

Mansfield District Council

Mansfield District Council

Housing Board Chair

(£1,097.00 per annum, plus reasonable expenses)

Mansfield is a town of towns at the centre of things in Nottinghamshire - a place of many strong connections but with a character all its own. Mansfield, like its Housing service, has faced change unafraid and is openly embracing new ideas and new ways of working as it builds and renews neighbourhoods and new communities.

The council is a stock holding authority with close to 6,300 homes across the district. Maintaining good quality and accessible social housing is a key part of our approach and our values; we know how vital it is for residents to have a safe and warm home environment, and the positive impact this can have on reducing inequalities and improving health and wellbeing.

We are proud that tenant satisfaction surveys benchmark the authority higher than peer median scores of other registered social landlords in England – but we know that we need to do more.

Following a C2 judgement from the Regulator of Social Housing, the council aims towards achieving C1 status and be the best we can be for our tenants and residents. We have agreed an improvement and transformation plan with the Regulator to ensure we comply with all aspects of the Consumer Standards.

In order to strengthen the council's co-regulatory approach, we are establishing a new Housing Board with an independent Chair. The Board will oversee compliance with the Consumer Standards as they relate to social landlord functions.

As the Chair, you will be passionate about making a positive difference to the quality of services that we deliver to our tenants and support the council on its transformation journey.

For more information about the role please contact Jill Finnesey at jfinnesey@mansfield.gov.uk.

To apply for this role please provide:

Interviews: Week Commencing 30th June 2025

About our Housing Board

The Housing Board will play a vital part in working closely with our Cabinet and Corporate Leadership Team to ensure that we deliver against the Regulator of Social Housing's consumer standards. The Board's principal role is oversight of the council's Consumer Standards Improvement Plan in order to achieve and maintain compliance.

We are looking for an independent Chair for our Housing Board who is passionate about making a positive difference to the quality of services that we deliver to our customers.

The Chair and Cabinet member will each prepare a report of the Board to the council and Cabinet respectively bi-annually. The Board will not be a decision-making Board but will be established for oversight and assurance.

The Board will meet twice a year and will be made up of the following members:

- An Independent professional housing member (Chair)
- The Portfolio Holder for Housing (Member of the Cabinet) – to provide a clear connection between the Housing Board and decision-making body (Cabinet);
- Two Mansfield District Council Tenant and Leaseholder representatives;
- Chief Executive Officer
- Assistant Director of Housing
- Supporting Senior Housing Managers as required by the Board
