

Mansfield is the place for business

Whether you are looking to start a business, already established or thinking of moving into the area, our free business support service is here to help.

How we can help

- Business start-up and business growth support
- Connections to employment, skills and training services
- Business events
- Access to council services
- Business grants
- Commercial property and land search
- Access to wider business networks.

Mansfield

Mansfield Accelerator Fund

Mansfield Accelerator is a project designed to help businesses across the area to start, sustain, grow and innovate. Working with an experienced business adviser, eligible businesses can access a range of support including:

- 1-2-1 advice, mentoring and diagnostic support
- Training and action planning workshops
- Growth vouchers
- Help to Grow - Management course
- Grant funding
- Networking and peer support
- Energy saving and improvement audits.

**Funded by
UK Government**

The project which runs until 31 March 2025 is led by the East Midlands Chamber and is funded by the Government through the UK Shared Prosperity Fund (UKSPF). For more information visit www.d2n2growthhub.co.uk/initiatives/mansfield-accelerator
