Foreword

The way you can access council services is changing to make them more efficient and available at the touch of a button any time of the day or night.

Our new online Customer Portal gives improved access to a variety of services and you can access it either from the comfort of your own home or in the digital hub in our new-look Civic Centre reception. Create your account at www.mansfield.gov.uk/portal.

The portal is part of the council's wider vision to embrace automation and digital technology so that it works both for our residents and for the council by delivering your services more quickly and cost-effectively.

We will also be helping to sustain services through commercial activities, including renting out office space freed-up by our digital transformation.

Our 21st Century thinking can be seen in the way we are promoting our district, too.

Executive Mayor Kate Allsop

We want Mansfield to make the most of what it has to offer to visitors with the council leading campaigns to communicate the benefits of our location at the heart of Sherwood Forest.

Our aspirations to encourage people to visit this area go hand in hand with encouraging 'doorstop tourism' in which our residents can make best use of this district's fantastic leisure and cultural assets. Explore your district at www.visitmansfield.co.uk.

And don't forget, you can keep up to date with council news by signing up for my e-newsletter at www.mansfield.gov.uk/signup.

Lottery numbers stacking up

ROBIN HOOD LOTTERY

Local good causes have received their first payments of money raised through Robin Hood Lottery ticket sales.

At the time of writing, the top beneficiaries so far were John Eastwood Hospice Trust (£466.50), SSG Suicide Support Group Mansfield (£210) and Mansfield Soup Kitchen (£194).

The 72 good causes that are signed up stand to receive an estimated total of £49,500 in the first year based on the current levels of play.

The biggest cash prize to date is £250 won by a resident of Warsop. Other players

have each won £25, while many more have won three extra tickets.

Tickets are only £1 per week with 60p going to local good causes and prizes up to £25,000.

To sign up as a good cause, or buy lottery tickets visit www.robinhoodlottery.co.uk.

Putting you in control

We've made it even easier for you to access more council services at any time of the day or night

Our new Customer Portal can be found on the homepage of our website www.mansfield.gov.uk and also on the computer screens in the digital hub in the improved reception area that we share with the Jobcentre at the Civic Centre.

Set up your own secure account so you can receive tailored information specific to you and the area where you live every time you visit. It takes just a few minutes using the simple instructions online and you can then use it on any device wherever you are.

You can find out your bin collection days, Council Tax information, ward councillor details and receive updates on any matters

you have reported to us without having to call, write to or visit us.

Our most popular forms including Council Tax reduction and Change of Circumstances forms are also on there to make it quicker and easier for you. In the future you will also be able to see your balances and payments in one place.

A 21st Century reception area

Our new and improved shared reception area in the Civic Centre is open and ready for business.

You can access a range of council and Jobcentre Plus services all at the same time in one place. Thank you for your patience while the work was carried out.

There's a digital hub where you can access a range of council and DWP services on computers, a main reception desk, and enquiry points for Benefits and Housing matters.

Customer Service Advisors will direct you to the best place to deal with your enquiry in the most efficient way possible to reduce your waiting time.

Many council services are available online and staff can help you get set up on our new Customer Portal in the digital hub so you can receive personalised information about our services.

There are new waiting areas, a range of meeting rooms and a Parent and Baby Room with baby changing facilities.

Our reception staff are available in the digital hub during our normal office hours. If you need any help to get started – just ask!

Have a go at balancing the council budget

Have you ever wanted to be in charge of spending more than £90m?

Now you have a 'virtual' chance by taking part in an interactive online consultation, which runs until 14 August, on how the council spends its £92.5m budget.

A budget simulator gives you a chance to say if you would spend more or less and explains the impact of any changes.

You can also comment on how you found the task of balancing the budget, and send us your final budget.

We want as many people as possible to try to balance

the budget so we can understand what services you value most.

We also hope it will give you a chance to understand the financial challenges we face in having to make savings in order to balance our budgets in the coming years.

The council's Government grant to help pay for our services has reduced from £10.3m in 2010/11 to £4.6m in 2017/18, when it made up eight per cent of the council's income.

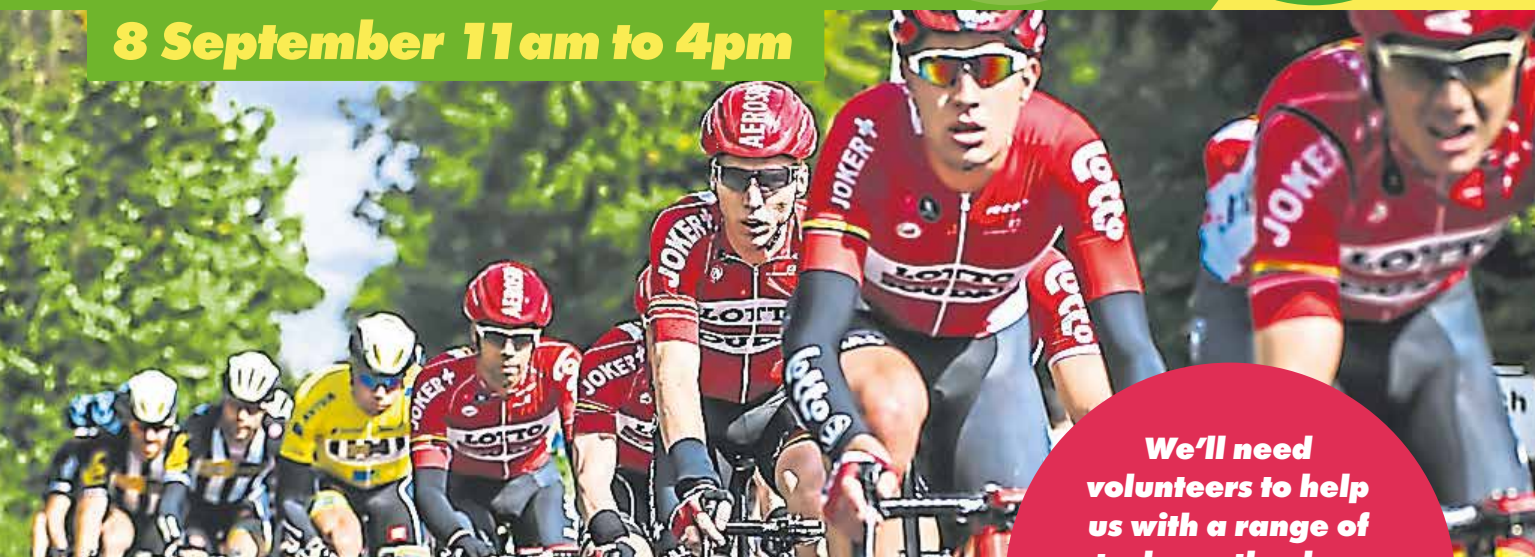

Try out our budget simulator at <https://mdc.budgetsimulator.com>.

Get in gear again for Tour of Britain

Top cycle race whizzing into Mansfield

8 September 11am to 4pm

We'll need volunteers to help us with a range of tasks on the day. Find out more and register your interest at www.mansfield.gov.uk/TOB.

Mansfield is again gearing up to welcome the OVO Energy Tour of Britain cycle race – one the UK's biggest free-to-attend sporting events.

Organisers of the prestigious race, which attracts 120 of the world's top cycling stars, credited the county for its outstanding community engagement and warm welcome, which helped us secure involvement for the second year in a row.

This time Mansfield will host the end of the penultimate Stage 7, the longest stage in the race, which starts in West Bridgford on Saturday

8 September and winds its way around Nottinghamshire for 225km (139 miles), taking in landmarks such as the new Sherwood Forest Visitor centre, Newstead Abbey, and Clumber Park. About five miles of the route will pass through Mansfield district.

Last year more than 200,000 people lined the county's streets and the race generated almost £3.5 million in revenue for the area. In Mansfield, it is estimated that visitor spending brought £167,500 into the local economy.

This year, those figures are expected to be even higher, with the event being held on a weekend – and we need

your help to make sure we create a warm Tour of Britain welcome in Mansfield.

In addition to the thousands of visitors coming to watch, the event also attracts a global TV audience of millions so organisers locally want to make the most of showcasing what Mansfield has to offer.

Visit www.mansfield.gov.uk/TOB for route information and details of all the ways you can get involved.

Paint the town yellow and green!

We want the Tour of Britain to receive a warm, colourful and noisy welcome when it reaches Mansfield and is beamed around the world on live TV.

If you want to think really big, how about creating some land art in larger open spaces to look impressive when viewed from the sky? It doesn't have to be too complicated or ambitious; it can be as simple as using items to spell out 'Welcome to Mansfield'.

Why not...?

- Decorate your business, home, or garden yellow and green
- Mow giant shapes into a hill or field
- Colour giant posters, banners or bunting to decorate buildings on the route
- Create floral displays in the shape of a bicycle in your garden
- Arrange floats or inflatables into large displays on water

Come on folks, let's paint the town yellow and green!

Join the bike fest

We will be bringing a real festival atmosphere to the Tour of Britain finish line by combining it with one of our annual summer park events.

This year, our town centre Summer Festival will be held in Chesterfield Road Park on Saturday 8 September to coincide with the Tour of Britain excitement.

The event will run from 11am to 4pm and as well as being able to watch the race as it comes to a dramatic finish outside the Civic Centre and explore the Tour of Britain Village, there will be lots of fun, games and cycling activities for all the family.

The nearest car park will be in the town centre – so why not arrive on two wheels?

The town centre car parks will be open but may be affected by rolling road closures between 2pm and 4.30pm so arrive early and come and enjoy the festival!

Attractions will include:

- Watt bike challenges, which measure the energy expended while pedalling
- Cycling skills competitions
- Have a go on a pump track
- Family sports activities
- Children's road cycling skills sessions
- Balance workshop
- Walkabout entertainers
- Free craft activities
- Freebie giveaways
- Stalls and information stands
- E-bike have-a-go sessions
- Cycling proficiency zones.

Cross the finish line before top cyclists

Families and women – as part of the Mansfield Girls Can campaign to encourage women to be more active – will be among those invited to take part in a 100m dash to the finish line on the day.

Register your interest in taking part, by emailing TOB@mansfield.gov.uk. Further details will be announced via the website and on Facebook @mymansfielduk.

Five-mile sprint to the finish

8 September 11am to 4pm

The 225km (139 mile) Nottinghamshire stage of the event will include eight kilometres (five miles) through Mansfield district with the finishing line of the stage outside the Civic Centre on Chesterfield Road South.

The race will enter the district at Derby Road, passing Vision West Nottinghamshire College before turning left on to Nottingham Road and left again at High Oakham School onto Atkin Lane.

The cyclists will then head down High Oakham Hill and onto Sheepbridge Lane to the junction at the Sir John Cockle pub where they will cross straight over Sutton Road and up Skegby Lane before turning right at the Fox and Crown junction on to Beck Lane.

They will then continue on to Abbott Road up to The Rufford pub junction where they will turn right for the final sprint along Chesterfield Road South with the chequered flag finish outside the Civic Centre. The cyclists will then ride into Chesterfield Road Park via Rosemary Street where they will dismount.

Disruption includes all-day road closure near finish line

We expect road closures and travel to be disrupted in Mansfield from 2.30pm to around 4.30pm.

However, an area around the finish line, which will include the Tour of Britain race village, the gantry and hospitality area, will need to be closed all day.

In the spirit of the event, we are encouraging people to cycle wherever possible - bike racks will be provided.

This means Chesterfield Road South will be fully closed in both directions from the junction at Albion Street to the Civic Centre from 5am to 8pm.

Residents along Chesterfield Road South, which is the final kilometre of the race, will have special access, manned by security personnel, until 1.30pm but after that, only emergency vehicles will be able to enter and exit until around 4.30pm.

**To find out more visit www.mansfield.gov.uk/TOB.
If you have any comments or questions please contact us at
TOB@mansfield.gov.uk or call 01623 463199.**

Donate your old bicycle!

Donate old bikes to British Bike Hire on Hermitage Lane for them to spray paint and decorate the district.

Race enters Mansfield from Ashfield

The council has directly informed businesses and residents in the affected area as early as possible to enable them to make arrangements well ahead of the event.

No deliveries, parking or stopping will be possible during the closure. Pedestrian access will be limited during the site set-up between 5am and 11.15am.

We expect 20,000 people to visit Mansfield so heavy traffic is expected along with rolling road closures. Please be aware that you will need to plan ahead to avoid delays. Bus routes and timings will also be affected.

During the rolling closures, the roads are expected to be closed about 20 minutes before the cyclists' arrival and will remain closed until all riders and vehicles have passed. Diversions will be in place and signposted.

Please do not park anywhere along the route on the day. It will be marked with yellow warning signs in the run-up to the event. If necessary, vehicles may have to be removed.

All details, including times, are subject to change so please check the website for the most up to date details.

Get involved!

- Decorate your house, garden or business – prizes to be won!
- Create land art visible from the sky
- Celebrate cycling at our Summer Festivals
- Do the 100m dash to the finish line
- Volunteer to help on the day
- Line the streets and welcome the Tour of Britain!

Clean-up champions unite

Projects included collecting litter in the Clumber Street car park, repainting benches in Toothill Lane and removing chewing gum in Albert Street.

Thank you to the 40 community groups, businesses, schools and individuals that took part in our sixth annual International Clean Up Mansfield Day on Friday 8 June. The annual campaign aims to bring Mansfields across the globe together to make them the cleanest towns in the world. This year we were joined by groups in Texas and Massachusetts in the USA. Closer to home, Mansfield BID and businesses were among those who rolled up their sleeves in the town centre. Projects included collecting litter in the

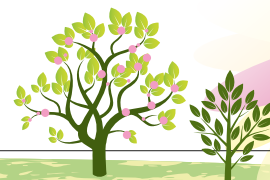

Clumber Street car park, repainting benches in Toothill Lane and removing chewing gum in Albert Street.

Hundreds of children collected litter in and around their school grounds and in local parks. They were joined by other members of the local community including council staff, councillors, and Friends groups.

Photos from the day can be found - and shared - on the **@CleanUpMansfield** Facebook page where you can keep up to date with the latest news, including details of the Clean Up Day Awards which will take place in September.

Sign up now at **www.mansfield.gov.uk/cleanup** to take part in the 2019 event, which will be held on Friday 7 June.

Reduce and recycle!

Plastic is found in virtually everything these days – from food packaging to chewing gum.

While some plastics are recyclable, many are not and with a worldwide drive to reduce the amount of plastic thrown away, many people are looking at ways to reduce the amount of plastic in their lives.

So how can you help? Here are some ideas.

- Say goodbye to plastic straws and cutlery.
- Reuse plastic bags. They can't be recycled and can take 1,000 years to degrade in landfill. Opt for cotton bags instead.
- Buy products such as laundry detergent and soap in cardboard boxes, which is more easily recycled, instead of plastic bottles.
- Where possible, buy foods that come loose and use paper or reusable bags. Reuse plastic containers to store food.
- Buy a reusable bottle or cup rather than buying bottled water or using throwaway coffee cups.
- Use matches rather than disposable plastic lighters.
- Visit Mansfield Market to buy fruit, veg, meat and fish – it will probably have less plastic packaging than supermarket produce and you'll be supporting local independent traders.

Plastic
Bags take
1,000
years
to degrade
in landfill

Remember to **crush** your boxes

If you have a cardboard box that's too big to go in your blue recycling bin, you can leave it as side waste next to your bin.

The bin crews will only be able to take it if it's small enough to fit in the back of the lorry so make sure you reduce its size by crushing or folding it.

Don't forget to remove any internal packaging, such as polystyrene and bubble wrap, as these materials cannot be recycled.

A small amount of occasional side waste can be accepted on recycling collections. It must be placed in a cardboard box or paper bag.

If you regularly create more waste than will fit in your blue bin, you can ask for a bigger 360-litre recycling bin or an extra 240-litre bin. They're free – subject to a recycling audit first.

Call us on 01623 463463 or email mdc@mansfield.gov.uk to arrange this. You can also request a smaller 120-litre bin.

Information has been gathered by Mansfield District Council in good faith. Every effort has been made to ensure accuracy at the time of production. Mansfield District Council cannot be held responsible for any changes to, or rescheduling of, events printed in this publication. It is recommended that you contact the organisation hosting the activity prior to your visit to avoid disappointment.

Visit Mansfield website launched

The council has launched a new website promoting Mansfield as a visitor destination.

The Visit Mansfield site is the first project in a long-term commitment by the council to its 'place shaping' initiative - to alter perceptions, raise aspirations and reposition

Mansfield as a place to live, work, visit and do business.

The Visit Mansfield campaign is tourism-based and promotes the benefits of the district's close proximity to Sherwood Forest.

The website encourages day visits to the district which, in turn, will boost the local economy. It also lists attractions nearby along with major

events, festivals and the town's impressive array of bars, restaurants and cafés.

As well as tourists, **visitmansfield.co.uk** will also be a handy guide for local people to plan days and nights out and weekend activities.

For those travelling from further afield or staying in Mansfield, the site has plenty of reasons to make the town a base to explore the wider Sherwood Forest area.

See **www.visitmansfield.co.uk** for more information. For listings contact **marketingandcommunications@mansfield.gov.uk**.

Something on your mind?

Come along to the Meet the Mayor and Cabinet surgeries in The Hive at the Four Seasons Shopping Centre every fortnight.

Executive Mayor Kate Allsop welcomes residents' views on district matters in her fortnightly surgeries on Fridays 3, 17 and 31 August and 14 and 28 September – all from 9am to 12noon.

If you can't make it, there are lots of other ways to get in touch visit **www.mansfield.gov.uk/mayor** or call **01623 463048**.

Don't miss out on district news Sign up to the Mayor's e-news **www.mansfield.gov.uk/signup**

Start knitting for poppy display

Residents of Poppy Fields extra care sheltered housing complex are among those busy knitting poppies for a display to mark the 100th anniversary of the end of the First World War in Mansfield.

Hundreds of the knitted and crocheted blooms have already been donated and will be added to the 8,000 that formed last year's display on the Old Town Hall – but more are still needed to make this year's display even more spectacular.

The Royal British Legion is again supporting the call for individuals and groups in the community to get involved by making poppies to contribute to the display.

Knitted items can be dropped off at the Civic Centre in Mansfield until 21 September and opportunities will be held in the coming months in which people can help tie the poppies to the camouflage nets.

The finished nets will decorate part of the route ahead of the Remembrance Sunday parade on Sunday 11 November.

Details and poppy knitting patterns to download can be found online at **www.mansfield.gov.uk/poppies**.

Festival fun at the Museum

Mansfield Museum will be helping the district to gear up for the Tour of Britain's arrival with a range of cycling-themed crafts and games.

The museum's Tour of Britain Festival will take place from 28 August to 31 August and again on 3 and 4 September from 10am to 1pm.

Activities are suitable for children aged 14 and under at a cost of £1.50 each.

Panto tickets selling fast!

Sue Holderness will be playing the villain of *Snow White and the Seven Dwarfs*, which runs at Mansfield Palace Theatre from Saturday 1 December 2018 to Sunday 6 January 2019.

Sue is a much-loved British actress, best known for her role as Marlene in BBC1 sitcom *Only Fools and Horses*. She tells us: "I'm greatly looking forward to frightening the good folk of Mansfield this year as the Wicked Queen. Come and enjoy the fun...if you dare!"

Sue will be joined by the hugely popular Adam Moss, returning to Mansfield for the fourth time. He says: "I can't thank the people of Mansfield enough, because without your comments and loyalty to the theatre and myself, I wouldn't be returning."

More than 60% of tickets have been sold, with customers reminded that Pay Now Save Now tickets are available until **1 September**.

To book tickets for the show which includes signed and relaxed performances, please visit mansfieldpalace.co.uk or call Box Office on **01623 633133**.

Alvin Comes Home

A CELEBRATION
OF THE LIFE OF
ALVIN STARDUST

[mansfieldmuseum](http://mansfieldmuseum.org)

**FREE
Event!**

STARDUST MEMORIES

Mansfield Museum will be paying tribute to one of the town's most famous home-grown stars in September – the late great Alvin Stardust.

The museum is planning a nine-week exhibition, 'Stardust Memories', featuring evocative memorabilia from all stages of Alvin's 50-year career. It opens on Saturday 22 September with a tribute concert at Mansfield Palace Theatre, including the Alvin Stardust Band and guests.

Liz Weston MBE, the museum's Curator and Manager, said: "Whether you knew Alvin personally, are a fan or simply like pop, we hope you'll find plenty of interest in this intriguing exhibition."

"We were privileged to meet Alvin a few years back when he performed at the opening of Pop Goes Mansfield!, our exhibition about the local music scene."

"The audience loved him. He played free of charge and was one of the most open, friendly and downright grounded pop musicians you could meet."

"This sentiment and respect was reflected in the hundreds of affectionate comments in a Book of Condolences we placed in the museum after his death in 2014."

Stardust Memories runs at the museum from 22 September to 17 November and is expected to draw aficionados from all over the UK.

Tickets for the tribute concert can be booked at www.mansfieldpalace.co.uk or by calling 01623 633133.

Life's a game!

This summer's family-friendly exhibition at Mansfield Museum focuses on a universal feature of life: games!

Entitled 'All in the Game', the interactive exhibition features displays on all aspects of the games people play including sections on traditional games, board games, team games, role-play and computer favourites.

Running until 15 September, it includes historical information, but the emphasis, as with all the museum's annual Summerfest exhibitions, is on encouraging people to get involved.

Visitors of all ages have the chance to dress up, play a Wii, try their hand (and feet)

at indoor sports and acquaint – or reacquaint – themselves with table-top favourites such as Cluedo.

There are also game-related craft activities in ArtBeat sessions throughout the school break.

Military splendour on show

A prestigious military museum is now housed temporarily at Mansfield Museum while its original home at Nottingham Castle is being refurbished.

The Museum of the Mercian Regiment features memorabilia from the local regiment - formerly the Sherwood Foresters - and will be on show at the Leeming Street museum until 24 November.

It is expected to attract many visitors during its stay because of the museum's ease of access for disabled visitors.

There is also a program of events linked to the 'Remembering WW1 - Museum of the Mercian Regiment on Tour' exhibition.

Mercian Curator and Archivist Jennifer Bookman returns to the museum on 8 August, for 'WW1 and Remembrance', a free event (suitable for children) that will explore how we remember the First World War.

On 2 November, there will be a Peace Picnic to mark 100 years since the end of the First World War. As well as enjoying a sandwich (please bring your own lunch), there will be a chance to meet a soldier and make poppies to decorate the exhibition.

in brief...

Looking for commercial space?

Have you thought about renting commercial property from Mansfield District Council?

Among our commercial portfolio of more than 200 properties are shops, offices and industrial units, all let at market rents with fixed and flexible lease terms available.

Currently, we have small to medium office units available in Langford Road, Ladybrook.

These eight to 20sq m units are perfect for both start-ups or existing businesses with rents starting at less than £100 per month. There are also all-inclusive rents that cover business rates and utilities, and there is no need to commit to a long lease.

For businesses seeking retail space, our shops in the town centre are now all let but we do have vacant units in Mansfield Woodhouse and other neighbourhoods.

We also have industrial units of various sizes on the Hermitage Lane Industrial Estate with rents starting at £2,300 per annum exclusive for 34sq m.

Larger spaces, starting at 55sq m, are available at Brunts Business Centre, which is close to the town centre. Rents start at £4,750 a year.

For details, please contact Property Services on

01623 463728 or visit our website www.mansfield.gov.uk/commercial.

Flagship social housing scheme set to open

The new tenants and owners of the council's flagship housing project, Town View, for people aged 55 and over, are expected to take up residence in the £8.54m development in September.

Final touches are being put in place at the site of Mansfield's former General Hospital, which had been derelict for about 20 years before the council bought it for redevelopment.

A total of 54 new homes have been built, including 12 two-bedroom bungalows and 42 one-bedroom and two-bedroom apartments.

Six of the bungalows have already been reserved by buyers for shared ownership, while tenants for other bungalows and apartments have now also been allocated via the council's Homefinder service.

Ten of the apartments, funded by £400,000 from Nottinghamshire County Council, have been allocated to people with extra care needs and who might otherwise need residential care.

A total of **54 new homes** have been built, including **12 two-bedroom bungalows** and **42 one-bedroom and two-bedroom apartments**.

The development was also supported by £126,000 from Homes England.

The apartment block has communal facilities, including a lounge, dining room and an outdoor terraced area. The secure landscaped grounds feature a 'village green' with outdoor fitness equipment.

Last chance to comment on planning blueprint

Residents will soon have a final chance to comment on Mansfield's proposed Local Plan before it is considered by Government inspectors.

A 'publication draft' of the Plan is due to be considered by councillors in September and will be submitted to Ministry for Housing, Communities and Local Government in November/December for independent examination.

Following the independent examination in public, if the Local Plan is found sound, the council will formally adopt the Plan as a blueprint for how the district will develop commercially and residentially and how the environment will be protected until 2033.

When the latest consultation begins, you can comment on the 'soundness' of the Plan. This can cover issues such as whether or not areas earmarked for development are the most appropriate sites and can deliver

the required development, and if the Plan is consistent with national planning policy.

The council is also, as part of the Local Plan process, carrying out a public consultation calling for people to offer ideas for possible permanent and transit gypsy sites in the district.

The authority has a duty to find a site or sites for six permanent caravans and a transit site for travellers who are passing through the area, totalling about half a hectare (1.2 acres), and is keen to hear from landowners.

The public can comment on the Local Plan and on the gypsy site consultation at local libraries, leisure centres and at the Civic Centre.

You can comment online at mansfield.objective.co.uk/portal. The link can also be found under Planning via the Portal page on the council's website homepage at www.mansfield.gov.uk.

Free weekly Pilates classes in the park

A new **FREE** exercise initiative has been launched in Mansfield as part of our mission to encourage more people to get fitter and healthier.

The Pilates in the Park sessions are held every Sunday from 10am to 11am at Forest Road Park (Spider Park).

The classes are being led by a qualified instructor from Our Parks, a major provider of outdoor group exercise sessions across the UK, and are being funded for a year thanks to a grant from parks protection charity Fields in Trust.

It is hoped that by removing barriers to exercise, such as the class fees, and being fully inclusive of all abilities, these sessions will encourage more people to get active.

According to Public Health England, the health of people in Mansfield is generally worse than the England average. Life expectancy is more than 10 years lower

for men and eight years lower for women in the most deprived areas of Mansfield.

Helping to improve the health and wellbeing of people in the district and reducing its health inequalities is one of the council's key priorities.

The sessions are open to everyone. Participants are welcome to bring their children along but all under-15s will need to attend with an adult.

Pilates is a low impact form of exercise that engages both the mind and body, improving strength, flexibility and muscle tone. Please bring your own mat.

Classes are limited to 30 people and participants are expected to book their free place in advance at

www.ourparks.org.uk. The postcode to find the park is NG18 4BU.

On the trail to get in shape

A new fitness trail has been opened in Fisher Lane Park as part of the district council's mission to get Mansfield moving.

The trail is for all ages but with a mini climbing wall, cargo net and swinging tyres, it is hoped it will particularly appeal to older children.

The equipment, which is British manufactured, has been paid for by "Section 106" agreements, funded by housing developers for environmental

improvements as part of new housing projects.

Over the past eight years, six trim trails have been installed by Mansfield District Council in open spaces around the district. Others can be found at Titchfield Park, Chesterfield Road Park, Racecourse Park and Kings Walk open space.

Keep track of your fitness on free app

A free exercise tracking app has been launched for use at Mansfield District Leisure Trust leisure centres.

The 'More Fitness' app is available for all users of Oak Tree Leisure Centre, Rebecca Adlington Swimming Centre and Water Meadows Swimming & Fitness Complex.

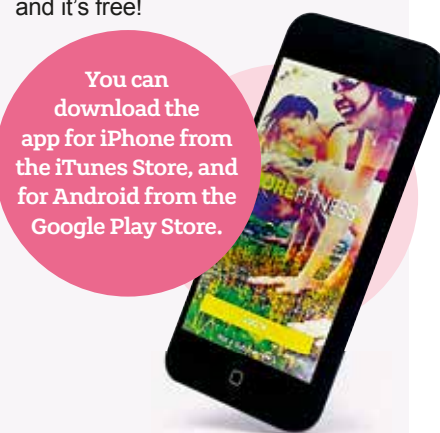

The app, which can be used on both Android and Apple mobile phones, gives gym goers an easy way to do things, including:

- Book classes, halls, courts, and gym appointments
- Swipe into centres – it's your new membership card
- Take part in fitness challenges, earn points and get rewards
- Set goals and track them
- Access deals and discounts
- Refer and encourage friends to join – and get rewarded.

It can also synchronise with other wearable fitness devices and apps, such as Fitbit, My Fitness Pal, Garmin, and MapMyWalk, among others.

The centres using the app will be offering a range of monthly healthy activity challenges in which members can earn reward points redeemable at their centre.

You don't have to be a member to download More Fitness – and it's free!

in brief...

Annual voter registration

All residents in Mansfield district will soon be receiving a form asking if the information that appears on the electoral register for their address is correct.

With district, mayoral and parish council elections taking place in Mansfield district in May 2019, this is an important opportunity for residents to make sure they will be able to take part.

The forms will arrive at homes from 23 July as part of the council's annual voter registration canvass, which makes sure the electoral register is up to date.

If all the details on the form are correct, you still need to respond and can do this quickly and easily by text, online or by post. The contact details are all on the form.

If any changes are needed, this can be done online or by returning the form.

Anyone who is added to the form will not automatically be registered to vote and this will need to be done separately at www.gov.uk/register-to-vote once they have responded to the form.

Reminders will be sent out to those that do not respond before home visits are carried out in October and November. It is a legal requirement to provide the information requested and if you don't you could be fined £1,000.

For more help contact the council's

Electoral Services - team on 01623 463345.

Town Centre issues

A specialist team has been set up to tackle antisocial behaviour related to drug use in Mansfield Town Centre and reduce the impact this has on visitors and businesses.

The council's Neighbourhood Wardens, Antisocial behaviour officers and CCTV operators are working alongside Nottinghamshire Police and partner organisations to do all we can to tackle these complex issues.

The use of Mamba is on the increase across the country and many towns and cities are facing the same challenges. Unfortunately, there is no quick and easy solution.

The council is working with Framework and the Mental Health outreach team to signpost Mamba users to support services to help them with their addictions and any housing issues, while also working with the police to take enforcement action where necessary.

The council is funding this targeted outreach with support from the Police and Crime Commissioner.

The use of Mamba is on the increase across the country and many towns and cities are facing the same challenges.

Fancy standing for election?

Have you ever thought about standing for election to be a councillor – or even Mansfield's Executive Mayor?

If you would like to know what is involved in either role, you can find out more at information evenings being held ahead of the district council and mayoral elections in May 2019.

The events are on Thursday 25 October 2018 and Thursday 31 January 2019 at 6pm at the Civic Centre.

Experienced elected members and the Democratic Services team will be on hand to explain what the roles involve, what support is provided by the council and answer any questions.

Executive Mayor

Kate Allsop (Independent Forum)
mayorkateallsop@mansfield.gov.uk ☎ 01623 463383

Abbott
