerous occasions.
TC/448	Shopping; Car Parking; Restaurants / Cafes; Cleanliness; Nightlife	Nightlife in Mansfield is predominantly aimed at the younger generation. Consequently there are no decent restaurants or bars to encourage a more mature age group (40+)in to the town centre at night
TC/450	Other	It all needs improving, the building facades are very down at heel and depressing and the covered market stalls when not in use act as a haven for aggressive drunks/spice heads. It's also depressingly dead at night and empty stores don't help.
TC/454	Shopping	More shops increases foot fall. This will increase business opportunities for other shops. Less fast food and takeaway places. Minimise car parking cost. Better markets with specialist markets monthly on say last Friday Thursday of the month.
TC/456	Shopping; Cleanliness; Public Transport	Empty derelict shops, ie Leeming street. Poor bus services ,our last bus is round 6.30, so many vape, polish delis and charity shops.
TC/458	Shopping; Car Parking; Other	The amount of homeless on the streets is unsettling
TC/460	Safety	Lots of ganhs and people on drugs
TC/462	Events; Safety	When out in town there are always lots of groups of men either arguing and hanging around which makes if rather daunting to be near them
TC/464	Shopping	There are a lot of shops that have closed and there haven't been any new ones leaving a lot of vacant units.
TC/466	Shopping	Many shops closed down, town looking shabby now with too many polish shops
TC/468	Shopping; Car Parking; Safety; Cleanliness	No incentive to visit, the parking is overpriced for the standard of the town in general. Unsafe, unclean with no shops of any interest whatsoever
TC/470	Safety	There are too many people who are clearly on drugs around and no visible police presence
TC/472	Shopping; Restaurants / Cafes; Car Parking	Experience
TC/476	Shopping; Cleanliness; Car Parking	I'd sooner travel to Chesterfield, Nottingham and park and ride or Sheffield to Meadow Hall. Parking in Mansfield is expensive and not worth it for the quality of ahops
TC/478	Shopping	Too many folded businesses and empty buildings
TC/480	Public Transport; Shopping; Cleanliness; Restaurants / Cafes; Events; Car Parking; Safety; Nightlife	Everything needs improving
TC/482	Shopping; Cleanliness; Safety; Nightlife	Weak range of shops. Lots of people clearly in drugs visible in the steeets.
TC/484	Other	Mansfield used to have a good market, it was worth getting the bus into town. There were all sorts of stalls, second hand/antiques/etc. now it's rubbish, with mostly fruit/veg/clothing and little else.
TC/486	Public Transport; Shopping; Restaurants / Cafes; Events; Car Parking; Safety; Nightlife	I think there is a lot of improvement needed on all areas. I don't feel safe and the choice of shops isn't very good so I go to Meadowhall if I want to go shopping, if I'm looking for somewhere local, I go to Chesterfield. Same with nightlife, if I want to go out drinking it'd be Nottingham or Chesterfield. Even though Mansfield is closest to me by far, it's my last choice everytime.
TC/291	Shopping; Nightlife; Car Parking; Safety; Events	Mansfield has too many charity shops and not enough choice for shopping, would like to see more independent shops being opened, car parking fees need reducing to encourage more people to town,
TC/293	Shopping; Car Parking; Public Transport; Nightlife	To many empty shops and not enough free disabled spaces.
TC/295	Shopping; Car Parking; Public Transport; Cleanliness; Restaurants / Cafes; Events; Nightlife	If free parking were offered I think more people would be attracted to the centre but only if the place has a visible police presence and is clean. If more people are going more shops might open along with cafes etc. I don't know whet the council see doing to try and attract new businesses but in terms of the town centre it doesn't appear to be much. The whole area around Dame Flogan Street is a shambles apart from the one restaurant. Maybe the council can allocate some areas of the town centre for flats seeing as retail is struggling? And I don't mean council flats for people on the dole. Could the council offer incentives to start up tech and IT businesses? We're close to the M1 with rail links to Nottingham and Sheffield. The council need to have a long hard brain storming session with some serious ideas because more of the same isn't going to cut it.

TC/301	Restaurants / Cafes; Shopping; Nightlife; Safety; Events; Public Transport	Not much to do in Mansfield socially. The restaurants and cafes are old, too much nightlife in the clubs at night making mansfield a bad area, events are all the same and about the same few things every year, transport in mansfield rubbish. Can trains from mansfield be more frequent instead of every 30 mins.
TC/303	Shopping; Restaurants / Cafes; Events	Too many empty shops. Rent & rates should be reduced to encourage businesses.
TC/305	Shopping; Car Parking; Cleanliness	There are little shops that attract the youth of Mansfield, if I need anything I have to go further afield like Nottingham or Meadowhall in Sheffield. There is so much potential in Mansfield, the four seasons is old and not appealing to the eye. My suggestion would be, instead of renovating the multi storey car park near Rosemary would be to just knock it down and start again with a new shopping centre in that area. You could include the Rosemary Street site as there is a pathway under the road that lead towards the car park that should be turned into a new and modern shopping centre that would put Mansfield on the map. The promotion of Mansfield Town to a higher league will increase the amount of people visiting the town so give them somewhere where they will want to spend their money not somewhere that is massively old and run down. A new and modern shopping centre will attract new shops of a higher market.
TC/307	Safety	Too many drugged up people hanging around, lots of homeless around
TC/309	Shopping	Need some bigger names, and a brighter, cleaner environment.
TC/317	Shopping	Not enough independent shops. If we were to lose Debenhams and M&S I wouldn't visit mansfield
TC/319	Shopping; Safety; Cleanliness	I've visited Mansfield Town Centre today for the first time in a number of years and was shocked by how run down, dirty and unpleasant it was. It looks like a town on the brink of collapse. A lot of places were empty and there were people begging on every corner (why aren't we helping our homeless more?) I walked down Regent St into the town centre and it was depressing. Sorry but I won't be coming back any time soon.
TC/321	Safety	I am a woman in my 40's. I've lived in Mansfield all my life. I no longer feel safe in Mansfield or want to bring my children here because of the amount of drugged up people approaching us asking for money. I last brought my son to town to visit the dentist (old Charter Arms building) and 4 drugged up people were sat in the doorway making us feel very intimidated. I want to support the market and shops but I really don't want to be accosted in the street. I no longer visit Mansfield after dark which is sad because we wanted to attend a carol service at St.Peter's but I wouldn't go to that area because of my friends experiences of being mugged near there. My children didn't get to go on the skating rink for the same reason. I've not brought my kids to town since last August when I got their school shoes.
TC/323	Shopping	Shop rents are extortionate as are market rates causing retailers to go elsewhere to "set up shop" this has led to a reduction in choice and less revenue coming into the town.
TC/325	Shopping; Events	Too many empty shops, and too many of the wrong types of shops The events are ok, but it would be nice to see more of them to draw more people into the town centre again
TC/327	Nightlife; Shopping; Public Transport; Safety; Cleanliness	The town is depressing these days. Too many empty shops, too many homeless people and a market that doesn't even deserve to be called one. The town needs a lot of money spending on it
TC/329	Shopping; Cleanliness; Safety	More and more shops are being shut! You're not helping keep the private independent shops who are struggling. The market is shocking and all my family tell me it's not what it used to be. There's so many drug addicts that need help or moving out the town.
TC/331	Safety; Shopping; Car Parking; Cleanliness; Nightlife	There should be at least 2 hours free parking to encourage people into the town centre. The rent and rates of the shops are too high that's why it's becoming a ghost town. The public bars are nothing like they used to be because thay can't afford to stay open because of high rent etc. If the town was safer more people would visit day or night. There are too many homeless and drug users down there.
TC/333	Shopping; Car Parking; Cleanliness; Safety; Other; Restaurants / Cafes; Public Transport; Events; Nightlife	Mansfield town centre needs a lot of improvements, better shops to attract more people to shop, I go to do my banking and eat food but shopping isn't very good need better shops, to many empty buildings, shopping is better in derby or chesterfield To many homeless about in door ways and druggies on spice hanging about the market place, I don't like taking my young children to town to see the state of some people and the druggies, to many nail bars and cafes We need better bigger shops then Mansfield would be an enjoyable place to find what I need We need more shop that sell kids clothes
TC/335	Shopping; Car Parking; Safety; Cleanliness; Restaurants / Cafes; Events; Other	Town is full of scummy chavs and vape shops
TC/339	Shopping; Public Transport; Safety; Events	there isnt many shops now days its either charity shops or cafes/takeaways nowhere to go to the toilet if your alone with a pushchair as the baby changing/ didabled toilet in four seasons is often closed you have far to many people on mamba which isnt pleasent for kids to be seeing the events are getting worse the light switch on used to be amazing with a parade and lots of things to do but now its boring and the acts arent great the ice rink was a waste of money too

TC/341	Restaurants / Cafes; Shopping	Mansfield in comparison to towns both bigger and smaller is so disappointing. It frustrates me having to drive to Meadowhall, Nottingham, Lincoln or Chesterfield to go shopping because they have a better calibre of shops. To be fair though if you need a mobile phone your sorted as there are tonnes of those shops. Terrible town centre and it's a true shame as I used to visit every Saturday and now possibly every 6 to 8 weeks. I love that the council want to make improvements but action is needed. For me we need better chains in the town that offer variety. Not 100 shops. Perhaps the town should look to Truro as it's a tiny city that has a far better town centre than Mansfield. I also think the lack of decent restaurants plays it's part as when I go out to any of the above shopping locations we as a family eat lunch out. It's great that we now have a nandos or Bella Italia near the cinema but what do we have in the town center. 3 Greg's and several McDonalds.
TC/347		I am Disabled, and think we need more free parking for disabled were, The small market which as now been put in big market center we could be given down there for free parking on Wednesdays as it is never easy to park on this day as this parking is limited to SUNDAY/MONDAY/TUESDAY.on Westgate, it should now be opened on Wednesdays as well xx As for shops so many empty now, x
TC/349	Shopping; Events; Safety; Nightlife; Cleanliness	Decent, popular shops closing down. Spending money on a bloody ice rink and not making any profit. Drug uses frequenting town n getting away with it. Fights at night, corupt bounces. Stinking bins n litter on the floor. Simples
TC/351	Cleanliness; Other	Empty buildings/ rundown buildings
TC/353	Safety; Shopping; Other	Mansfield is not safe due to the amount of yobs and druggies hanging around and police who do very little, although I do realise this is not their fault and what they can and can't do comes from higher up. There is very little variety of shops, too many cafés, you only go into town if you want to sit in a café. Lack of outside public toilets. Since the town hall toilets have been closed you have to go into the shopping centre or into a shop with a café or even into a café or pub if you want the loo. Shops cafes and pubs don't really appreciate you going in their loos without buying something. I don't understand why the town hall toilets are being ripped out when they've only recently been put in, it's a complete waste of money yet again.

TC/357	Restaurants / Cafes	The rise of the Internet for shopping means that town centres have to create other reasons for people to visit. Thriving entertainment coupled with a range of restaurants, cafes and bars that cater for a range of tastes will attract different groups of people into the area.
TC/359	Shopping; Events	I nomally find myself going to events in other places such as chesterfield or Newark.
TC/365	Restaurants / Cafes; Shopping; Events; Cleanliness; Car Parking; Public Transport; Safety	Cause the whole town is an eyesore and there is nothing to actually go to the town for
TC/369	Shopping; Safety; Car Parking	The car park where the old bus station is, looks horrendous. The Four Seasons car park always has lots of spaces blocked off because of safety reasons! It's also an eyesore. A lick of paint wouldn't go amiss at the very least. At least one of the lofts is usually out of order too. As for safety I'm referring to the amount of drug users and alcoholics you come across just walking about the town or even on the way towards town. I've lived in Mansfield all my life (35yrs) and I've never seen so many homeless people, drug users and alcoholics as there are now. It makes me feel sad. I try my hardest not to shop in town as I hate seeing the above, the shops are rubbish, and it just has a horrible dirty vibe about the place. There needs to be more help and support for the homeless, druggies etc to try and get them moved out of the area and get the help they clearly need! Also something for the teenagers to do- a youth club or something!! There's literally nothing exciting for teens in our area anymore- hence why some get up to mischief or get involved with the drunks and druggies. As for shops, it would be nice to have a Range or Matalan in Mansfield instead of travelling to Sutton. Even another soft play area in town as Monkey Mays is a bit small and crap! Some more decent bars- a bit like Capo Lounge. Some decent restaurants would be good. Most towns/cities have their restaurants and bars within easy walking distance from each other- Mansfield is too spread out!! Unless you want to eat at the Swan or Weatherspoons, you'll easily have a 15+ mins walk from say Ill Rosso or Nando's etc into townwho wants to do that in high heals?!?!?
TC/371	IShopping: Cleanliness: Safety	A lot of shops closing and last time I used the toilets in four seasons they were filthy, put off by homeless outside the library and entrance to centre from Tesco car park

TC/373	Shopping; Car Parking; Safety; Restaurants / Cafes; Events; Nightlife	Shopping because the stores have pretty much the same things in, your always queing for a long time, car parking because its expensive no wonder people dont really come to town or they use the public transport, i dont feel safe when im in town as you have drug users about everywhere there like rats, out on the hunt for food, money and whatever else they can find, the homeless people need moving and housing as they cant be sat in doorways all day and night they will catch a death, its too cold outside for them. Restaurants and cafes are charging daft prices for simple things that people wont pay. Theres no good events no more party in the park used too be the best now its gone its rubbish. And the nightlife is just awful. This town is just dying and itll soon be dead something needs sorting asap before it dies for good.
TC/377	Shopping; Safety; Cleanliness	The market desperately needs funding to bring it back up to standards. The whole town centre needs a good clean and there needs to be a crack down on drug users within the town centre. My daughter attends Funky studios and they have to keep the door locked as there has been drug users hanging outside. Whilst doing a performance at the Palace theatre drug users were shouting at them from across the road. The police had to be called to remove them. My daughter is too scared to be out with out me or her father
TC/381	Shopping; Safety; Cleanliness	There are a lot of shops closed that need filling and too many people begging & begging by playing music in the street in the centre of town there are gangs of youngsters that hang around outside certain shops and other places which makes me as mobility scooter user fell unsafe to come into town on my own
TC/383	Shopping	Not enough decent shops to draw you into Mansfield for shopping. Too many vape shops and nail parlours
TC/385		In the last 10 years the council have given no investment to our town but have given millions outside the town, even the ice rink was a disaster. It seems we need a change and that starts with the people in charge. Let's get people in who actually care about our town and make it proud again
TC/387	Shopping	A better variety of shop needs to be made available. More "up market" shops and smaller local businesses need to be promoted.
TC/488	Shopping; Cleanliness; Safety; Public Transport; Events	I do not feel that safe around town too many people hanging in groups. The place looks dirty and run down we need to make the most of the lovely architecture we have that is hidden by boards and grime. we need new shops opening that are not all main chains, nice individual shops, the market was once thriving like Chesterfields, this needs improving. There are enough cafes already perhaps more restaurants that open in the evenings. Although people are asking for 2 hours free parking and hour would be adequate for most people as there is not that much to do in town and most people I would imagine are just popping to a couple of stores or the bank, opticians etc. the new bus station is a great improvement on the old but my husband and many like him are unable to get up the hill to use it we therefore have to use the car and need more disabled spaces, perhaps all the car park on Queens street could be disabled only? Events that do make a profit would be good for the town and also keep the Christmas market running closer to christmas next time. It closed far too early. The old town hall needs using again as a public building perhaps to show off local artist work or as a place for people to pay their council tax etc. or house the Citizens advice place as many people struggle to get up hill to the current one. the town needs more investment to bring in tourists make the most of the Robin hood connection, make the most of the architecture, smarten up all the lovely buildings on Leeming street and Dame flogan street area.
TC/490	ISDODDING, CAL PARKING, EVENTS, RESTAURANTS / CATES, MIGHTINE	The shopping has gone down market very quickly shops are empty threats of shops closing we will have nowhere to shop soon. No nice restaurants cocktail bars or bars in general no open market cafeterias.
TC/492	Shopping; Other; Car Parking	Not enough decent shops, little choice, lack of children's shops and fashion shops.
TC/494	Cleanliness; Shopping; Safety	The town is scruffy. Homeless people leave rubbish all over the place. Foul mouthed people make it feel unsafe. Market is non-existent, shops are dwindling. If M&S and Debenhams close it will become a ghost town.
TC/496		Lots and lots of empty shops
TC/498	IShonning: Car Parking: Cleanliness: Nightlife: Restaurants / Cates	Car parking in getting a joke Should be more places like. and why not? Walking around Mansfield it looks scruffy and dirty. Most shops a looking scruffy out dated.
TC/500	Other	I chose other simply because they all need addressing! With out decent and reasonably priced parking and decent public transport then the other things aren't going to happen but In order to Encourage people to visit mansfield town centre you need a wider variety of shops to drive footfall into town. A wider variety of cafes bars and restaurants will encourage people to stay in the town centre for longer as long as they feel safe to do so. The council should be encourage and support not only big businesses to come into town centre but also small businesses. They are the life blood of our town and will boost the town economy! Surely it's simple to more people that visit mansfield the more businesses will want to open and stay open, this inturn will reduced the unemployment rate in Mansfield meaning that more people will have money to spend in the town centre, the more is spent in town the more profitable those shops will be and be able to employ more people and so it goes on!!!!

TC/502	Shopping; Events; Safety; Restaurants / Cafes	Empty shops make the town centre look run down, It would have been nice for restaurants like nandos, bella italia etc to be in the town centre, most cafes are lovely but i wouldnt go into the town for lunch for dinner with friends for the lib grub that is on offer. Lots of antisocial behaviour in the evenings at weekends, inside the venues moreso. the taxi rank is out of the way, i wouldnt feel safe walking through the arches to get to it, often i cant get a taxi, definately a reason to not go out.
TC/504	Shopping; Car Parking; Cleanliness; Safety	Too much rubbish lying around, too many shops closed or closing. The market should be thriving.
TC/506	Public Transport	The public transport ends at 18.15 in our area, which means we have to take the car or stand in a queue for a taxi, which if the weathers is inclement can be very disappointing and a poor end to an evening out.
TC/508	Shopping; Car Parking; Events; Safety; Public Transport	The town centre is out of date old looking not nice at all
TC/512	Shopping; Car Parking; Cleanliness; Safety; Events	The only decent event is the xmas lights
TC/514	Shopping	Mansfield needs to attract a range of stores and not just pound shops, Which there are too many of. There is nowhere to shop for clothing or shoes really or at least little variety. You have to go to Sheffield or nottingham.
TC/516	Cleanliness; Shopping; Car Parking; Safety	Often rubbish laying about, as an elderly person I feel unsafe with the volume of homeless people who approach me. Shops look to be closing rather than opening or remaining open. Car parking is old and feels unsafe.
TC/518	Shopping	There is a lack of variety/ interesting/ independent shops to browse/ buy from.
TC/520	Car Parking; Cleanliness; Safety	I hate having to go into town to go to the bank with my new baby if you aren't walking around smokers there's groups of people swearing and shouting and make me feel intimidated.
TC/524	Events; Shopping; Safety	Too many empty shops. Not enough police and wardens out both day and night, too much antisocial behaviour from young teens and too many homeless cluttering up doorways and off their heads on drugs
TC/526	Shopping	Just look at all the closed buildings
TC/528	Shopping; Car Parking; Restaurants / Cafes	The quality the high street shops is below average. The are only a handful of decent stores. Car parking is dated and overpriced. Restaurants and coffee shops like ones out of town would draw more affluent shoppers/ spending.
TC/532	Shopping; Cleanliness; Restaurants / Cafes; Safety; Car Parking; Nightlife; Public Transport; Events	Because I feel unsafe and its very unwelcoming
TC/534	Shopping	need new shops in town, more individual upmarket shops, instead of cheap shops and chain stores, all town centres are the same, make Mansfield a vibrant town with new ideas, farmers markets are good, a quality ladies wear shop, not everyone wants to shop at Primark, although they attract certain people and offer good value. Need to attract more people from the 'posher' areas i.e. Ravenshead, Berry Hill etc to stop them shopping in Nottingham. Chesterfield and Newark have some nice shops. A Market Town sounds better than an ex-mining town, think Bakewell, it gives a different image, promote surrounding ares Sherwood Forest, Newstead Abbey etc. I am not a snob, proud of my mining roots, but we need to move forward to attract the wealth of opportunities out there.
TC/536	Shopping; Safety; Restaurants / Cafes; Other	It's awful.during tag day. I don't want to bring my young children into town. Needs total overhaul. Rethink how you could market the town. Look further afield to cities that have been rejuvenated like Liverpool, Hull, Glasgow. Don't let mansfield continue to have a negative reputation.
TC/538	Shopping; Cleanliness; Other	Shops are closing down and the centre is over run with homeless in drugs. Not a place I want to bring my children to
TC/540	Shopping; Public Transport; Safety; Cleanliness; Car Parking	It needs investment you all on the council have failed to keep the town looking fit for the future. Start planning for the future or you will in the end finish not only the town centre but the town as well. When we moved here 12 years ago it was great ,it was clean and welcoming now it's just no longer visiting. Maybe that's because you the council has no ideas and continue to invest in other towns. This council is not showing confidence in the town I wonder why?
TC/542	Restaurants / Cafes; Cleanliness; Safety	Your policy on resident bin collection if ridiculous, all it does if promote the abuse of communial bins as this is the easiest option for residents who didn't get their bin emptied
TC/544	Events; Shopping; Car Parking	It is lovely To see the families together at Xmas lights switch on in the market place. I don't believe the market as it is sustainable as people now tend to buy offline or prefer to try on is proper changing rooms in shops - farmers markets, and beer / gin festivals, antique fares, vintage markets is the way forward, its a nice space. Shopping in general is quite dire, we are lucky to have beals, Debenhams and marks primark, take any of these away and it makes the experiences even poorer. Car parking prices do not make me feel I get value for money for what is on offer but I appreciate the free 30 mins in some of the car parks
TC/546	Shopping; Safety; Cleanliness; Restaurants / Cafes	There is a lack of decent shops. Not even a Prezzo or a pizza express to eat in nor a decent supermarket. The town is littered with rubbish full of low lives dealing / taking drugs swearing shouting. I avoid taking my 7 year old daughter in . She loves the library to get books but even in there it stunk and full of homeless people. It's shocking. I moved here 3 years ago and if I'd known how awful the town was I wouldn't have done. I go to Newark Nottingham to shop. Most people I know do the same.

TC/397	Safety; Shopping; Car Parking; Events	Mansfield Town centre as become a nest for homeless Zombie drug taking addicts. There's no police or special constable anywhere to be seen half the shops are closed there is nothing on in the evening to bring people in at night the local radio station is a joke with its adverts. The main attraction is the Football Club but it gets no help from businesses or the local council to advertise the fact it's doing well. If it wasn't for John Radford and the club the ice rink would have been a total disaster if the club hadn't sponsored it. Mansfield District Council need to go back to basics look what made Mansfield a thriving town centre in the 70s 80s n start adopting a feel good attitude within the town
TC/399	Shopping; Car Parking; Cleanliness	Poor choice or shops due to ridiculous rents, dirty place full of smack heads and you charge for that privellage joke.
TC/401	Shopping; Car Parking	Better shops needed and a good market like Chesterfield bring people into the town from Newark etc
TC/403	Shopping; Restaurants / Cafes; Car Parking; Cleanliness; Safety	Really going down hill Isn't safe at all
TC/405	Shopping; Car Parking; Restaurants / Cafes; Cleanliness; Safety; Public Transport	There really are no decent shops in Mansfield, male/female shops are limited. Transport to and from nottingham and oaktree need to run later in the evening.
TC/409	Shopping; Cleanliness	Not enough high street banded shops , too many druggies hanging around don't feel safe
TC/411	Restaurants / Cafes; Shopping; Nightlife; Events; Safety; Car Parking; Public Transport; Cleanliness; Other	Everything needs improving it's a disgrace
TC/413	Shopping; Cleanliness; Restaurants / Cafes	More and more stores seem to close as time goes on. It makes the area look run down and tired. There's minimal places to eat in town meaning most people prefer to look outside of the centre for a restaurant, especially in the evening. No matter where you go there always seems to be rubbish or a lack of general overall cleanliness. It just always seems to be an unfinished building site.
TC/415	Shopping; Car Parking; Safety	Car Parking should be FREE for first 2 Hours. Safety must still be 100% resolved due to Drug Addicts in Town Shopping must be improved to put real retail businesses in the empty stores/units
TC/417	Shopping; Car Parking; Cleanliness; Safety	The town is like a ghost town compared to chesterfield and even Sutton. Shops boarded up, it looks near apocalyptic! The four seasons shopping centre is dated, the town centre strewn with litter and druggie zombies. The council obviously are not investing what they can, but rather putting money elsewhere.
TC/419	Shopping; Other	Needs a retailer to replace BHS. The Four Seasons Centre frontage to Westgate should have stone cladding installed to replace the current cladding. I also think that some thought should be given to making the Town Centre smoke free. It's impossible to visit without inhaling second-hand smoke.
TC/421	Shopping; Car Parking; Cleanliness	The town is smothered with people on drugs. Shops are closing and the place just looks really run down. The car parks are too expensive
TC/425	Car Parking; Cleanliness; Safety	Parking is expensive Lots of litter Too many hoody youths around
TC/427	Shopping; Car Parking; Cleanliness; Safety	Mansfield has some beautiful old buildings but the Planners permit gaudy shop fronts, abandoned shops and a general atmosphere of decay. This town could become a market town to which people would travel if we had a planning policy for shop frontages, more visitor attractions and a better market. Add to that 2 hours of free parking which I witnessed recently in Abingdon, where the town was extremely busy.
TC/429	Shopping	Alot of empty shops in town, rents are to high to attract new businesses, in more varied types of shops.
TC/431	Car Parking; Shopping; Events; Cleanliness	The motorist is penalised and ostracised therefor no footfall therefore declining town centre.
TC/433	Shopping; Cleanliness; Safety; Events	The choice of shops is minimal in the town centre and it's easier to go to a retail park or supermarket where choice is bigger and parking is more convenient and often free.
TC/437	Shopping; Car Parking	Shops are empty, we need to attract I9cal businesses, free parking for 2 hours ti attract more shoppers to spend, it is too expensive to park for a short period of time
TC/439	Shopping; Safety; Other	The drug problem, people who constantly hang around shop doors who clearly are on drugs and display anti social behaviour, very intimidating to shoppers and families. This needs dealing with fast.
TC/441	Shopping; Safety; Cleanliness; Restaurants / Cafes; Public Transport	Over the past year I have seen an increase in drug addicts and homeless around mansfield town.i have two young children and whenever I go into town shopping i have to take them with me. Recently we have seen a drugged up man passed out in the middle of the day outside newlook and another passed out on a bench. Mansfield is a scary place even in the day. The toilets you pay for are dirty apart from the bus station. Constantly being asked for spare change or food. The shopping centre and shops all need improving. Public transport is very expensive and taxi's are unreliable and again not safe. I much prefer shopping in Nottingham!
TC/443	Shopping	Empty shops
TC/445	Shopping; Car Parking; Restaurants / Cafes	Shopping in Mansfield has become painful as you never know what you meet in town, antisocial behaviour is rife and shopping is pretty poor. Taking your children is not advisable.
TC/451	Safety	Do not enjoy walking around the centre due to the behaviour of the people there. It just isn't a nice place to be.

TC/453	Shopping; Safety; Car Parking; Nightlife	Shopping: very few shops of worth. Far easier to go to Chesterfield have a larger range of shops (H&m, Asda Living, hobby craft) Safety: on a number of occasions I have felt incredibly intimidated either by people shouting and swearing or those who are on drugs. Parking: better offers are needed for parking, I would rather travel further to Meadowhall for the free parking and greater range of shops. I do not like Ben Bradley but get people into town shopping. Nightlife:have not been into Mansfield for a very long time. Lot of bars/nightclubs have shut down. Need a bigger variety.
TC/455	Restaurants / Cafes; Shopping; Nightlife; Safety; Cleanliness	Mansfield has lost its sparkle its dirty untidy people slouched in doorways begging loads of shops have closed it just looks a dirty town from what I'd did a few year ago hate coming into mansfield now only come when I need to

TC/461	Safety; Shopping; Car Parking	There is not much choice in terms of shopping and you are very limited. The quality of shops for fashion, children's clothing and shoes etc is very poor. I prefer to shop online for more choice or travel elsewhere. Car parking is very expensive, it is more value to travel by train to Nottingham to shop. I feel the town centre has really gone downhill which is such a shame. Most bars have decent security but it is the walking about in the centre that concerns me and I feel more unsafe due to people 'hanging around' the centre.
TC/465	Car Parking; Restaurants / Cafes; Events; Nightlife	Free parking for 2 hours Town centre should be a sociable place. Online shopping means that you can get whatever you want from your sofa, so town centre needs to give a good enough reason for people to come and visit. Whether thats live music, ameteur dramatics, talented buskers, different cafe's and restaurants etc.
TC/467	Cleanliness	The town centre looks scruffy
TC/471	Shopping	Due to the state of finances throughout the country more and more smaller shops not just the bigger ones are decreasing, i see more shops closing or struggling, prices are rising for us all and more and more people are turning to the much cheaper options.
TC/475	Car Parking; Safety	Druggies h bing around and thieving
TC/477	Public Transport	It is very difficult to get into or out of Mansfield in the evening. The buses are not particularly clean and, as we don't have the digital signage at the bus stops, you are never quite sure what is happening with the bus eg on time or late
TC/479	Shopping	Like most town centres, Mansfield is declining. Urgent action is needed to stop the rot before it's too late.
TC/481	Shopping; Cleanliness; Safety	The town centre feels old, dated.
TC/483	Shopping; Safety; Events	Each time I go into town there seems to be another To Let sign above yet another empty building. It is full of vape shops and food places it is beyond ridiculous. Market is nothing compared to how it was. I visited market two weeks ago on Tuesday and was hardly any stalls compared to previous years and was so quiet when five years ago it used to be so busy on a Tuesday. There are people hanging round in gangs in alleyways and people sat in empty doorways.
TC/485	Shopping	too many empty shops, Leeming Street in particular is a mess
TC/586	Shopping; Cleanliness; Car Parking	To expensive to park. Shops not varied enough dirty scruffy streets.
TC/588	Shopping; Car Parking; Cleanliness; Safety	I only choose Mansfield when I want a little bitbig shops it's Sheffield or Nottingham. The place is filthy. I think fir what Mansfield as carparking is expensivemeadow hall is free and the choice is amazing. It's full of mamba using esp near stamp king passed out in on benches
TC/590	Safety; Shopping	Shopping variety is lacking and most of the time I will catch the train to Nottingham as really for women's clothes there's only a couple of shops.
TC/592	Nightlife; Shopping; Other; Public Transport; Safety; Restaurants / Cafes; Cleanliness; Events	MDC have totally destroyed Mansfield town center
TC/594	Cleanliness; Public Transport; Safety; Restaurants / Cafes; Shopping; Car Parking; Other	While the council try there best to keep the town centre clean, it still needs a lot of work! Parking TOO EXPENSIVE, the town is dying. Give people an incentive to come into town shopping, make it cheaper tp park and travel into tpwn. Too many empty shops because of expensive rent, business rates and the expensive parking. Hy are the council spending £1m on redeveloping the town hall into more shops and units that are only going to stand empty. Why did the council get rid of the indoor market. The ciuncil needs to take a look at other market towns and take note. We regularly travel to the market toens of Louth and Market Harbrough. Cheaper parking for starters and independent businesses. It's not safe at night too many groups of men hanging around. The co7ncil needs to be doing more to entice more businesses into the town centre, cheaper rents, etc. What are you investing the vast amount of parking, council tax, rents and business rates on! The town centre needs redeveloping fast before it's dead altogether! And sort the homeless problem out, invest some money on housing these people. Something needs to be down fast before we loose more businesses!
TC/596	Public Transport; Shopping; Safety; Car Parking; Cleanliness	Public transport is expensive and unreliable parking is expensive shops are closing and there is not enough verity or unique shops i do not feel safe as there can be undesirable people around some drunk or on drugs or just loud and rowdy, to much litter and the pedestrian areas are not even to walk on lots of trip hazards

TC/598	Car Parking; Restaurants / Cafes; Events; Nightlife	The town centre needs to be a leisure, recreation and and education centre
TC/600	Shopping	Too many shops shutting down
TC/602	Shopping	All the main stores are in out of town retail parks, the four seasons is pitiful compared to 20 years ago
TC/604	Shopping	The shops, market and general area needs modernising. It looks an awful 60s concrete monstrosity
TC/606	Shopping; Car Parking; Cleanliness; Nightlife; Safety; Restaurants / Cafes; Public Transport	Public transport getting worse and carparks very expensive
TC/608	Shopping; Cleanliness; Safety; Restaurants / Cafes; Events	There needs to be more of an incentive and reason to visit Mansfield town center. This can be done by encouraging small business owners to set up their businesses in Mansfield and providing more support to local businesses. There should also be improvements made to the overall cleanliness of Mansfield town as there's often litter left on the pavements as well as infront of the shops surrounding the main square, which can be uninviting to people visiting. More of an effort could also be made to clean up the graffiti that covers the walls just off the main square. There could also be more events in place throughout the year to encourage more people to visit the town center as there's currently not a lot taking place throughout the year.
TC/612	Shopping; Car Parking; Events; Cleanliness; Restaurants / Cafes; Safety; Public Transport; Nightlife	There's an opportunity to save Mansfield and return it to its former glory as a market town. The high street is dead, there are becoming fewer and fewer reasons to visit the town centre. If not shops then a social hub is needed, but a place where you don't get shouted at by hoodies hanging around McDonalds would make people feel safer.
TC/614	Shopping; Car Parking; Restaurants / Cafes; Cleanliness	Shops are all similar, or pop ups. Town can look scruffy at times, not really very inviting. Too many pubs.
TC/616	Restaurants / Cafes; Shopping; Nightlife; Events; Public Transport	I feel like Mansfield used to have more things to do and places to go
TC/620	Shopping	It could do with a few more good shops.
TC/622	Isatety: Cleanliness	Too many groups of young men looking dishevelled loitering about. They make you feel quite uncomfortable when. You are walking through looking smart on your phone for work. The personal safety of i feel is not where it should be. I do not get this in Newark etc. Not sure what has happened but the town center has took a nose dive in the last year. I cannot believe what a 'dump' it feels when I walk through - so sad as lived here since 1990. I also cannot believe how 'busy' it is during the day - not with shoppers as such but more gangs and rough looking people. Not very inviting.
TC/624	Safety; Shopping; Cleanliness	Needs more chouce of good shops and town needs cleaning up regularly.
TC/626	Safety	I dont feel safe walking through Mansfield.
TC/628	Shopping; Cleanliness; Car Parking; Restaurants / Cafes	It would be nice to spend time in the centre & wander round nice shops, stop for lunch/coffee with friends, rather than just going getting what's needed & leaving as it's not really s very pleasant place to wander
TC/630		Mansfield used to have a fab market, but over years rent gone up now people can't afford. No safety with drugs and drink around. Needs to be cleaner.
TC/632	Nightlife; Shopping; Cleanliness; Events; Car Parking; Public Transport; Safety	Dirty empty shops no market worth going to loud drunk drugged people hanging around
TC/634	Car Parking; Safety; Events	Need cheaper car parking to encourage people to come in Mansfield ,don't like seeing all homeless and druggies congregating together ,dealing drugs on the market makes me feel unsafe ,.
TC/638	Shopping; Public Transport; Car Parking; Cleanliness; Safety	I would not go into Mansfield on my own at night our buses stop at 6pm also would not feel safe kn my own.
TC/640	Shopping; Safety; Cleanliness; Restaurants / Cafes	Mansfield has declined in recent years; a lot of shops have closed and have been replaced by charity shops. The market place is used by drunks and drug addicts, they sit on the disused market stands. There are empty shops fekm the old post office all the way to the old bus station. Well done for making that a car park, but the building istelf is falling down and scaffolding is holding it together. That end of town, British Heart Fdn, B&M feels unsafe. It's poorly lit in winter, it is empty and there are undesirables. Mansfield never gets busy on Sunday. I think more money is spent on wages than money is made on a Sunday. There needs to be something done about the drunks and addicts, encouragement to open more shops or at least give the shopfronts a facelift.
TC/642	Shopping; Cleanliness; Safety; Events	There are too many corporate branded shops including cheap tack shops and not enough independent shops which sell 'different' things. I have never felt safe in Mansfield town centre, in the evenings it is very empty and this makes me feel uncomfortable. There are not enough community events which are in evenings when others can attend who work full time. Although the council do a good job keeping the litter at bay most of the time, the whole area is very old, dull and scruffy looking.
TC/644	Restaurants / Cafes	There are not enough good quality places to eat and relax. The Capo Lounge and Lucy's stand out, bot otherwise there's not much on offer. If people had somewhere nice to go after shopping in town, they would stay far longer and perhaps visit more often.
TC/646	Shopping	Not a lot to choose from

TC/648	Safety; Shopping; Cleanliness; Events	Lack of colour, every seems so drab. Drug addicts roaming free the lack of shops is amazing and the market stalls. Car parking is expensive.
TC/650	Shopping; Cleanliness; Safety	So many drugged/drunken people around its quite scary. Too many boarded up shops
TC/652	Shopping; Car Parking; Safety	It's so depressing
TC/654	Shopping	I have lived in the Mansfield area for the majority of my 65years. Mansfield town centre now looks so run down and is very 'sad and uninviting'. Lots of retail premises closed and run down. Because of this is chooseto shop in Chesterfield or Sheffield,
TC/656	Restaurants / Cafes; Shopping; Nightlife	Alot of the old night clubs have been left empty for a long time and its about time somthing happened with those
TC/658	Shopping; Car Parking; Safety	Choice of shops limited and drunk people hanging around the centre, particularly the market place. Car park nearest to market which is ideal for disabled constantly closed off, especially at busy times of the year like Christmas, very bad planning.
TC/660	Shopping	I'd like to see the market improved - become more like a farmers market than a junk shop. Fresh fruit and veg are great, though
TC/664	Shopping	Mansfield Market is very poor and there seems to be less stalls every week Why not put on a specialmarket every two weeks which provides a lot more stalls and more variety but this will need some advertising
TC/666	Events	It would give extra reason to visit
TC/668	Shopping; Car Parking; Restaurants / Cafes; Cleanliness; Events	It would be nice to see more events in the town centre. Parking is expensive compared to Retford
TC/670	Shopping	It would be nice to see better shops stocking better products instead of all the cheap bargain shops. If I need to buy anything special I always have to go to Nottingham or Meadowhall. The cheap clothes shops cater for the young people. M & S Mansfield is in the dark ages and Debenhams doesn't carry the stock of the city stores.
TC/672	Safety; Shopping; Car Parking	Car parking should be free to encourage people to come into Mansfield to spend there money. Regarding the shopping experience, well there currently isn't one. Cheap shops and charity shops arnt everyone's cup of tea. Young people need trendy brands to get them into town, middle age people need better quality possibly independent shops which will then make them think twice about shopping at Chesterfield or meadow hall. Maybe MDC should consider splitting the town in to different sectors, cheaper shops, food shops, cloathing and more up market products! Safety can just be visible town wardens which are there to help or just prevent.
TC/676	Shopping; Restaurants / Cafes; Cleanliness; Safety	Not enough leisure facilities in the town centre. Reasons to visit other than shopping. Specifically creating a cafe culture, informal dining. Encourage people to eat out in the town centre on week nights.
TC/678	Shopping; Car Parking; Safety; Public Transport	We have only one bus that takes us to Mansfield and that is every 30 mins and parking in multi storey bays are too narrow, lifts stink of urine
TC/680	Shopping; Cleanliness; Restaurants / Cafes	I love going with my family to the cinemas and having the new restaurants close by have turned them into family fun dates I think it's made going to the cinemas in this area more populat and I loved the new Christmas markets and ice scating main town seems to have less problems however druggies and young groups of people who deserve asbos are still around just seems better managed but could be better.
TC/682	Shopping; Restaurants / Cafes; Cleanliness; Safety; Nightlife	The town has become unsafe. Reports of violence makes people feel unsafe. Shops are constantly shutting down. Pubs aren't that busy any more.
TC/487	Events; Shopping; Nightlife; Public Transport; Cleanliness; Safety; Restaurants / Cafes	There are no quality restaurants in the centre of Mansfield that you can sit down at and enjoy good quality English food .
TC/489	Safety; Shopping; Events; Car Parking; Cleanliness; Restaurants / Cafes; Public Transport	Public transport from where I live was cut to two buses per day!
TC/491	Shopping; Safety	There are very few shops I want to visit compared to places like Chesterfield or Nottingham. The town feels run down and there are too many visible drug users.
TC/493	Shopping; Car Parking; Restaurants / Cafes; Cleanliness; Safety; Nightlife	The town does not feel safe at the moment. The shops are low end quality. There are a limited number of quality independent bars and restaurants around Mansfield.
TC/495	Shopping	There's no variety of shops and most things are available in the retail parks in the outskirts which are much easier to access and offer free parking. We need to have interesting and diverse shops and a good market to make it worth making the extra effort to go into the town centre. It's a beautiful and historic town centre and it could be an asset. Events and carparking isn't going to make any difference.
TC/499	Shopping; Car Parking	There's lots of empty shops in town and The Four Seasons Shopping Centre and it's really expensive to park in town, also my daughter works in the town centre and can't afford to park her car every day being on minimum wage so I have to drop her off and pick her up every day or it would be a big chunk out of her monthly wage (£4.50 a day is the cheapest other car parks are £1 an hour. Maybe concessions for town workers could be possible?

TC/503		It has a bad reputation for being very rough. There are no upmarket shops and quality isn't something I associate with Mansfield town centre. It is known to attract poor and chavvy people so I would go elsewhere for my shopping in order to avoid the rough crowd. There is more than one type of local in Mansfield and there should be more engaging events that are of a high quality that are a bit pricier.
TC/505	IShonning: Nightlife: (Jeanliness	There are too many empty or charity/pound shops. The town seems "dead" in the evenings, other than Friday and Saturday. There are rough sleepers and spice addicts and alcoholics which can be intmidating. Also big groups of teenagers shouting and swearing are off putting.
TC/507	Shopping; Nightlife	There needs to be more bars with outdoor facilities for war days like cafe bars, There is no attractions in mansfield we could have so much footfall from visitors to sherwood pines sherwood forest centre parcs etc if it was more attractive We have a beautiful market place that is beautiful but with the current state of the town who would want to visit The council need to have a lookl at nearby Newark and Chesterfield and take some pointers
TC/511	Safety; Shopping	Too many empty shops and not enough variety I. Concerns over recent assaults in the town centre
TC/513	Cleanliness; Shopping	Four seasons shopping center is old run down and needs complete overhaul
TC/515	Shopping; Safety; Car Parking; Cleanliness	Just doesn't look appealing.
TC/517	Events; Shopping; Car Parking; Cleanliness; Safety; Restaurants / Cafes; Public Transport; Nightlife	All of the above would bring the town centre back to life.
TC/521		Town is horrible. Too many homeless, drug addicts, drunks even during daylight hrs. Poor choice of low end budget shops. Aesthetically unpleasant with all the empty shops in the area. It feels unsafe and im a 36 year old male ex rugby player. Anyone with decent disposable income goes to Nottingham which has nice independent restaurants, cafes etc. & also plenty of arts and events.
TC/523	Safety	A lot of kids hang around the centre at night and it can be intimidating. There's no where for them to go.
TC/527	Events; Shopping; Car Parking; Cleanliness; Safety; Restaurants / Cafes; Public Transport; Nightlife	Investment should be in Mansfield not in other areas
TC/529	Car Parking; Shopping	Most of the shops are closing. It is not a. Destination to go shopping.
TC/533	Shopping; Car Parking	Parking is expensive. Very few shops at interest me. Chesterfield is much better.
TC/535	Shopping; Car Parking; Safety	Too many shops closed recently, and where replaced it is often by nail bars, vape shops and more cafes. We need decent food shops, and a good greengrocers, . The car parking is too expensiveBassetlaw is much cheaper! Safetypavements not in good shapedo think about the elderly and disabled, please!
TC/539	Safety; Car Parking; Other	I have only visited the town centre a couple of times in the last two months. The first time I was nearly knocked over by security chasing a woman with a pushchair who had hidden stolen goods in the basket of the chair, the woman was restrained and the child screaming? My 9 yr old daughter was traumatised and no longer wishes to go with me. The second time, there were a couple of young men clearly 'high' on drugs which was also a scary experience. It has really put me off, not to mention the unoccupied shops which I understand is due to the extortionate rates you charge. It's such a shame, it could be a really lovely place. Although I live in Mansfield, I much prefer to visit Chesterfield now.
TC/541	I(ar Parking: (leanliness	Car parking should be free at all times to encourage customers to shop, they go to meadowhall and have much more shops, restaurants, Cafe's and above all FREE PARKING! For alot more choice.
TC/543	Restaurants / Cafes	I never eat out there
TC/547	Shopping; Car Parking	Car parking expensive and not managed properly
TC/549	Car Parking	Expensive parking for little choice of shops
TC/551	Shopping	No real variety in the shops
TC/553	Safety; Shopping; Car Parking; Cleanliness; Nightlife	Mansfield town is at a all time low,most of the good shops have gone and been replaced by bars and cafes,the market is crap there are more fruit and veg stalls then anything else and only half the stalls are occupied.mansfield has a big problem regarding homeless people and those that are on drugs we need the police to move these people out of the town centre as people are afraid they might get attacked.
TC/555	Shopping; Car Parking; Restaurants / Cafes	Shopping ha got worse and worse as rents are too high. Want free car parking
TC/557	Shopping; Car Parking; Restaurants / Cafes; Safety	This market town now has a shell of a market. We have scruffy looking Polish/Romanian cheap delicatessen shops, a scruffy B&M store. Lots of charity shops. Hardy any other shops are springing up. It's a sad decline. The town planners are doing a crap job. Look towards Chesterfield for a thriving town and take some notes.
TC/559	Safety	Possibly TV and media coverage
TC/561	Other	Surrounding roads like near Sainsbury's are awful.

TC/565	Safety; Cleanliness	I am put off from shopping in Mansfield because it is so dirty. The Four Seasons shopping Centre is dirty. I also do not feel safe walking around Mansfield.
TC/569	Shopping; Safety	Lots of empty shops. Lots of homeless drug addicts hanging around
TC/571	Car Parking; Shopping; Restaurants / Cafes; Events; Nightlife	Mansfield needs more sole trader business. It is historically a market town and we need to bring that back. Also considering that Mansfield is now a a big mix of local and Eastern European culture to mix the both and have a more 'cafe experience' ie totally pedestrianalise the centre of Mansfield and allow more bars restaurants to have outside tables
TC/575	IShonning: Public Transport: Car Parking: Events	Shopping-no variety. Public transport_buses should have drop off and pick up points around the town centre giving access all around the town, rather than just the bus station. Car parking bays to small in multi storey cars get damged by third parties. Not enough events to create a happy atmosphere
TC/577	I()ther	I find my issues with the town to be a socially disrespectful attitude. Quite often have to walk through the Market Place AM and PM. The language and conduct of the homeless can be intimidating and more surprisingly students language, littering and spitting is pretty disgusting.
TC/579	IShonning: Cleanliness: Safety: Nightlife	There is not many shops to chooses from when I town it's full of druggie at Eastern European's makes you feel uneasy the market is a dying trade and at night the few pubs that are open are not that great and town is full of homeless begging or Eastern European's causing trouble
TC/581	Shopping; Events; Cleanliness	Too many empty shops.
TC/684	Car Parking; Safety	Car parking needs to be free for two hours otherwise it's just cheaper to go shopping etc somewhere with free parking out of town
TC/686	Shopping; Safety; Car Parking; Cleanliness; Events	It all needs improving
TC/688	Public Transport; Cleanliness	Transport is too expensive, the bus fares to travel to the town and home are too much. I think there should be support for young people to travel cheaper. I live in a village on the outskirts and rely on lifts to travel as i cant afford bus fares. Cleanliness - The town centre toilets are not to a great standard even though we pay to use them. There is rubbish on the floor and chewing gum.
TC/690	Car Parking; Cleanliness	Car parking is really expensive so i dont visit often. The town is dirty - mainly litter
TC/692		The town looks scruffy .a lot of the shops are empty and in disrepair even the four seasons needs a face lift.parts of Mansfield shopping as been destroyed by the relowcasion of the bus station.there is no market the only one there is doesn't encourage stall holders with different products to have stalls .also the whole atmasphiar is not there no community spirit
TC/694	Shopping; Safety; Cleanliness; Restaurants / Cafes; Nightlife	Many shops are empty The alleyway from toothill lane car park down the steps is horrifically filthy I don't feel safe with my children in the shopping area/market place due to the 'homeless' If I eat out I go out of Mansfield town centre as it isn't a nice place to spend time I don't feel safe at night so wouldn't go out there
TC/696	Other	Mansfield should have ambitions to be classed as a small city. As such it needs feature and some landmark buildings. I knsow about the proposed redevelopment of the former bus station site but all has gone very quiet. I am not talking about high rise buildings but 6 - 10 stories to give it a city feel. We also need to make sure we protect our retail offer and we need a couple of quality restaurants. Without this people will continue to go to Nottingham.
TC/698	Shopping	If I need a special outfit - especially shoes and lingerie - I would go to Nottingham, Meadow Hall or McArthur Glen as there is a wider range of high-end goods. Mansfield Town Centre is fine for the basic essentials. Although I shop online for some things, I like to be able to try on clothes/clothes and there isn't a massive range.
TC/702	Shopping; Car Parking; Cleanliness; Safety	Don't feel safe in the town. Won't bring my Children in with me. Most of shops are now closed and hardly any market. Car parks are expensive and not many parent and child spaces, another reason I don't bring the children.
TC/704	Public Transport; Shopping; Events; Safety; Nightlife; Car Parking; Cleanliness; Restaurants / Cafes	Everything is a mess. There's nothing to draw people in aside from places like HMV and Primark. Little shops are great but it's such a mess to go through with people hanging around smoking and swearing.
TC/706	Safety; Cleanliness	A lot of people, most of whom are homeless, are taking drugs openly. Especially Spice
TC/708	Shopping	Mansfield town centre has a lack of good shops and what there is are scattered around the outter parts nothing in town centre
TC/712	Events	Attractions at the weekend, not just Sunday, in the Market Place add atmosphere and hence people.
TC/714	Restaurants / Cafes; Car Parking; Nightlife; Other; Cleanliness; Events	Because they will lose customers and they will go elsewhere. Homeless and druggies put people off.
TC/716	Safety	Because there is a lot of druggies and homeless.
TC/718	Nightlife	As theres nothing to do for young people
TC/720	Events; Shopping; Cleanliness; Safety; Nightlife	events-not many and when there is no one takes part so needs to be made more public when an event is happening shopping-everywhere closing and nowhere reopening or opening cleanliness-homeless everywhere, not there fault but they need help. safety-a lot of crime, burglaries, assaults nightlifeagain loads of crime, assaults ect

TC/724	Shopping; Car Parking; Restaurants / Cafes; Events; Nightlife	It is dead. It needs a purpose to live. It has no draw or pull for anyone to use it
TC/726	Safety; Other; Restaurants / Cafes; Nightlife	Safety. Being the amount of drug addicts lying in shop fronts. Something more needs to be done to help the homeless
TC/728	Safety; Shopping; Car Parking; Cleanliness; Restaurants / Cafes	there just isnt much to do
TC/730	Shopping; Cleanliness; Safety	The shops you have in town are rubbish need new more resnable shops The cleanliness needs improving And safety is a massive problem too many drunks drug addicts and thieves in the town centre which puts me off going into town more so with my kids they don't need to see all the spice heads hanging about etc
TC/732	Shopping; Car Parking; Cleanliness; Restaurants / Cafes	Fill the empty shops. Lower rents to encourage new business. More decent restaurants for family lunches instead of wetherspoons
TC/734	Events; Shopping; Cleanliness; Nightlife; Safety; Restaurants / Cafes	The town is outdated, run down and boring.
TC/736	Shopping; Car Parking; Cleanliness	Mansfield Town is a joke, shops closing probably due to the business high rates, I go into Mansfield only when I must, it is a disgrace.
TC/740	Safety	The amount of groups of young people hanging around and people under the influence of drugs. My children get scared as do I
TC/742	Shopping	There are no shops anymore. Most have been closed down. We need new, better more known shops to please the younger shoppers and the older shoppers.
TC/746	Car Parking; Shopping; Safety	Four Seasons car park needs a lot of work doing on it, it's horrible there needs to be more Police and warden presence in town, never see wardens and when you do they don't do anything. A better variety of shops are required and bring them back into the town Centre.
TC/754	Cleanliness; Shopping; Car Parking; Safety	I visit multiple towns with my work and mansfield is light years behind in cleanliness security and available shops, i also now tend to visit sutton more due to cheaper parking
TC/758	Shopping; Other	Wider shopping isle access for wheel chair in all shops more people will visit spend money boost the business income
TC/760	Cleanliness; Events; Safety; Restaurants / Cafes	Mansfield Town is dirty, full of drugs and litter
TC/764	Shopping	There is hardly any market left, there are hardly any shops in general as rents are far too high, theres no market and nothing to attract people to the town anymore.
TC/766	Shopping; Public Transport; Car Parking	Parking charges too high, rents to high shops are all empty surely full shops make more money than empty ones oven if you halved the rent? The market is terrible I remember a full market 3 rows just selling fruit and veg, bus station moved and has killed another end of town, hidden taxi rank, old bus station looks an eyesore what a view as you enter Mansfield from the a38 it's such a shame our town has been lost safety is an issue druggies lying around the streets another 10 mins in any direction you get far better amenities workshop, Sutton, chesterfield need we say more a sorry day for Mansfield indeed
TC/768	Car Parking; Safety	Car parking charges put me off coming to Mansfield more often and the people that hang about in the town centre have at times made me and my children feel very uneasy
TC/770	Shopping; Safety; Events	To many empty shops, to many vape shops, the market needs alot of input more stalls (lower rates)
TC/772	Cleanliness; Shopping; Car Parking	I have seen human waste at the side of shops. Most of the shops have closed. Parking is expensive and most are tricky to get to with a pushchair/wheelchair
TC/774	Shopping; Car Parking	Mansfield used to be great for shopping but since the council put up rent 8/9 years ago a lot were priced out and had to close. It's such a shame as I worked in the town centre from 2001 - 2009 it was booming. It's like a ghost town town, scruffy and empty buildings look awful. Excessive car park fees don't help nor the demise of the market
TC/778	Shopping	Not really a lot to come for hardly any clothes shops worth coming into town for would rather go into Nottingham
TC/788	Shopping; Cleanliness; Safety; Public Transport; Events	Shops are closing down. drug addicts and homeless wander round zombified in the day or fighting amongst themselves. Gangs of young people congregate around town intimidating people. Public transport is poor, some last buses end at 7pm, who can you come into Mansfield to enjoy the theatre, cinema or a meal when you can't get home again after?
TC/790	Shopping; Cleanliness; Car Parking; Safety; Restaurants / Cafes; Public Transport	There is nothing to do. Shops closing markets on existence. Easier to go Sutton or even further
TC/792	Shopping; Car Parking; Nightlife; Restaurants / Cafes	Other towns of similar size offer free parking as an incentive to draw shoppers away from the out of town retail parks. Increasing footfall will make it easier for current shops to stay open and will help start ups to establish themselves.
TC/796	Shopping; Public Transport; Car Parking	Parking is too expensive and car park is very run down. Empty shops
TC/798	Shopping; Restaurants / Cafes; Nightlife	The shops we have are very limited, we lack a significant number of high street chains. I carry out little shopping for clothing for any of my family in Mansfield. Our good restaurants are almost non existent in the centre. Nice, modern bars are few and far between.
TC/806	Shopping; Public Transport	A lot of empty shops is unattractive, and public transport to many places ends too early.
TC/808	Other	All of the above
TC/810	Other	The increase in the spice zombies/ drug using wasters has increased. They need to be policed and given conditions to stay away from town.

TC/812	Shopping; Car Parking; Events; Restaurants / Cafes	Free parking which will improve on the rest and divert more money into the area instead of other areas
TC/814	Shopping; Car Parking; Cleanliness; Safety; Restaurants / Cafes; Public Transport	Public transport too expensive be easier not to have to pay for car parking especially as there's no card payment option.
TC/816	ISSTATORY (ST. MSTRING: RESTSHIPSITE / (STES. (JESUIINESS: EVENTS	We need free parking to encourage money and footfall. However town needs a good clean and the chavs and drunks and druggies need to.be sorted out. Bigger retailers and restaurant would then come.
TC/820	Shopping; Events; Safety	There is a lack of good shops in the area, no special events or rather very few and I certainly do not feel safe in the town.
TC/822	Safety; Cleanliness; Shopping; Nightlife; Restaurants / Cafes; Public Transport	Underpasses stink of urine, homeless all over at night, shops have been the same since forever, no train services to smaller towns
TC/826	Nightlife; Shopping; Safety; Events; Car Parking; Restaurants / Cafes; Cleanliness	Mansfield has very little to offer the shops aren't very good it's not safe to.walk around anymore
TC/828	Cleanliness; Shopping; Safety	It looks dirty and more needs to be done to attract people back into town by making use of closed premises.
TC/830	Safety	After years of using Mansfield I struggle with the new risk of people using spice.
TC/834	Shopping	Rates need to be lower for the shops, to let more people open businesses and new shops in town. More interesting shops will make the town more interesting.
TC/836	IShonning: (ar Parking: Events: Restaurants / (ates	The fact free car parking is rejected is rediculous, shops are struggling and shutting down. MDC is doing NOTHING by not taking advantage of the high streets funds. Corrupt the lot of you! You don't be happy till the place is gone.
TC/838		The town centre is dull. Any events that are out on are over crowded. Not only that, I don't feel safe walking my kids through the town centre as the amount of people under the influence of drink and drugs is become too regular. Groups of these individuals will huddle together and it's extremely intimidating towards my kids. Also embarrassing having to explain why they are completely out of it.
TC/842	IShanning: Ractaurante / Catae: Evante: Nightlita	The Nightlife is nothing like it used to be. Id love to see more events in the market place We really struggle for restaurants in the centre and the cafes are generally pretty poor There is no choice for mens clothing other than burtons and river island.
TC/844	Shopping; Restaurants / Cafes; Nightlife	The centre is a proper hole. I go out of town to shop for clothes, all the bars are at the top end but we should be making the most of the beautiful Market Square.
TC/846	Ishonning: Safety	Need to fill empty premises. Need permission for Taxis to pick up and drop off in front of Rosemary Centre. Does not feel safe. When dropped off from trip buses of an evening then have to wait in car park behind Rosemary or walk to find a licensed taxi at ranks
TC/848	Shopping; Car Parking; Safety	There are not a good enough market and shops to visit
TC/850		The town has a history, and it's current appearance and issues do not reflect this. The town centre has bad parking, little shopping or leisure activities for the 16-24 bracket and therefore more and more of these people (like myself) go to uni, and don't come back because of the little opportunity and growth the town offers
TC/856	Shopping; Car Parking; Safety	I used to feel.so.safe coming into town but I walked down white Hart Street shops are empty, but you can see some are being lived in especially one on Dame flogan street, car parking is free in certain areas for 30 mins this could do with increasing to.say 1 hour, Mansfield.just felt run down in certain areas not a good start to entering town made me not want to stay
TC/858	Shopping; Safety; Nightlife; Car Parking; Events; Cleanliness	Mansfield has gone to pot. I travel all over the UK and oversea on work trips. A small town size of Mansfield has. More to do, was cleaner, no hassle in the streets and just overalls better. Mansfield one of the worst places to go but with a good community that no one taps into. For shopping I head towards Yorkshire, and Derby if I need anything. Much easier to park, better shops and free parking
TC/862	IShonning: Public Transport: Car Parking: Cleanliness: Events: Nightlite	Rates need to be reduced to encourage new businesses into the town and to encourage independent retailers to open up and create a wonderful shopping experience again. Public transport needs to be cleaner and run on time to encourage more people to use it and visit our lovely town.
TC/864	Shopping; Car Parking; Events	Car parking too expensive, too many shops emptyit BHs site etc, needs more to draw public into centre but not at expensive costs.
TC/866	Shopping; Safety; Nightlife; Car Parking; Events; Restaurants / Cafes	Loads of closed buildings and a poor market. Look at chesterfield and Loughborough tonsee there market days. They are booming .
TC/870	Safety	The amount of homeless is scary, and with those on drugs too. Its intimidating walking through these people, especially at unsociable hours.
TC/872	Shopping; Car Parking; Cleanliness; Events; Safety; Restaurants / Cafes; Nightlife	It's depressing and uninspiring to visit my hometown, I only go when I have to.
TC/876	Shonning: Cleanliness: Safety: Public Transport	No special occasions shops had to got to Chesterfield, to many barbers shops, nail bars would like to see something different in the town center, not safe at night and the buses finish at 6.15.
TC/878	Cleanliness; Shopping; Events	Too many empty shops Lots of litter around

TC/583	Shopping; Restaurants / Cafes	Limited shops clearly a need for lower rates. Resturant and cafes in mansfield are rubbish unless you want a pub lunch, look at Chesterfield a vibrant market town with many local real ale pubs and a selection of pubs, restaurants and cafes to suit all tastes and budgets.
TC/585	Cleanliness; Safety; Restaurants / Cafes	Limited restuarant choice unless you want a weatherspoons. Looking at similar towns locally (e.g. Chesterfield) Mansfield doesnt have alot to offer. Im a foodie and its very disappointing to have to travel alot further afield for a good meal.
TC/587	Cleanliness	It's grim
TC/589	Safety; Cleanliness; Events	There is an absurd amount of homelessness in the town centre throughout the whole day it's always dirty even with the people cleaning it up everyday. There is nothing to ever do in Mansfield I always travel away for fun.
TC/591	Safety	There have been a number of high-profile violent crimes recently in Mansfield, namely a stabbing outside Heron foods and a stabbing on Newgate Lane.
TC/595	Cleanliness; Public Transport; Safety	So many homeless people and drug user around all u see is them being abused by passers by and talked to like rubbish my police HELP THEM! SUPPORT SERVICES NEED TO ADDRESS THIS NO ONE SHOULD BE ON THE STREETS AT -6
TC/597	Nightlife; Safety; Shopping; Car Parking; Restaurants / Cafes; Events	The core of the town and where most happenings should be going on at your market and square in front of the town hall. Newark, Notts, Chesterfield and so many more have beautiful quaint cafes and restaurants with seating out looking onto the square, we only have the tacky looking Green Bottle cafe and Greggs. The rates I've heard are terrible for rent so no wonder non chain local businesses don't rent. Mansfield is full of and surrounded by history yet nothing in the town shows that or supports or encourages tourism! Open up the town hall! Give tours or info that tells you the history, maunsday book, the court house etc. Why no events in the town hall? Marriages like Notts?? Bring people to the town drawing positive attention!!
TC/599	Shopping; Cleanliness	Many buildings are in bad condition and many stores are closing. Specifically the marketplace has become drastically reduced in recent years and is in dire need of rejuvenation.
TC/603	Shopping	More upmarket shops would create a better atmosphere, in addition to engendering a better clientele. Mansfield has many middle class residents. Also has it's share of "not sonwell off". But it would be good to attract retailers who might appeal to mid class!
TC/605	Shopping; Car Parking; Cleanliness; Safety; Public Transport; Restaurants / Cafes; Events; Nightlife; Other	Needs to bring down the rent of the shops so traders can stay in those shops and bring back a full market
TC/607	Events	Really not many events to do. Charity car meets (policed of course) would be a great idea and get more younger adults involved.
TC/609	Other; Cleanliness	because the buildings don't look appealing and there's lots of homeless people and smack heads
TC/613	Public Transport; Safety; Restaurants / Cafes	Public transport is becoming very expensive and not fit for purpose. I currently live on Big barn lane and have no bus service after 7pm in the evening.
TC/615	Car Parking; Shopping	Market is awful just look at Chesterfield to see how a market and town centre should be run. I would rather go to Chesterfield than go to Mansfield to shop and a wander.
TC/617	Shopping; Cleanliness	Shopping outside of 4 Seasons is dire. There are no interesting shops/market stalls
TC/619	Shopping	Market is poor, lack of variety in shops. I tend to shop outside of town centre at retail parks, or nottingham where i know I can ger what I need in one place
TC/623	Shopping; Safety	The lack of shops doesn't pull me into the town and I don't feel safe due to the incidents that have happened
TC/627	Safety	The drug addicts and homeless that is seen throughout the town centre has an unsettling and nerve wracking feeling on the public as most can be unpredictable, especially when they have dogs that are not on the lead. They aloso congregate in big groups which is a scary sight for a young girl to see when I am walking home from work or just want to do some shopping. I am disappointed as I no longer feel safe when I am in the town on my owns and now have to try and take people with me. This is unacceptable and needs sorting
TC/631	Car Parking; Safety	The town has been over run by spice heads. They make you feel threatened and intimidated. Also you need to provide two hours free parking to attract business to the town centre. This needs to be funded NOT by another rise in council tax but by using already available funds. Stop investing our money in other towns!!! Get rid of the mayor position!!! Cut counsellors allowances!! Stop stupid money wasting ideas like the ice rink!!! It's not rocket science!!
TC/635	Shopping; Safety	Serious amount of shop closure, resulted in Mansfield not having much variety left. Would chose a city over it due to more choice being available.
TC/637	Nightlife; Cleanliness; Other	Shops have been allowed to run down, largely due to unwise developments outside town centre that are inaccessible to people without a car. Pubs/nightlife has gone downhill since 2007 and Mansfield has a huge problem with drugs

TC/639	Shopping; Safety	Have to travel to Nottingham if want a good choice of shops On a night out in Mansfield Some areas are very overcrowded le area around top of leaning st Have witnessed several fights while Waitnig for taxis in that area Also other parts seem to be left unpatrol Leaving it unsafe to walk as local undesirables roaming about le area in front off Beales and B&M We have been to capo lounge in the week and felt unsafe walking back to car park There are lots of groups of men hanging around the town centre in the day the appear to be foreign and a multitude of drug taking shoplifters can be observed prowling the town while you sit and have a coffee at the local coffee shops Although to be fair the town does have wardens and police also available I fear it is just a sad sign of the times Mansfield used to be full off hard working people with jobs Now it appears that generation is being out numbered by people who will probably never work a day in Their lives The town needs employment to bring life back to it Good luck with your endeovers
TC/641	Shopping; Car Parking; Safety	Too many empty shops. Rent rebates should be offered and rates to be subsidized. More upto date carparking like Sutton town centre 80p per hour, perhaps have a loyalty system for usage. Town has too many drug infused people hanging around. Admittedly they need help but very off-putting for shoppers and not a good way of demonstrating how to behave in public for our younger generation.
TC/643	Shopping; Car Parking	Not enough support for the market and smaller businesses from the council also town centre is isolated from bus station, maybe a shuttle bus from regent st to bus station for elderly and disabled??? and relaxing restrictions for vehicular access to town centre, too many traffic wardens not enough vehicles!!!
TC/645	Shopping; Cleanliness; Safety	The presence of police or community support offices would make us feeler safer as there's always people hanging around which is intimidating
TC/647	Shopping; Safety	Shopping is terrible and I feel unsafe at night if I go out.
TC/649	Shopping; Public Transport; Restaurants / Cafes; Car Parking; Events; Cleanliness; Safety; Nightlife	The town is scruffy and disjointed it is a scary place full of thieves drug addicts and gangs it is dire and I avoid it as much as possible as I do not feel secure
TC/651	Shopping; Safety; Events	Mansfield is a washed up town in sad decline
TC/653	Shopping; Other; Restaurants / Cafes	Market needs improving it used to be a brilliant market. People came from far away for Mansfield market.
TC/655	Shopping	Many shops are small (I.e. river island) and have limited choice. The retail parks are good, but town centre shopping isn't so.
TC/657	Safety	Many groups of young individuals on market tables. No police presence unless match day.
TC/659	Shopping; Cleanliness; Safety; Events	Mansfield is not the town it used to be it is dirty with hardly any shopping, our market was one to be proud of, now it is just a few stalls and nothing interesting. What happened to the town ?? I feel there is nothing here anymore. Such a shame !!
TC/663	Events; Restaurants / Cafes; Safety; Shopping; Car Parking	The Town would deeply benefit from a 2 hours free parking! It means more people would pop into Town for shopping or to eat, but the current car parking fees put people off as money is tight, so why would people want to spend an extra £2-£3 when theres place's outside of the town centre with free parking! Also it would encourage people from other Towns to shop/ visit ours which I am deeply in favor of! I know so many people from Mansfield that actually shop in Chesterfield as it has better shops, something needs to change before its too late!!!
TC/665	Shopping; Events; Restaurants / Cafes; Nightlife; Other	No reason to shop in Mansfield, all pound shops and betting shops. Very few decent places to eat. Increased numbers of homeless people aswell as drug dependent. Few 'nice establishment to eat and drink at nightwould much rather go to Notts or drive out to a nice restaurant. Very little for children in town other than the library. A nice toy shop, a nice department store would be nice. Beales is a disgracesame fixtures and fittings from when I was a child 30 yrs ago. I only visit once a month as my hairdresser is there.
TC/667	Shopping; Car Parking; Cleanliness; Safety; Restaurants / Cafes; Events; Nightlife	It's lifeless. Years and years of bad management has caused it to be so rundown.
TC/669	Shopping; Cleanliness; Safety; Events	Often rubbish is left and it means it looks unpleasant and dirty
TC/671	Safety	Lots of begging, druggies teenagers swearing spitting on floor Try to avoid taking my 7 year old kid down with me
TC/673	Shopping; Nightlife; Safety	There are lots of people begging that look either very drunk or on drugs and it makes me feel very uncomfortable both in the daytime and nighttime. I feel safer in Sutton-in-Ashfield and that's saying something! There are lots of empty shops now with unsavoury characters hanging around them and down alleyways. Mansfield is famous for its nightlife and that should be nurtured in a safe way, so people can enjoy it without the worry that are not safe.
TC/675	Shopping; Safety; Public Transport	To many fake homeless people sat begging, most off the shops are shutting due to council charging to much money for the shops, the public transport is Atrocious they charge to much for bus fairs and are unreliable every day
TC/677		Don't really feel safe, as there's so many people who are let's just say look like dropouts from" Jeremy Kyle"fodda, and drugged up individual. The place itself is unkept and scruffy, chavvy and quite frankly I'm embarrassed when people ask where I live. It's such a shame as it used to be one of the loveliest up and coming towns in the Midlands. A lot ofvthe small businesses are being forced to go to neighbouring Towns to try and earn a living as the Mansfield Council are soo extortionate with the rates they charge they are driving businesses and trade away to much more up and coming places such as Chesterfield, where rates are considerably lower.

TC/679	Shopping; Car Parking	Free parking would certainly help
TC/880		Mansfield could do with more smaller independent retailers, with some nice wine bar/ restaurants along with family orientated events, this would then maybe inmorove the ambience of the town and improve the nightlife and evening economy for the town centre, also maybe retailers need to think about opening later in a morning and staying open later than 5:30.
TC/882	Shopping; Car Parking; Cleanliness; Safety; Nightlife; Restaurants / Cafes; Public Transport; Events; Other	the town is dying , shop closed ,market stalls not full. offer free market stalls on quiet days get people in to Mansfield
TC/884	Car Parking; Shopping	Think car parking is expensive. We need to be encouraging high street shops to move to Mansfield, we need to be improving the market stalls and getting the market to grow and if that means reducing rents etc they do be it!
TC/886	Shopping; Car Parking; Cleanliness	There are not enough shops, we need more market stalls and cheaper parking to access this.
TC/888	Shopping; Safety; Other	Lack of good shops, cos they can't afford the rent. Market is shocking, Christmas market had been closed well before it should have.
TC/890	Shopping; Safety; Car Parking; Cleanliness; Restaurants / Cafes	Mansfield is scruffy and not many good shops also only 1 decent place to eat .
TC/896	Shopping; Car Parking; Events; Cleanliness; Restaurants / Cafes; Safety; Public Transport; Nightlife; Other	I live in Mansfield but never visit the town centre. Prefer Nottingham.
TC/898	Public Transport; Other	Less traffic lights. Better roads.
TC/900	Shopping; Restaurants / Cafes; Car Parking; Safety	All needs addressing. I do not feel safe. Would never go down after dark. Shops are poor. Only go when I know I need something particular from. Certain shop.
TC/902	Shopping; Car Parking; Public Transport; Restaurants / Cafes; Nightlife	Mansfield has some up and coming restaurants but also some that are closed down making the town look really run down, town really needs to improve to attract mixed ages like other areas
TC/904	Safety; Events; Nightlife	I feel those 3 things need improving, because I've spoken to a few of my friends and they said they hate going out just coz of the fights and how unsafe it is
TC/906	Shopping; Events; Safety	There are so many shops that are very run down. I choose not to go at night because of groups and gangs. Events bring in community spirit
TC/908	Shopping; Car Parking; Cleanliness; Safety	Once Mansfield had a wealth of different shops, some only small, but they offered a wide choice of (and, in many cases, quality) goods. These days the town is full of "cheap", bargain store shops. This may be a sad sign of the times but choice and quality in Mansfield is a thing of the past. I recently wanted to purchase a wedding gift and was completely unable to find anything suitable in Mansfield. For anything "special", either goods or clothing, Chesterfield or Nottingham are a much better bet. I do attend concerts at the Palace Theatre and they are usually well attended. It is a short walk to the Clumber Street car park and usually many theatre goers use this car park so it is not too bad walking "around the corner" to the car park. If this car park was not available I would not attend events as Mansfield after dark is an awful place (and dare I say, not a safe place) - and on some occasions the numbers of "undesirables" around during the day makes visits to town not a pleasurable event. I recently had call to walk down Stockwell Gate and the nearest I can describe this is "downtown Beruit" - shops boarded up and in some places it smelled like a public toilet.
TC/910	Shopping	Shops are closing and empty. Without the shops people will stop coming at all
TC/912	Nightlife; Shopping; Car Parking; Restaurants / Cafes	Most places are shut down there are more tat shops, cashconverter, foreign food shops and mobile repair shops than anything else. Nightlife is dead now I can remember when Mansfield was a really good night out on a Thursday, Friday and Saturday (even sundays). There should be more free parking to attract people to the town centre I typically go to the retail parks rather than town centre shops because it's free and close to park.
TC/916	Shopping; Cleanliness; Safety	Very recent stabbing, tired of walking into town and seeing heavy drug use and drunk people - I won't bring my daughter into town
TC/918	Shopping; Public Transport	There needs to be more shops everywhere you look there are empty shops and it don't look good
TC/920	Shopping; Events; Public Transport	If there was More shops more people would shop there and be less boring and more transport
TC/922	Shopping; Safety; Other	Shops are closing, I feel VERY uncomfortable/safe with the large increase in ysers of drugs and drink hanging around the town and sat in doorways.
TC/924	Safety; Cleanliness; Nightlife; Shopping; Public Transport; Events; Car Parking; Restaurants / Cafes; Other	Shops closing at 5 to 5:30pm not good if these are the hours you work. Also not enough family entertainment encouraged or variety.
TC/926		Shops are closing very other week. Sutton town centre has free parking so does mcartur Glen so people are choosing to go there instead. Market stalls are no longer down both sides of town which means one part is declining. Cheaoeecrent for shops to support them staying open and free parking to attract. More people to town as they will continue to go elsewhere if changes dont happen soon there will not be a town centre left
TC/928	Car Parking; Safety; Events	safety first (drugs beggers) coming in to see a show and meal first but have to pay for parking nothing gowing on in town only drink beer

TC/932	Shopping; Safety; Cleanliness; Events; Restaurants / Cafes; Public	More restaurants in the town centre. Some families do not own a car so out of town eateries are missing out on our hard earned cash. Early buses on a Saturday and Sunday morning. It's a pain for those who have to start work at Kings Mill Hospital at 7am on these days. Especially if travelling from Mansfield Woodhouse.
TC/934	Safety; Shopping; Car Parking; Cleanliness	Drugs, homeless and aggressive behaviour put people off coming to town. There are very few shops to entice people to want to come and we should have 2hrs free parking like other places. Who wants to pay parking to walk round what was once a wonderful safe place to be and now is depressing threatening and sad.
TC/936	Safety; Shopping; Restaurants / Cafes	There is a problem with people hanging around the town centre, either using drugs or drinking. I've lived in London (Barking) for over 20 years and I feel less safe here than I did there.
TC/938	Safety	Constantly seeing drug users in town. Makes me andmy chikdren feel intimidated. Report to the police and you're made to feel silly for admitting your scared and the officers question you like you're making it up or like you don't know what you're on about
TC/940	Shopping	Using chesterfield as a comparison (similar size and close by). There are several Independent bakeries, butchers, cheese shops and fishmongers. Mansfield has none of these. There is also a large coop for food and several Independent shops, again Mansfield doesn't have this. The market is booming Where as the councils stupkd rates has killed off our own market
TC/942	Shopping; Car Parking; Safety; Restaurants / Cafes	There's hardly any shops with no choice Parking is shocking How can you feel safe with ur children with all people on drugs & beggars in doorways No good cafes macdonalds filthy
TC/946	Other	Drug addicts Shoppingm Less youths
TC/948	Safety; Car Parking; Cleanliness	They need addressing.
TC/950	Shopping; Cleanliness; Safety; Restaurants / Cafes; Public Transport; Events; Nightlife	There really isn't much happening for non-families. Not really much to do in Town, and when there is stuff to do it's just geared towards families.
TC/958	Car Parking; Shopping; Safety; Cleanliness; Events; Restaurants / Cafes	With the exception of the bars and public transport, virtually all other aspects of the town are in dire need of investment from infrastructure and public realm works through to capital leisure and retail and inward investment activities.
TC/960	Shopping; Cleanliness	The number of empty shops and deterioration of a market that used to be thriving and a reason to visit Mansfield.
TC/962	Shopping; Cleanliness; Safety	The town is currently a disgrace full of drug issues and unsafe for families or elderly to visit. Such a shame as could be the bustling town it used to be.
TC/964	Car Parking; Cleanliness; Nightlife	There needs to be some nice inexpensive bars for people over 50 as it seems to just accommodate the younger generation. And the pubs in and around the market place need a total renovation.
TC/966	Cleanliness; Safety	Don't feel safe. Homeless in shops up side streets
TC/681	Car Parking	Mansfield does offer some good things but the council is a joke, and we do not want the mayor. Petty squabbling and not doing there job. Get rid of all of them nd have Ben Bradley team running things at least then it will get done
TC/685	Shopping; Car Parking	The town centre is in need of some serious attention. Going back 15 years retail parks were created to get people out of the centre. It worked now we only shop where there is free parking, decent shops and ease of access. The centre has none of those things, none of the bug shops and none of the footfall the little shops need to survive.
TC/687	Restaurants / Cafes; Safety; Cleanliness	It's terribly outdated and filthy, buildings and shop fronts need at least a new lock of paint! There's a lot of anti social behaviour especially near the town square and outside four seasons. A lot of homeless people and beggars. Aside from Capo lounge there isn't anywhere else I would stop for lunch/dinner
TC/689	Public Transport; Safety; Car Parking; Cleanliness	Car parking is too expensive. I feel intimidated walking around the town and feel vulnerable people are at risk. There are people with clear drug issues intimidating people in the town by negative body language, shouting and begging for money or cigarettes. I have seen rats around the train station - They were very big and it puts me off walking around the town. People keep going through the bins and pulling rubbish out around st peters retail park. I rely on the trains to get to and from work - it is expensive and i dont feel as safe and comfortable on the trains as you should do. There are often people drunk and shouting - it is intimidating. I have seen children crying on the trains when people are shouting and drunk - not acceptable
TC/691	Public Transport; Shopping; Safety; Car Parking; Cleanliness; Events; Nightlife	Car parking is expensive, old people and children are scared to walk round, there are groups of intimidating people. Lots of drug issues. The bus fares are expensive and the buses are unreliable and smell with dirty seats.
TC/695	Shopping; Safety; Car Parking; Cleanliness	Parking expensive would rather to to retail outlets further afield free parking more shops. Lots of homeless and druggies around isn't a nice feel
TC/697		I don't like to visit Mansfield now, especially with my baby. It isn't a vibrant town anymore, my favourite shop Jak & Daisy closed due to there rent being so high they just couldn't afford to stay open due to high rent. Drugs is a big problem and it's not nice to see. I don't overly feel safe in Mansfield anymore, it's expensive to park so I'd rather go to Meadowhall.

TC/699	Safety; Cleanliness	I rarely go into town now unless i NEED too. I used to go a few times a week amd enjoy to browse and meet friends, 4-5 years ago. Where as now i feel uneasy. There are always people intoxicated om drug and drinks, amd iv seen men using in the town centre very publicy too. Its scary to walk past. I feel very vulnerable if i am by myself, I avoid where possible to take my son and dread my mum going into town on her own! Surely these people could be banned from the town center? A few more nicer shops and a clean up, the town would surely be 100x more appealing.
TC/701	Shopping; Safety; Cleanliness	I feel threatened by all the drug users in the town Center
TC/703	Shopping; Safety; Events; Nightlife	Don't feel safe in town anymore in broad day light so many drug addicts and homeless roaming about. Since 24 hour drinking came into force it killed mansfield town which was an excellent night out. Went out at 7 majority came home after 12 or nightclubs until 2. Now it's dead I in town. Doesn't make sense pubs are shitting down more police is needed for later hours when trouble starts. I'm no politician but I can see changes with the law need enforcing with that one
TC/705	ISatety: Shonning: (Teanliness: Restaurants / Cates	Take a leaf out of other successes. Basingstoke was one such example when I used to live there. Totally rebuilt the centre to make an amazing transformation. More shops, more activities, cleaner, more bars and pubs and a night life that's safer than it was before it was transformed.
TC/707	Other; Shopping; Car Parking; Cleanliness; Safety; Public Transport	The town has been run down, driving people away. The market was fantastic, what happened, high rents, expensive parking and people not feeling safe. We need shops filling, a low re t is better than no rent. No more pound shops or cigarette shops move mamba and drug addicts out. Make more effort to rebuild the market, weekly entertainer to bring shoppers in. Get the mayor to be stood on the market each Saturday so she can meet people just like our MP. Bring Leeming Street back to former glory by using the funds already allocated. A lot of work needs doing and quickly.
TC/709	Events; Restaurants / Cafes; Shopping; Car Parking; Cleanliness; Safety	The shopping centre is dated and with limited shops to choose from it doesn't attract many shoppers. There are too many pound shops and not enough of the larger stores to stop people going to Nottingham or Meadowhall. The parking charges in respect to what is on offer are too high. There is 1 decent coffee shop outside of Costa and 1 decent restaurant. We need to regenerate the area so people can come to a restaurant area in the evening. We need better shops. We need to restore the beautiful and old.
TC/711	Shopping	To many shops closing not enough choice
TC/713	IShopping: Car Parking: Safety: Other	The old buildings need cleaning up, groups hanging around and zooming past you on bikes I would never go into town without my husband in the evening.

TC/723	I()ther	To many foreign people it's no longer a safe place for me or my family. This is why the people of Mansfield voted for Brexit. Dreadful place with all Councillors missing the issue. Moved my business away as embarrassed for visiting clients.
TC/725	I()ther	The drug users clogging up the market everyday. They pass out on the floor in front of children and the police and community support officers do nothing and just walny, or move them on to the next bench 10 meters away. It's disgusting and ruins the nice image of the town.
TC/729		There are a lot of homeless people/drug users in mansfield. In particular where i park for work - the small secure alleyway car park for tallents solicitors. There is frequently drug users and homeless people there daily and i feel unsafe and neverd when i go to my car. There has been needles seen on the floor and rubbish making it unclean and unsanitised.
TC/731	Shopping	Lots of cloed/closing down shops
	· · · ·	Everything needs updating The whole town needs to be appealing It's is dank and dismal and has been for Years They is nothing to offer anyone
TC/733		Nothing enticing I would not recommend anyone to Visit mansfield
TC/735	Safety	Got nearly jumped on by a lad, who was waiting for me near a car park. To many homeless knocking around and making us feel uncomfortable. It's not welcoming when you walk from your car into town around white heart street area. All the homeless are around there up by Lloyd's and loitering around. It's quiet off putting.
TC/737	Events; Cleanliness; Safety	I don't feel like Mansfield is well maintained, it's run down and I don't feel safe there alone.
TC/739	Shopping	Limited for shopping ladies clothes
TC/741	Shopping	Mansfield is full of charity and cheap shops.
TC/743	Events; Cleanliness; Safety	Town centre smells terrible. See drug addicts out of their faces which is a safety concern. Never see police in the town centre
TC/745	Shopping; Car Parking; Cleanliness; Safety	Mansfield is awful at the moment and I do not feel safe, compared to other towns we are lacking in all the above

TC/747	Cofoty	It's terrifying! I won't visit Mansfield Town by myself with my 2 children! I always take somebody with me to feel safer! And I 100% wouldn't go
10/747	Safety	shopping later in in the day
TC/749		Shops are shutting because people won't go into the town center as a direct result of the amount of spice heads wandering around in groups, there are
	Shopping; Safety; Events	no publicizes events to pull people into the town center so why would new shops open up, the ones who are open have terrible problems with the
		same spiceheads stealing and threatening staff
TC/751	Shopping; Nightlife; Restaurants / Cafes; Public Transport	Lots of empty shops, rubbish half empty market with duplicate stalls. Not enough choice of places to eat (3 wetherspoons!?!?) And hardly any buses to
10/731	Shopping, Nightine, Nestaurants / Cares, Fublic Transport	warsop as the evening sets in. Hourly bus service isn't good enough!
TC/755	Safety; Cleanliness; Events	Do not feel safe walking through town after dark especially with my children.
TC/759	Shopping; Restaurants / Cafes; Car Parking; Safety	There is a lot of empty shops in town that make it dire, there needs to be some different places to eat and drink, free parking or better parking in town
10/739	Shopping, Restaurants / Cares, Car Parking, Safety	centre and better safety. There is too many drunk, druggies in town
TC/761	Events; Shopping; Car Parking; Cleanliness; Safety	Poor choice of shops and car parking fees when you can go to Nottingham or Meadowhall and have a vast choice of shops to choose from which is
10/701	Events, Shopping, Car Farking, Cleaniness, Safety	more appealing
TC/767	Shopping; Safety; Events	There are so many empty shops. I walk up under the viaduct and there is quite an intimidating feel to that end of town. The town looks rough and
10/707	Shopping, Salety, Events	unlovedit's like the start of the broken window theory.
TC/760	Channing	There are to many empty shops which leads me to believe that enough isn't being done to encourage growth. Again the reluctance to assist with free
TC/769	Shopping	parking which you would increase foot fall and benefit the town.
TC/773	Shopping; Car Parking; Nightlife; Cleanliness; Events; Safety;	Needs undating hotter shaps
10/7/3	Restaurants / Cafes; Public Transport	Needs updating, better shops.
		We need to stop the police using figures against the nightlife in order to build it back up to the inviting place it once was. We need to attract larger
TC/775	Nightlife; Shopping; Safety; Car Parking	breaded stores to the town via some incentive. We need free parking for atleast 2 hours not this "pay for a minimum of 2 hours rubbish" or if not free
		it needs to be a lot cheaper!
TC/777	Cleanliness; Shopping; Other	Too many 'cheap' shops. Too many pop up shops. Growing number of foreigners make it very intimidating at times
TC/779	Postaurants / Cafasi Channing, Car Parking, Classifinass, Fuents, Cafaty	Because all there is in Mansfield is second hand shops, nail shops, druggies and drunks, most people go to Nottingham where there are more
10/7/9	Restaurants / Cafes; Shopping; Car Parking; Cleanliness; Events; Safety	restreraunts and shops
TC/781	Shopping; Restaurants / Cafes	Not enough variety of shops too many empty shops and a appalling market
TC/702		Town centres need to evolve to become destination now. A quality anchor tenant should be secured to attract footfall with little or no rent. Focus then
TC/783	Car Parking; Shopping; Restaurants / Cafes	would be to build a go to dining experience. Look at Newcastle's 'alive after five' initiative.
TC/70F	Safatu Claanliness	cleanliness and safety go together for me, i feel unsafe in the town due to all the drug tacking and foul language that is in the town centre at the
TC/785	Safety; Cleanliness	moment. the place no longer feels safe and the cleanliness has dropped as these drug takers leave rubbish everywhere
TC/787	Safety; Events; Car Parking	The area is frequented by drug users.
TC/791	Public Transport	Everything else is worse
TC/795	Safatu Channing, Car Darking, Clashliness, Events	Car Parking is prohibitive and there are no experiences to give a reason to regularly go into town. The town centre is also full of spice-heads/zombies
10/795	Safety; Shopping; Car Parking; Cleanliness; Events	that scare the children.
TC/797	Restaurants / Cafes; Shopping; Car Parking	No good shops and to many homeless.
TC/700	Shanning, Postaurants / Cafee, Clashliness, Fuents	As you can see I have put more than one answer as all are important but I think restaurants are something that are really lacking in the town centre
TC/799	Shopping; Restaurants / Cafes; Cleanliness; Events	and will help to bring more people in.
	Public Transport	We have terrible transport options in and around Mansfield and have to suffer awkward connections to the rest of the country. Also, in terms of the
TC/801		other options on the list above, affordable, safe, efficient, reliable and clean transport would be a strong support to each of them too. I.e. good public
		transport would negate need car parks, parking tickets, parking charges etc Would boost retail and restaurant spending, event attendance and
		nightlife and so many other town aspects too like education (get to college) health care (need to go to the doctors or pharmacy?) We need a 'big
		spend' transport overhaul to regenerate this town, enable convenient connections between us and surrounding communities and also the country as a
		whole!
		There are far too many empty shops, at least put something in the windows to make the tcenter look more inviting, there are also too many charity
TC/807	Shopping	shops, that's a huge sign of a dead town

TC/811		I took my two very young children into town to the opticians on Chruch Street. I counted at least 10 men on Church Street visibly under the influence of drugs / alcohol at 4:30pm. Two had clearly had a fight and had blood pouring from their faces. Shouting and being abusive, appalling behaviour at any time, let alone tea time. I decided to take my children to McDonalds as a treat (big mistake) had to pass through the market place with even more drugged up people hanging around. I thought everything would be ok in McDonalds, but even in there there were two people more men clearly on drugs, stinking the place out - god knows what they were getting up to in the toilets but they were removed by security thankfully. Not one minute of my visit to Mansfield town centre on this occasion was remotely enjoyable. I did not feel safe at all and having two young children with me made me not want to bring children into town. The fact that I have to pay to park to endure such misery is the worst part about it all!
TC/813	Shopping; Car Parking; Safety; Public Transport; Nightlife	safety
TC/815	Shopping; Cleanliness	More and more shops closing, I understand this is a national problem but the closed down shops look so dismal. What shops are left are spread out with 2 retail parks and less & less actually in the town centre. The market seems to be shrinking too. Chesterfield is much nicer to visit.
TC/817	Shopping	The town is in a state of decline, the shops are generally limited - chesterfield has so much more variety and still has its market!
TC/819	Shopping; Cleanliness; Safety	Most it the shops are closed down. There has been a lot of violence just lately in the town
TC/821	Shopping; Safety	Shops are constantly closing down. Recently I was in the town centre and a man obviously on drugs was shouting out and staggering around. He was oblivious of other people.
TC/823	Shopping; Car Parking; Cleanliness	Many closed shops. Not as many choices as Newark town centre. Not enough litter bin causing a lot of discarded litter.
TC/825	Shopping; Restaurants / Cafes; Events; Car Parking; Other; Safety	Needs improvement
TC/827	Shopping; Car Parking	Shops are struggling and could possibly be helped by more people being attracted to the town centre with free parking.
TC/829	Shopping; Car Parking; Cleanliness; Safety; Public Transport	There are very few shops except vaping and nail bars, charity shops. Don't feel safe going into town. People on spice and begging.
TC/831	Cleanliness; Events; Safety; Shopping; Other	Always looks scruffy, rubbish lying around What events Feel unsafe when walking around certain areas due to unsavoury looking characters that have been taking drugs Empty shops everywhere, lots of low quality shops Mansfield has gone down hill over the last few years there used to be a thriving market now done to a few, in the summer there used to be lots of stuff going off, even the flea market is not good, look at centerfield, much better loads of shops of all variety and a brilliant Thursday second hand market, they doing it right, ask them
TC/833	Shopping	Not enough choice or variety of shops, and far too many eating places
TC/837	Safety; Shopping; Restaurants / Cafes; Car Parking; Events; Cleanliness	I don't use the public transport or venture into Mansfield at night.
TC/839	Other	Everything is ok except the druggies and homeless ruinin the town centre
TC/841	Car Parking	More parking caters for more people there for encouraging more shops to open
TC/843	Safety	Too many peop,e just hanging around and even 12 year olds swearing ,aggressive people
TC/845	Car Parking; Safety; Events; Nightlife	These are seem to be the main issues me and my mates have discussed also there is a lot of issues in tre direct town centre as youths/teens in large groups shouting agresssice nature every night
TC/847	Safety; Shopping	Alot of big brand shops are closing & staying empty for years. Nothing even replaces them. Every time I go out drinking there's fighting, twice Iv been assaulted. Nightlife just isn't what it used to be it's fyll of foreigners making you feel unwelcome or drunken idiots starting fights
TC/849	Shopping; Car Parking; Cleanliness; Safety	Over the last 20/30 years Mansfield has gone downhill, in respect of the Market, Shopping and Safety.
TC/853	Shopping; Safety; Events	Too many vagrants, on drugs and drink. Make you feel very uneasy. There needs to be more events on in the town, let's have a big french market on. Too many empty shops which make Mansfield look like its run down and depressing.
TC/855	Safety; Shopping; Car Parking; Events	Nothing exciting happens in Mansfield they used to be a mardi gras on in the kids summer holidays which brought locals together and brought other businesses and people from all over
TC/857	Shopping; Cleanliness; Car Parking; Public Transport; Events	The market is not half full and more farmers markets with fresh produce would be good.
TC/859	Car Parking	Not enough car parksand what is there needs to be fair price
TC/861	Shopping; Cleanliness; Safety	With regards to shopping, a lot of stores are slowly disappearing and the four seasons centre needs a good make over. It looks old and dated. I feel unsafe walking through town due to the amount of drug addicts hanging around in gangs, mainly outside the banks on church street.
TC/867	Shopping; Car Parking; Events; Cleanliness; Safety; Restaurants / Cafes; Nightlife	Mansfield used to be a thriving town when I was young you felt safe and there was plenty to do, when our children used to go out I would be worried sick as it had gone done hill, so I would like it safe with plenty to do for when our Grandchildren start to go out.

		There is no variety in the shops anymore, no market that is worth going to see and countless empty shops. The events are limited and there is no
TC/871	Shopping; Events; Public Transport	thought to produce new and interesting events. Public transport is not only expensive but we are now so limited to the times we can travel that it
		makes it even more difficult.
TC/873	Car Parking	Facilities are old and unwelcoming. Prices are high too.
TC/875	Safety; Shopping; Car Parking; Other	Too many homeless druggies walking around.
TC/877	Shopping; Events	Too many empty shops.
TC/881	Cleanliness	Looks grubby. Lots of beggars, drug paraphernalia and needles around.
		The town centre is teeming with homeless persons and undesirable individuals, most of the time there is no police or wardens in the town, it's as if
TC/885	Cleanliness; Shopping; Safety	nobody cares unless an event is taking place ie the opening of the ice rink or something that involves the mayor otherwise who gives a damn that
		seems to be the mindset.
TC/887	Shopping; Cleanliness; Nightlife; Safety	Because without these basics nothing else on the list will work
TC/889	Shopping	Not enough choice, rather go to nottingham
TC/891	Shopping; Car Parking	Should be more free parking. Selection of shops to be improved as I often go to Nottingham or Meadowhall for better selection of shops or just the
10/891	Shopping, car Farking	same shops that carry more stock.
TC/893	Shopping	Because we are loosing town centre shops.
TC/895	Shopping; Events	no decent shops anymore lots empty ones market non existant
TC/899	Nightlife; Restaurants / Cafes; Safety; Events; Shopping	The leisure opportunities are dire in the town centre. Having moved away from the area several years ago, I now only visit there I came and visit family
10/899	inigntifie, Restaurants / Cares, Safety, Events, Shopping	and find that shopping in Mansfield is a depressing and dreary experience. The range of shops is narrow and shabby
TC/901	Cleanliness	The town centre looks very scruffy. Although there has been regeneration in the past 5 years, it's impossible to see any improvement from this.
TC/907	Shopping; Car Parking	Multi Car parking dated and eyesore and too many shops boarded up
TC/909	Other	Need address homelessness in Mansfield.
TC/911	Shopping; Cleanliness	Many empty buildings that require refurbishment. Mansfield needs big retail investors to develop the building/property Mansfield has to offer. With larger retail brands, means more opportunity for all business, including small businesses and also cafes, bars and entertainment will then follow.
TC/913	Shopping; Cleanliness; Safety; Other	Because you come to Mansfield now and half the stores are empty or closed plus we also need more variety of shops some bigger better names. The whole town needs a shake, everyday we are seeing more and more homeless walking the streets of Mansfield or the place has druggies in each corner myself and a lot of others in town do not feel safe anymore especially after 5.30 for example a few weeks ago part of the town was closed due to a stabbing. I feel Nottinghamshire is getting more and more unsafe and a lot of people are beginning to feel it. I feel a lot more could be put in place to help and prevent these issues. I also believe the town could do with a little up doing give it a shape up the place as looked the same since I was a child I believe if we put the effort in to make the right suitable changes that people actually notice I believe this could make a big impact while also involving the public. I believe if you personally approached the of the streets in Mansfield you would get honest feedback which I believe a lot of people would participate in making Mansfield a more approachable place a place to be more proud of. I think we could make more use of the space we have in Mansfield to offer more activities public wise aiming for children and family's, I know there has been so activities put in place but again I think if you ask the general public what they want of all age ranges you could set different days for different activities for different ages to get people truly involved what makes me sad about the area I live in now is people: people don't speak anymore, people don't say hello anymore I think if we was more vocal more approachable and more reachable I feel we could turn this around and make a huge infact on are town. I have lots of ideas and I know many others do in coming together do the better of Mansfield and making it better.
TC/915	Car Parking	I would like to see free parking or at least 2 hours free parking, this would encourage people to shop in the town as opposed to supermarkets or retail parks with free parking. The more people who shop in mansfield, the more retailers will want a presence in our town. It will benefit everyone.
TC/917	Safety	I have teenage children that like to visit the town, however, antisocial behaviour and general disorderly behaviour make it an unsafe environment, particularly in the afternoons.
TC/919	Shopping; Car Parking; Safety; Restaurants / Cafes; Events	We need a better variety of shops. The town centre has a lot of drug users with unpredictable behaviour - I don't feel safe bringing my children into town.
TC/923	Safety	I have travelled all over the world and am aware of my own safety whilst aware, never have I thought I'd have to feel like this in my own town centre, always being aware of where my personal belongings are.

Comment ID	Response to last question	Response to this question
TC/927	Car Parking; Snopping; Public Transport; Cleanliness	Car Parking prices keep increasing and when compared to the shopping you can do in the Town Centre customers would prefer to travel to Nottingham or Meadowhall where there is free parking and more shops. Public Transport is too expensive as well so people who can't access town another way may prefer again to go on a train or cheaper bus to places where there are more shops. Due to the age of Mansfield it looks unclean but the buildings are just old. However, there are just unclean areas in the Centre.
TC/929	Car Parking; Shopping; Cleanliness; Safety	Mansfield has been in terminal decline for the last 10-15 years. There is zero investment of either council tax, or monies generated through parking fees. Ancient car park ticket machines that don't give change. Filthy car parks, especially The Four Seasons car park, where hand rails on the stairs are held together with disgusting, germ riddled gaffer tape. Drug users openly wander around the streets of Mansfield daily, taking drugs, spewing vomit all over the town centre. The lack of public toilets, also means that during the evenings, people often urinate in the streets. Whoever controls the finances of MDC should be utterly ashamed at the complete waste of council tax on III thought out schemes, such as the recent £100'000 spent against the publics wishes on new stalls, and the closure of the West Gate market area. MDC is totally underperforming compared to other local authorities in Nottinghamshire.
TC/931	Shopping; Car Parking; Events; Other	The empty units in town there's a lot of them more then other towns and car parking take a look at what Bassetlaw charge for there car parks it's a lot better then ours
TC/933	Events; Shopping; Car Parking; Safety; Cleanliness; Public Transport	I feel the town is poor rundown under invested in in all aspects with limited parking available at an affordable price as well as feeling in safe with the drug use and the gangs that patrol the streets
TC/937	Safety	Feel like I'm going to be stabbed at any given moment
TC/939	Events	Brings in people which moves the druggies on and creates a great atmosphere
TC/941	Safety	It's mainly due to unsocialable behaviour from young teenagers, I saw 3 young lads attempting to steal someone's bike the other week. When confronted all we got was abusive behaviour. And where wasan police or community officers?? Last month there was a young man just lying on the floor near the market. After ringing the police help linecthey put me through to the cctv centre. I was told if I felt he needed medical attention to ring the ambulance service. But they are aware and monitoring him on the camera's. What!!! I hasten to add as a female I thought that was disgusting.
TC/943	IShonning: Cleanliness: Public Transport	The shops are almost all gone ,same with the market .I was always in town shopping but there isn't the vibe anymore .you plug Mansfield wanting people to visit and shop ,but what would you do if you visited Mansfield .stay in .nothing to see or do and its such a shame .
TC/945	Shopping	Decent shops, sick of discount shops, pound shops and H&M type places - I never shop in these so put off going into the town centre.
TC/947		The mayor needs to go. Shopping is awful. Crime is horrific. The council have no idea!
TC/949	Shopping	Empty shops, poor quality shops, town centre needs a decent sized supermarket
TC/951		Just not safe and events are poor
TC/953	Car Parking; Safety	It is too expensive to park and car parks are not east to access owing to difficulty in crossing town.
TC/955	Shopping; Car Parking; Cleanliness	Business need encouragement
TC/957	Events; Cleanliness; Shopping	Too Many empty units and not enough variety of shops. Too many homeless living on the streets of the town centre and parts of town centre are dirty and under developed. There also seems to be a lot less Market Stalls than there was 20 years and Market seems sparse compared to what was. This is probably because Market Traders are being charged alot higher rents.
TC/959	Shopping; Cleanliness; Safety; Events	There are hardly any events that are of any interest. When there is for example such as the top gear filming, it was kept quiet and nobody knew about it.
TC/963	Cleanliness	It can look tatty. Just outside the town centre where I walk in there are verges covered in empty beer cans and rubbish. No attempt is made to tidy these up.
TC/965	Safety	If people don't feel safe, they'll go elsewhere.
TC/967	Shopping; Cleanliness; Safety	Far too many empty shops and units, too many undesirable people loitering and gathering, makes me feel very vulnerable
TC/969	Ishonning: Safety: Events	Dont feel safe in Mansfield anymore. I wont even let my 16 yr old catch a bus into town for dance lessons as to get to where they need to be they have to pass the drug addicts and they feel vulnerable. Shops are closing and people are deserting to other towns and retail areas.

TC/4	Not a big problem	I haven't noticed that there is a lot of litter around the town when I have visited, although I believe it is a problem at the end of the day when the market is packing away.
TC/10	Not a big problem	I am not aware of huge amounts of rubbish and litter lying around and never have difficulty in finding a bin in which to deposit rubbish.
TC/14	Fairly big problem	It's been worse but it's not great
TC/16	Fairly big problem	Always rubbish lying around
TC/18	Fairly big problem	Pigeon mess
TC/20	Fairly big problem	Depends what time of day you visit
TC/22	Not a big problem	The Town Centre is not dirty.
TC/24	Fairly big problem	Chewing gum covers most of the pavements in the town centre. Who attempts to clean it up? And why does no one try to stop it happening in the first place.
TC/26	Fairly big problem	People just drop litter, even near bins.
TC/28	Very big problem	Mansfield often looks dirty. Mdc may be able to concentrate efforts on the centre if you didn't have veola lorries tanking around the district with unsecured litter and rubbish flying
10,20	very big problem	off the back of them. Also you may not experience the level of fly tipping if the local tips were more helpful accessible and not run by morons.
TC/30	Not a problem at all	The street cleaning team do an amazing job
TC/32	Not a big problem	The problem is the drug addicts.
TC/36	Very big problem	The shop fronts are not maintained they look scruffy and litter and dirty alleyways make it all look run down.
TC/38	Very big problem	There's always litter on floor to the point my older children try clean it n I tell them no
TC/50	Not a big problem	Looks to be about the same amount of rubbish seen in any other town
TC/52	Not a big problem	Not seen too much
		Recently I brought to the attention of a council worker a mess on a walkway and he immediately alerted the cleaner who dealt with it. I was impressed with their response but
TC/54	Not a big problem	wondered what I would have done if I couldn't find a staff member.
TC/56	Very big problem	Although the main areas do not seem too bad at times you dont have to look far to see piles of litter ir rubbish piled up from shops down the alleys.
TC/58	Not a big problem	Could you class spice heads as litter?? They roll about on the floor
TC/62	Fairly big problem	The town just looks very dirty.
TC/66	Not a big problem	Don't see much laying about plenty of bins
TC/68	Not a big problem	It is only an issue first thing in a morning at weekends
TC/70	Very big problem	There is always rubbish strewn around and bins overflowing
TC/80	Fairly big problem	Quite messy.
TC/3	Not a big problem	Don't see much rubbish.
TC/5	Fairly big problem	There's always rubbish blowing around the town centre. The cleaners do a fantastic job but there needs to be more bins
TC/9	Fairly big problem	The whole appearance of the town is very run down
TC/11	Fairly big problem	Especially if I go into the Town Centre on a Sunday morning. Can't there be an early morning collection on Sunday like they do in Europe. Rubbish is placed in bins but when windy it blows up the street.
TC/15	Not a big problem	See people cleaning street a lot
TC/17	Fairly big problem	littering. Cigarette stubs everywhere
TC/17	Fairly big problem	The town looks scruffy and untidy
TC/21	Not a big problem	Whilst there is litter at times it does seem to get cleared up. This may be different in areas I don't walk in (eg alleys)
TC/23	Fairly big problem	Just look around
TC/33	Not a big problem	No Publish has improved but still pands souting
TC/35	Fairly big problem	Rubbish has improved but still needs sorting
TC/39	Fairly big problem	Everytime I've been down, there always been a messy, untidy atmosphere
TC/41	Not a big problem	Plenty of bins
TC/43	Very big problem	To much rubbish and the block paving needs replacing looks dirty and unkempt especially on leeming street where parking lines have been sprayed over
TC/45	Not a big problem	I don't think there's a lot of rubbish.
TC/49	Not a big problem	The town centre itself is not too bad I'm my opinion, however there is far to much gum and spit on the pavements.
TC/53	Not a big problem	Town is fairly clean just not well maintained
TC/63	Very big problem	More bins
TC/65	Fairly big problem	Not enough bins perhaps, no one seems to value their town any more, so drop dog ends and chewing gum, this behaviour starts at a young age so perhaps we need to get to school children and pre school, via sure start and Health Visitors to build a sense of ownership!
TC/73	Very big problem	First impressions, a person coming into town sees rubbish lying around and their mind is made up.

TC/75	Not a big problem	Always clean early when we visit town but go up side streets and allies differant story!
TC/77	Not a big problem	The streets are kept cleared, but the state of the buildings (especially what used to be the Co-op & Tesco) let the town down.
TC/85	Fairly big problem	The town just looks unkempt.
TC/91	Fairly big problem	Always dirty
TC/93	Fairly big problem	I am afraid it is the case every where in the UK
TC/95	Not a big problem	Can't say it's something I notice massively when I'm there.
TC/97	Not a big problem	Haven't noticed excessive amounts of rubbish
TC/101	Not a big problem	There are lots of rubbish bins and I don't notice much litter on the ground.
TC/103	Fairly big problem	Depends what time of day you visit
TC/109	Not a big problem	The staff work hard to keep it clean
TC/111	Not a big problem	Unsure to be honest, which means unlikely as I notice that sort of thing.
TC/113	Fairly big problem	Just from what I see. I don't blame the Council - they do their best to keep on top of it. There are plenty of bins, but too many people don't use them.
TC/115	Fairly big problem	Always dirty
TC/123	Fairly big problem	Tolhe tines I go around it doesn't look clean
TC/125	Very big problem	It's a tip. Not enough bins, and those that do exist need emptying more often.
TC/129	Not a big problem	Generally plenty of bins, but unfortunately not everyone chooses to use them
TC/131	Very big problem	Not nice to step around piles of vomit etc
TC/141	Fairly big problem	There's lots of rubbish around generally left by the homeless
TC/143	Fairly big problem	Litter everywhere
10,113	Turry big problem	The problem is that people drop litter and are never fined (what happened to the street wardens) the areas at the back of some shops, cafes food outlets is a haven for rodents ie
TC/159	Fairly big problem	back of leeming street
		Tired of people leaving litter such as McDonald's wrappers and Costa coffee cups lying around my shop floor workplace. There are not enough bins and I often see litter flying around
TC/163	Very big problem	the market place and trash being left in empty shop doorways by people.
TC/84	Fairly big problem	Particularly at the weekend you see the remenance of cigarettes, vomit and cans even glass sometimes.
TC/86	Fairly big problem	At night it's awful
TC/88	Not a big problem	Don't see litter as an issue.
		It's disgusting, no one seems to be getting fined for throwing things, not enough MDC workers are around to do litter picks & because of the drug use in the town needles are
TC/92	Very big problem	everywhere
TC/94	Not a big problem	Generally Mansfield council do a good job of refuge collection
TC/96	Fairly big problem	When I visit the town centre it seems shabby. This is an education problem as much as anything and a lack of civic pride amongst too many residents of the town.
TC/98	Fairly big problem	Litter is a problem but only dirty ng specific times of the week. Usually after the weekend it's pretty bad but improves kid week
TC/100	Fairly big problem	The streets always have litter on them
TC/102	Fairly big problem	Depends what time of day you visit
TC/108	Not a big problem	Don't c as much litter
TC/112	Fairly big problem	There is always litter lying around, but this isn't the council's fault it's down to the irresponsible person that dropped it.
TC/114	Not a big problem	Theres plenty of bins the cleaners try their best.
TC/118	Not a big problem	Don't really see much on the floor. You see some near the outdoor market
TC/120	Not a problem at all	It's pretty litter free, I believe the council do a good job of looking after the town centre we just need to entice new businesses
TC/126	Fairly big problem	There is street cleaners visible doing good job.
TC/128	Not a big problem	I don't recall seeing lots of litter around.
TC/132	Not a big problem	On the occasion I do venture in I can't say I've noticed a problem.
TC/134	Very big problem	On our last Sunday morning visit we passed four pools of vomit from leaving a surface car park to shops.
TC/136	Fairly big problem	Its just untidy.
TC/138	Very big problem	The stairway from toothill car park to church st is appalling and embarrassing. The is rubbish strewn I'm doorways behind the library.
TC/140	Not a big problem	The cleaners are the only public sector workers working hard in the town.
TC/142	Fairly big problem	The run down buildings just make everywhere look dirty
TC/154	Not a problem at all	Really see rubbish left around unless it's juat when the market traders are packing away.
TC/156	Not a big problem	It is usually too busy for me to tell.
TC/158	Not a big problem	The town is is kept clean, just on a Saturday you really need to stop the sweeper going through people, it's a busy time and you don't need the van going through

TC/166	Fairly big problem	Hardly enough bins in the town centre to accommodate the people who come.
TC/168	Not a big problem	plenty of bins around the town center to put your litter in
TC/170	Very big problem	Look around you.
TC/174	Not a big problem	Don't see much litter except on market place, which can't be helped when traders are working
TC/180	Very big problem	Make the town look dirty and unattractive
TC/184	Not a big problem	I've not noticed any issues
TC/186	Not a big problem	I don't think I actually come across much litter in the centre, it's more dirt and grime. A good bet wash would maybe help?
TC/196	Very big problem	You only have to visit the streets slightly away from the centre to see the problem. It is one of the main reasons I don't come into Mansfield as often as I used to.
TC/198	Very big problem	Look st the town - it's drab, dirty , grey with empty shops
TC/200	Fairly big problem	Generally the centre seems not too bad, but side streets are often seen with bin bags and rubbish piled up
TC/204	Not a big problem	Town is mostly clean
TC/208	Not a big problem	Mansfield is very clean.
TC/210	Fairly big problem	People are just ignorant when it comes to throwing rubbish on the floor, especially when there is a bit closer by
TC/214	Very big problem	Because there is a lot of rubbish
TC/220	Very big problem	Cheering gum all over the streets.
TC/222	Fairly big problem	Because thats all you see and people seem to be unable to use bins properly or are.just disgusting and use the floor
TC/230	Fairly big problem	Seats and bollards need to be painted regularly. Phone kiosk looks untidy. The whole of the pedestrianised area needs a more thorough clean.
TC/234	Fairly big problem	Not enough rubbish bins, not identifiable for those that are around - not clear for recycling. Also there isn't enough bins for bag dog waste, in and around the town centre.
TC/238	Not a big problem	Mansfield quiet clean could do with a few more bins
TC/4CF	Vamakisaanklaas	The town centre is always covered in rubbish that people have dropped but mainly throughout the evening, surely sooner or later there will be rats everywhere, but again whilst no
TC/165	Very big problem	one of authority is patrolling the town this will be constant and will not change
TC/167	Not a big problem	plenty of bins around the town center to put your litter in
TC/177	Not a big problem	Small amount of rubbish but not excessive
TC/179	Fairly big problem	Litter hanging out of bins dumped on streets
TC/181	Fairly big problem	empty food wrappers all over
TC/189	Not a big problem	Often seeing litter pickers and bins emptied, litter doesn't seem to be a problem.
TC/197	Fairly big problem	Fly tipping rats dirty quilts left from rough sleepers , chewing gum all over . The town looks scruffy.
TC/199	Not a big problem	Havent noticed any.
TC/201	Not a big problem	Not bad then again no visiter
TC/207	Not a big problem	I feel the current provision is adequate and usually very visible. There are plenty of bins too
TC/211	Not a big problem	It's not so much the litter, it just feels like a grimey place
TC/215	Not a big problem	I can't say I've noticed too much rubbish lying around
TC/217	Fairly big problem	There will always be folks throwing stuff anywhere
TC/219	Very big problem	Because it makes the town look scruffy and in welcoming compared to other towns
TC/227	Not a big problem	It's a problem everywhere, it's such a shame that people think it's OK to throw litter - not the fault of the council.
TC/229	Not a big problem	Don't really notice excessive litter
TC/231	Not a big problem	fairly tidy
TC/237	Very big problem	Litter and lack of facilities, I remember my 3 year old daughter not having any toilets to use in a park as they were locked, but the bowling club had a club house open and no one would let her use them. A playing area for children with no proper facilities is just poor.
TC/246	Very big problem	Just walk down Dame Flogan Street in Mansfield and you will have your answer
TC/248	Not a big problem	Seems fairly tidy when we go in
TC/250	Not a big problem	Cleaners tend to do a excellent job
TC/258	Not a big problem	The market square is cleaned well and as with any town centre rubbish after a weekend is cleared. I think any rubbish problem is partly attitudinal, with people not taking a pride in their neighbourhood. Maybe some targeted learning projects in primary and secondary schools would help to establish good practice with our younger generation.
TC/272	Not a big problem	I've not noticed much rubbish
TC/274	Not a big problem	The town is ok for rubbish, cutbacks show in flower displays and the deep clean tjere use to be
TC/276	Fairly big problem	It makes the town centre look untidy and dirty

TC/284	Not a big problem	I don't recall seeing litter last time I was in town.
TC/290	Fairly big problem	Hate to see litter, the town needs to be clean and tidy with markets and shops to get people in from other towns.
		I visited the b and m store near Sainsbury's and the amount of rubbish that was lying about was disgusting i know it's up to the business to keep their car park clean but I'm sure there

TC/322	Fairly big problem	Litter, quilts left on market stalls. Stuff in doorways
TC/326	Not a big problem	No problem
TC/224	Van bis maklan	Very big problem the town centre is so dirty and horrible the there's no new people visiting it because of the atmosphere. Rubbish will being thrown around anyway and they don't
TC/334	Very big problem	care about the fine you'll get. Personally I hate the town centre with a passion.
TC/338	Not a big problem	I haven't noticed rubbish in Mansfield when I go so I don't think it's much of a problem. It just needs to be maintained.
TC/344	Not a big problem	The street cleansing crew's do a fab job of keeping the town tidy.

TC/398	Very big problem	Not just the town centre litter and flytipping are bad all over!
TC/400	Very big problem	You only have to walk round for 5 mins to see
TC/245	Fairly big problem	Too many broken bottles - this is an issue of public behavior rather than not having enough bins. People should be fined more for littering, especially smokers and drinkers.
TC/249	Not a big problem	Not really an issue
TC/251	Not a big problem	Mansfield is generally clean except on weekends and Monday morning when the clubbers of Leeming street have been out who make a big mess in the town centre.
TC/255	Fairly big problem	Wherever you walk the ground looks untidy particularly the market place.
TC/257	Not a big problem	It's not too bad.

TC/273	Very big problem	Lots of rubbish about, e everywhere looks dirty
TC/279	Not a problem at all	Little footfall = little rubbish
TC/283	Not a big problem	I think litter isn't a problem in the town centre but you walk out the centre or travelling from a different town, there's litter and fly tipping everywhere which needs sorting.
TC/289	Not a problem at all	Is very clean mainly due to the lack of foot fall in the town
TC/293	Not a big problem	I moved here from Blackpool and that was hardly clean.
TC/295	Fairly big problem	It's not the worse I've seen but there's a fair amount that some find off putting
TC/297	Not a problem at all	The problem is human litter not materialistic litter. Oops am I aloud to say that!
TC/301	Not a big problem	Mansfield town centre is clean but the housing estates and streets arent very clean. Lots of fly tipping in streets.
TC/305	Fairly big problem	Not the fault of the council as there are plenty of bins just more policing needs to be present in order to deter people from littering

TC/657	Not a problem at all	Very little rubbish in the streets. Some rubbish in parks, conservation groups making an effort, especially in Oak Tree where it is needed.	
TC/659	Fairly big problem	Mansfield is a dirty place	
TC/663	Not a big problem	On the times I visit the Town looks reasonable tidy and clean	
TC/665	Not a big problem	This is not too much of an issuebut who cares if it's lovely and clean if there's no reason to go.	
TC/667	Fairly big problem	Market place kept reasonably tidy but only place with focus	
TC/669	Fairly big problem	I've seen rubbish left around the paths	
TC/673	Fairly big problem	Unfortunately I don't think it's that much different from anywhere else - maybe the council could run a campaign to educate people in the first place to help stop people littering. Als Ashfield council both last year and this year have provided skips in the lower class housing areas to encourage them to get rid of there rubbishbproperly - THIS IS A GOOD IDEA! Also could the tip do one afternoon a month where other vehicles other than cars can bring say 1 load of rubbish to discard?	
TC/677	Very big problem	Filthy hovel, just look what you see when you come in., a old fashioned delapigated eyesore of a multi storey that once was, when are they going to buldoze the area down, How horrible to look at.	
TC/681	Not a big problem	The workers do there job	
TC/687	Not a big problem	Fairly clean in that respects	
TC/689	Very big problem	See answer above - Rats are everywhere	
TC/697	Fairly big problem	It just isn't an appealing town anymore, it's such a shame.	
TC/703	Not a big problem	I always see the man with his barrow so I will say thank you for that	
TC/705	Fairly big problem	Sort out the town regeneration first, people don't care as it is now, given them something to love and look after.	
TC/707	Fairly big problem	The bins overflow scruffy to look at and a security risk. Doorways full of rubbish. Fast food cartons dropped .	
TC/709	Fairly big problem	I have on occasion seen litter pickers but with a failing market place the area becomes an area for less than desirable members of the public and their habits.	
TC/715	Very big problem	Because of tramps, homeless people and druggies.	
TC/717	Very big problem	Because there is a lot of rubbish and litter, fag ends and people are disrectful.

TC/728	Not a big problem	It seems quite clean nothing obvious quite clean in all honesty	
TC/736	Not a big problem	It's not one of the cleanest towns I've been too	
TC/740	Fairly big problem Not a big problem	Not something that I've noticed	
TC/740		Litter everywhere	
TC/746	Very big problem Not a big problem	The town is fairly clean, the buildings need cleaning though.	
TC/754	Very big problem	Loads of litter and not enough bins Manly outside cafe and with the mamma heads strewn all over ashamed to say I'm from here sometimes	
TC/766	Fairly big problem		
TC/768	Not a big problem	Never noticed it to be a problem The rubbish is mainly after the weekend drinkers	
TC/770 TC/772	Fairly big problem	People weeing and pooing in the corners. Half eatton meals lying on the floor	
TC/782	Very big problem Fairly big problem	It's grubby and tired	
TC/786	Not a big problem	There are enough bins around, any littering is down to laziness.	
TC/790	Fairly big problem	Kids The town control decorate heading.	
TC/792	Not a big problem	The town centre doesn't appear to be dirty	
TC/723	Very big problem	The only benefit of drugged up people lying around is they mask the rubbish!	
TC/725	Fairly big problem	There's always rubbish on the floor and not enough bins provided.	
TC/729	Fairly big problem	Bins are usually full by midday, homeless people leave rubbish and people drop litter and cigarette buts whilst walking.	
TC/733	Fairly big problem	Just look! Streets appear clean	
TC/741	Not a big problem	Streets appear clean	
TC/755	Fairly big problem	Lots of it all over town	
TC/759	Not a big problem	Un main town therr is plenty of bins	
TC/769	Not a big problem	Town appears fairly clean and can see the magic the facilities team complete after Saturday night	
TC/775	Not a big problem	You will always get morons dropping litter but the council do wel to keep it clear.	
TC/783	Not a big problem	Always seems reasonable in town.

TC/785	Fairly big problem	it makes the place look a mess and unsafe	
TC/787	Fairly big problem	Because there's lot's of litter!	
TC/791	Not a big problem	Cleaners do a good job. Needs more bins around	
TC/795	Not a big problem Litter is secondary to the amount of zombies and drugs around the town.		
	<u> </u>	Litter is a regular site not just in the town centre but the approaches to the town which will put people off. We should be getting the unemployed out clearing rubbish and sweeping	
TC/799	Fairly big problem	the streets for thier benefits . This happens in other countries. Also bigger businesses in the town such as mcdonalds and tesco should be encouraged to contribute to cleanliness of	
,	,	the area.	
TC/810	Not a big problem	Market gets cleaned up daily.	
TC/820	Not a problem at all	It always seems fairly clean when I have been in town	
TC/830	Not a big problem	Not noticed increased litter	
TC/838	Not a big problem	Litter is the least of the worries. Police the drug takers and idiots lurking in doorways	
TC/844	Not a big problem	Because it is fairly tidy.	
TC/846	Not a big problem	Got better in recent years	
TC/848	Not a big problem	Not seen too much rubbish on my last visit into town.	
TC/850	Very big problem	The Market Place etc is often full of cigarette huts and chewing gum. Admittedly, on a night out this is contained	
TC/856	Not a big problem	Kept pretty tidy overall	
TC/858	Not a problem at all	Na Na	
TC/864	Not a problem at all	The street cleaners do a great job, but not enough praise given yo them.	
TC/866	Not a big problem	Not been effected by this	
TC/872	Fairly big problem	Always looks a bit grimey, litter about, fag ends everywhere etc	
		It is not a very big problem yet but it has been increasing for a long time now not just volume though, also recycling is not clear in this town (or country tbh). Most people don't	
TC/801	Fairly big problem	know what bin to put most of their waste in.	
TC/811	Not a big problem	I haven't noticed a huge amount of rubbish.	
TC/817	Not a big problem	I haven't noticed excess litter	
TC/821	Not a big problem	The town centre looks tired but reasonably clean.	
TC/823	Fairly big problem	Not enough litter bins	
TC/827	Not a problem at all	Town centre is always clean and tidy	
TC/831	Fairly big problem	Use yr eyes and look around	
TC/833	Fairly big problem	Not enough cleaners outside the four seasons shopping centre.	
TC/837	Fairly big problem	I see the street sweepers out cleaning but Mansfield often looks grimy in my opinion.	
TC/841	Not a problem at all	Mansfield town centre is a pretty clean one	
TC/843	Fairly big problem	Not enough bins visibly seen or fine notices on displayed , bins that are available are usually overflowing	
TC/845	Fairly big problem	It's mainly on the four seasons road in the main centre	
TC/849	Fairly big problem	Some people do not know what a rubbish bin is!	
TC/855	Not a big problem	Always see the strret cleaners about	
TC/857	Fairly big problem	More cleaners rather than chasing people who drop litter.	
TC/861	Fairly big problem	Market place is usually covered in litter.	
TC/867	Not a big problem	Mansfield is kept fairly clean	
TC/871	Fairly big problem	Certain areas seem to be worse than other, these tend to be within the estates or outer areas of Mansfield rather than the town centre	
TC/873	Not a big problem	Because I don't think it's a big problem! ?	
TC/877	Not a big problem	I don't see much litter when I am there.	
TC/880	Fairly big problem	Mansfield looks a little unloved, the buns always seem to be full and when I have visited there seems to be quite a bit of litter particularly in the car parks etc	
TC/884	Not a big problem	Again don't know enough to answer this?	
TC/888	Fairly big problem	Litter is a problem every where	
TC/898	Not a problem at all	I never visit.	
TC/900	Not a big problem	Last time I ventured in it was pretty clean only food on floor the pigeons were happily enjoying. The rubbish was up near Tesco	
TC/906	Fairly big problem	People do not show good respect	
TC/908	Very big problem	Once litter starts to accumulate it seems to encourage people to become more irresponsible and discard even more rubbish. No one seems to have any pride in their town anymore.	

Comment ID	Response to last question	Response to this question	
TC/910	Fairly big problem	It doesn't look clean.	
TC/912	Not a big problem	Bird droppings near cadets cafe do get really bad though that should be kept on top of better	
TC/916	Fairly big problem	Town centre looks scruffy	
TC/924	Not a big problem	The town is well kept with regards to rubbish clearance.	
TC/926	Not a big problem	I dont see to much cleaners do a good job	
TC/928	Fairly big problem	sunday morn food vomit cartons paper all over	
TC/932	Very big problem	Not enough public litter bins.	
TC/936	Not a big problem	Mansfield seems quite a tidy, well looked-after town with flower tubs and various fun things like the knitted items that appeared not that long ago.	
TC/938	Fairly big problem	I see it everywhere I go but it isn't causing a blockage	
TC/940	Fairly big problem	Mansfield is run down and dirty. We have a fantastic market square, with no market traders and boarded up shops. Surely this should be the centre piece of the town?	
TC/950	Not a big problem	Some people litter. It's a shame but unfortunately that burden is placed on the Council. It's not their fault there is litter, and they do a decent job of clearing up. It's up to us residents to take care of our own environment.	
TC/954	Very big problem	Coupled with the decaying state of the town centre buildings, it is enough to frighten anybody from visiting.	
TC/958	Fairly big problem	As I don't venture into the town unless needed this is from recent memory, however town and district litter and the lack of sufficient mitigation is evident and definitely has an impact	
10/956	Fairly big problem	on visitor impressions.	
TC/960	Fairly big problem	This applies to many towns in the Ashfield/Mansfield region.	
TC/962	Very big problem	It doesn't take a survey and our comments for you to realise this!	
TC/964	Very big problem	It's an eyes as around some of the streets around Mansfieldstreets have furniture, bags of rubbish and random items just on the streetsIt's not good and makes the town look unkempt!	
TC/881	Very big problem	Because the town is always full of rubbish with litter everywhere.	
TC/885	Very big problem	Last week, I walked past carousel sweet shop and all around that shop and the others nearby there was a good 2 bin liners worth of rubbish (let me just clarify it was very windy so it had all collected there) but even so, this was on a Sunday	
TC/887	Very big problem	Its plain to see from all the gum n rubbish blowing around	
TC/891	Not a big problem	Isn't a problem within the centre however fly tipping in the outskirts is a problem.	
TC/895	Not a big problem	more litter bin required	
TC/899	Fairly big problem	Rubbish has always been an issue. More bins are needed and dedicated street cleaning teams.	
TC/901	Very big problem	The place looks scruffy. The number of bins in the area is dwindling and you can often see rubbish in the gutters.	
TC/907	Fairly big problem	personal experience - something needs to be done as a deterent	
TC/911	Fairly big problem	Rubbish seen by people that litter feeds more rubbish. The tidier it is the more people will become more conscious of creating unnecessary mess. Again more attractive large businesses, makes more attractive curb appeal, care and attention.	
TC/915	Fairly big problem	I think the town looks a little scruffy due to litter.	
TC/917	Fairly big problem	There is rubbish and litter lying around Mansfield	
TC/927	Not a big problem	I don't really see much litter in the Centre where I go but I know in certain areas of Mansfield litter is a big problem.	
TC/929	Fairly big problem	Mansfield is a scruffy place to visit, the streets are often strewn with litter from fast food outlets.	
TC/937	Not a big problem	Plenty of bins	
TC/939	Not a big problem	The Market is always being cleaned and looks good	
TC/941	Fairly big problem	Never enough bins so what happens people throw it on the floor.	
TC/945	Fairly big problem	The few times I'e been in the bins have been overflowing and the streets littered with fast food litter	
TC/947	Very big problem	It looks filthy	
TC/949	Not a big problem	Not seen any issues with litter	
TC/951	Not a problem at all	Mansfield is clean and tidy staff are always litter picking	
TC/955	Fairly big problem	It's just a scruffy town	
TC/957	Fairly big problem	Need more bins and Town Centre needs to be cleaned more regularly.	
TC/959	Not a big problem	It's not a big problem, but there is some that is caused by the homeless and inconsiderate people.	
TC/963	Very big problem	Just look	
TC/967	Fairly big problem	Seems to have improved but more still needs to be done.	
TC/969	Not a big problem	The centre is quite clean and never had issue with it. I suppose the risk of on the spot fines help

TC/3	Christmas market; Big Switch On; Late night shopping; Ice Rink	Outdoor cinema
TC/9	Late night shopping; Big Switch On; Christmas market; Ice Rink; Tour of Britain	More Markets - these are popular with visitors, not just at Xmas.
TC/11	Tour of Britain	More music events, such as the VE day.
TC/15		As much as possible
TC/17	Christmas market; Late night shopping; Garden and Craft Festival; Life's a Beach; Big Switch On; Tour of Britain; Armed Forces Day; Ice Rink	As most people now work throughout the week events would've more accessible on the weekends
TC/21	Late night shopping; Ice Rink; Life's a Beach; Big Switch On; Christmas market; Tour of Britain	No - I think money is better spent on fundamentals than events.
TC/39	Big Switch On; Christmas market; Ice Rink; Tour of Britain	Christmas market was pathetic
TC/43	Christmas market	It would need to be a safer place before I would venture into town at night - specialist markets are a nice thing to vista though
TC/45	Christmas market	School holiday events and maybe something to do with young families and their children. If you can get young families into the town centre for an event, you have a better chance of sustaining repeated visits than if they were older. Also something for the elderly. As well as great PR, older people can be very lonely. Host coffee mornings for a meet and greet and get older people interacting more with each other. After 2/3 hosted events, they could be persuaded to meet regularly, but independent from the councils' activities. MDC win as it's less expensive. The elderly win, as they have met new friends and local coffee shops win, as they have a regular weekly meet where people spend their money regularly.
TC/49	Tour of Britain; Big Switch On; Christmas market; Late night shopping; Ice Rink; Life's a Beach	Music events for all ages would be lovely.
TC/53	Christmas market; Life's a Beach; Ice Rink; Armed Forces Day	I would like to see a return of party in the park. I'm aware this isn't the town centre but was well attended family event
TC/63	Armed Forces Day; Late night shopping; Big Switch On; Life's a Beach; Christmas market; Ice Rink	No money so mdc keep saying
TC/65	Garden and Craft Festival; Life's a Beach; Ice Rink; Armed Forces Day; Christmas market; Tour of Britain	Apart from Xmas market and tour of Britain we found out about this by accident because we walked into town on those days. We don't get any information to our homes about these events.
TC/73	Christmas market; Late night shopping; Life's a Beach; Big Switch On; Ice Rink; Tour of Britain	The days we have a thriving market again.
TC/75	Ice Rink; Tour of Britain; Christmas market; Late night shopping; Life's a Beach; Big Switch On; Armed Forces Day	Can't think but I must say the Xmas market shut the week befor Xmas !!!
TC/77	Late night shopping; Life's a Beach; Big Switch On; Christmas market; Armed Forces Day; Ice Rink; Tour of Britain	More shopping events on the under used market place.
TC/85	Ice Rink; Armed Forces Day; Christmas market; Big Switch On; Tour of Britain	European markets
TC/87	Christmas market; Tour of Britain; Ice Rink; Big Switch On; Armed Forces Day	A monthly event on sundays.
TC/93	Big Switch On; Ice Rink; Life's a Beach; Late night shopping; Armed Forces Day; Garden and Craft Festival; Christmas market; Tour of Britain	Artisan market
TC/95	Late night shopping	Crack on, the more the merrier!
TC/2	Late night shopping; Big Switch On	Farmers markets
TC/4	Armed Forces Day; Late night shopping; Life's a Beach; Tour of Britain; Big Switch On; Christmas market; Ice Rink	No
TC/8	Armed Forces Day; Tour of Britain; Life's a Beach; Ice Rink; Late night shopping; Christmas market; Big Switch On	Not really but there are several that I would like to see the back of.
TC/10	Ice Rink; Late night shopping; Armed Forces Day; Big Switch On; Life's a Beach; Christmas market; Garden and Craft Festival; Tour of Britain	Continental markets, weekly flea market, antiques fair.
TC/12	Ice Rink; Life's a Beach; Late night shopping; Christmas market; Big Switch On; Tour of Britain	Party in the market

TC/24	Ice Rink; Christmas market; Big Switch On; Tour of Britain	Why doesn't Mansfield have a decent live music venue? And I don't mean in the back of a pub!
TC/26	Garden and Craft Festival; Ice Rink; Tour of Britain; Christmas market; Big Switch On; Life's a Beach; Late night shopping	Fun and games day, treasure hunt Adults as well.
TC/28	None	I am not sure I rarely bother to come into Mansfield it depresses me.
TC/30	Armed Forces Day; Garden and Craft Festival; Life's a Beach; Tour of Britain; Late night shopping; Big Switch On; Christmas market; Ice Rink	It is pointless at present putting on events as people don't want to come into town so it's just wasting money. The antisocial behaviour needs to be dealt with first.
TC/32	Life's a Beach; Christmas market; Late night shopping; Big Switch On; Ice Rink	How about classic car events/premium/modified? Or you could do a proper beach which has bars and pop up shops such as nottingham.
TC/34	Tour of Britain; Big Switch On; Armed Forces Day; Ice Rink	Yes traditional English celebrations like Pancake Day, St George's Day, May Day, Halloween.
TC/36	Big Switch On; Christmas market; Late night shopping; Life's a Beach; Garden and Craft Festival; Armed Forces Day; Ice Rink; Tour of Britain	Events might bring people in for a few hours, but a thriving market and good shops would make a better reason for people to visit.
TC/38	Christmas market; Life's a Beach; Big Switch On; Ice Rink; Tour of Britain	Yes more events for younger children
TC/50	Big Switch On; Late night shopping; Life's a Beach; Christmas market; Garden and Craft Festival; Armed Forces Day; Ice Rink; Tour of Britain	Bring back the July Fair which was a tradition in Mansfield but sadly has now lost
TC/54	Big Switch On; Tour of Britain; Ice Rink	There are events that I miss because I haven't seen any advertising e.g craft fairs/markets
TC/56	Big Switch On; Armed Forces Day; Late night shopping; Ice Rink; Life's a Beach; Christmas market	I would think it a good idea that the Christmas market runs until nearer Christmas many people were disappointed as it ended too soon
TC/62	Big Switch On; Ice Rink; Late night shopping; Armed Forces Day; Life's a Beach; Garden and Craft Festival; Christmas market; Tour of Britain	To have more events on, the council need to tackle the big problems in town center, so people feel safe to come to town with there families.
TC/68	Late night shopping; Tour of Britain; Armed Forces Day; Life's a Beach; Big Switch On; Christmas market; Garden and Craft Festival; Ice Rink	Free music events like there used to be. A car boot sale on the market on sundays would be good
TC/70	Big Switch On; Ice Rink; Christmas market; Tour of Britain	More of the same. There should be weekly events
TC/76	Late night shopping; Ice Rink; Life's a Beach; Big Switch On; Garden and Craft Festival; Christmas market; Armed Forces Day; Tour of Britain	The ice rink was an eyesore, the high metal fencing and generatirs totally ruined the christmas decoratins in the market place
TC/80	Tour of Britain; Ice Rink	A good market like it used to be.
TC/84	Christmas market; Ice Rink; Armed Forces Day; Late night shopping; Big Switch On	Open air cinema nights
TC/90	Armed Forces Day; Ice Rink; Tour of Britain; Big Switch On; Christmas market	Ice rink was a waste of money, the Christmas Market finished the week before Christmas
TC/92	Late night shopping; Big Switch On; Life's a Beach; Garden and Craft Festival; Christmas market; Armed Forces Day; Ice Rink; Tour of Britain	The big clean up!!
TC/94	Rig Switch On: Ice Rink: Late night shonning: Life's a Reach: Christmas market:	Health and fitness, fun days for children
TC/96	Ice Rink: Life's a Beach: Armed Forces Day: Late night shonning: Big Switch On:	I'd like to see a return of the Party in the Park. MDC should do a lot more to support the work the Radford's are doing with MTFC. This is the last thing the town has that gives us an identity that sets us apart from any other post industrial northern town. In the last 30 years we've lost everything that made Mansfield a great place to live.
TC/98	Ice Rink; Late night shopping; Tour of Britain; Garden and Craft Festival; Big Switch On	Longer and larger Christmas market Farmers market Live sport events on a big screen
TC/102	Late night shopping; Life's a Beach; Ice Rink; Big Switch On; Christmas market; Tour of Britain	Inspire us!
TC/108	Big Switch On; Life's a Beach; Christmas market; Ice Rink	Kids events

Comment ID	Response to last question	Response to this question
TC/114	Big Switch On; Life's a Beach; Christmas market; Armed Forces Day; Ice Rink; Tour of Britain	Less wasting of oyr budget on pop ideas and more investment in making facilities permanant.
TC/118	Late night shopping; Life's a Beach; Big Switch On; Garden and Craft Festival; Christmas market; Armed Forces Day; Ice Rink	We should add Pride to Mansfield becuase some cannot make it to Nottingham, so why can't we have our own
TC/126	Big Switch On; Life's a Beach; Late night shopping; Christmas market; Garden and Craft Festival; Armed Forces Day; Ice Rink; Tour of Britain	If there was better organisation to all of them then yes some extra kids activities could be a bonus. But as a parents we dont want to bring kids to see all this drug useing smoking and swearing.
TC/128	Christmas market; Tour of Britain; Big Switch On; Late night shopping; Ice Rink; Life's a Beach; Armed Forces Day	Not that I can think of.
TC/130	Late night shopping; Ice Rink; Big Switch On; Christmas market	Better Christmas market
TC/132	Big Switch On	The events are fine but they just need fine tuning or better planned.
TC/136		No
TC/142	Late night shopping; Big Switch On; Ice Rink; Life's a Beach; Armed Forces Day; Christmas market; Tour of Britain	Better emphasis on the market, more child friendly activities
TC/154	Big Switch On; Life's a Beach; Armed Forces Day; Ice Rink; Tour of Britain	Party in market place was a fabulous free day out for families and would like to see that happen again.
TC/166	Life's a Beach	More diverse events to suit all cultures.
TC/168	Late night shopping; Life's a Beach; Big Switch On; Garden and Craft Festival; Armed Forces Day; Tour of Britain	the internatinal markets seem to go down well
TC/170	Christmas market; Big Switch On; Late night shopping; Garden and Craft Festival; Life's a Beach; Armed Forces Day; Ice Rink; Tour of Britain	Small cinema/theatre/arts complex.
TC/172	Armed Forces Day; Ice Rink; Life's a Beach; Christmas market; Big Switch On; Tour of Britain	Yes but don't know what.
TC/174	Late night shopping; Ice Rink; Armed Forces Day; Christmas market; Big Switch On; Life's a Beach; Tour of Britain	Open air concerts and a movie nights / days
TC/192	Late night shopping; Ice Rink; Christmas market; Garden and Craft Festival; Big Switch On; Tour of Britain	Food and craft fayres. Beer festival. Live music - groups and brass bands, you have a local one at Pleasleg. Outdoor cinema.
TC/101	Late night shopping; Life's a Beach; Big Switch On; Christmas market; Ice Rink	I would like to see the Christmas food market extended and other similar things throughout the year.
TC/103	Late night shopping; Life's a Beach; Ice Rink; Big Switch On; Christmas market; Tour of Britain	Inspire us!
TC/109	Tour of Britain; Big Switch On	Brass Bands
TC/111	Ice Rink; Tour of Britain; Big Switch On; Christmas market	More things for the family.
TC/113	Late night shopping; Big Switch On; Ice Rink; Tour of Britain	It would be great if there could be events most weekends, even small scale stuff to get people in.
TC/115	Ice Rink; Garden and Craft Festival; Life's a Beach; Armed Forces Day; Christmas market; Big Switch On; Late night shopping; Tour of Britain	Gay pride
TC/119	Christmas market; Ice Rink; Late night shopping; Big Switch On; Life's a Beach; Armed Forces Day; Tour of Britain	NO ICE RINK THIS YEAR, WE CANNOT AFFORD TO WASTE ANOTHER £89000
TC/125	Big Switch On; Ice Rink; Tour of Britain	Ones that don't lose £90k in 3 weeks
TC/129	Late night shopping; Ice Rink; Life's a Beach; Big Switch On; Christmas market; Tour of Britain	I would rather the money used in funding seasonal things on the market place instead be spent investing in playgrounds and parks in the area which are mostly in poor condition and in need of upgrades. If the ice rink is to return it would be good to see a price reduction. The majority of people looking to use during the day with small children were priced out.
TC/141	Christmas market; Tour of Britain; Ice Rink; Big Switch On	I loved the Christmas market and should be done every weekend or once a month! More dog friendly places more shops that arnt cheap and places like capo lounge that have entertainment and do social events. How about a place that will look after toddlers whilst you go shopping or doggy cafe that people can socialise their dogs and an area they can play?!
TC/149	Armed Forces Day; Tour of Britain; Late night shopping; Garden and Craft Festival; Life's a Beach; Big Switch On; Christmas market; Ice Rink	Concert with free parking
TC/155	Ice Rink; Armed Forces Day; Christmas market; Tour of Britain; Late night shopping; Big Switch On; Life's a Beach	European market with beer garden.
TC/159	Tour of Britain; Late night shopping; Big Switch On; Armed Forces Day; Ice Rink	Not an event but a jammed packed market like we used to have Mansfield is dying a death

TC/163	Big Switch On; Late night shopping; Life's a Beach; Armed Forces Day; Garden and	No I was aware of these events but I would not go to them as I did not feel safe. I walked past the tour of Britain trying to get to work and
107103	Craft Festival; Christmas market; Ice Rink; Tour of Britain	saw two drug users and was hassled for money by two other lads in town centre.
TC/165	Ice Rink; Armed Forces Day; Christmas market; Late night shopping; Life's a Beach;	Not until the drug issue is addressed, I wouldn't attend an event in Mansfield as I have children and I don't think it appropriate for them to
10,103		see people passed out from drug use
TC/167	Late night shopping; Life's a Beach; Big Switch On; Garden and Craft Festival; Armed Forces Day; Tour of Britain	the internatinal markets seem to go down well
TC/179	Life's a Beach; Tour of Britain; Ice Rink; Late night shopping; Big Switch On; Christmas market	More music and summer activies. Christmas ice bar
TC/189	Christmas market; Tour of Britain; Late night shopping; Armed Forces Day; Life's a Beach; Big Switch On; Garden and Craft Festival; Ice Rink	School holiday events are always a big hit
TC/196	Armed Forces Day; Late night shopping; Big Switch On; Christmas market; Ice Rink	Mansfield is trying to punch well above its weight in hiring an ice rink at Christmas time. It is usually the preserve of larger cities where the footfall is far greater. The huge losses will back up that this was a very poor investment for the local population, and should not be undertaken for Christmas 2019.
TC/200		Less events and more focus on building a regular hub that will attract regular shoppers and users is needed. Building up the market as a core attraction worked very well in the past.
TC/204	Christmas market; Big Switch On; Ice Rink	Full market days with all types of different things to sell not just the usual
TC/212	Christmas market; Life's a Beach; Big Switch On; Tour of Britain	One off events do not make up for the state of the town centre.
TC/222	Late night shopping; Big Switch On; Life's a Beach; Christmas market; Armed Forces Day; Ice Rink; Tour of Britain	International markets
TC/228	Tour of Britain; Big Switch On; Late night shopping; Life's a Beach; Ice Rink; Christmas market; Armed Forces Day	Open air cinema, better use of the market place for events, late night shopping as a regular feature and not just at Christmas
TC/230	Big Switch On; Late night shopping; Life's a Beach; Armed Forces Day; Christmas market; Garden and Craft Festival; Tour of Britain; Ice Rink	Regular entertainment at weekends. Music Festivals - Folk Festival. Jazz Festival. Tribute acts. Piano Music (local talent) Food Festival with cookery demonstrations.
TC/234	Tour of Britain; Late night shopping; Armed Forces Day; Ice Rink; Big Switch On; Christmas market	Summer festival with music, rugby - football - big screen with ticketed events and pop up bars
TC/248	Late night shopping; Christmas market; Ice Rink; Life's a Beach; Big Switch On; Tour of Britain	More attractive markets. Street Entertainment

TC/274	Christmas market; Ice Rink	Maybe farmers markets, bring back bigger market, free music events to engage with the youth
TC/278	Big Switch On; Ice Rink; Armed Forces Day; Christmas market; Tour of Britain	Gaming Events, but no venue.
TC/284	Late night shopping; Life's a Beach; Big Switch On; Ice Rink	Music events would be good, folk music, local artists, talent shows. Family friendly festival
TC/290	Armed Forces Day; Christmas market; Life's a Beach; Big Switch On; Ice Rink; Tour of Britain	Different markets
TC/197	Late night shopping; Christmas market; Life's a Beach; Garden and Craft Festival; Big Switch On; Armed Forces Day; Ice Rink; Tour of Britain	Anything that doesn't leave us with huge financial losses!!
TC/199	Late night shopping; Big Switch On; Christmas market; Ice Rink; Tour of Britain	No - and the ice "rink" was an eyesore, a disappointment and a waste of money.
TC/207	Big Switch On; Armed Forces Day; Late night shopping; Life's a Beach; Garden and Craft Festival; Christmas market; Ice Rink; Tour of Britain	More live bands
TC/237	Late night shopping; Big Switch On; Christmas market; Ice Rink	More sports, more entertainment, start trying to attract young talent back into the town.
TC/241	Armed Forces Day: Late night shonning: Life's a Beach: Ice Rink: Rig Switch On:	You didn't list Remembrance Parade above which is a massive part of the town's calendar.
TC/245	Big Switch On; Christmas market; Armed Forces Day; Tour of Britain	What happened to the Mansfield Mela (used to be in the summer).
TC/247	Big Switch On	More the merrier Mansfield is not open for business more Events please

TC/251	Armed Forces Day; Late night shopping; Life's a Beach; Big Switch On; Garden and Craft Festival; Christmas market; Ice Rink; Tour of Britain	- Music Festivals without tribute acts, bring real famous people in - Food festivals with food other than sausages - Fashion festivals - why doesn't Mansfield partner with shops and do events during London, Paris and Milan fashion week Festivals in our
TC/255	Late night shopping; Ice Rink; Life's a Beach; Big Switch On; Christmas market; Armed Forces Day	Food festival and I don't mean chip cob. Cultural foods (not just curry) varieties of uncommon cheese, artisan makes
TC/263	Tour of Britain; Christmas market; Big Switch On; Ice Rink; Late night shopping; Armed Forces Day; Life's a Beach	More farmers markets
TC/267	Christmas market; Late night shopping; Life's a Beach; Big Switch On; Armed Forces Day; Ice Rink; Tour of Britain	Real ale & craft beer & cider festival. Light night
TC/269	Christmas market; Life's a Beach; Late night shopping; Big Switch On; Tour of Britain; Armed Forces Day; Ice Rink	Music concerts
TC/271	Tour of Britain; Ice Rink	In my opinion money needs to be spent tidying Mansfield up before any more money is spent on events
TC/277	Late night shopping; Life's a Beach; Big Switch On; Tour of Britain; Garden and Craft Festival; Christmas market; Armed Forces Day; Ice Rink	More entertainment in the holidays, would love to see party in the park back
TC/279	Armed Forces Day; Late night shopping; Life's a Beach; Big Switch On; Christmas market; Ice Rink; Tour of Britain	It's not events the town needs its day to day decent shopping for ordinary people, which brings me straight back to the market scenario reduce rents on stalls and shops! Tackle the lack of footfall first. Events would be much more enjoyable if it could be combined with a full day in the town centre
TC/281	Christmas market; Big Switch On; Ice Rink; Tour of Britain	More for the younge children
TC/283	Big Switch On; Tour of Britain	Just better advertising.
TC/292	Big Switch On; Ice Rink; Tour of Britain	I really liked the Christmas market but it was just not on long enoughinfact I'm sure it was done before Christmas had even got here, the ice rink was an amazing idea but to expensive cheaper to go to Sutton.
TC/306	Tour of Britain; Big Switch On; Ice Rink; Christmas market	Live entertainment
TC/318	Christmas market; Late night shopping	I think you could improve the Christmas Market and make it stay on longer
TC/322	Late night shopping; Christmas market; Big Switch On; Ice Rink; Tour of Britain	Better markets and shops filled
TC/324	Tour of Britain; Big Switch On; Life's a Beach; Ice Rink; Christmas market	Easter egg hunt in shop windows
TC/326	Armed Forces Day; Late night shopping; Big Switch On; Christmas market; Ice Rink	Just a decent market
TC/334	Christmas market; Late night shopping; Ice Rink; Big Switch On	Probably more events for the kids to attend to and not just aimed towards adults.
TC/336	Big Switch On	Less empty shops
TC/338	Garden and Craft Festival; Late night shopping; Christmas market	St George's day maybe?
TC/344	Armed Forces Day; Ice Rink; Big Switch On; Late night shopping; Christmas market; Life's a Beach; Tour of Britain	Mansfield district council are very good at organising plenty of free events throughout the year.
TC/346	Ice Rink; Life's a Beach; Armed Forces Day; Christmas market; Late night shopping; Garden and Craft Festival; Big Switch On; Tour of Britain	Live music
TC/356	Late night shopping; Life's a Beach; Big Switch On; Tour of Britain; Garden and Craft Festival; Christmas market; Armed Forces Day; Ice Rink	Not the ice rink just silly money for that
TC/364	Late night shopping; Tour of Britain	More Xmas events/markets. Get people into town.
TC/289	Late night shopping; Garden and Craft Festival; Life's a Beach; Big Switch On; Christmas market; Armed Forces Day; Ice Rink; Tour of Britain	More steet entertaining more themed markets ie country markets, farmers markets, garden markets, Europe markets and craft markets
TC/291	Big Switch On; Christmas market; Ice Rink; Tour of Britain	Not so much events but I can't believe the Christmas market was closed the week before Christmas, the run up to Christmas and especially the week before is when people are excited and more likely to spend and buy things they may not usually see in a shop. I went into town specifically for the markets in that week as I had days off work and couldn't not believe they were gone. Absolute madness!! But the ice rink was still open?
TC/293	Big Switch On; Late night shopping; Garden and Craft Festival; Christmas market; Armed Forces Day; Ice Rink; Tour of Britain	no
TC/295	Christmas market	Beer festival and a comedy festival would be great!
TC/301	Late night shopping; Big Switch On; Ice Rink; Armed Forces Day; Life's a Beach; Christmas market; Tour of Britain	Something a bit different then the usual same events every year. Maybe check what other events a town does and copy those.

Comment ID	Response to last question	Response to this question	
TC/305	Late night shopping; Life's a Beach; Ice Rink; Big Switch On; Tour of Britain	Massive long shot but like you did party in the market a couple of years back in the summer do a night time one with a DJ outside, would attract loads of people from other areas such as Nottingham and Chesterfield. Get them to come to us rather than us going to them	
TC/311	Tour of Britain; Late night shopping	Not if the cost of the ice rink is anything to go by	
TC/321	Christmas market; Late night shopping; Tour of Britain; Life's a Beach; Ice Rink; Big Switch On; Armed Forces Day	I was aware of most of the events in Mansfield. Some I couldn't attend through work commitments and some as I've previously said I didn't feel safe enough to attend.	
TC/325		perhaps events targeted at the older generation as they are the ones who still use the town centre. Maybe even some kind of tech event for the younger generation	
TC/329	Life's a Beach; Ice Rink; Garden and Craft Festival; Late night shopping; Big Switch On; Tour of Britain; Christmas market; Armed Forces Day	Something to help with the local businesses!	
TC/331	Armed Forces Day; Ice Rink; Late night shopping; Big Switch On; Christmas market	The Christmas Market should have continued upto Christmas. There should be entertainment for bank holidays to attract people to the shops.	
TC/333	Christmas market; Late night shopping; Big Switch On; Life's a Beach; Tour of Britain; Armed Forces Day; Ice Rink	The Christmas market wasn't on long enough a week before Christmas it shut , stupid	
TC/339	Christmas market; Garden and Craft Festival; Big Switch On; Tour of Britain; Late night shopping; Ice Rink; Life's a Beach; Armed Forces Day	just better events somehing to do with kids	
TC/343	Christmas market; Tour of Britain	The Christmas market was not has good has it was in the past	
TC/349	Christmas market; Garden and Craft Festival	World wide food market.	
TC/353	Big Switch On; Late night shopping; Ice Rink; Christmas market	A regular market with more than three or four stalls	
TC/355	Big Switch On; Late night shopping; Ice Rink; Christmas market	A regular market with more than three or four stalls	
TC/373	Ice Rink; Late night shopping; Big Switch On	PARTY IN THE PARK	
TC/381	Late night shopping; Christmas market; Life's a Beach; Tour of Britain; Big Switch On; Armed Forces Day; Ice Rink	I would prefer a better market than events on the market place but I can see younger people would like to see more events	
TC/385	Christmas market; Late night shopping; Armed Forces Day; Garden and Craft Festival; Ice Rink; Tour of Britain	More Sunday markets	
TC/390	Late night shopping; Life's a Beach; Big Switch On; Christmas market; Ice Rink; Tour of Britain	Late night shopping is a disaster. Just pick one Thursday to do it on and arrange events for the whole town, including market place etc.	
TC/396	Life's a Beach; Garden and Craft Festival; Christmas market; Late night shopping; Big Switch On; Tour of Britain; Armed Forces Day; Ice Rink	bring the tour of britain into the town centre, regular flee markets, regular farmers markets, turn the fountain and architectural lighting back on

TC/400	Late night shopping; Life's a Beach; Christmas market; Ice Rink; Tour of Britain	Mansfield market	
TC/402	Christmas market; Garden and Craft Festival; Life's a Beach; Big Switch On; Tour of Britain; Armed Forces Day; Ice Rink	Don't do the rink like you did last year! What a shambles and a waste of tax payers money! Christmas events need to be in the main market place, not strung out down west gate. Perhaps a proper farmers market, rather than the tat that is on offer any other day. There i plenty of money in Mansfield that is being spent elsewhere. Proper street food rather than burgers, sausages and chips	
TC/404	Christmas market	Id like to see events that celebrate Mansfield's hundreds of years of history, especially with Sherwood Forest	
TC/406	Tour of Britain; Late night shopping; Life's a Beach; Big Switch On; Ice Rink;	In the summer you could hold themed events on the market square like 40 weekend, open air disco with fancy dress eg Abba theme. You

TC/410	Christmas market; Life's a Beach; Big Switch On; Tour of Britain	More Christian events	
TC/426	Big Switch On; Christmas market; Late night shopping; Tour of Britain	It would be nice if the events listed were a little more impressive. I would hardly have noticed the "Christmas Market" if I hadn't been looking for it.	
TC/428	Tour of Britain; Late night shopping; Life's a Beach; Ice Rink; Big Switch On; Christmas market	Craft fairs, beer festivals, gin festivals, festivals in general - keep the people happy

TC/436	Armed Forces Day; Late night shopping; Big Switch On; Christmas market; Ice Rink	I'm not sure if this is the correct place to comment but I think the ice rink was a badly thought out idea and would not wish to see this as an annual event. To lose such a huge sum of money when you are closing leisure facilities down in the area is tantamount to daylight robbery.	
TC/438	Late night shopping; Ice Rink; Tour of Britain	St George's day parade, summer festival, outdoor cinema. Could go on all day	
TC/444	Tour of Britain; Christmas market; Ice Rink	No, I just want to see it clean and friendly, a return of the market to church street would be lovely.	
TC/448	Late night shopping; Tour of Britain	Artisan food festivals. Beer festivals anything to encourage people into town of differing age groups	
TC/458	Late night shopping; Life's a Beach; Big Switch On; Christmas market; Ice Rink; Tour of Britain	The Xmas market extending up until Xmas it was ridiculous how early it finished	
TC/466	Life's a Beach; Christmas market; Tour of Britain	Not really	
TC/470	Christmas market; Life's a Beach	I would prefer less gimmicks and more investment in reviving the market	
TC/484	Tour of Britain; Big Switch On; Ice Rink	I would like to see the caves under the town being opened to the public, also guided tours in the town centre pointing out historic buildings etc.	
TC/486	Tour of Britain; Late night shopping; Christmas market; Life's a Beach; Big Switch On; Ice Rink	I won't attend any events in the town centre until I feel safe going into Mansfield.	
TC/488	Life's a Beach; Christmas market; Ice Rink; Tour of Britain	Something Robin hood related perhaps to carry on from the one at sherwood forest. We always seem to hear about the events when they are almost over use social media more to advertise these things in the run up.	
TC/490	None	Not enough information going out around the Mansfield area for the above events	
TC/492	Big Switch On; Ice Rink; Christmas market	More events indoor	
TC/498	Tour of Britain; Christmas market; Armed Forces Day	Decent Christmas Market that lasts until Christmas.

Get rid of the Major who doesn't want outsiders coming in the spend their money it is poop pooing 2hrs free parking.	
TC/431	Tour of Britain; Late night shopping	A flourishing market	
TC/433	Ice Rink; Big Switch On; Armed Forces Day; Late night shopping; Life's a Beach; Christmas market; Garden and Craft Festival; Tour of Britain	The only problem with these events is that most of Mansfield attend them which then means that it's so busy you can't actually access any of the activities provided. Maybe there needs to be more than one to spread the crowds out a bit. The armed forces day is fantastic but there needs to be more stalls and more to do.

TC/594	Armed Forces Day; Tour of Britain; Late night shopping; Christmas market; Life's a Beach; Big Switch On; Ice Rink	More markets! Make the rents cheaper, the price of the Christmas markets stalls were ridiculous. On these days/events there should be free parking! Or an incentive scheme. Or just make it cheaper like other town centres.

I did visit the Christmas market and thought this was a very poor event. Not many stalls and the ones that were there were neither Christmassy or nice (plenty of burger stalls, but how representative of Christmas is that?) I did walk down Chesterfield Road when it was the Tour of Britain and did wonder how much money had been thrown at that event?

TC/749	Big Switch On	I would like more awareness of the events listed, the only way I found out about any of them happening was by seeing them myself once in the center, theres nothing pulling in shoppers, nothing to make people come into the center and then want to stick around to spend their money and support local business

TC/795	None	Anything. If the list above is true, some marketing to make people aware that events are happening would be good.	
TC/799		Sadly i did not get to attend these events as I was working overseas. Mansfield needs an event that is unique to us or rare in other towns to draw people in. Perhaps the Robin hood festival could be exstended to the town. Or a St georges day event?	
TC/801	Christmas market; Tour of Britain; Big Switch On; Ice Rink	Political update days mdc stall, party stalls, mp, student mp, mayor scheduled speeches sure but also able to go meet, talk, question these people, pick up some info, could be annual and jave a theme.each year but is aimed to make local people aware of local roles, local responsibilities, their own rights, local issues, etc local schools could do a public debate (show some of the older people around here how discussions should be held) etc

TC/837	Big Switch On; Tour of Britain; Christmas market	Stocks on market square for public flogging of undesireables It'd be a hit!	
TC/853	Life's a Beach; Ice Rink; Big Switch On; Christmas market	If your going to put on a Christmas market at least have one worth coming in to town for it's not big enough. And the normal market stall are not adequate, Mansfield use to have a brilliant market before you drove them out whilst you were changing the market place, then the stalls never came back. Perhaps charge less for the stalls and we may get a good market back.	
TC/857	Armed Forces Day; Ice Rink; Late night shopping; Life's a Beach; Big Switch On; Christmas market	More themed days	
TC/867	Late night shopping; Big Switch On; Christmas market	Bring back party in the park	
TC/871	Life's a Beach; Christmas market; Late night shopping; Tour of Britain; Ice Rink	More markets, more children's events and family events. Outdoor cinemas, outdoor concerts, parties etc, craft activities, events that teach people new skills

TC/877	Tour of Britain; Christmas market; Big Switch On; Life's a Beach; Ice Rink	Weather permitting an occasional concert would be good. I always went to The Party In The Park at Titchfield Park years ago.	
TC/879	Ice Rink; Christmas market; Life's a Beach; Late night shopping; Big Switch On; Tour of Britain	I would be unlikely to go to the events, as I do not really like the town centre or the people that hang around it.

TC/115	On Foot	I live within walking distance
TC/119	Private Car	I drive to work

TC/125	On Foot	High car park fees and very limited free on street parking
		As explained above. It is the cheapest way to visit Mansfield aside from walking which with two young children on a busy main road is rarely my first choice. Both are too expensive. Free

TC/129	Private Car	to travel less than a mile to my home just past Sainsbury's is outrageous. It is literally cheaper to drive and park which is environmentally damaging. I live on Nottingham road where the

TC/237	Private Car	No direct bus route from Holbeck to Mansfield, would have to change at edwinstowe.

TC/247	Taxi	Very cheap and a great service
TC/249	On Foot	Work close to town so if I need to go into town i'll just walk during my lunch
TC/251	Private Car	Transport is rubbish in Mansfield. In my estate there is a 10am bus and a 2pm bus that goes to the town centre. What if I cant travel at those times - means I would be stuck. Luckily if I walk 25 mins I can get onto a main road but imagine this is more difficult for people with mobility issues
TC/338	Private Car	I find it quite easy to park and the prices are't too bad.
TC/342	Private Car	Lack of public transport at night
TC/344	Private Car	Convenience!! As we have more carparks than you can shake a stick at!

	D C	free space for further development.
TC/396	Private Car	Travel for work
TC/398	Private Car	Bus service is more expensive than 2 hrs parking.
TC/400	Private Car	Easier in my car
TC/402	Private Car	Live just over a mile from town. Bus too expensive and walking home not an option if carrying heavy books etc. Luckily have access to work car park, so parking free.

	Response to last question	Response to this question
TC/406	Private Car	Bus to expensive, too far to walk there and back hence car.
TC/410	Bicycle	Buses not reliable
TC/418	Private Car	Buses are non existant to where I live which is the new estate in clipstone. 	Bus	I could walk to Mansfield from my house but usually I catch the bus as it's quicker.
· ·	Bus	I don't drive
	On Foot	I only live withing a ten minute walk, so I do that to save on parking fees and to keep me a bit more healthy
	Bus	Local buses are unreliable at best but it's all I've got. Too far to walk so I'll wait 20-30 minutes for a bus instead.
TC/329	Private Car	This is because I have moved away from the area bit I pop into town to do some shopping and then see my family.

TC/432	Bicycle	I am currently a student and the public transport price is far too high for anyone my age to pay.
TC/436	Private Car	It is convenient.
TC/438	Private Car	Come by car as the train is lousy and old and decrepit, bus is a horrible experience and some of the worse elements of people in Mansfield will be using the bus.taxis in Mansfield are usually booked up for a night out so of no use. Bikes should be banned from roads and the centre there just in the way.
TC/440	Private Car	I drive to Tesco car park on Chesterfield road and walk to take advantage of free parking. I would not visit if I had to pay to park
	On Foot	I try to walk into town whenever possible as it's easier than trying to drive up Nottingham road past the Saintsbury's junction bottleneck.
	On Foot	Pleased state why I go on foot? Is that a serious question? The parking is inadequate and over priced.
TC/448	Taxi	Only really go in occasionally at night
TC/450	Private Car	I'm disabled and public transport is a joke but the parking is crap unless you own an over 65s green badge. Nottingham do it much better, better variety of shops too.
	Private Car	Public transport not suitable.
	Private Car	Buses & taxis are very expensive in manafieldnothing

TC/80	Not much.
	Nothing at the moment as there's nothing there. I know there is a lot of homeless around and where as some of them it's not there fault but it's not mine either. When they ask for change and you apologise you have

TC/86	It's close to where I live and easy to get to

TC/88	Convenient if I can't spare the time to go to Nottingham.
TC/91	It's nearby
TC/92	I love the history of the buildings, I am not originally from the area but have been here 15 yrs now and the true Mansfield people are lovely and friendly.
TC/93	Beautiful old buildings
TC/94	Its historic buildings and feel. A relative from the USA visiting here loved the architecture and historic feel here.

	Not a huge fan, but feel like it is improving. Seeing spots like capo lounge pop up and the top end of bars and clubs are hopefully improving? More greenery, I think would make it a more pleasant place to be. More
TC/95	seating? On summer there aren't enough benches for people to sit. Some kind of installed amphitheatre seating could be cool? No idea where it's go though By communal seating or a good court type area could draw
	more people to the town centre (similar project just given go-ahead somewhere in Notts, 8 food companies moving into a renovated church or something?) It's got a lot of potential, is probably my favourite thing.
TC/96	It has some nice buildings that just need some TLC.
TC/97	Nothing Some mee samangs that just need some 125.
TC/98	It still feels like a market town, like a central hub for commercial, retail and lesuire for the communities it serves. It is steeped in history and has the potential to be great again.
TC/99	There are some beautiful buildings, if you just look after them they are in bad need of cleaning
TC/100	It is a good shopping centre
TC/101	The shops cater to a variety of budgets.
TC/101	It is light and airy and USED to have a decent market.
TC/102	It is light and airy and USED to have a decent market.
TC/104	Its clean, safe and pleasant for the most part.
TC/105	Convenient
TC/103	Old buildings and railway viaduct
10/100	Some decent buildings, the area around the Town Hall could be made to be more vibrant and have a continental feel with cafes and bars. Currently the town centre is not somewhere I want to spend any length of time.

TC/179	Nice walk in. Nice in summer flowees are good
TC/181	I did like the flee market but even thats going down hill
TC/183	Convenient
TC/185	I don't it's dead and needs starting again
TC/186	The buildings. We have some beautiful buildings in town, it's just a shame to see them most empty.
TC/188	Few of shops are ok
TC/189	Four seasons, feels safe as there is hardly any antisocial behaviour in there.
TC/190	Being part of the community
TC/191	4 seasons shopping centre, museum, theatre
TC/193	Now nothing 5-10 years ago everything
TC/196	It is my local town and has been all my life. For that reason I do try to patronise it, to try and keep it going.
TC/197	I used to love the town, it's people, the architecture, the spirit, and the safe feeling it had. Now there's really not a lot to like.
TC/198	The road out of it
TC/199	Still having a Marks and Spencer.

TC/202	Not much of late
TC/204	Nothing the town is dying
TC/207	The variety of shops, bars and cafes
TC/208	Not a lot nowadays.
TC/210	It's close by
TC/211	Not much
TC/212	Very little
TC/213	Some of the architecture of the buildings are interesting
TC/214	The local feel. We need more specialist family owned shops but a few national brands too.
TC/215	mansfields a great place it just needs to get back to how it was
TC/216	Nothing
TC/217	Its near
TC/219	The public houses that serve food and are child friendly in the daytime.
TC/220	It's close and easy for me to get to. But chesterfield just had a better feeling about it. I tend to shop on the outskirts of Mansfield now and don't go into the middle very often.
TC/222	Easy transport access
TC/225	Nothing
TC/226	Nothing because it is a fucking shithole these days
	Compared to quite a lot of town centres there's not many empty shops especially considering that we're not a wealthy area. We often visit other town/city centres and empty shops are a big problem - Nottingham and
TC/227	Doncaster are suffering this and recently we visited High Wycombe and Tunbridge Wells in Kent and were shocked at the number of empty shops, could hardly say Mansfield is thriving but it's doing a lot better than a
	lot of places
TC/228	The layout is good, the market place itself is good even if the market itself isn't
TC/229	Larger stores, Beales, M&S, Debenhams, Boots, HMV etc
TC/230	Reasonable Parking Charges Good shopping centre (Four Seasons) Marks and Spencer Specialist Markets
TC/231	nothing
TC/233	The market
TC/234	It's my home town and I want to be proud of it, it just needs some work. It's local.
TC/235	Not a lot, when you look up there are some lovely old buildings which have been ruined by tacky shop signs.
TC/236	Library
TC/237	The history and the viaduct, memories of growing up and how vibrant the town centre used to be, before the market was killed off through mismanagement and the town became concentrated disconnected small pockets of blandness, with no substantial hub to integrate them all (which the four seasons should be if it was better looking and each modernisation wasn't looking dated before even the design stage).

TC/258	The buildings, the history, the central focus of the market square, the market itself (although the stalls can be a bit thin on the ground, with a limited range of goods). The Christmas market is lovely and creates an atmosphere that feels special; the lights help as well!
TC/260	I like the shops and museums
TC/261	Everything is close by
TC/262	Local and historic
TC/263	Nothing
TC/266	Not a lot at the moment
TC/267	Compact
TC/271	Nothing
TC/272	Not much if anything
TC/274	It survived
TC/276	Its size and most shops are concentrated
TC/277	It's local for me to travel to
TC/278	I used to like the market ages ago when I was a child. I like the four seasons shopping centre the most, so more shopping centres could help the town.
TC/279	Ask me again in 12 months after you have given us a great market back!
TC/280	None
TC/281	Drug users and beggars half of which arnt even homeless
TC/282	Larger stores Boots Debenhams
TC/283	Car parking is pretty cheap
TC/284	Capo lounge
TC/286	Nothing
TC/288	Nothing.
TC/289	It's lack of colour it being a place to visit
TC/290	It's beautiful buildings that no one seems to notice.
TC/291	Mansfield is a relatively cheap place to live and eat out and I have lived here all my life
TC/292	That it is close by to where I live.
TC/293	The shopping is good and the places you can eat is great.
TC/294	Its my local town - Its where I have always gone.
TC/294 TC/295	The architecture of the buildings
TC/293	I live near by.
TC/297	Some of the old buildings
TC/300	I like the link between the bus and train stations, it's just a pity there are to many empty shops in town.
TC/301	Can find all your essentials.
TC/302	I like that Mansfield has independent traders who care about there customers
TC/303	Lucy's coffee shop

TO / 10 S	I don't like anything about the town centre, it has been ruined. I think that Westgate looks awful since the little market has been moved. We have lost many stall holders since this decision was taken as their sales			
TC/426	plummeted when they were moved. The empty shops look awful, there are hardly any public toilets, the Four Seasons Centre could do with a facelift and the block paving is so uneven that I am amazed there hasn't

TC/427	The fact that it is not controlled by petty party politics and dogma			
TC/428	Nothing - its a run down dump

TC/558	Marks and Spencer's and Debenhams but they are not big enough,			
TO/550	The beautiful old buildings above the ugly shop fronts. There are few quality shops in Mansfield nowadays - all chain stores just like every other town. Until you attract individual retainers you will not attract visitors			
TC/559	from away. Center Parc visitors are attracted to Edwinstowe. There are good and original traders and excellent cafes.			
TC/560	Light switch on and big events			
TC/561	Enough shops in a small area so good for a quick shopping spree.			
TC/562	Architecture which should be protected abd celebrated.			
TC/564	Not alot			
TC/565	The Mansfield Museum			
TC/568	The vast majority of shop workers are usually very friendly. That's all I can say to this. Nice to see shops such as The Vinyl Shop though!! We need more choice and more independent shops but what's in it for them?			
TC/570	Nothing now			
TC/571	It's my hometown. It has so much to give but not enough investment into it. It seems that we have let it stagnate into a tired weary place and not moved with the times. I love the people regardless of whether they are

TC/644	The buildings are pretty special. The market is still a good place to go, although it has declined. The shops are easy to get to and there are a couple of nice places to eat.			
TC/646	Like having the Four Seasons Shopping Centre maybe needs a makeover/facelift to make it more modern, shops ok not spectacular, pubs, bars and restaurants are great tho !!

TC/709	It has a wonderful history and years ago we had such community spirit. We have been left with failing town with few decent shops, fewer restaurants and too many bars and clubs. We need less pound shops and cheap nail salons and better shops to bring in more people to the town and create more jobs. We have beautiful old buildings that need to be maintained and protected whilst the rest is updated.

TC/908	Very sad to say not much these days.			
	It's close, I prefer to get the train into Nottingham, or drive to Chesterfield, Newark or Retford as paying to park in Mansfield is same price as train fare, and other shopping areas mentioned offer better markets and a			
TC/909	more enjoyable experience.			
TC/910	It's my nearest town			
TC/011	I don't really like much about the centre, its glooming, unattractive and run down. However the huge size of Mansfield gives me hope that one day it will be special and a place others would like to visit. I see			
TC/911	opportunity and I like that as a community we are trying to make a change.			
TC/912	When there is free parking at four seasons as it encourages me to come and have a look around			
TC/012	The public that care who come together and have time for each other.i love that the shopping centre and stores work very closely together and help each other. It's all about people for me. And if I'm truly honest			
TC/913	there's not much I love about Mansfield anymore as I feel it's slowly going down hill. But I do truly believe if you listen to the public you could make great change!			
TC/915	All shops are in easy walking distance and accessible with pushchair.

TC/921	Close to home			
TC/922	I try to support local shops and there are a a few			
TC/923	The retail parks so I don't need to go into the centre.			
TC/924	It is friendly there is some good shops but its like other towns and city's it needs money to invest. We need to try and get some high street shops to invest in Mansfield like they have in Chesterfield. Mansfield doesn't			
10/924	link to the retail parks easily like other towns do.			
TC/925	Friendly people			
TC/926	Great layout tradition style			
TC/927	Debenhams which if that goes will ruin the Centre.			
TC/928	people			
TC/929	Unfortunately, in recent years, there is very little to like about Mansfield town centre, mainly due to massive under investment, and the huge issue with drugs. The only thing positive to say, is that it's local to me.			
TC/931	The shops			
TC/932	It's historical, quaint town centre. Four seasons is an eyesore though.			
TC/934	We could have so much to offerheritage, community, close to some amazing countryside. It's a shame it's not promoted!			
TC/936	Shops are generally focused in a small area. I like the old buildings and the history associated with the town which I think should be highlighted and showcased. I like the Library and the courses and talks held there.			
TC/937	4 seasons

TC/1	The crime and safety
TC/2	The dates shopping centre and rosemary centre and the disused shops
TC/3	Homeless
TC/4	The empty shops, especially the old BHS.
TC/5	The lack of decent shops, most buildings look run down and there is a lot of anti Social behaviour, I do not feel that it is a good place to take my children
TC/8	Not a lot.
TC/9	The anti social behaviour has had a massive impact on people's perception of the Town Centre. People want to feel safe in Mansfield
TC/10	The decline in shops and independent trade. Prohibitive car parking costs.
TC/11	Lots of empty shops, cheaper shops, makes the town look poor.
TC/12	Homeless spice users
TC/14	The druggies
TC/15	Closed up dirty shops,
TC/16	To many vagrents, openly drug dealing , miserable atmosphere
TC/17	Gangs of people, druggies, empty shops, expensive parking, not feeling safe
TC/18	Run down building ,poor selection of shops ,increasing gang activity
	The empty buildings we have some great architecture but it's run down Dame floggan street the mill at the bottom of bridge street the old boots shop can't you make the people who own these businesses premises look
TC/19	after them I'm ashamed that people who come here, see these places I've been inside a property owned by Brunt's and the deriliction of the property upstairs rooms no heating I don't know how they can let them out
10/19	People used to take pride of the shop frontages when I was growing up there were very few empty buildings are the rents and rates to high? Having shops and restaurants on the outskirts of town is all well and good but
	Nottingham road for example is a nightmare to get to and the traffic congestion it has caused is also a nightmare
TC/20	It used to be friendly but now is full of foreigners and druggies. You are lucky not to come across a beggar, or druggies. More foreign languages make it difficult to converse.
TC/21	Lack of police, threatening looking groups of people, the drug culture, homelessness, lack of decent shops, CCTV that doesn't appear to function.
TC/22	How it has been allowed to become an unfriendly, unwelcoming place which is full of uncouth youths who present a threat to the elderly.
TC/23	Feels "dead" during day.
TC/24	The market. Pathetic compared to what it was, it's actually embarrassing at times. And the guy selling meat from a big van with his loudspeaker has had a lot to do with its demise.
TC/26	Empty shops, smell of drugs. Neglected premises
TC/28	The general lack of empathy regarding the anesthetics of the place. The historic buildings that are allowed to crumble. Some of the cheap nasty shops.
TC/30	1)The rise in antisocial behaviour 2) The amount of money spent on the market, I am driven mad by people going on about it and then when you ask when they last shopped their the admit to not using it! Shopping habits
	have changed! 3) There needs to be more people living in town to create footfall outside shopping hours
TC/31	The lack of things to do or lack of shopping, I feel that more needs to be done to reduce the empty shops that once were busy all the time
TC/32	The drug asdicts. The enpty shops. The amount of foriegn shops opening, manafield is loosing its identity and they look trashy. The lack of resturants and high quality bars. The character in The buildings being lost by rubbish shop fronts that arent cared for.
TC/33	The layout
10/33	Elmmigrants have started to creep in. Mansfield, always a peaceful, safe, friendly suburban town, is becoming ghettoised. Every other voice you hear in the town centre is speaking a foreign language. The taxis are being
TC/34	taken over by asians as has happened in a lot of cities, where they are not safe for women anymore. Nottingham council has put up posters around the city warning women about the dangers of 'taxi drivers'. This is what
10/34	Mansfield has coming, it's started already, and that puts a lot of people going into the town centre.
TC/35	Empty shops
TC/36	As above, scruffy buildings, litter, vagabonds, and foreigners who have no manners and no respect for locals.
TC/38	The abuse the vandalism the unsafeness its dirty teenagers always hanging around
TC/39	Cleanliness
TC/41	Market needs to move back to Westgate, you can do something nice with the square and it's what the traders want.
TC/42	Needs more variety
TC/43	Dirty streets
TC/44	Scroats
TC/45	The atmosphere
TC/46	It's full or pound shops and cheap shops which attracts anti social behaviour
TC/47	Drug misuse
TC/48	Place looks scruffy. Could be more variety of independent retailers.
TC/49	The lack of good shopping.
TC/50	The empty shops and how some are becoming an eyesore. Dame Flogan street area is a disgrace
. 0/ 30	The chipty shops and now some are becoming an eyesore. Dame riogan street area is a displace

TC/F2	It just doesn't seem to be selling itself in terms of it's potential. Upgrading facilities (e.g. parking, buildings) are only good if you can rival others with a better offer. What would make people go to Mansfield compared to
TC/52	Nottingham or Sheffield?
TC/53	The aesthetics of the town centre and parking charges. I believe free parking or at least 2 hours free parking will encourage a resurgence in the town
TC/54	The empty shops, the homeless on the streets especially the addicts.
TC/56	all the ways into the town centre are run down, just look at the old bus station it is an eyesore as is the old tesco building. the town centre needs smartening up
TC/57	Not enough shops
TC/58	Spice heads Other drug users & alcoholics hanging around Poor shops Expensive parking Old and tired shopping centre
TC/61	Idiots that hang around there
TC/62	All the druggies anti social behaviour, feels like a ghetto.
TC/63	Ppl that don't talk Britain's an look at u so though u shit on there shoes
TC/64	Cleanliness. Worn out road markings.
, TC/65	Closed shops and expensive parking costs. Also the sense it isn't loved
TC/66	Car parking charges
TC/67	Boarded up shops
TC/68	Too many empty shops
TC/70	Four seasons shopping centre. Very 1970's in desperate need of upgrading and reinventing.
TC/71	Rubbish and druggies
TC/72	The drug addicts loitering about
TC/73	The rubbish and empty shops and market square.
TC/75	Feeling on edge ,too many empty shops ,looks desolate ,
10,73	The constant stream of homeless, spice addicts and undesirables, i passed 7 homeless at 8 am this morning on my way into work, also the lack of occupied stalls on the market, Mansfield when i was growing up had one
TC/76	of the best markets in the country, not much more than a dozen stalls on today (saturday)
TC/77	Lack of shopping facilities & the near demise of a really good market.
TC/79	The atmosphere
TC/80	The druggies hanging around everywhere.
TC/81	Said above.
TC/84	E cigarette shops and litter
TC/85	The fact that a lot of shops are closed or of poor quality. Not enough modern places to eat either.
TC/86	Homelessness people on mamba and how old the town looks
TC/87	Nothing keeps me there. I go in to do what i have to do and leave again. We need the empty shops to be filled. And shopping to be upgraded.
TC/88	Lack of shop choice.
TC/91	It's drug addicts and empty shops/ market
10/91	Mansfield District Council They are money grabbing with no thought on the actual people, you invest money in other places around the country and don't care about the town that once was renowned everywhere for
TC/02	
TC/92	its market & shopping, even when I first moved here it was amazing. Stop the high business rates, the licencing fees are ridiculous for certain things infact one of highest fees charged other than London in the country!!
TC/02	This town will continue to go down hill if you don't start thinking about the people. Fgs everyone cant be wrong, maybe start listening to us!! Zombies and drunks
TC/93	
TC/94	The loss of the market which was a great asset need to get a more vibrant feel there with more traders
TC/95	It just looks old and tired. The building are, in fairness for thenmoet-part, pretty old. 4-seasons ain't pretty, not much of it feels open and welcoming (though new bus station looks great, again, things are improving) but a
	bit of money for some well thought out face lifts for some buildings would be worth considering. Aesthetics and all that.
TC/05	Too many buildings have been allowed to become run down. There are numerous under occupied and derelict sites in and around the town centre which make the town as a whole look scruffy and uninviting. Shopping is
	pretty poor and geared to the low wage economy the town has (can't blame the retailers for that). Too many outlets have been crammed onto the leisure park at the expense of the town centre as a whole and road users
TC/96	in general. The Market is in desperate need of a revamp (look at the artisan market in Chesterfield or the street market in Loughborough for how it should be done). There is a general air of depression that hangs over the
	town like a cloud. My wife if from overseas and the first time I took her into town she asked me, 'what's wrong with the people here? They all look so miserable'!
TC/97	Lack of decent shops and market
TC/98	It's current direction, the type of stores appearing, the decline of the Market, the lack of repsect for its history and the empty buildings left derelict.
TC/99	See above
TC/100	The market is now rubbish compared to a few years ago
TC/101	The shops are spread out over many retail parks as well as the town centre. With kids in tow walking between them all is not easy!

Comment ID	Response to this question

TC/103	It used to be friendly but now is full of foreigners and druggies. You are lucky not to come across a beggar, or druggies. More foreign languages make it difficult to converse.
TC/104	Empty premises, lack of an interesting market (nothing that draws my intetest to it),
TC/105	ASB
TC/106	Drug users
TC/107	There isn't really a pull. It is a bit depressing and lacks vibrancy. There is a problem of not feeling safe which I don't have if I go to Nottingham.
TC/108	Going after dusk with children
TC/108	Druggies and homeless dossiers
TC/110 TC/111	Homeless/drug addicts in the empty shop doorways! I do seenthem being moved on occasionally but there is still far to many around. Lack of anything, decent shops, kerb appeal, bars, restaurants - there isnt anything worthy of a visit.

TC/113	Anti-social behaviour. Net arrough phains the mainly food on heir solons. And soffee
TC/114	Not enough choice. Its mainly food or hair salons. And coffee.
TC/115	Drugs Colored
TC/118	The empty buildings in Mansfield. There is plant we could do with them. Turn them into different places to draw new people in. It's the only thing that does bug me becuase there's too many places closing or they have
=0/110	been empty for years like the QI building
TC/119	NO INVESTMENT FROM THE COUNCIL, THEY ARE MORE INTERESTED IN SPENDING MONEY ELSEWHERE
TC/120	Too many empty buildings and the old bus station/car park and four seasons are hideous
TC/121	Too many unused shops, market being moved, lack of diversity in stalls available on market, car park charges are too high.
TC/123	Lack of funding and letting it go to the dogs councils fault
TC/124	All of it
TC/125	Everything else. Needs a massive cash injection, needs free parking to encourage shopping.
TC/126	Lack of patroling foot officers. Empty shops. Bad lighting and dark streets . Empty shop windows. Druggies and homless .
TC/127	Lack of market compared to the past
TC/128	The drug problem.
TC/129	Having to pay for parking to be able to enjoy free facilities such as library and parks as well as to attend any of the events being used.
TC/131	Dirt, neglect and expensive parking.
TC/132	Lack of big named shops. Safety. Drug users.
TC/134	It is grey and depressing with people sleeping in doorways or sitting on the pavements young males speeding about on bikes, risks from pigeons and their mess and a general air of despondency makes for a visit only when
10/134	absolutely nesesary.
TC/136	There's so many empty spaces and its dying a slow death.
TC/137	Dwindling market
TC/138	Seeing how run down it has become. It is very sad .The area up near Iceland has become very isolated and feels u safe if you use that car park.
TC/139	Everything
TC/140	Empty shops, no market,
TC /1 11	Homeless and drug users walking about - make you feel unsafe and drags the town down! Includes the kids causing ASB. Not dog friendly Not coeliac friendly Not the easiest with car parking as constantly clock watching.
TC/141	Hardly any entertainment in town
TC/142	Old run down buildings
TC/143	Low life scum all over
TC/144	Poor selection of shops, vape shops, bargain shops etc. More cafes etc would be nice so local workers could use during the day
TC/145	The derelict sites that never make progress. The plans that never happen. The hopelessness that hovers above our town as improvements are never visualised.
TC/148	Empty shops
TC/149	Empty shops Empty shops
TC/150	There isn't anything special that would make me want to go for day out.
TC/152	Poor market. Compare with Chesterfield which is much better
TC/154	Too many empty buildings, homeless people begging everywhere, not enough shops and car parking.
TC/155	The level of empty shops is alarming. The market is a waste of time these days.
TC/156	It is dirty, smokey, it looks run down and poor. The shops are low standard, and the only decent places are always full.
TC/158	The spice crew, I find them terrifying, it generally puts lots of people off being in town.
TC/159	The unattractive buildings empty shop fronts and the deserted market place
10/100	The unattractive ballanings empty shop nones and the described market place

TC/163	Homeless people, drug users, litter, old declining shopping centre, empty shops, same rubbish on market every week, no where nice to eat, people are always rude and nasty, police presence is extremely rare, nothing to do or visit, money being wasted on boring events that block the town centre so people can't get to work or shops. Invest in proper attractions please that highlight the town's heritage such as the caves and open the town hall as a museum and not shops and more offices and please get the four seasons to update the building and make it more modern. Big restaurants are also needed such as a pizza hut in town centre and Chinese buffet restaurants would be great. Also a play centre for children and families is needed and a centre for kids and teenagers to go and get into sports and skateboarding so they are not hanging around outside McDonald's harassing the staff and intimidating shoppers.
TC/164	Market
TC/165	Everything, not feeling safe in the town you live in speaks massive volumes and tells you everything you need to know
TC/166	I don't like the fact that we're basically copying Nottinghamshire with the event ideas we at one stage had a mini fair growned instead of the beach, as well as party in the park.
TC/167	empty shops unless you like nail bars charity shops or e cig shops. nowhere to get fresh produce from unless you go to marks and spencer, where have all the veg stalls gone from the market on a monday?

TC/186	The homeless. Phone, vape, pound shops. Empty shops. Car parking charges.
TC/187	Lack of shops and market

TC/190	Too many drug addicts openly dealing in town Loud and aggressive youths
TC/191	Too many empty shops!!
TC/193	It's like a polish town
TC/194	Looks untidy and run down, doesn't appeal to families at all.
TC/196	The market used to be such a crowd puller, but unfortunately the stall holders have left the town over the last few years. The cockle and peas stall was there for decades but now, sadly even that has gone. Chesterfield has a great market and the crowds flock there everey week, as a consequence the shops seem to thrive, as do the cafes and restaurants. Mansfield is struggling and it is up to MDC to try and breathe some life back into it. There was a lovely little independent childrens wear shop on Regent Street, but they had to cease trading because the overheads were just too big for them to make an decent living, such a loss to Mansfield.
TC/197	It's a depressing place where you feel unsafe , intimidated and its really not worth the cost of parking .
TC/198	The road onto it!
TC/199	Empty shops, disappeared market and lack of individual shops to make it different.
TC/200	The overall atmosphere - small market, undesirables in the centre and the sullen appearance of empty shops
TC/201	Nothing appealing to anybody safety for elderly and no shops due to over rates etc
TC/202	Lack of shops and market.
TC/203	Councils negativity to peoples views.
TC/204	The amount of shops that are not open and are closed Mansfield mp/mayors doing nothing but bring new trades people and stores to open within the town but we will soon have 3 Aldi's? There is no variety in the town of Shops
TC/205	Parking. It's easier and more convenient to go to the retail park
TC/207	Boarded up shops, homelessness
TC/208	Not got any respect anymore.

Comment ID	Response to this question
TC/266	The amount of drug abusers lurking about its very intimidating and also the homeless as it's not their fault a lot ov the time but it's not nice to have to see maybe more facilities should be sorted for them
TC/267	Empty commercial premises
TC/271	The scruffy appearance
TC/272	Lack of safety
TC/274	The neglect of the encouragement to bring long term tennants into the town. The issue of Drug and alcohol abuse
TC/276	It looks scruffy and uninviting
TC/277	The drug users
TC/278	Yobs that hang around in the evening in groups on the mansfield market.
TC/279	Lack of market!
TC/280	The way it is run should do light switch on Thursday night like it used to be
TC/281	The drug users and beggars half of such arnt even homeless
TC/282	Unemployed spice users very scary and intimidating
TC/283	Half the shops are empty. You have the homeless in every doorway because not enough is being done for them.
TC/284	Market area looks messy.
10/204	Warket area looks messy.
TC/286	That the little market was moved.plus the market is rubbish the state of the empty shops plus shopping in mansfield is rubbish the amount of unsavory people hanging about which can be scary and intimidating
TC/288	Antisocial behavior.
TC/289	Empty shops and properties both council and private owned. If the rents and rates where lower they would be full. Sitting on these of the good times will come will not happen. Just look at the big companies that are
	closing shops if they do not get rent reductions
TC/290	The fact we are losing our shops.
TC/291	Seeing all the drug takers in shop doorways, not enough decent shops, I think a lot of money is wasted by the council on things like an ice skating rink, redoing the market area even though there arnt that many stalls out,
TC/292	Nothing there and how many drug addicts and thefts there is I just do not feel safe with my children or myself.
TC/293	To many empty shops mostly because of greedy landlords
TC/294	Drug users around town
TC/295	It's decline since Tesco were granted planning permission for the store on Chesterfield Road.
TC/297	Homeless. Drug takers.
TC/298	The lack of shops and the feeling of insecurity
TC/300	Because there are to many empty shops it makes the town look untidy .
TC/301	Boring town, nothing fun to do. You have a theatre but the shows are all unappealing. Why not bring in some hit shows and musicals or real artists instead of tribute acts. Its very off putting.
TC/302	I don't like that the above independent traders are not being looked after and market traders are not being encouraged into the town
TC/303	Empty shops
10/303	How run down the four seasons is, it's not attractive and with it still existing we won't attract new businesses in the area. We need desperate modernisation, in the short term yes it will be expensive but in the long term it
TC/305	would pay off. More people visiting would increase revenue in car parking, more stores ranging to be in Mansfield etc etc
TC/306	It's an eyesore
TC/308	It looks unloved, old and tired. Not somewhere to be proud of.
TC/309	Looks tired and some undesirable people
TC/310	Parking Connections:
TC/311	Car park prices.
TC/317	The lifts need upgrading. Wait far too long. Unable to pay for parking via debit card, didn't realise we were still in the 80s Too many shops closing down
TC/318	Not enough shops
TC/319	Everything I saw today
TC/321	As previously said it's the drugged up people begging and being a nuisance that puts me off.
TC/322	Feel unsafe, town is dirty and scruffy. Homeless people hanging around market place and outside Lloyd's and on the service road near Debenhams people sat on fire escape and gathering in groups
TC/323	The council, they have turned this town into a figurative toilet that no one in their right mind would want to visit or invest in.
TC/325	The amount of empty shops there are now. The way some of the cyclists tear through the town centre and the druggies
TC/326	Empty shops and a very poor market with out a good market a shops I may as well go elsewhere
TC/327	Where to start? The empty shops, the litter, the homeless and the unemployed. There is zero entertainment in town and even the events that the council put on aren't worth the time

Comment ID	Response to this question
TC/328	Everything. I'm embarrassed to live here
TC/329	Drug addicts, lack of shops compared to what there used to be.
TC/330	Hasn't got a large variety of shops.
TC/331	The way it's run
TC/332	Don't feel safe Homeless people
TC/333	The whole thing it's not safe to go into town, my son nearly got robbed and stabbed in the town, something needs to be done about the spice, it's scary
TC/334	It's unatractive. My brother nearly got stabbed to death in the centre and there's spice heads everywhere. Why would kids ever want to go to the centre because of that? Absolutely atrocious.
TC/335	The amount of chavs and rent is far to high leaving multiple buildings empty
TC/336	It is depressing my grandson nearly got robbed and stabbed with the perpatrature getting 8 years, the whole place is not nice and I'm very sorry to think how it was and how it is now.
TC/338	The shops. They are horrendous. Most are Cheap and nasty. The shops in the four seasons are a little better than outside.
TC/339	the anti social behaviour the drug takers
TC/341	The traffic lights at Sainsbury's preventing anyone getting in or out of town. Also the lack of decent shops and more so the lack of decent restaurants. No more Greggs please?
TC/341 TC/342	Dirty scruffy under invested town center
TC/342	The shopping you have to go out of the central area and walk to St. Peter's way to get most things it's gone down hill for shopping
TC/344	Not keen on the market to be honest, lot's of stalls but more empty than full. Mansfield needs to attract more market stall holders as this is the hub of the town.
TC/346	Vagrants and those obviously off their heads. Empty shops. Lack of disabled parking.
TC/347	Not enough stalls on market days, I remember when market was big and we stood in queues to get served and had a natter while waiting, now it is get served on your way,

TC/359	It's something that cannot particularly be controlled. But the centre really needs more enticing shops that are going to bring more residents to the town centre. If it had better shops, i would find myself coming to the

TC/360	There are too many empty shops and buildings
TC/361	There are more empty shops than there is open shops.
TC/362	The way the heart has been ripped out of a lovely town in the name of improvement

TC/401	Shops closing and left empty.
TC/402	Full of cheap shops - bargain this, pound that. Where are the boutiques?
TC/404	It depresses me going there. the square is nice, as is the area around the museum and down from there but there is a lack of community feel that you get in chesterfield, which seems to care more about itself. Id like to see a lot more boutique type shops and a study to see if shop opening hours could be later on to encourage more families in in the evening. I find the Queens building to be a stark opposite to its surrounds and feel that the big Victorian walls could have more street art on and streets like dame duchy street should be compulsory purchased and the frontages maintained before someone finds and excuse to knock it down.
TC/405	Drug addicts hanging around homeless begging and swearing at you when you don't give any money. The amount of pigeons and their mess on the floor. Car park prices and no real restaurants in the centre
TC/406	All the shops are either hairdressers cafes and take away fast food (Not a healthy choice) in times of obesity. The market area is under used. Hate when fair rides are in the market and Berger vans.

TC/413	The overall look of the town centre. It's hardly modern. The facilities are bare and there seems to be more and more closures every month. It makes the place look deserted and uncared for.

TC/501	Druggies
TC/502	Empty buildings, few independant stores, makes me disappointed that i have to travel around all the retail parks on the outskirts when there is clear space within the town itself
TC/503	Bad vibe and reputation.
TC/504	The rubbish lying around, the druggies say around and on non market days the gangs of men lying allover the stalls.
TC/505	The anti social behaviour.
TC/506	No cafe culture in the public bars, we have had some lovely weather and you have to sit indoors, especially when there are adequate space for outside seating. Is it due to high pricing if you want an outside area
TC/507	Too much to mention it
TC/508	Mansfield is a dump full stop Cut backs cut backs but the council tax will go up year after year
TC/511	Not enough variety to attract people
TC/512	It is run down and decrepit
TC/513	Overall cleanliness and selection of shops
TC/514	Lack of shops for variety, few home stores.
TC/515	All the druggies sitting in the doorways of empty shops
TC/516	People approaching me, homeless people, big issue seller, beggars for example.
TC/517	Empty shops, drug users, smaller market
TC/518	Lack of shops. Also, now that they have started charging to park in the train station car park it is no use to commuters to Nottingham.
TC/520	It is ruined by the types of people who ruin it for everyone else.
TC/521	Dated and feels unsafe
TC/523	The anti social behaviour.
TC/526	Empty businesses
TC/527	Not having a proper market
TC/528	Homeless people and drug takers. Not attractive setting. The Rosemary centre is dated. There are some beautiful builders which are run down.
TC/529	Seeing lots of homeless. It makes me sad for them
TC/532	Lack of shops and lack of activities for 7 n under
TC/533	Lack of shops
TC/534	stuck in a rut , needs to become more vibrant and positive
TC/535	Far too many empty shopsvery depressing.
TC/536	It's run down Empty shops Limited restaurants. Drug addicts.
TC/538	Homeless
TC/540	The way it's administered by this council
TC/541	Drug addicts.
TC/543	Some anti social behaviour
TC/544	Lack of atmosphere in the daytime, the empty shops, tatty shops and empty market place.
TC/546	Everything
TC/547	Not many police patrols
TC/548	Groups/gaggles of people loitering about
TC/549	Dirty, expensive parking, poor choice of shops.
TC/550	Not enough shoe shops
TC/551	Vape and other low rent shops, parking should be free to encourage people to shop there. However unlike Ben Bradley seems to think other retailers need to be encouraged to stay or open sites in the town centre.
	Planning is too restricted do we really need loads of hotels?
TC/552	Druggiesdecreased size of market
TC/553	It's full of pubs and cafes
TC/554	closed shops, poor market, lack of choice for quality shopping
TC/556	Not a big enough market, when i started coming to Mansfield you couldn't move for stalls, know it's not worth coming for, and the same people hanging around with nothing better to than make the town look messy, and I heard about crime more than ever and I don't feel safe I only go into town when I can't get something from the supermarket,
TC/557	The cheap Eastern European shops and barbers that are springing up all over town. How many more do we need.
TC/558	Everything really it looks dated, old and needs modernising

TC/615	Everything vast improvements in all areas badly needed. Bring down rents and business rates to attract more market stalls and open more shops.
TC/616	That there are people under the influence lounging around in public
TC/617	Lack of shops
TC/619	Lack of healthy eating options and not enough shop variety!
TC/620	Just needs a boost from a few big shops or a few more boutique style shops
TC/622	Gangs
TC/624	Lack of shops
TC/626	The gangs of teenagers. The number of homeless people - they need help! The number of empty shops make it look run down.
TC/627	The drug addicts.
TC/628	Grubby, dirty looking buildings, people on drugs makes me feel uncomfortable
TC/630	Drugs drink, fighting it's what we're know for. Mansfield has a bad reputation.
TC/631	Spice heads, expensive parking
TC/632	Dirty dangerous unpleasant no nice shops or market
TC/633	Lack of shopping outside 4 seasons, non existent market, drug users, homeless,
TC/634	Very poor market we need to make the market great again like Chesterfield.
TC/635	The facilities available. Especially toilets! Pay 20p for a disgusting metal bowl.
TC/637	Spice addicts/drunks
TC/638	All the clothing shops are going. Supermarkets are taking over.
TC/639	The local 2 legged vermin ie druggies and shoplifters Makes me worry about the vulnerable older people who still travel to town to shop
TC/640	The lack of care. The many addicts in the centre. The people.
	They attitude of the people that take the town for granted and do nothing to encourage people to visit. We should be proud of our town and work towards improving public opinion of the area. I wish I possessed the
TC/641	magic wand needed to lift moral.
TC/642	The empty shops
TC/643	Council policies which are ruining a once proud and beautiful town centre
TC/644	People can be pretty aggressive and threatening. There seems to be a lot of drug use - there is a need to target the pushers and to help and support those that use drugs. It does seem to have improved a little.
TC/645	Shops look run down and four seaons always looks dirty. Half the shops are empty and boarded up and there is groups of people smoking and hanging around all over the place which is very intimidating. And people walking around drugged up which is scary
TC/646	Shops shutting
TC/647	No good shops. Get a Starbucks and a Waterstones
TC/648	Drab dark look Addicts roaming around
TC/649	The market and shopping centre
TC/650	Outside the 4 seasons - all the streets leading to it
TC/651	It's become drab and uninteresting
TC/654	It is looking very old, unloved and uninviting for new business. Take a look at Chesterfield and see what their. ouncil has done. Lots of people from Mansfield area are goi g to Chesterfield to shop.
TC/655	Variety of shopping.
TC/656	The empty shops, the rubbish pop up shops that open and then close within a month, and i also somtimes feel unsale especially with large groups of people just hanging around up to no good
TC/657	Groups of Youths without police presence in the evening. Lack of community interaction with physical police presence. Arrogant and distrusting council. The state of the traffic at the Nottingham road retail park.
TC/658	Drinks and anti-social behaviour
TC/659	It's dirty, unsafe and not enough shops for a good shopping experience.
TC/660	People smoking, especially outside the shopping centre, and people riding bikes down the high street.
TC/663	Feeling intimidated by the people on spice and other drugs
TC/665	Lack of nice shops Appearance of highsteet So much homeless and drug d dependent
TC/666	Empty shops and the associated, down and out 'look'.
TC/667	It's lost it's way. Used to be thriving and a place to go. Would now rather drive to Chesterfield to do shopping n
TC/668	Parking expensive
TC/669	There isn't much to do

TC/722	homeless and drug users			
TC/723	See all above.			
TC/724	It is dead and feels neglected			
TC/725	The drug users sleeping on the market and near children all day, everyday. It's disgusting and they need either arresting or banning from the town centre.			
TC/726	The limited restaurants			
	Is in drastic need for a shopping centre refurbishment in the four seasons, extremely outraged for such a large town and with the heavy footfall in Mansfield it is simply not good enough. Better toilet facilities is a must as			
TC/727	the current ones are awful. If the town centre shopping centre is refurbished then more businesses are likely to place better retail stores in the town centre which encourages more people to come to Mansfield and not			
	travel all the way to Nottingham to go shopping			
TC/729	Too much homeless people, makes me feel uneasy walking around, litter, violent behaviour			
TC/730	The drunks drug addicts and thieves hanging about			
TC/732	Empty shops, run down streets such as Stockwell gate and near the old post office			
TC/733	See above			
TC/734	The lack of activities or shops.			
TC/735	Homeless, empty shops. Paving stones whilst wearing nice shoes, wrecks your heels as they get stuck in between them. The run down parts of town.			
TC/736	No decent market, it's a shamble not a market			
TC/738	Drug problems and anti-social behaviour mean I do not want to shop in town with my child as I do not want them exposing to this			
TC/739	Homeless people Always being asked every corner about charity sign up Time limited due to car park costs			
TC/740	She comment re groups			
TC/741	Rough sleepers and those walking around begging and drinking. Make people feel vunerable			
TC/742	Not enough up to date shops The homeoless days years and homeons have in a ground even where			
TC/746	The homeless, drug users and beggars hanging around everywhere.			
TC/747	The dodgy people lurking about. I don't know one person that will go to the bank by themselves anymore. It's really scary			
TC/749	The gangs of spiceheads and turning up at 9am to see people camped out in doorways			
TC/755	The market is dismally especially since so much money went into refurbishment.			
TC/756	Drugged up people, not having any unique shops or shops worth using, children's clothing shops are rare.			
TC/759	The druggies and homeless people			
TC/760	Cleanliness			
TC/761	Too many empty retail units we need better shops to make It worth visiting rather than visiting other towns.			
TC/766	The unkempt look and empty shops it's like a ghost town			
TC/767	How rough it looks			
TC/768	Unstable unpredictable people hanging around			
TC/769	Town is starting to look neglected. Empty building, poor looking block paving and no pride in shop fronts			
TC/770	The amount of empty shops, groups of people hanging around,			
TC/772	Nothing Todo and too much rubbish left lying around after the night life			
TC/773	Poor choice of shops.			
TC/775	Empty shops, parking fees,			
TC/777	Foreigners and lack of toilets.			
TC/778	The people that lie asleep around town or just sat outside on the floor			
TC/779	Everything compared to surrounding towns but the mayor can spend money elsewhere but not in Mansfield where its needed so very much, invest I Mansfield and bring us locals back or we'll just keep going to other			
10,773	places to eat and shop			
TC/782	The entire town is depressing			
TC/783	Lack of quality shops. Look at Leeds trinity - can't Westgate become covered in a similar style to make this part of an indoor experience. Could attract better retailers.			
TC/785	the drug takers around			
TC/786	The amount of people openly smoking weed and being under the influence of drugs. I don't want to see it never mind taking my grandchildren to see it.			
TC/787	Too many nail bars, E cigarette shops and empty decaying properties			
TC/788	The DRUG PROBLEM.			
TC/791	Too many shops empty. Need to lower rent to bring in more businesses. Also lower ground rent for market stalls. Its empty practically. So you generate less income for the town. Whats the point in having empty shops and stalls when you can least generate some income on them if they have businesses inside.			
TC/792	For a long time the development of the town has been poor. More should be made of the older buildings and the market place.

TC/859	Lack of a proper market
TC/861	Homeless drug addicts making the town centre feel unsafe and less shops.

TC/871	That it has become very run down and depressing place to shop
·	Most things. Never really have any reason to go anymore and when I do it's always disappointing. Cheap tacky shops look awful and are full of rubbish, the market should be so much better, not enough plants/colour
TC/872	about, most bars are drab and smelly and attract characters to match, nothing interesting to do, no exciting or original events and the attitudes of some of the people is just embarrassing (going off the kind of things I

TC/882	the street beggar's and drug problem
TC/884	Not enough variety of shops
	There are far too many empty shops, also far too much emphasis on preserving dilapidated old buildings, we should be starting afresh, no wonder we are miles behind other countries, knock them down and rebuild. More
TC/885	should also be done to tackle the issue with rough sleepers, more patrols in town centre, and heftier fines for littering
TC/886	There are not enough different high street shops.

TC/906	Looks shabby and market town no more					
TC/907	the town is littered with spice heads, homeless and is filthy in parts. Needs a radical makeover and serious investment					
TC/908	Horrid "cheap" shops, litter and rubbish and the fact that I no longer feel particularly safe. I always think carefully where I'm going to park in relation to the places I have to visit.					
TC/000	Feels run down, too many homeless people, closing/closed shops. Lack of imagination in drawing local traders and local people to market. Free Fridays - free parking, free market stalls Social Saturdays - meet your council

TC/910	The drug addicts					
TC/911	Scruffy shops and due to the shops we have untidy people.					
TC/912	How few decent shops (not just chains) we have					
	Feeling unsafe, with druggies around and crimes which I know you can't prevent all crimes I really do but I feel the crime has truly increased over the years and I hate seeing the homeless I believe more can be done I know					
TC/913	the frame work company do amazing work and there always trying to help but again I believe as the public we could also make a huge change. You just need to listen and take in board more people's ideas and trials and

TC/915	Biggest problem for me are the people on the spice drug hanging about like zombies. Also public toilets are disgusting- I wouldn't mind paying if they were clean.

TC/917	Empty shops and lack of big brand stores.					
TC/918	The market and shops if we had a better market and better shops I wouldn't have to travel out of Mansfield for what I need

TC/934	The fact the town has been bought to its knees by people not investing in the town ,promoting it and supporting it .					
TC/936	I don't like seeing drunk or drugged up people in groups. It doesn't feel safe. I also feel that the town's heritage should be preserved and showcased as much as possible. A lot of historical buildings were destroyed in the

TC/937	The Polish					
	Completely run down, it's a pitiful state - spice and homelessness has taken over, we're actually thinking on moving away from Mansfield so we can raise our children away from drugs. Getting like shameless estate.					
TC/938	There's nothing to do, not for cheap or free, families are struggling on the breadline and all we can afford to do is stay home. Same old shops nothing new or interesting, lots of shops closing down or relocating. Mansfield

TC/2	Yes	I agree, although most are just outside the town centre
TC/3	No	All spilt up around the town
10/3	INO	All split up around the town
TC/4	Yes	There is a good theatre which has a good variety of performances all year round, Odeon pictures just outside of town, together with a good number of restaurants to choose from now.
TC/5	No	There are no leisure facilities in the town centre and events are only held on certain occasions
TC/8	No	Mansfield Museum, the Library, Superbowl, Westfield Folk House, Mansfield Palace Theatre and ???? Most of these do not appeal to the under 25s or the over 60s
TC/9	No	Not enough restaurants with the town centre, the lack of nice bars rather than the chains. The Ice Rink in the market square is a fantastic addition but more attractions needed ALL year
		round. The Xmas market was closed way too early - people travel far and wide to these events
тс/10	No	Lots of pubs but little for children, cinemas now out of town and apart from the Palace Theatre little other alternative entertainment. Maybe old fashioned but we used to have a very popular Palais de Dance, the Cavendish dance suite, the Parochial Hall, Clarkson Street Hall and the Drill Hall on Bath Street all of which hosted events suitable for all ages. Nostalgia is a wonderful thing and I know we can't turn the clock back but perhaps consideration could be given to resurrecting a similar venue in town.
TC/11	Yes	All located at Nottingham Road, the junction on A60 needs addressing. There are plenty of pubs and restaurants.
TC/14	No	There is nothing of interest to me
TC/15	No	Needs more investment, especially for young people
TC/16	No	Very poor all round
TC/17	No	There is not much for teenagers
TC/18	No	entertainment for the young 5-16 required
TC/19	No	There's a lot on the outskirts but actually in the town centre very little
TC/20	No	All cinemas etc are on retail parks. Only pubs and clubs in centre
TC/21	No	Just take a look.
TC/22	No	What do you class as entertainment? Bingo? Clubs? Gyms? What is there for the elderly?
TC/23	Yes	I can't think of anything else I want
	100	For a town of its size Mansfield sadly lacks quality restaurants. There are far better facilities in Retford and Newark, never mind Nottingham. Not everyone is satisfied with McDonalds
TC/24	No	and Wetherspoons. At some point our Council has to realise the make up of the town population is changing.
TC/28	No	No it's a cultural desert
TC/30	Yes	Excellent selection of culture and leisure
TC/31	No	There is nothing for family's to do that don't either cost the earth or are surrounded by homelessness
TC/32	No	Years ago, you had the village, town mill which brought people all over the country to come to the gigs, you take wveetything out of the town centre and put it on leisure parks - it ruins the town centre! Why not have a retro cinema? A corner house like nottingham which has crazy golf, casino, amusements, cinema, bars all in one place - the old QI club would be brilliant for that.
TC/33	Yes	No
TC/36	No	If you don't drink alcohol and coffee what is there? You can only spend so long looking around the museum and library.
TC/38	No	There is nothing for toddlers or children under 9
TC/39	No	Not enough choice
TC/41	Yes	I have an Odeon limitless card
TC/42	No	Would like more entertainment
TC/43	No	Too many pubs not much of anything else
TC/44	No	No cinema
		I think there is enough. There are other facilities outside of the centre, but a town centre must concentrate on at least excelling in one area. Try and do too much and you spread
TC/45	Yes	resource too thinly and nothing gets achieved.
TC/48	No	I would say there is quite a bit to do in Mansfield, it's just not in the actual town centre
TC/50	No	Mansfield leisure centre doesn't exist
TC/52	No	Library is great but that's about it. Most entertainment is outside in the retail parks
TC/53	Yes	There is but the licensing conditions have got out of hand, the club's and bars should not be able to open later than 2pm. This would encourage people to use the pubs before hand instead of cheap dripking at home.
TC/FA	No	instead of cheap drinking at home.
TC/54	No	Few restaurants There seems to be enough published perhaps more restaurants not safes, we have too many safes already.
TC/56	Yes	There seems to be enough pubs but perhaps more restaurants not cafes, we have too many cafes already.
TC/57	Yes	Can't fault the entertainment and leisure facilities

Comment ID	Response to last question	Response to this question
TC/61	No	There's nothing ever happens except a small sand pit
TC/63	No	There is nothing for kids to do
TC/65	No	No leisure facilities in town it's self, yeah there is water meadows but that outside town. Cinema is outside town. So would would people go into town?
TC/66	No	Not enough in centre for young children
TC/67	No	Same as previous.
TC/68	Yes	They are slightly outside the xentre but there are plenty of facilities
TC/70	No	There are very few outlets that aren't focused on alcohol for adults.
TC/72	No	Most of the entertainment is out of the town centre
TC/75	No	Not a lot for families ,not cheap enough for families .
TC/76	No	All leisure facilities are out of town
TC/77	No	Apart from the library, palace theatre & museum what else is there? All the cinemas have moved out of town, bowling alley is not sufficient for the town & is on the outskirts.
TC/79	No	There is nothing to make you come to Mansfield and parking is difficult and expensive
TC/80	Yes	Plenty of leisure facilities open.
TC/81	No	It's all outside the centre and all that is in the centre aren't family friendly.
TC/83	No	There all out of town
TC/84	No	If I wanted entertainment I would go to the Odeon cinema and probably eat out over there too, you don't get the same experience in Mansfield town centre.
TC/85	No	The town desperately needs a climbing centre.
TC/86	No	There needs to be exciting things to bring youth into the town and more restaurants to boost the social scene
TC/87	No	Nothing in the town centre
TC/88	Yes	Plenty of bars and clubs and the theatre.
TC/91	No	It's not appealing to myself
		There is enough for adults but not enough for kids to do with that is affordable to do daily or weekly. We are having hotels built but this does not help the town itself in terms of
TC/92	No	business's already here in the present day. Maybe focus some attention & money on what we already have to offer and make the town thrive again.
TC/93	No	The ice rink was a great idea and more events would be good for the town
		Don't actually know. Definitely think it's better than it was 10 years ago, but the high street is struggling, need more stores focused on customer experience (look at pud, crunch, local
TC/95	No	shops engaging with customers). An E-gaming experience (VR experiences, or an escape room, that kind of thing) could go down a treat in the town centre. Especially if we lose
'		Debenhams or HMV.
TC/96	No	Mostly okay, but whilst the choice of restaurants has improved, there is always room for improvement. Access to the leisure park is horrendous.
TC/97	Yes	Every other unit in the town centre seems to be a pub or cafe Lots of restaurants, bowling, cinema, too many gyms, plenty of leisure facilities
TC/98	Yes	Water meadow , super bowl , library just to name a few.
TC/99	No	There is no entertainment in the town centre apart from the theatre
TC/100	Yes	We have a cinema theatre sports facilities and numerous public houses
TC/101	Yes	I can always find something to do with my family and my partner.
TC/102	No	All cinemas etc are on retail parks. Only pubs and clubs in centre
TC/103	No	All cinemas etc are on retail parks. Only pubs and clubs in centre
TC/104	No	People's shopping habits have changed, the mix of facilities in the town centre much chabfe to reflect this.
TC/105	No	Leisure centre
TC/106	No	No good small venues <100 capacity
TC/108	No	Don't think there is
TC/109	No	Town Centre gym would be a welcome addition
TC/111	No	Cinema and Bowling are all I can think of - both have free parking.
TC/112	Yes	Yes, there's loads to be done within the town centre.
TC/113	No	I'd be more inclined to visit during the day if there was more to do, other than shop.
TC/114	No	A museum a table tennis and a library leisure?
TC/115	No	I can't find anything to do
TC/118	No	There isn't that many that are close. The closest one is near KFC but that's only a gym.
TC/119	No	there are too much out of town activities and not based in the centre itself
TC/120	No	Things are too spread it could do with some right in the centre

TC/123	No	Needs something to bring people in. Same as with warsop
TC/125	Yes	Lots of pubs, a theatre and a leisure centre (although thats nearer rainworth than mansfield town centre)
TC/436	N	As everything costs there is mothing kids can enjoy. I stoped going to the beach in summer due to security i dont want my child to see people fighting shouting or as it has been last time
TC/126	No	some druggies throwing hot drinks at each other in the middle of market.
TC/127	Yes	Loads of different bars and pubs
TC/128	Yes	Because I can't think of anything that's missing.
		Plenty to do if you have funds available. That said they are all becoming increasingly expensive - over £10 for a child to go to the cinema, swimming pools all suffering price increases and
TC/129	Yes	parking charge if you want to use the library or parks. The theatre is beautiful but again is so expensive. If South Yorkshire can allow people to travel so cheaply, why can't
		Nottinghamshire?
TC/132	Yes	Theatre and museum is excellent. They free things MDC put on are great but how will you sustain this without a council tax rise or better collection from non payer's.
TC/133	Yes	Plenty to do.
TC/134	No	Town center geared only towards young people wanting to get drunk and urinate or vomit everywhere at night.
TC/137	No	Much of this seems to be out of town / on the outskirts
TC/138	No	The town centre could do with a leisure centre in the centre and indoor ice rink. More affordable leisure facilities for teenagers too. Bowling is very expensive.
TC/139	No	There is nothing for children to do unless they want a park full of yobs
TC/140	No	There is little choice and the facilities there are, are very updated and run down
		What automata The only thing the average of is considered as a side of a considered as a first of a co
TC/141	No	What entertainment? The only thing I'm aware of is capo lounge that do social events on an evening they are brilliant, do lots of menus for coeliacs, vegans kids and are also dog
		friendly. Costa doesn't even cater for coeliac which I am - so where can I eat???? There isn't many places I can tell you that! And hardly any places are dog friendly!
TC/142	No	The main swimming centre isn't on a main bus route with limited parking that also charges. There's nothing else to do in a decent building.
TC/143	No	Mansfield leisure centre was never replaced
TC /1 4F	No	To attract people to the town centre there must be a reason. Pubs aren't what they were. Apart from Mansfield Town fc, bowling, Water Meadows and a smattering of pubs and
TC/145		restaurants it might as well be closed.
TC /4 40	No	There was a leisure centre in the town before the council gave Tesco planning to build on its site, the nearest is oak tree lane the other side of Mansfield for alot of people we need one
TC/148	No	in the town centre because it definitely would get used.
TC/150	No	Most things such as cinema are just outside town centre.
TC/152	Yes	Plenty of bars cafes restaurants. Theatre.
TC/155	No	Once upon a time, the old leisure centre was the central hub for all sports and evening entertainment. Allowing this to be knocked down has left a big void in the town centre.
TC/156	No	Coventry just opened an amazing adult crazy golf, Nottingham has these and themed bars / areas. Mansfield is missing comedy, music and theatre that is compelling to attend.
TC/158	Yes	The town centre is a market place
TC/159	No	More needs to be done to lure people into the town ie (listen to the people)
		None in Mansfield town centre but I will take my son to odeon or watermeadows. Town centre needs a bigger and better museum and bigger better shops. I would also like to see a new
TC/163	No	shopping centre as four seasons is full of asbestos and is falling apart and old.
TC/165	No	Nothing for the kids and a few lousy bars on clumber street
TC/166	No	I've only known the library or the museum which are free and don't keep little minds occupied for long.
TC/167	No	do you people know how much it costs to take your children to swimming baths bowling or cinema, people just cannot afford when there is more than i child.
TC/168	No	do you people know how much it costs to take your children to swimming baths bowling or cinema, people just cannot afford when there is more than i child.
TC/169	No	Need to attract wider audience
		The Palace Theatre offer is restricted and overpriced. What else is there? Pubs with occasional tribute acts? No cinema in town. Bowling? Everyone goes to Nottingham £5 return on
TC/170	No	Pronto bus for an evening out.
TC/172	Yes	There is lots to do but things can always be improved. The cinema for instance could offer more liuxury seating however the traffic flow there is horrendous.
TC/173	No	Not enough for young people to participate in that doesnt cost
TC/174	Yes	Worst move was when leisure centre was closed and Tesco was allowed to build a superstore. We need another leisure centre to be built like the Sutton one.
TC/176	Yes	Within Mansfield area there's enough
TC/177	Yes	Loads of pubs, cinema and eateries and fitness facilities
TC/178	Yes	Cinema etc really good just a lot of traffic congestion
TC/179	No	Soo many closing bingo has gone whats next

There is a library with no parking, a theatre that we don't make the most of and a museum that seems always empty. I know of no other leakier or enterta not count in my opinion and have gone drastically down hill over the last 15 years TC/201 Yes There is but why go in if you don't feel safe TC/204 No There is nothing to do in the town centre other than the library there's nothing that draws people to our town because there's not much here TC/207 Yes As a small town there is a lot on offer, these should be supported to provide discounts to encourage accessibility for all TC/208 No Places have been closed down because of financial reasons but it causes problems which is down to the government. TC/211 No Leisure facilities are very poor, since the council sold out to Tesco and lost the leisure centre TC/213 No Again, Cinema, swimming baths and lots of pubs. TIC/44/ INO IFFCASE SEC ADUVE	
TC/228 No There's nothing entertainment wise in the town centre, unless you like pubs or sitting in McDonalds. Everything is out of the town centre, including the cin	ema, bowling, swimming etc
TC/229 Yes We have cinema and bowling and lots of eateries	
TC/230 No Most of the better places are outside the town centre.	
TC/231 dont use them never have to expensive in this day and age	
A cinema and a bowling venue doesn't seem to be enough of a lure; there are multiple gyms around but no activity centres like climbing walls, like an x-cap	e for an example, where
No everything is in one place. It would bring revenue and people to mansfield Could be a pool hall, for example when Riley's was in town.	
TC/235 No There is only the theatre. Everything else is out of town.	
TC/236 Yes Library, museum, superbowl. Could do with young children leisure/ soft play	
TC/237 No Too much on the periphery	
TC/238 No There is hardly anything left	
TC/241 Yes Lots of choice of pubs, restaurants, cinema, theatre, bowling, swimming etc	
TC/244 No I have had to join a private gym with swimming pool as council facilities can not be used when need due to clubs or schools so I am paying for something I	
What is there to do in Mansfield, really? There aren't any real attractions. The theatre doesn't really have anything good to show (or they aren't promoted	can't use
TC/245 No too small. And too much anti social behavior.	
TC/246 No Not a lot to do in the town so I spend my money in other towns and cities for my leisure and entertainment	
TC/247 No Not much happening in town on Sundays or on the week only Saturday night	
TC/248 Yes I believe there are but we do not use them as they do not appeal to us.

TC/249	No	There aren't any?
TC/250	No	More pubs closing as no trade comes into town and would benefit having more customers brought back to town by holding more events
TC/251	No	No, theres barely any cafes to choose from. And there ones there are (except capo louge/ and why not/ beales/ Debenhams café) the rest seem dated and dirty and when I look at the
TC/251	No	outside I don't want to try any of them out. Bring in more chain restaurants, not just greggs which is around every corner
TC/255	No	There are only alcohol/ pubs or places to eat, the library may run a few things midweek that's fab for those of us who work all day every day or you can take a child which is great as long
TC/255	No	as you have one.
TC/256	Yes	Leisure should not be a priority for Mansfield
		Mansfield has larger restaurant chains, but often people want a more intimate meal, so more smaller businesses would diversify the offer for local people. Entertainment consists of
TC/258	No	gyms, cinema, swimming pool, theatre, pubsyes, Mansfield has these, but nothing that will really draw in people from outside the locality to spend time and money in our
		community.
TC/259	No	Unless you drink at lot , Mansfield is a desert
TC/260	No	There is not very much to do apart from shops
TC/261	Yes	Pubs and restaurants are fine.
TC/262	No	There isn't
TC/263	Yes	Bowling, cinema, laser quest, restaurants
TC/266	Yes	Pub wise nothing else ??
TC/267	No	The leisure facilities that do exist for example cinema, bingo, ten pin bowling and the vast majority of chain restaurants are all situated outside the town centre creating no incentive to
		visit the town centre and thus causing a vacuum [ghost town!]
TC/271	No	Most entertainment not on town centre
TC/272	No	Other than nights out their isn't anything for children to do. Could do with a play centre for child so people with kids that don't drive can take their children to a play centre in the centre.
TC/273	No	Plenty of pubs but not much else
TC/274	No	Unless a drinker theres nothing much for you except comercial brand eating
TC/277	No	There is alot of pubs and cafes but not really much for kids
TC/278	No	I want to set up my own Gaming Lounge, which would help a lot to improve the social aspect of the town.
TC/279	No	It really depends on what you class as entertainment, get the market back on track, a few rides for the kids and a bit of music, bring the people back to the town centre
TC/281	Yes	There could be more activities for children but I suppose there is enough to do but cost loads of money
TC/282	No	Only the civic theatre and loads of pubs again it's scary st night
TC/283	No	Titchfield park has a stage that only get used once a year? More outdoor cinema days?
TC/284	No	I don't know if any leisure or entertainment in the town centre other than bowling. The leisure place is the one near Sainsbury's and even that is not very big or has much to offer.
TC/288	No	Apart from the theatre there is nothing!
TC/289	No	A part from the pubs what other entertainment is there in town
TC/290	Yes	I don't come into town for leisure except to go to the Theatre a couple of times a year.
TC/291	No	Most are situated in the retail areas just outside the main centre
		Unless you like drinking there is nothing for the children to do in or around mansfield unless you pay to go to a play centre, and the local parks are either damaged and can not be used,
TC/292	No	full of teenagers swearing, smoking and drinking or drug users passed out on benches or leaving there dirty needles everywhere, would rather go to Sherwood pines or rufford where I k
		ow their play Areas are well looked after and my children are going to be safe
TC/295	No	Night clubs have closed but I don't know whet the council can do Cut business rates maybe? Because soon there will be nothing to get businesses rates from.
TC/296	No	only swimming and museum around town to entertain kods or janjos playmania but they r out of town
TC/297	Yes	There's more than enough pubs and clubs for the small town that we are.
TC/298	No	There is very little effort that goes into family friendly entertainment without it being ridiculously high priced
TC/301	No	Theres just nothing to do. You go to town centre to get any essentials but after that you want to get away and go somewhere else for fun like Nottingham, Derby, Sheffield.
TC/303	No	Bowling, swimming, cinema are ok but what about indoor climbing, roller skating, escape rooms.
TC/305	No	Everywhere teenagers go to play football they either have to pay or th pitches are closed. In this weather you can't play on the grass you need an all weather pitch that is free to use like they have in Nottingham
TC/306	No	Tell me what leisure facilities there are
10/300	Ino	Tell the what leading facilities there are

Comment ID	Response to last question	Response to this question
TC/308	Yes	You've got gyms, bowling, bingo and cinema to name a few things you can do. More would be nice but not desperately.
TC/309	No	Cinema is out of town and too expensive. Not enough for young people to do. The theatre is great!
TC/317	Yes	Cinema , bowling, water meadows
TC/318	No	I feel like we could do with some where better to go swimming
TC/321	No	I'm really not sure if there are enough leisure facilities or not.
TC/322	No	Plenty of closed and empty shops town looks very scruffy
TC/323	No	There is only shops, pubs and cafes all entertainment facilities are away from the town centre and are driving trade away from the town center
TC/325	No	There wasn't an I don't know button. I don't drink and I don't do many leisure activities now, so I can't really comment on this properly. It would be nice to see more things suitable for people over the age of 50
TC/326	No	We need more things to entertain family and children
TC/327	No	One superbowl, a laser quest and one cinema (that's also old and in vast need of modernization) there is nothing else in town at all.
TC/328	No	Most pubs are shut, water meadows is overpriced and dirty. Can't think of anything else.
TC/329	Yes	I must admit there are lots of things to do in the local area compared to other areas
10/323	163	You have to go out of town to go to anywhere decent. Even Sutton has an ice rink. The council keeps taking key shops away from the centre which means the footfall is lower. Bad
TC/331	No	mistake moving the council to Chesterfield Road bad move letting tesco move too. We don't even have a leisure centre in town. Not every one drives and can get to the gym up oak tree.
TC/333	No	Nothing for kids to do , nothing to see only the museum and that's boring
TC/334	No	There's no entertainment at all just the museum and there's nothing but shops and nightclubs which isn't entertaining for kids at all.
TC/336	No	Well you tell me what there is and that's nothing do
TC/338	Yes	I think the museum is fantastic and the palace theatre, I think the attractions you put on in the holidays are good. It's the shops that need support to do better.
TC/339	No	there is nothing for kids to do in town hence why they all hang around the streets and harass people alot or swear ahout etc antisocial behaviour at a great high in mansfield not alot to do as an adult either unless you want to go out drinking
TC/341	No	We have possibly the dirtiest swimming pool in the UK. Water Meadows is an embarrassment. Not enough to encourage an active healthy lifestyle. Where we do have infrastructure like Sherwood Pines we allow the forestry commission to charge £6 for parking. Let's encourage more leisure and perhaps clean up what we already have.
TC/342	No	Cinema and restaurants are out of town.
TC/343	No	We only have one Cinema the cost the earth is this takes for 40 minutes to get there cos it's next to supermarket and restaurants not a lot of parking when you get there at night so you end sometimes going in the day when off work so it's easy to go to Chesterfield and the shopping is so much better or we go to Nottingham make a day of it shopping eating out and the cinema is so much better.
TC/344	Yes	Plenty of public house's and café's and we are also blessed to still have our own theatre which is a massive plus for Mansfield.
TC/348	No	No leisure centre thanks to council allowing Tesco's to build where our leisure centre should be, have to travel to sutton or shire brooke for leisure facilities
TC/349	No	Compared to southampton where i lived in the army, mansfield has nothing to do. Theres 1 cinema. 1 bowling center. No choice of decent affordable estaurants. Weekday sunday dinner is quids cheaper than a weekend so hard working folk have to pay top end prices whilst the lazy sods who claim n dont work get it cheaper. Unfair morally. Nothing pulls people to visit mansfield. Building hotels is puzzling me because who would visit mansfield?? Getting rid of the leasure center was huge mistake. The fair and other events was amazing there. Doing christmas switch on n fireworks at stags on a sunday is aweful when some of us are up ar 3 or 4am for work. Market never on on a weekend. Same with food market. Miss out on loads of stuff because i work for a living. Christmas market finishing so early was a stupid mistake from someone.
TC/351	No	There are very few entertainment venues (pubs exluded?
TC/352	No	There needs to be more for young people
TC/353	Yes	I suppose there is. There's the palace, odeon, superbowl, Titchfield park and water meadows, I think the ping pong place in the fours seasons is a good idea.
TC/354	No	The cinema, bowling and any activities are very expensive for families.
TC/355	Yes	I suppose there is. There's the palace, odeon, superbowl, Titchfield park and water meadows, I think the ping pong place in the fours seasons is a good idea.
TC/356	Yes	Yes there r plenty
TC/357	No	The best bars/restaurants and the cinema are located out of the centre and people use that area without having to walk through the town centre.
TC/359	No	I cant think of many places in the town centre which are classed as leisure or entertaining. There is obviously the palace theatre and the museum, and also the glazey place. Other than that, not much. I guess there is also Making it and Water Meadows but that's not really the town centre (Within ring road).
TC/360	No	There is nothing to do on an evening if tour a teenager
TC/364	No	Only 1 or 2 nice bars. No restaurants.
TC/365	No	There is nothing at all in the town to do
14/303	טאון	Timere is nothing at all III the town to do

Comment ID	Response to last question	Response to this question
TC/366	Yes	You have swimming, bowling, cinema and theatre facilities and football ground.
TC/368	No	There is nowhere to take young children other then the library there is nothing for teenagers to do to keep the out of trouble
TC/369	No	Leisure centres YES there's defo enough of those about!! Entertainment facilities however could be added to. Internet cafes, youth clubs, soft play centres/ or an inflatable park like Planet Bounce in Nottingham (currently the only one in Nottinghamshire and it's awesome!!), Ice skating rink, sports clubs for younger kids- my son loves anything to do with athletics but because he's only 6 there are no clubs for him to join! Boot camp for kids would be awesome- or some mini ninja warrior type course.
TC/370	No	Only got theatre in centre
TC/373	No	There is nothing to do around here without paying stupid prices.
TC/377	No	There's nothing in the town centre. It's all out of town now
TC/381	Yes	We have a multi cinema we have the water meadows and copious pubs & bars etc
TC/382	No	There are no leisure facilities directly in town centre.
TC/383	No	Needs more for teenagers to go to.
TC/384	Yes	There is table tennis in four seasons, library has various courses on. There was ice skating at christmas, a beach in the summer, different types of markets throughout year. Arned forces day ect
TC/385	No	Because planning permission was given to company's to take their business outside of the town centre.
TC/386	No	Need more things to do
TC/387	No	There isn't enough leisure facilities or entertainment in the town centre to cater for a variety of people. Most facilities in Mansfield are away from the town centre and in the outskirts.
TC/388	No	There is no green space, no cycle routes, no hotel, no evening cafes/market.
TC/391	No	There could be a lot more variety of entertainment. A decent live music venue, alternative restauran/ bar options
TC/393	No	1 theatre and a bowing alley hardly entertainment centre of the Midlands is it
TC/395	No	More coffee bars and restaurants required
TC/396	Yes	There are enough late night venues at present which are not sustainable without working a plan to encourage people to visit. Shops are closed, parking too expensive for the facility
TC/397	No	When you sell the only leisure centre we had to Tescos I think the answer is plain to see.
TC/398	No	Cinema bingo and eating places on the retail park with FREE parking. There are a lot of eating places in the town centre though.
TC/399	No	Poor choice in the town centre unless you want a coffee shop or ecig shop
TC/400	No	No facilities replaced since Mansfield leisure centre closed
TC/401	No	Should have built new cinemas restaurants and food stores in and around the town centre and give free car parking to get people in to make it prosperous.
TC/402	No	They are all out of town. Other than the Theatre, which is on the edge of the centre, there is nothing to attract people.
TC/403	No	Nothing to do
TC/404	Yes	I've enjoyed a few nights out and never had problems. I'm not sure what the above question refers to exactly
TC/405	No	In the town centre the choice is very limited. Bowling is the closest activity and it's expensive
TC/406	No	Living in Pleasley there are no leisure centres close, the traffic to get to the cinema is horrendous.
TC/409	Yes	Yes we have bowling , cinema and laser quest all close by
TC/415	No	Mansfield needs its own CINEWORLD; ICE RINK & Leisure Retail/Cinema/Dining Complex areas like in Nottingham & Leeds. Mansfield is DEAD & BORING.
TC/416	No	Would like to see more live events taking place ie:- live bands
TC/417	No	There are only pubs and a Super Bowl in the centre. Cinema, nice restaurants etc are out of town. Parking is costly too, so even if there was things to do I'd probably go out of town as it's cheaper and I would feel safer due to the amount of anti social druggies and scary state of the centre
TC/422	Yes	Most things are on the outskirts like the Super Bowl and cinema and swimming. The centre doesn't attract families, just people out on the piss.
TC/424	Yes	My children don't complain.
TC/426	No	The leisure centre has been demolished, many years ago and not replaced with anything of significant size. There are now only expensive, private facilities available. It would be nice to see more council funded facilities or at least activities available for all ages.
TC/427	No	A visitor would still struggle to find 'arts & craft' establishments amid a myriad of 'chain' businesses
TC/428	No	What do we have? An old museum? Can't really think of anything else that would bring people in to the town.
TC/430	No	Apart from shopping centre pubs and museum what else is there.
TC/432	No	Because there are limited things for anyone to do within the town centre
TC/433	No	I don't need to go into the town centre as there isn't much to do other than visit maybe 2 shops, library and possibly get a coffee. The museum is good and it's free but it costs too much to park to use a free service.

Comment ID	Response to last question	Response to this question
TC/434	No	Entertainment wise everything is generally not in the town centre, eg cinema, bingo good restaurants, ie in the retail park.
TC/436	Yes	I have answered yes but honestly do not know. There is a cinema, bowling, a swimming pool and various pubs and retaurants so it would seem adequate.
TC/437	No	There is no leisure facility in Mansfield, attract more sports peoplr
TC/438	No	Leisure as in gyms, swimming pools we have way too much of, entertainment you have not a lot, I hear a lot of people saying the capo lounge is the only nice place in the town and its relatively new, there's more entertainment on the outskirts like Nottingham road than the town centre. And when we do get something it's usually badly done on the cheap. We are a massive town with a lot of affluent areas but everything seems to be aimed at the poorest in the community so all the affluence won't venture into town unless they are desperate.
TC/440	No	Take away the pubs and cafes and there is nothing left
TC/441	No	Not much to do for young children.
TC/442	No	More choice of leisure facilities in any town would always be welcomed.
TC/443	No	Just a theatre or pubs
TC/444	No	All the ones in the town centre, with the exception of 10 green bottles, are over priced or unpleasant to be in.
TC/445	No	We're is there any?
TC/448	No	As above ,there is nothing in the town to encourage older people(40+) to visit the town centre in the evening. Craft ale pubs ,cocktail bars and finer dining needs to be encouraged to create a more cosmopolitan atmosphere
TC/450	No	There's not a lot in the actual centre, just a few shoddy bars.
TC/451	No	Would like more activities that would improve the health of the town. Places to exercise that aren't privately owned and expensive.
TC/453	No	In the centre itself no. Water Meadows, bowling etc very good but in the town itself very little.
TC/455	No	There's nothing new it's become a run down town
TC/456	No	Cinema is not town center, nice theatre but again if you don't drive there's no way to get home other than taxi
TC/457	Yes	Yes if you look quite a lot to entertain for the young
TC/458	No	I never see anything that interests me of my family
TC/459	Yes	There are only pubs. Nothing else in the way of leisure
TC/460	No	There is no leisure centre in Mansfield it was removed for a Tesco
TC/461	Yes	There are some really good facilities such as water meadows/cinema/library but most are very expensive. I wouldn't take my children to some events because of antisocial concerns and the type of people around the town centre.
TC/462	Yes	There are lots of nice things to do around Mansfield
TC/464	Yes	There are plenty of restaurants and the cinema and bowling and a few gyms, which I think is plenty for the size of the town centre.
TC/465	No	What leisure and entertainment facilities?
TC/466	Yes	I think the council provide well for families plus the theatre/cinema etc
TC/467	Yes	You have a choice of cinema, restaurants, bars and bowling
TC/469	No	The town centre has absolutely nothing leisure/entertainment wise, there is nothing other than shopping to draw anyone to the town centre, and who would choose to shop there when you can easily travel to Nottingham via bus/train. The town centre has no appeal, not even a market.
TC/470	No	More accessible sports facilities needed
TC/471	Yes	if anything there are too many nail bars, cafes, hairdressers very un even in options
TC/472	No	Because there are not.
TC/477	No	Most of the leisure and entertainment facilities are out of town
TC/479	No	More needs to be done to attract families and tourists
TC/480	No	Never enough things to do
TC/481	No	Not enough happening
TC/484	No	sorry we don't take part on any entertainment events as they're mostly on the evenings.
TC/485	No	have to go out of town for a lot of things, but the theatre is good
TC/486	No	There may be enough actual buildings but they're outdated and expensive, we would rather drive to Sheffield or other towns/cities than use Mansfield. The only decent thing is Rebecca Adlington swimming baths.
TC/487	No	Only the Palace Theatre is central to the Town all others are on the outskirts .
		There needs to be more for teenagers to do and perhaps more restaurants (not big chains) open in the evenings. also perhaps something for toddlers and small children to do so they
TC/488	No	dont get bored and perhaps parents would spend longer in town
TC/489	No	The centre of entertainment is not in the town centre but on an out of town centre leaving only the Palace Theatre in the centre of Mansfield which doesn't offer enough variety.

TC/491	No	I would like there to be a sports centre that my son could get to but the one at Oak tree is too far away without him being reliant on me.
TC/492	Yes	I think the town tries its best
TC/493	No	I go to Sheffield or Chesterfield to visit cineworld because there is only one cinema in Mansfield and I don't believe it is as good quality. I go weekly.
TC/494	No	Everything is being built outside the town centre. Why aren't we making use of all the empty shops?
TC/495	No	It's not too bad in Mansfield generally but there's little in the centre itself.
TC/496	No	Only pubs, lacking live music venues
TC/498	Yes	Plenty of gyms but could do with more places for the younger generation
-		, , ,
TC/499	No	Most are on the outskirts of town apart from bars and cafes.
TC/500	No	Unless you want to go out and get drunk there isn't really anything to do in the town centre at night and even less to do during the day!
TC/502	Yes	The facilities are there they just arent advertised or utilised to their full potential, however there is little to do for teenagers who jave taken to hanging around play areas for smaller children, this is very intimidating when there is a large group taking over the equipment, they may not be doing any harm but they clearly have nowhere else to go.
TC/503	Yes	They are not of a good quality.
TC/504	Yes	Most of bars are just managing to keep afloat but don't seem to put anything back into their businesses which would bring more people into the town.
TC/505	No	The leisure activities are out of the town centre (except for the theatre).
TC/506	Yes	We have a cinema, theatre, bowling alley
TC/507	No	Nothing for the youngsters at all not even allowed to be in a group absolutely pathetic !!!!!
TC/508	No	Shut Warsop leisure centre down So that MDC can buy one in Manchester great
TC/511	Yes	Good range of facilities for all ages
TC/512	No	I have nevet found a leisure activity in Mansfield that suits my needs
TC/513	No	None immediately come to mind
TC/516	Yes	Yes for size of town.
TC/517	No	What leisure and entertainment facilities are there?
TC/518	Yes	There are plenty of cafes / bars. Plus a theatre and a museum.
TC/519	Yes	Plenty of choice of bars, restaurants, cinema, bowling, swimming etc
TC/520	Yes	Mansfield could be such a fantastic town.
TC/521	No	Not enough that i confidently take my children too without having to explain why we are surrounded by undesirables
TC/523	Yes	Lots to do and see. Fun days out there.
TC/524	No	Events and activities would bring more people into town,
TC/526	No	Only when the kids are off school in the summer
TC/528	Yes	Yes and odeon and a cinema. Also quite a few gyms available.
TC/529	No	There's not much else to do
TC/531	No	There isn't much to do if your not a drinker. Not many facilities for kids and families
TC/532	No	Not enough for 7 n under
TC/533	Yes	The cinema etc is close by
TC/534	Yes	I do not use those facilities .
TC/535	Yes	There are for mepensioner, but I cannot speak for younger residents.
TC/536	Yes	The existing ones just need improving
TC/539	Yes	Swimming / bowling / shopping
TC/540	No	Just take a look yourselves it's tired dismally univiting
TC/543	No	I never use them
TC/544	No	Other than the Theatre, Museum and pubs there are no leisure facilities are there? You should make it clear what you class as a leisure facility, how far from the market place do you class as town centre? I love the theatre every time I go it has been a sell out or for my interests sold out and I have been unable to go as the theatre is relatively small for a town this size
TC/546	Yes	Guess if you mean rundown pubs and bookies yes there's enough
TC/547	No	Apart from the library and museum picture house onA60 traffic hurendus
TC/548	Yes	Leisure and entertainment is well covered.
TC/549	No	There are no leisure activities in the town centre
TC/550	Yes	There's a variety of things to do

TC/551	Yes	Bowing, cinema, loads of restaurants, good parks
TC/553	No	There is no entertainment for children Sutton has a ice rink Mansfield should have one too.
TC/FF7	No	Where are the venues for bands and other entertainment. The only place to go is Mansfield town football club and they are singlehanded doing a brilliant job of that. What events are
TC/557	No	Mansfield council putting on ?
TC/558	No	Please see answer above
TC/559	No	Few quality restaurants, cinema etc. Even the Civic Theatre is away from the centre.
TC/560	No	If you can afford it there's a lot but if you are on a budget there's nothing to do leisure wise and the same for entertainment
TC/561	Yes	Bowling, swimming, parks.
TC/562	No	What facilities are left in Mansfield town centre, I certainly don't see much going on during my visits. I was very impressed with the recent ice skating rink but feel this was not
TC/FC4	No	advertised enough. I visited Nottingham several times for the Christmas market during both day and night.
TC/564	No	There are no leisure facilities in the town center apart from pubs
TC/568	No	What is there to do? Leisure centre closed, to make room for another Tesco, which I must say is in need of a high level clean. It's filthy and a blot on the landscape. If I lived on West Bank Avenue I would complain about the dirty facades! It's not been cleaned in all of the time it opened. If there are leisure facilities where's the advertisement for these. If there is then that clearly needs looking at.
TC/569	No	There is not a lot to do
TC/570	No	No leisure centreit's now a Tesco taking business from small businesses in the town centre. Where do I go to now to play badminton etc?
TC/572	No	There just isn't.
TC/574	No	Nothing to do for children or families
TC/575	No	nothing to keep people in the tow3n centre for a long time
TC/576	No	I've said no because it's all centre around the pubs and clubs. It'd a drinking culture which means I avoid the centre at night or when a football match is on.
TC/577	No	Can only think of Super Bowl and the Cinema, which many families on a budget would struggle to afford.
TC/579	No	The only time there are things to do is summer and Christmas and then that's not great
TC/580	No	There should be a club for the elderly to get together daily, play games cards dominoes knitting crochet & learn each other new things like Arts & Crafts.
TC/581	No	There is only the Palace theatre
TC/582	No	What is available? Bowling cinema bingo pubs, would like to see more
TC/583	Yes	Plenty of pubs, could do with some more non chain local ale pubs.
TC/584	No	Good be better
TC/585	No	No. As above it would be amazong to have a more good quality variation of middle of thenroad eateries.
TC/586	No	The council closed the leisure centre so no where to go for leisure except swimming
TC/588	No	It is if you like drinking
TC/589	No	There is nothing of fun to do. You can't go to an amusement park or a zoo maybe an activity centre for all ages.
TC/590	No	Water meadows needs updating desperately or a bigger better pool built.
TC/591	Yes	The leisure and entertainment facilities are accessible, if not in the town centre.
TC/592	No	MDC have totally destroyed Mansfield town center
10/332	NO .	Wibe have totally destroyed Marisheid town center
TC/594	No	We need to be giving people a reason to shop and eat in town and there's isn't any. All the big brand restaurant chains are up on the retail park, they need to be in the town centre!
TC/597	No	Everything down tl money has been invested out on the retail parks out of town! Causing more traffic issues In Nottingham Rd.
TC/598	No	There are not enough. Empty space needs to be filled.
TC/599	No	Places like the leisure centre and Rileys have disappeared. With the exception of pubs and clubs, the only thing to do is the museum or the theatre, which are not places people will go to visit regularly.
TC/600	No	There is nothing for young people to do
TC/602	No	Again, all out of the town centre. Not enough live music venues
TC/603	Yes	Yes, enough. A more diverse option would be unsustainable
TC/604	Yes	Cinema, bowling, pubs, cafes, there's plenty to do, shame it looks so awful
TC/605	No	Have to travel out of town. The decent one is Sutton Lammas with everything inc an ice ring
TC/606	No	Missing leisure centres, squash / tennis facilities and similar that I grew up with
TC/607	No	Don't know of any leisure facilities and the majority of the entertainment are buskers.
TC/608	Yes	Yes there are some leisure and entertainment facilities, though there is room for improvement in this area as there are not many.
TC/609	Yes	table tennis gyms near by parks ect

Comment ID	Response to last question	Response to this question
TC/612	No	The town centre needs more social hubs as retail is dead.
TC/614	No	The Leisure Centre, now a Tesco, used to host music events, plays and sporting events. No where in Mansfield does that now, the stuff on offer at the Palace is dire.
TC/615	No	Most entertainment and leisure facilities are on the edges of town and not in the centre
TC/616	No	I feel like there should be more leisure and entertainment
TC/617	No	Apart from cafés, there is no leisure facilities at all
TC/619	No	What leisure / entertainment facilities??!!
TC/620	Yes	Lots of bars and resurants, bowling, cinema plus all the leisure facilities
TC/621	No	Bowling could be updated, better cinema.
		Parking is one reason why I do not shop in Mansfield - only time I do is if I need something at lunch like the Post Office. The other is personal safety. Wouldn't take my kids there as feel
TC/622	No	threatened with gangs.
TC/626	No	There's never enough to do. More is always welcome.
TC/628	Yes	Cinema, leisure centres, bowling, etc, quite a bit to do with friends/kids
TC/630	No	Need more leisure facilities in Mansfield. Not a silly skating ring at Xmas that lost the town thousands.
TC/631	Yes	Theatre, pubs and clubs.
TC/632	No	Nothing to do for old or young ex ept hang around causing trouble. Any leisure or educational activity is too expensi e
TC/634	No	More events on market please.
TC/637	No	Cinema moved out to retail park-inaccessible. Most pubs and restaurants that do food are outside the immediate town centre
TC/638	No	Need more for all age groups.
TC/639	No	We don't even have a leisure centre
TC/640	No	There is a lazertag/escape room at the old Village nightclub. There are some restaurants. That is it.
TC/641	Yes	Entertainment is sufficient I would rather have a vibrant market town like we used to have. Bring back the children's roundabout that's all the entertainment it needs.
TC/642	No	Nothing in the town centre apart from pubs, all other entertainment is further out.
TC/643	Yes	Self explanatory
TC/644	No	See above. Apart from the theatre, what other entertainment is on offer - apart from a couple of talented buskers?
TC/646	Yes	There's plenty of things to do around Mansfield, be it cinema, bowling, I jump, lots of nice places to eat
TC/647	No	Nothing to do.
TC/648	No	Comedy club would be a good idea.
TC/650	Yes	Swimming/bowling etc all good
TC/651	No	Nothing in Mansfield to attract people to vidit
TC/652	No	One entertainment venue with poor acts on
TC/654	No	Too many pubs, bars, cafes and restaurants
TC/655	Yes	We have a baths, bowling alley, leisure centres, ice rink and parks. They are all of a good standard.
TC/657	Yes	Many local gyms and clubs sharing membership. I don't personally use though.
TC/658	Yes	Too many pubs and cafes
TC/659	No	Gyms and swimming? That's all what happened to leisure centre etc
TC/660	Yes	The theatre, museum and library are very good. I don't eat out or drink so can't come by on those things.
TC/663	No	My answer is not sure but this wasn't an option
TC/664	No	There is not enough for young people to do
TC/666	No	Are we including eating/drinking out as leisure? Yes if we are, no if not.
TC/667	No	Why would anyone open anything of worth. Not enough footfall to maintain trade.
TC/668	Yes	Probably, Mansfield made good use of the old leisure centre with big entertainment names, wrestling was popular.
TC/669	No	I'd like more interesting places and bigger shop brands
TC/672	Yes	I can't really comment on the above as I tend to now move out of Mansfield for entertainment (pubs etc) apart from the theatre.
		Mansfield is a huge town, the facilities need to reflect that. Rather than comparing itself with other towns, other small cities should be looked at instead to see what else we could
TC/673	No	benefit from.
TC/675	No	Except for bowling swimming and cinima which are all expensive theirs nothing else to do the parks are rubbish and babyish nothing for kids aged 10 upwards to do
TC/676	No	See above.

TC/C77	No	Mans field have not moved with the trendy times, people want to and trendy street food stalls, making all number of multicultural food and Music for a real trendy happy vibe. Not greasy
TC/677	No	food vans that just cater for chavvy overweight fatties.
TC/678	No	Nothing in centre all at Nottingham rd
TC/679	No	I find it hard to identify a leisure facility in the centre. Water meadows is out of town
		Would love to start taking my daughter swimming however water meadows is in dier need of updating and deeply cleaning. The last time I went the place was filthy and stunk of stale
TC/680	No	urine and was dark grime all on the floors (this was in the morning too) and staff were too busy talking about their weekend events and what happened at someone's party to care.
		when I complained management did nothing so I cancelled my daughters swimming lessons and haven't been back since.
TC/681	No	Everyone is privacy owned so nothing from Mansfield council
TC/682	No	Don't think there is enough for people today to do
TC/685	Yes	Plenty of restaurants and coffee shops. Just no parking to use them without it costing you to park.
TC/686	No	There is very little at present
TC/687	No	Aside from water meadows there's hardly anything to do
TC/688	No	Cinema and other leisure facilities are really expensive, especially for a student. I feel there is nothing to do or go to. McDonald's is a meeting point and a place to go but as young people
10/000	No	we get kicked out. I understand some groups can be anti-social but all young people get treated the same! I feel too old for the youth club.
TC/689	Yes	There are lots of facilities, but most are expensive.
TC/690	Yes	Cinema,
TC/691	Yes	Very very expensive
TC/692	No	Every thing is out of town
TC/694	No	Facilities are out of town
TC/695	Yes	Yes lots of good things on the outskirts. Bowling, swimming. Etc
TC/696	No	We need a couple of quality restaurants and in m opinion we also desperately need a couple of hotels. The town is crying out for that.
TC/697	Yes	There is a lot to offer in relation to a cinema, swimming baths, bowling but it's a good job as my local pool at warsop was closed down a year ago.
		The theatre is great and I go at couple of times of year. It's rare I would find a live music event to my taste. Why don't any decent bands play in Mansfield town centre? Now the Leisure
TC/698	No	Centre has gone, there is no where for them to perform. I remember seeing excellent bands there and a Shakespeare play. There is no sports centre in the town. We have to go to Maun
10/698	No	or Oak Tree. We have a bowling alley. That's it. I rarely go into town at night to the pubs. I feel I'm too old and they're all too noisy or scruffy. There are nice pubs out of town, but it
		costs me a fortune in taxi fares. It's a special treat.
TC/699	Yes	Its average.
TC/702	No	Nothing to entertain children or teenagers.
TC/703	Yes	Not maybe directly in town but there is in surrounding areas. Maybe too much by Sainsbury's. Traffic terrible. Big mistake there
TC/704	No	There's nothing for younger people to do.
TC/705	No	Nothing for kids to do to encourage community spirit. Need a reason for people to visit.
TC/706	No	Other than food/drink there is only bowling in the town centre. Nothing else you could walk to once parked up.

TC/708	Yes	There a good chose of these in and around the town

TC/711	No	Variety is not good
TC/712	Yes	Plenty of cafes etc, pubs,
TC/713	Yes	Lots of nice pubs and cafes meaning Capo and then you get a load of young men sitting outside on the floor spitting and drinking from cans. Where is mansfield Bid at night or some kind
10/713		of security
TC/714	No	There are no activities and entertainment only ice skating.
TC/715	Yes	Fair/fete.
TC/716	No	Nothing for young people to do.
TC/717	No	Because ther is nothing for younger people to do.
TC/718	No	not enough to do for young people that is affordable.
TC/719	No	There are facilities but all too expensive
TC/720	Yes	we do have gyms, cinema ect
TC/721	No	There are facilities but all too expensive
TC/723	No	What's available is poor.

Comment ID	Response to last question	Response to this question
TC/724	No	As above. Unless I need a bank I have no purpose to go in. Nothing there
		We have plenty of entertainment such as escape rooms, lazer quest, ping pong, local parks. Maybe more free options should be available though as not everyone can afford to do some
TC/725	Yes	things.
TC/728	No	there isnt much really
TC/729	Yes	The theatre is great, the library has regular events but they are undervalued, not many people go to these events.
TC/732	No	Need to encourage families to visit
TC/733	No	You moved it out of town. There is nothing to offer snyonr
TC/735	No	It's onky ok if you want to goto the pub.
TC/736	Yes	People don't use the ones that are there now
TC/739	No	Have kids but never bring them into town
TC/740	No	Could do with more things for children/ teens to do
TC/741	Yes	We have palace theatre, cinemas and fitness centres. Now council are monitoring berry hill park more athletics etc will take place
TC/742	No	Nothing happens
TC/746	No	There needs to be more family entertainment, especially in early evening, more family restaurants.
TC/740	N	In the last few months aside from the light switch on despite coming into town once a week at least and being active on social media I have seen nothing regarding events in the town
TC/749	No	center or things to do, aside from overpriced watermedows there's nothing
TC/751	No	Cinema and bowling are overpriced. Rather go to worksop as it's cheaper there
TC/754	No	If you dont drink there is nothing to do in mansfield
TC/755	No	Other than shopping there isn't really anything to entertain people especially youngsters who get bored quickly.
TC/756	No	leisure facilities on the outskirts or town, not much variety
TC/759	No	There isnt enough to do to make you want to stay long
TC/760	No	Other than watermeadows(which is due a face lift), there isn't much to do
TC/766	Yes	Plenty of bars and cafes cinemas hard to get too without transport same as the bingo the ones in the central town have gone
TC/768	Yes	There are plenty of activities we take part in within Mansfield
TC/769	No	I can only think of 2 leisure facilities which are child friendly in town although there are plenty of pub and clubs for adult entertainment
TC/770	No	There was a great leisure centre in the town but was knocked down to make was for TESCO the nearest is the other side of Mansfield
TC/772	No	Everything is always for the older children. What there is for the younger one we are not able Todo due to the times they are on
TC/773	No	Out of date.
TC/775	No	Nottingham is buzzing all day and night. We need to create this sort of atmosphere in the town.
TC/777	No	Nothing to do full stop!
TC/778	Yes	Manafield has made an effort with events such as xmas market and ice eink I just don't feel that safe bringing my childninto town
TC/779	No	Not at all we need attract more acts to the town
TC/783	No	Council are making really good strides here but Christmas market up to Christmas would be good. I've rink was an exceptional initiative and more thinks like this would be better. Big
10/765	No	wheel etc - stop footfall going to Notts.
TC/785	No	there is near nothing for young people within the centre and nothing for adults which isnt a weatherspoons
TC/786	No	We n.eed a bigger market like other towns
TC/788	Yes	Millions of pubs Iol. Swimming baths, museum, theatre, bowling, parks, cinema, library, soft play, laser tag. There's lots to do but most costs money.
TC/791	No	Everywhere is closing down
TC/792	No	You sold the leisure centre site to Tesco and haven't done enough to replace that facility either in the town or in the outlying areas.
TC/795	No	You tell me what leisure and entertainment facilities exist in the town centre, as I can't find any!
TC/797	No	All out of town
TC/799	No	Compared to our nearest rival, Chesterfield. We are really lacking in any creditable entertainment. Why would you go into town to be entertained?
TC/801	Yes	I guess I believe that there are lots (and lots!) of things to do and a great many are free. But beyond the normal minimal town expectations of a cinema and a swimhole, much of it is enjoyed by less people all the time (old collierys, train tracks, biking tracks, stately homes, lakes, parks etc) and unfortunately prevelence in the modern world moves further and further aeay from anything old or outdoors. Theres lots to do, but you will loudly hear the opposite because the options are increasingly not what people want. They want micro pubs and state of the art indoor health and spa centres. Marketing I guess could take some of the fall but for this one at least the problem is not that there is nothing to do. The problem is more that we want unicorn shit and we want it yesterday - and dont you dare charge us for it!
TC/807	No	Apart from pubs there is nothing in the 've her to do

Comment ID	Response to last question	Response to this question
TC/810	Yes	Good selection of bars and restaurants both in and out of town. Also we have sports and social activities for all types and ages.
TC/811	Yes	Swimming, bowling, shopping, restaurants the town has a lot to offer.
TC/812	No	See answer above
TC/816		Generally good but when parking is so expensive. Need to do more with theatre etc. Comedy acts, musicals etc better promoted. Drive the centre as a leisure and experience centre.
	Yes	People want experiences not just sausage rolls and cheap shops. Lower rates for startups etc
TC/817	Yes	It has plenty of leisure facilities pubs bars restaurants and gyms.
TC/820	No	No comment
TC/024	No	Many of these facilities have moved out of the town centre and are causing traffic congestion in areas such as Nottingham Road near Sainsbury's- it would be much better to have
TC/821	No	Nando's and the cinema (for example) in the centre of the town.
TC/822	No	Plenty to do but not in the centre
TC/823	No	I cannot think of any leisure facilities in the centre of Mansfield apart from bowling alley. All the leisure activities are outside the central area.
TC/825	No	Not enough
TC/826	No	The only good thing leisure wise is titchfield park
TC/828	No	There just isn't any in town other than pubs.
TC/829	No	Too many empty places
TC/830	Yes	Really good theatre / museum / cinema / resturants
TC/831	No	Cinema, bowling alley, swimming not much is there
TC/833	No	There are no places I class as entertainment
TC/834	No	There is always more entertainment needed. Although, more shops would help.
TC/836	Yes	Only aspect of Mansfield that is plentiful
TC/837	No	Are there any? Anything for a family to go to? Other than the theatre and museum, I'm struggling
TC/838	No	Nothing in the town centre itself.
TC/841	No	Nothing since the leisure centre had gone
TC/842	No	Theres a lack of both in my opinion
TC/843	No	Too many people just hanging around , no near access to sheltered public safe areas
TC/844	No	No replacement still for the Mansfield leisure centre.
TC/845	Yes	Cinema, bowling and lots more fun to have would like a tiny bit more
TC/846	Yes	Enough for us but then we are older generation
TC/848	No	Not many leisure facilities and what there is needs updating
TC/850	Yes	The cinema, bowling and pub front is improving. As are the restaurant prospects. We need more growth like this to attract business
TC/853	No	You've taken away the leisure centre in Mansfield for the sake of yet another Tesco store, and the people that can't drive have to rely on public transport which isn't adequate enough.
TC/855	No	All on out side of the town
TC/857	Yes	Too many pubs but some nice eateries
TC/858	No	Absolutely nothing! Water meadows needs flattening and rebuilding. Their is nothing for anyone to do
TC/861	Yes	Yes, for a town this size the leisure facilities are good. Shops may be closing but I'm happy we still have a lot of independent cafes and restaurants.
TC/864	No	The biggest mistake was to get rid of the leisure centrebut we know how that happened
TC/866	No	Everything has moved out of town
TC/867	No	The town center needs more restaurants.
TC/870	Yes	We have lots to do all in close range.
TC/871		Again there is no effort to provide new activities for the district and there is nothing for a child if there are disabled. Mansfield district council can not even provide accessible changing
1C/8/1	No	facilities when you do provide entertainment so alot of the disabled community miss out because of this.
TC/872	No	Hardly anywhere decent to eat and drink, events are dire, theatre programme is awful, no culture. Cinema is ok but out of the centre.
TC/873	No	There just aren't enough things to entertain like other similar towns.
TC/875	Yes	Only Jono Edwards jeeping Mansfield goingrespect
TC/876	No	Most are out of the town center such as the cinema.
TC/877	No	The town centre entertainment is mainly pubs. I know we have the theatre (which I do use) but there's not much more.
TC/879	No	All there seems to be is empty shops and a lot of cafe's and nail bars.
TC/880	No	It depends on what type of leisure / entertainment you want, also depends on what is classed as the Town Centre, it would be good to have nice bars and restaurants.

Comment ID	Response to last question	Response to this question
TC/881	No	Very little to draw visitors to the town.
TC/884	No	You never stop looking to improve and increase leisure facilities!!
TC/885	No	There are no leisure facilities, unless you mean pubs or restaurants, please tell me if I am wrong
TC/887	Yes	I think theres enough but some lack quality
TC/890	Yes	The theater , swimming & gyms are all good
TC/891	No	Would like to see comedy clubs, or entertainment club for open mic nights / music nights etc? Maybe the palace theatre could host.
TC/893	No	There is very little to draw me into the town at night
TC/896	No	No music or cultural events.
TC/900	No	Apart from the Museum and theatre I can't think of anything else.
TC/901	No	The only worthwhile leisure & entertainment centre is the theatre and museum and the theatre is far too expensive. The bars/pubs don't feel safe and the cinema is too far out of the centre of town and is over priced.
TC/902	No	Definitely not enough
TC/904	Yes	It's abit of an unsure answer to be fair, coz I'm picky about what sort of leisure of activities I want to do
TC/906	Yes	We're have a lot of places
TC/907	No	Need to offer things like live gigs and something different
TC/908	Yes	I enjoy visiting the Palace Theatre and there are some small restaurants around. Unfortunately most people only seem interested in places to get drunk. I would not visit an eating place in town after dark as I have no desire to be walking around town at that time. Bowling and cinema (in particular) are away from the center of town and have their own parking facilities. Many of the pubs out of town offer reasonable eating places without having to run the gauntlet of the local undesirables.
TC/910	No	There I'd no entertainment other than pubs and clubs. Nothing for families within the centre
TC/911	Yes	Mansfield town centre doesn't require leisure facility, this belongs just outside the centre as is currently. What entertainment would be needed in this town centre? We don't need another Cinema, we need a busy shopping environment. Perhaps we should try and replicate a City which has many bustling shops such as, Manchester or Birmingham etc.
TC/912	No	Bowling alley is shocking, no town centre hotel. There are "chain restaurants" hear Sainsbury's but the traffic is appalling a good collection of chain restaurants like Zizzis and pizza express etc would be great!
TC/915	No	There is hardly anything other than shops and places to eat.
TC/916	No	There's a theatre and museum I struggle to think of other?
TC/919	No	There is nothing in the town centre, especially for young people.
TC/920	No	There's not much for younger children do go to like at weekend or holidays whiles there off school
TC/922	No	Not much in the town itself
TC/923	No	There are some leisure facilities although these are either dated or expensive.
TC/924	No	There is nothing in the centre of the town to attract people. We have a very large Open area in the centre of Mansfield where we could hold something for all.
TC/926	No	Could do with a town centre gym to attract people more events to bring people in so there aware high street shops still exist
TC/927	Yes	There are but mostly focused at younger children.
TC/928	No	come out of pantomine at xmas with kids straight into drunk swearing gangs
TC/929	No	The sell off and closure of Mansfield Leisure Centre, just a stones throw from the town centre was outrageous. It hasn't been replaced, and yet again, more of our money has been squandered.
TC/932	No	I would like a secure dog walking field where dogs can run without fear of being killed on a road. There are not enough facilities for dogs and their owners.
TC/933	No	There is hardest anything in the town centre at all apart from closed shops charity shops and pop up that sell crap
TC/936	No	Entertainment is not situated right in the town centre but is further out, such as cinemas.
TC/937	No	McDonalds isn't a leisure facility
TC/938	No	Only places are expensive. Council funded eg water meadows is cold. Other council Pools have no fun area. Library is ok but only so many times you can go to the same place.
TC/939	No	More leisure and areas to dwell
TC/940	No	Starting by knocking down the leisure centre for another not needed Tesco (yes I'm Aware it's all about money). There is very little to bring you into the centre. The cinema is miles away, the bars are poor compared to other places.
TC/942	Yes	Don't use any
TC/946	No	Need more things for youths to do
TC/947	Yes	Shops need to come back before any further entertainment
TC/948	No	There are none.

TC/949	No	Town centre needs cinema
TC/050	No	There is not enough of these facilities. 90% of leisure and entertainment facilities are outside of the town center, and what is in the town center is dreadful when compared to similar
TC/950		districts.
TC/951	No	There not enough for every age
TC/953	No	No facilities for young people (btw I am 68)
TC/954	No	Not enough young people staying in the town and the people that kept the clubs and bars running previously are becoming old.
TC/957	No	Need more Sports facilities and not enough things to do for children. Insufficient Leisure and entertainment facilities to motivate people into going to Town Centre. Need a computer
10/957		games or Arcade for games and not gambling.
TC/958	No	The few activities that exist are either tired or lack luster.
TC/959	No	No of any interest for me.
TC/960	Yes	Don't know would have been a better option for me.
TC/962	No	Pubs selling cheap alcohol does not count as entertainment and there are no leisure activities.
TC/963	No	Shortage of good cafes
TC/964	No	As above.
TC/965	Yes	The cinema, bingo, clubs, pubs etc.
TC/966	No	Not heard of any
TC/967	No	The public facilities such as swimming pools are unclean and expensive to go to, cinema is extortionate, parks are full of groups of undesirable people and foul language.
TC/969	No	A bowling alley which is expensive if a family go. A swimming pool that has seen better days as well. You need to be encouraging more to come here

TC/3	Yes	Plenty of office space
TC/4	Don't know	I don't know what the situation is with office accommodation.
TC/5	No	There are currently no hotels in the town
TC/8	Yes	Rosemary Centre (upstairs) has been mostly unoccupied for at least the last 5 years, the Queen Street development filled up quite quickly on opening but is now almost empty and the office space over HSBC bank in the Market Square is empty. Moving outwards, Hamilton Road is by no means full and the new build on the A38/Rainworth bypass has attracted no occupants. The Pennement Farm development is likely to go the same way. There is more than enough spare capacity if anyone is brave enough to try it.
TC/10	Yes	There must be plenty of suitable office space in empty first and second floor rooms above many of our shops that could be put to good use if required.
TC/11	Yes	I don't work in Mansfield but seems a lot of To Let signs when driving around.
TC/14	Yes	Seems to be all there is
TC/15	Yes	Empty spaces already
TC/16	Yes	Plenty of empty offices
TC/17	Yes	There are empty office spaces within easy reach of town
TC/19	Yes	You need shops not offices in a town centre a lot of shops are empty
TC/20	Yes	There are empty offices all over town
TC/21	Don't know	I don't use office accommodation.
TC/22	Don't know	Are there enough people in work to occupy the office space that currently exists? If not, then the answer is Yes.
TC/26	Don't know	Not sure but plenty office space to let signs around.
TC/28	Don't know	Let's hope that there isn't and there is no more space because it's full. Otherwise how can Mansfield and Ashfield dc s justify some of their business developments along the Marr?
TC/30	Don't know	It's not anything I know about
TC/33	No	Not enough high quality office. Again happy to discuss this in further
TC/35	Yes	New hotels being built
TC/36	Don't know	I am retired an don't need to use this facility. I never worked in the town centre.
TC/38	Don't know	Not sure
TC/41	Yes	Plenty
TC/44	Yes	I think we need shops .
TC/45	Yes	There's no need to try and compete with Ransomwood etc In order to renovate the property to the same standards as local business parks, you're going to be wasting money as the ROI will not be worth it.
TC/50	Don't know	I'm not aware of how much or how little office accommodation exists
TC/52	Don't know	Not familiar with businesses in the town centre
TC/53	Don't know	I'm aware of office facilities above some shops but they aren't well advertised.
TC/58	Don't know	Midland hotel is a dirty disgrace. Thank God the football club will be building something
TC/66	Don't know	Don't work in Mansfield
TC/68	Yes	There are plenty if empty buildings that could be used as offices
TC/70	Don't know	It's not something I'm aware of
TC/77	Don't know	I don't have any knowledge of accomodation in the town.
TC/79	Don't know	I've not looked into finding office accommodation
TC/85	Don't know	Not something I'm aware of.
TC/88	Don't know	No idea.
TC/91	Don't know	I don't know
TC/92	Don't know	It's not something I tend to get involved with as I have a shop not office
TC/93	Don't know	Wouldn't have a clue
TC/94	Don't know	But if we did have call centres this could bring extra business with staff using local shops/ cafes etc.
TC/95	Don't know	I work in Notts so not sure.
. 5, 55	2011 CKIIOW	I work in Nottingham. There does seem to be a lack of any major employer in Mansfield and graduate opportunities seem non existent. In my opinion Mansfield would also benefit
TC/96	Don't know	from moving more residential developments into the town centre to increase footfall through the town and to breathe life into some of the derelict sites close to the centre, such as
TC/07	Vac	Rock Valley, Great Central Road (brewery site), the whole area behind Church Street/White Hart St/Dame Flogan Street.
TC/97	Yes	Lots of empty office space

TC/168 Yes i dont think office accomodation is what brings shoppers into town	
TC/170 No I looked into this a year ago. Prices too high. Need cheap incubation desks/units for start ups.	
TC/174 Don't know Don't know enough about what offices are in town already	
TC/179 Yes Far too many empty ones	
TC/181 Don't know never looked	
TC/183 Yes Plenty of local businesses that offer B&B. Also with the imminent Mansfield Town football club development will more that satisfy the t	town. Don't build more!!
As I no longer work,, having retired some while ago, I am not up to date with information regarding office accommodation. I used to wo the closure of the local Jobcentre, post office etc there are now many less workers in the town centre which is bound to have an impact	•

TC/219	Don't know	I don't see any office accommodation in Mansfield
TC/222	Yes	Because there seems to be nothing hut offices
TC/227	Yes	Don't know that to be honest, but there seem to be plenty of offices to let
TC/229	Yes	Most of it is empty so clearly enough
TC/230	Don't know	I don't know whether there is a demand for more office accommodation in the town. Out of town offices are more accessible and have parking.
TC/231	Don't know	no interest to me
TC/234	Don't know	Not applicable to myself, however often see to let boards
TC/237	Don't know	Haven't worked in Mansfield since I closed an office there.
TC/238	Yes	Too much
TC/241	Don't know	Not relevant as I am local so don't need hotels. Aware two being built so would probably say yes.
TC/245	No	I don't think there are many jobs in Mansfield Town Centre other than retail.
TC/249	Yes	Vacant stores means plenty of office space
		There's loads of boarded up buildings. They need to be refurbished and advertised. Bring big companies into Mansfield as they would have cheaper rent if they moved here
TC/251	Yes	compared to being based in big cities and would save their money too. Mansfield should court global companies and Tech companies to set up base in our area. This would bring in
		different people, more jobs and make the area more desirable.
TC/252	Yes	too much - lots of empty building. why build new buildings?
TC/255	Don't know	I'm sure I don't notice any offices
TC/257	Yes	There are a lot of empty office space in the town centre.
TC/259	No	Many small businesses would like to start, but a huge lack of office/business space, is the main stumbling block.
TC/260	Don't know	Not really sure as I don't need it
TC/263	No	Was looking for new office space last year and couldn't find anything suitable
TC/267	Yes	Too much exists already that is unoccupied for example Clumber House situated on Clumber Street, 39 Stockwell Gate & the former DWP building on Commercial Gate.
TC/271	Don't know	Not applicable to me
TC/272	Yes	More offices than shops and cafes
TC/273	Yes	Plenty type of empty space
TC/274	Don't know	Not in my remit as a resident
TC/278	Yes	Shouldn't really be any for me to be honest. Would be far better in a localised business park.
TC/279	Don't know	I don't go into town to look at offices
TC/283	Yes	There are units in walking distance from the centre that are unused. Use them.
TC/289	Yes	Most companies don't have offices in town mainly out of town and home offices
TC/290	Don't know	Because I don't have a business
TC/292	Don't know	I do not require office area
TC/293	Don't know	Because i am retired
		I don't know but I imagine there's currently no incentive or advertising for an office in the town centre. Employees would have to pay for parking etc. The council should think about
TC/295	Don't know	startup incentives and advertising these out of Mansfield.
TC/298	Don't know	I dont know that information
TC/301	Yes	Refurbish old buildings and rent them out to big companies
TC/303	No	There should be more hotels to encourage tourists to the area. Centre Parcs is far too expensive. Many local attractions - Sherwood Forest, Creswell Crags are only 20 minutes away.
TC/308	Don't know	I don't know as I don't use offices in Mansfield so can't comment.
TC/311	Don't know	I have no idea how much office accommodation there is currently
TC/318	Don't know	I honestly don't know about office space
TC/321	Don't know	I'm not sure. I no longer work in town.
TC/322	Don't know	I don't know it's not clearly advertised who has offices in town
TC/323	Don't know	I don't know what office facilities there are in mansfield
TC/325	Don't know	Don't use it so can't answer
TC/326	Don't know	Don't no
TC/333	Don't know	Not really bothered about office accommodation, it's shop we need
. 5, 555	DOM CKNOW	Indication, source of about office accommodation, it is shop we need

TC/334	No	No one cares about office accommodations accept for business people and not everyone is a business person.
T0/220	.,	I don't think it's used well. There are a lot of empty lots and could be used to get in more small local shops and I think money needs to go toward helping with rent and financially
TC/338	Yes	helping these small shops open and stay open. I have heard rent for spaces is to expensive and it's not sustainable for small businesses.
TC/339	Don't know	dobt know im sure there is
TC/353	Yes	There seems to be too much space as you see a lot of empty buildings, offices and shops.
TC/355	Yes	There seems to be too much space as you see a lot of empty buildings, offices and shops.
TC/356	Yes	Yes plenty
TC/359	Don't know	I don't really understand the question. Is this offices in general for companies? Or offices for us as mansfield employees?
TC/362	Yes	There appears to be too many unused buildings already
TC/366	Don't know	No interest in office space.
TC/369	Don't know	Probably and if there's not then you could always use one of the empty shops for offices.
TC/381	Don't know	I don't know how many offices there are but I do know as a self employed person that office prices in Mansfield are high compared to Shirebrook
TC/384	Don't know	I have no idea about office space in the town
,		Small business hubs with incentives like tax breaks and reduced rates are fantatstic for bringing jobs into the town centre which will lead to an increased footfall and the start of a
TC/388	No	community. But there must be equal creation of green space, residential, transport to facilitate to exapnding community. Small service businesses like cafes, barbers, newagents,
. 6, 355		prfessions and banks will migrate back to serve these.
TC/390	Yes	Yes, it it was actually used. Moving the council offices out of town was a big mistake.
TC/395	Yes	No need for any more
TC/396	Yes	Mostly derelict and unused
TC/397	Don't know	Why would a common working man worry about office space in Mansfield.
TC/399	Yes	Probably too much
TC/400	Yes	Civic centre
TC/400	Yes	
		Plenty above shops- why would we want more offices? There ate numerous business parks in Mansfield.
TC/404	Don't know	there is plenty of office accom around Mansfield. I don't see the centre as being relevant to this question, other than it could boost day time activity.
TC/405	Yes	That's all that appears to be taking up vacant space
TC/406	Yes	Mansfield has lots of office space some of it empty.
TC/413	No	The town really lacks on this point in my opinion. Anything that is of decent quality is outside of the centre. The closest is Chadnurn House, which in itself is look extremely tired and
TC/447	V	in need of some TLC.
TC/417	Yes	Far too much, and it's a shame there is not enough business to fill them
TC/422	Don't know	Don't work in an office
TC/424	Don't know	Not involved.
TC/426	No	I wouldn't know where to send visitors to the area to find accommodation in Mansfield, it seems to be in very short supply.
TC/428	Don't know	No idea,
TC/431	Don't know	Totally irevalant.
TC/436	Don't know	As I don't run a business I would not know the answer to this question.
TC/438	Yes	There's loads up for rent
TC/440	No	Lots of first and second floor accommodation could be used.
TC/444	Don't know	I don't know
TC/448	Don't know	I would assume so as there appears to be plenty of buildings to let
TC/450	Don't know	I'm planning to set up my own business in the next 12 months or so but will probably look to Ashfield.
TC/451	Don't know	Not sure
TC/457	Don't know	Not in work now retired
TC/461	No	Speaking from experience there isn't enough commercial properties in Mansfield town centre.
TC/462	Yes	There are always lots empty
TC/464	Don't know	It's not something that I would know about.
TC/466	Don't know	Not something I've looked at!
TC/467	Don't know	Never needed office accommodation
TC/471	Don't know	i know there are empty buildings and some run down abandoned ones
TC/472	Don't know	I dont know what the demand is.

Comment ID	Response to last question	Response to this question

TC/487	Don't know	Don't have any need for offices .
TC/488	Don't know	I've not really taken notice but there are enough empty buildings that could be utilised
TC/492	No	Hard to get decent commercial buildings
TC/493	No	There is currently no known affordable, trusted, accommodation in Mansfield such as travelodge or premier inn.
TC/494	Don't know	I have no idea how much office accommodation there is in the town centre.
TC/499	Don't know	There does seem to be lots of empty buildings that could be used though.
	Yes	Lots of office space
TC/502 TC/504	Don't know	I think before 4 hotels appear it would be nice to see if one could make a go of it.
TC/506	Don't know	I do not know what provision is available and who requires it.
TC/508	Don't know	Not sure
TC/512	No	I have dtayed in hotels all over the UK for work. We have nothing to compare with other towns in the country
TC/517	Yes	Quite a few office buildings
TC/527	No	To build four hotels is not realistic for the size of the town
TC/529	Yes	Probably too many office and not enough shops
TC/531	No	There isn't enough???
TC/533	Don't know	I've not needed it so never looked
TC/534	Don't know	not something I have considered in depth
TC/540	No	You should have brought the council offices tax and job centres etc into the old council office to assist in part in increasing footfall
TC/544	Yes	Offices coming out of our ears more office space than shops
TC/547	Don't know	I live locally don't use accommodation
TC/548	Yes	There are empty offices in the town, so there is obviously enough!!!
TC/549	Don't know	Business is conducted online
TC/551	Don't know	No idea
TC/553	Yes	We don't need any offices accommodation in the town
TC/557	Don't know	The reason is I don't know!
TC/559	Don't know	There are a great many empty to let shops. Empty office space is not obvious.
TC/560	Don't know	Don't know
TC/562	Don't know	Not an issue I have knowledge of as I don't require office space
TC/564	Yes	There to much off it as you perfer to open an office then try and get shops back in the town center
TC/575	Yes	shops and other traders are required other than offices
TC/576	Don't know	I don't go into MANSFIELD enough to know either way
TC/577	Don't know	Not relevant to me
TC/583	Don't know	No idea but I work in IT and there are no jobs in mansfield for me. Mainly because links to the motorway and railway are so poor
TC/585	Don't know	I dont know.
TC/589	Yes	There is.
TC/590	Don't know	Not a clue
TC/591	Yes	There is plenty of empty office space in Mansfield, ergo more than enough for demand.
TC/592	No	MDC have totally destroyed Mansfield town center
TC/597	Don't know	Not sure how much is essential.
TC/599	Don't know	I work outside of Mansfield so I have no knowledge here.
TC/600	No	Nowhere for anyone to stay
TC/602	Yes	Offices should be out of the town centre, and shops in the town centre

TC/732	No	Seems like lots of empty office blocks that could be utilised
TC/733	Don't know	I have to come to the city for work
TC/735	No	Most of it is on the outskirts and the office space in town centre is old so you need to spend a fortune to move into it
TC/736	Yes	It's full of empty offices
TC/741	Yes	Doesn't appear to be a shortage
TC/749	Don't know	Unaware
TC/760	Don't know	I don't require an office
TC/766	Yes	Loads of empty building and shops that have offices above

TC/769	Yes	You can visibly see the office accommodation and signs advertising empty office space
TC/775	Yes	Too much!
TC/777	Yes	Plenty of empty office space advertised to let or for sale
TC/782		The whole of the town needs a huge shake up
		To reinforce the alive after 5, more business should be attracted to town with the incentive to keep people in town after 5 by having a reason to stay. Parking will need to be

TC/799	Don't know	I dont work in the town so wouldnt know
TC/801	Don't know	day. A nice new hotel development might be nice as we don't have anything up the top end of accommodation really. Also I think attaching it to the football ground was a great idea. and the stags ground can host events and concerts and can include hotel with it and loads of other packages too. Probably a good idea. I really don't think we should engage in 2 big hitel builds at the same time though. The competition over something that still really is needing to be drummed up would exhaust them both and this town can't take it. I know the council want to do it too and build it up on the old bus station but i honestly think that's mistake. I think 1 up market spa-esque hotel would benefit the town, let the radfords build it and pay for it—its good that they want to try and they have a good placement for it. Another thing we really need in this town and that would be another lucrative investment and also a way better fit for the council is recycling. Ability to sort and manage waste is becoming (and will continue to become) very valuable. I'm not just talking about a recycling centre. but something that on the same site offers artistic/crafts classes, has 2 or 3 second hand shops selling tipped/refreshed/upcycled items very cheap (get it back into use) and a couple of eco-shops not the expensive fancy kind the ones where you can buy normal things at faurly normal prices but that you have to bring your own bags and bets and tubs packaging free and with a focus on health and wellness. Old bus station is a great size and in a fantastic location for this type of use, the waste taken there would not be organic/rotting or smell/rat inducing waste and the building(s) coyld all be made to look very attractive and could run on solar and wind and water energy and incorporate lots of envirofirendly aspects and the site is fantastically situated for a use like this. Would be a huge boost to our community, volunteers would support it, schools learning days. This would be great if this was done along side a recycling overha
