

Appendix 9: Summary of National Governing Body Consultation

NGB	Priorities								
Athletics	Who are your key clubs/facilities and what do they deliver for your sport?								
	Club Name	Building		Address 1	Local Authority	County	Region	Postcode	Org Type
	Mansfield Harriers	Berry Hill Park Athletic Track		Litchfield Lane	Mansfield	Nottinghamshire	East Midlands	NG18 4JR	Club
	The club typically deliver x4 track & field events per year (see 2024 events below) + 3 Cross Country events including the National Cross Country relays.								
	20/04/2024	2024	1011565	Berry Hill Park Athletic Track	UK Youth Development League (YDL)				
	05/05/2024	2024	1011565	Berry Hill Park Athletic Track	Notts Mini League Match 2				
	26/05/2024	2024	1011565	Berry Hill Park Athletic Track	Nottinghamshire County Development League				
	22/06/2024	2024	1011565	Berry Hill Park Athletic Track	ESAA Regional Combined Events Championships (Midlands)				
	23/06/2024	2024	1011565	Berry Hill Park Athletic Track	ESAA Regional Combined Events Championships (Midlands)				
	01/09/2024	2024	1011565	Berry Hill Park Athletic Track	Nottinghamshire County Development League				
	What are your NGBs / Organisations current priorities in Mansfield District Council area?								
	Facility priorities								
	Protect the existing facility at Berry Hill								
Support the long term viability of the facility and help support the club to build up reserves to resurface the track.									
What might be required to support your priorities in the coming years?									
Capital to support the resurfacing of the track surface									
What long term plans or developments do you have in mind/in progress for Mansfield District Council?									

Mansfield District Council

Built Facilities Strategy

NGB	Priorities
	Do you have access to funds to support your plans and developments across Mansfield District Council area? If yes, please provide further details. No NGB capital funding currently available.
Tennis	Who are your key clubs/facilities and what do they deliver for your sport? Mansfield Tennis Club: 5 hard courts (3 floodlit), 4 grass courts and a clubhouse Offer pay and play, coaching , social sessions, club tournaments, schools outreach, deliver school games events and have teams in the Notts LTA League World Padel Academy, One Call Stadium: 4 covered Padel tennis courts Offer coaching, competitions, social activity, schools outreach, pay and play Racecourse Park – 8 recently resurfaced tennis courts – pay and play and annual membership, Coaching Carr Bank Park – 4 tennis courts Manor Park – soon to be 3 newly resurfaced tennis courts offering pay and play and annual membership, coaching , social play and competitions What are your NGBs / Organisations current priorities in Mansfield District Council area? Sustainable parks tennis operating models that are growing participation and driven through Free Park Tennis, Local Tennis Leagues and programme delivery in parks Attract, grow and diversify the tennis workforce to create more opportunities to play and compete Implement the facilities strategy with a focus on parks, covered courts, padel and additional floodlit courts What might be required to support your priorities in the coming years? A tennis facilities strategy for Mansfield that identifies locations and funding to deliver those priorities What long term plans or developments do you have in mind/in progress for Mansfield District Council? Mansfield is one of 72 target locations for new indoor tennis venues in England- being identified as having a need for indoor tennis courts.

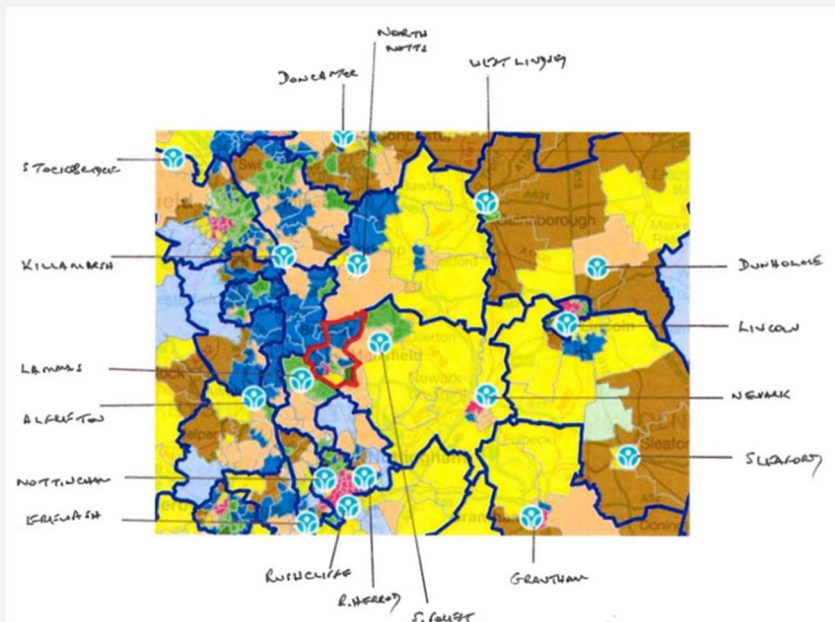

Mansfield District Council

Built Facilities Strategy

NGB	Priorities																																												
	Target locations are those which have a minimum threshold population of 70,000 within a 20 minute drive time of a target location. Of this population, at least 12,500 must identify as having an interest in playing tennis. This extends to 30 minutes for rural areas. The LTA has aspirations to increase the number of Padel tennis courts and has identified a need to increase the number of courts in Mansfield by an additional 4 courts. Mansfield tennis club has planning permission to add floodlights to its remaining 2 hard courts (taking the total floodlit court provision to 5). Mansfield Tennis Club has submitted a planning application for 2 outdoor floodlit padel tennis courts Do you have access to funds to support your plans and developments across Mansfield District Council area? If yes, please provide further details. The LTA has a quick access loan scheme to support the development of facilities https://www.lta.org.uk/roles-and-venues/venues/tennis-padel-facility-funding-advice/quick-access-loan-scheme/																																												
Indoor	Who are your key clubs/facilities and what do they deliver for your sport? There are NO purpose-built Indoor <u>Level Green</u> Bowls sites within the LA area. <i>COUNCIL OFFICES - Civic Centre, Chesterfield Road South, Mansfield, Nottinghamshire NG19 7BH</i> Travel time to and from the Council Offices and the Clubs in the adjoining LA areas are shown in the table below: <table><tr><th>Clubs</th><th>Rinks</th><th></th><th>Travel/Mileage – From NG19 7BH</th></tr><tr><td>Doncaster DN4 0EP</td><td>6</td><td>Indoor</td><td>57 mins (34 miles)</td></tr><tr><td>Bassetlaw IBC, North Notts Community Leisure Arena, Worksop S80 1QS</td><td>7</td><td>Indoor</td><td>36 mins (14 miles)</td></tr><tr><td>West Lindsey L-Centre, Gainsborough DN21 1EP</td><td>3</td><td>Indoor – Leisure Centre CLOSED 2018</td><td></td></tr><tr><td>Dunholme, Lincoln LN2 3SU</td><td>5</td><td>Indoor</td><td>69 mins (40 miles)</td></tr><tr><td>Lincoln LN6 7SW</td><td>8</td><td>Indoor</td><td>69 mins (34 miles)</td></tr><tr><td>Newark NG24 2NY</td><td>8</td><td>Indoor – CLOSED 2023</td><td></td></tr><tr><td>Sleaford NG34 7HQ</td><td>6</td><td>Indoor</td><td>70 mins (40 miles)</td></tr><tr><td>Grantham NG31 7XQ</td><td>6</td><td>Indoor</td><td>61 mins (38 miles)</td></tr><tr><td>South Forest IBC, Mansfield NG21 9JF</td><td>7</td><td>Indoor – Community Complex</td><td>21 mins (8 miles)</td></tr><tr><td>Gedling NG4 1RL</td><td>6</td><td>Indoor – Richard Herrod Centre</td><td>45 mins (17 miles)</td></tr></table>	Clubs	Rinks		Travel/Mileage – From NG19 7BH	Doncaster DN4 0EP	6	Indoor	57 mins (34 miles)	Bassetlaw IBC, North Notts Community Leisure Arena, Worksop S80 1QS	7	Indoor	36 mins (14 miles)	West Lindsey L-Centre, Gainsborough DN21 1EP	3	Indoor – Leisure Centre CLOSED 2018		Dunholme, Lincoln LN2 3SU	5	Indoor	69 mins (40 miles)	Lincoln LN6 7SW	8	Indoor	69 mins (34 miles)	Newark NG24 2NY	8	Indoor – CLOSED 2023		Sleaford NG34 7HQ	6	Indoor	70 mins (40 miles)	Grantham NG31 7XQ	6	Indoor	61 mins (38 miles)	South Forest IBC, Mansfield NG21 9JF	7	Indoor – Community Complex	21 mins (8 miles)	Gedling NG4 1RL	6	Indoor – Richard Herrod Centre	45 mins (17 miles)

NGB	Priorities
	What are your NGBs / Organisations current priorities in Mansfield District Council area? With now no purpose built Indoor Bowling site in this Local Authority area, we would in a perfect world wish to explore if there is any realistic demand for such a facility. In the late 1980's and 1990's when Funding was readily available from Sport England and others, we saw a large number of projects for Standalone Indoor Bowls facilities. Since then, with funding for Capital Builds becoming extremely scarce, there have been very few new Standalone builds unless it has involved a relocation and selling of the existing site to fund the project. Our recommendations where there was "Low Supply" AND "High Demand", were as follows: • Compliant Indoor Bowls Green in a Leisure Centre with at least 4 rinks; • Indoor Bowls added to an existing Outdoor Bowls Club which has full Ancillary Services (Catering, Bar, Toilets, Changing Rooms) and has the land to build on; • Indoor Bowls added to an existing Outdoor Sports Club which has full Ancillary Services (Catering, Bar, Toilets, Changing Rooms) and has the land to build on; • Indoor Bowls within a building that could accommodate the Sport – with appropriate Lease, like Swindon Manor IBC have achieved; • City of Birmingham IBC joined up with a Rugby Club, with S106 and Sport England monies. Low Supply and High Demand – in order to ascertain whether there is "low supply and high demand", we review: • Locations of nearby existing Indoor Bowls facilities; • Drive-time by Car from the proposed new build to existing Clubs; • Whether the existing Clubs have the capacity to accommodate new members; • Population figures and projections for the area surrounding the proposed new site; • the new Clubs "Business Plan and Sports Development Plan", to ascertain whether the new facility will be sustainable; • the Design Plans for the new site, to ascertain if the facility will be attractive to new Indoor bowls participants, and is not just a site which is "acceptable to the existing bowlers because they do not have any alternative"; Market analysis When you have determined the general location for your facility the catchment area should be defined and assessed. The following guidelines on catchment for indoor bowls centres must be interpreted in the light of local circumstances: • Assume the majority of users will live locally and not travel more than 20 minutes

Mansfield District Council

Built Facilities Strategy

NGB	Priorities
	- Assume 90% of users will travel by car, with the remainder by foot. - As a guide, demand is calculated as one rink per 14,000-17,000 of total population - A six-rink green, therefore, is required for a population of 85,000-100,000. This will be dependent upon the population profile of your area. To help you identify the population profile of your area, contact the EIBA - The number of rinks required can be related to the estimated number of members: assume 80-100 members per rink <i>We are currently reviewing the “Market Analysis” guidance as we feel that additional criteria/parameters are now appropriate:</i> Travel time – consider an extension to 30 minutes. We anticipate that there will be regional variations, depending upon the current provision of Indoor Bowls sites <i>Means of travel – we consider that the provision of “public transport” will be relevant in some parts of the country – especially the rural areas</i> <i>Members per rink ratio – this figure is still relevant, but we also need to factor in “spare rink capacity” for each session played, bearing in mind that then older population is not keen on travelling in the dark.</i> <i>This review is being undertaken alongside a full review of the Design Guidance with Sport England.</i> What might be required to support your priorities in the coming years? Identification of suitable venue, plus of course Funding to enable to facility to be established What long term plans or developments do you have in mind/in progress for Mansfield District Council? None at present Do you have access to funds to support your plans and developments across Mansfield District Council area? If yes, please provide further details. No - we do not have any facility Capital or Revenue funding for Clubs. We do provide Coaching Bursaries. ONS 2018 Population data - www.ons.gov.uk/peoplepopulationandcommunity/populationandmigration/populationprojections/datasets/localauthoritiesinenglandtable2

Mansfield District Council

Built Facilities Strategy

NGB	Priorities
Golf	Who are your key clubs/facilities and what do they deliver for your sport? The key clubs within Mansfield District Council are: Sherwood Forest – very healthy membership and do focus on women’s and juniors to increase participation Mansfield Woodhouse – very busy with casual green fee-paying golfers. Making golf accessible – no dress codes etc What are your NGBs / Organisations current priorities in Mansfield District Council area? Our priorities for Mansfield District Council would mirror our National objectives, the new 25-30 strategy is ‘Let’s Inspire More Golfers’ with focus on womens and junior golf. Keep adding to the 60,000 iGolf subscribers and to promote our golfer pathway from iPlay to iGolf through to golf club membership. What might be required to support your priorities in the coming years? To keep the current number of facilities to meet the demand from new golfers, the protection of golf courses in Playing Pitch Strategies. What long term plans or developments do you have in mind/in progress for Mansfield District Council? No current plans specific to the Mansfield District Council area at the moment. Do you have access to funds to support your plans and developments across Mansfield District Council area? If yes, please provide further details. Yes, the affiliated clubs within Mansfield District Council area are able to access funding through the Nottinghamshire Golf Development Group, they have had sight of the development fund but have chosen not to apply.
Swimming	The following report has been produced by the Swim England Facilities Team for the development of aquatic facilities in the Area. The following observations have been made based on Sport England Active Places data and the list of swimming pools in the area, included in the text below. Findings There are 3 facilities :- • Rebecca Adlington Swimming Centre 313+120 • Water Meadows Swimming and Fitness Centre 325+450+50 • Warsop Health Hub 120 <i>* Only publicly accessible facilities are used to determine the findings</i>

Mansfield District Council

Built Facilities Strategy

NGB	Priorities
	• There is currently a water provision surplus of 52m² • *For comparison, a 6-lane x 25m pool would equate to 312.5 m² • Population – 110.5k(Source:2021 Census) • Target Water Space (to meet 12m² per 1000 population) 1326 m² • Supply in of public water • *Total water supply 1378 m² • Average year built of public sites – 1933-2024 (1978) Comments • The Area shows its water provision to be a surplus of 52m² based on the recommended 12m² per 1000 population at this current time. • The observations above should be considered with regard to the future level of water provision. Recommendations: • Future water provision should look to have open community access, making the water space even more accessible to the local population. • Facility mixes in the future needs to consider the versatility of its water space and the use of movable floor/boom system Water Provision inclusion / exclusion criteria • Include all Operational Indoor Pools available for community use i.e. pay and play *Methodology • Population ÷ 1000 = P • P x 12(m²) = Target Water Space • Water provision = Public Water Space - Target Water Space Additional Information : Swim England One Strategy and Regional Strategy <u>https://swimming.app.box.com/s/zo79elylpiyj0uqml5frrzy58yjc2ui</u> Facilities - key priority is Access to Water – supporting local authorities and providing technical advice

Mansfield District Council

Built Facilities Strategy

NGB	Priorities
	Other :- Region Regional main contact – eastmidland@swimming.org Regional Manager – fiona.conway@swimming.org Club Development Officer – helen.bickerstaff@swimming.org Key Clubs in Mansfield :- Sherwood Colliery -210 Sherwood Seals -43 Mansfield- 176 Nova Centurian - 208 Comments including local priorities:- The Region is currently establishing their strategy in line with Swim England’s strategy with a focus on stronger clubs and learn to swim club links. Rob Hardy Technical Facilities Officer Swim England rob.hardy@swimming.org May 2025 Swim England prepared a new strategy end of last year – see link below https://swimming.app.box.com/s/zo79elylpiyi0uqml5frrzy58yjc2ui Like most NGBs there is no information on local or regional priorities – Id have to refer you to the national strategy Our main aim to maintain/increase access to water funding from Sport England is now virtually non-existent for facilities -it all appears to be focused on Place-making - local councils are getting some alternative funding streams or looking a regen projects with housing or borrowing . Also finding now a number of community organisations are involved and I’m able to help them re foundations/trusts and organisations like HLF for historic pools

Mansfield District Council

Built Facilities Strategy

NGB	Priorities
Gymnastics	Background to the Landscape of Gymnastics in the Area - National trend towards clubs moving into dedicated facilities; many areas lack gymnastics provision due to limited access to space and challenges recruiting a qualified workforce. Quality/Quantity of Current Facilities - Limited access to time and space in both dedicated and shared facilities across the UK, leading to waiting lists and restricted club growth. Improving access and creating high-quality spaces is a key priority. Club Feedback - Feedback highlights limitations of existing facilities and challenges in securing long-term premises. Local conversations focus on aspirations for dedicated space, access to Club Capital, or lease security concerns. Future Facility Needs - National need to support club transitions to sustainable dedicated facilities. BG will explore long-term solutions and potential investment through Club Capital or other sources. British Gymnastics Facility Strategy - Focus on increasing dedicated facility provision, supporting sustainable expansion, improving inclusivity and accessibility, enabling capacity for all disciplines, especially in underserved communities. No geographic prioritisation. Area Priority Status - No fixed geographic priorities; focus on strategic opportunities with evidence of demand, local partner willingness, and pathway to long-term sustainability. BG Strategic Alignment - This consultation response aligns with British Gymnastics' Impact Framework, which underpins all strategic and operational priorities across the organisation. Our approach is guided by the following outcomes: • Gymnasts are safe, empowered, and have positive experiences in the sport • Coaches and the workforce feel supported, trusted, and valued • A culture of inclusion and belonging is embedded across all environments • Clubs are aligned with BG's mission and receive meaningful support • Members and parents/carers see clear value in their experience and engagement • A positive performance sport culture enables athletes to thrive • Staff feel inspired and their wellbeing is actively supported • Trust in British Gymnastics is strengthened through transparency, governance, and impact-led initiatives It is important to note that the information provided reflects only those clubs that are registered with British Gymnastics. We are not able to comment on governance, coach qualifications, or safeguarding standards for clubs or providers outside of our membership network, as these fall outside our remit and oversight. Funding Availability - Club Capital fund: £10m social impact loan initiative, unsecured loans between £25,000 and £250,000 (up to £750,000 in exceptional cases), supporting move to or safeguarding of dedicated gymnastics space. Available to BG-registered clubs with development guidance. Participation Trends - Post-pandemic recovery is strong, national membership is back to pre-covid levels and has seen consecutive growth since 2022. High waiting lists, especially in constrained or shared-use environments, underline the need for permanent gymnastics infrastructure investment.

British Cycling	Who are your key clubs/facilities and what do they deliver for your sport? Mansfield Road Club / Mansfield Triathlon club (Though Tri club temporarily lapsed affiliation)....so not on the club finder. Club finder with loaded search of clubs in 10mile radius here the key facilities in the area was Forest Town track, this is now not in great condition and used for minimal amount of activity. There was also a learn to ride facility developed in the area which was funded through our Places to Ride Programme in Bellamy Estate What are your NGBs / Organisations current priorities in Mansfield District Council area? Current priorities are our alignment to the national strategy and working towards this. www.britishcycling.org.uk/our-strategy-2025 fundamentally 3 overarching priorities: 1) Support and grow the sport 2) To lead on the world stage 3) Drive social impact. We are in the stages of finalising the sport plan. This will bring greater clarity. But clear alignment to the three strategic pillars What might be required to support your priorities in the coming years?																					

Mansfield District Council

Built Facilities Strategy

NGB	Priorities						
	Promotion / partnership / sustaining efforts / recruitment of vols and localised support to clubs. Support with activation of spaces, parks and existing facilities.... What long term plans or developments do you have in mind/in progress for Mansfield District Council? Plans align to the strategy...national strategy above, Sport Strategy is currently being finalised Do you have access to funds to support your plans and developments across Mansfield District Council area? If yes, please provide further details. Funds for development are through the sport team but aligned to strategy and particularly aimed at clubs to support development, growth of events and upskill volunteers. At present no wider grant funding which previously existed and funded the Places to Ride Learn to Ride site in Bellamy.						
Volleyball	Who are your key clubs/facilities and what do they deliver for your sport? Mansfield comes under the governance structure of the East Midlands Volleyball Association (East Midlands Volleyball Association - Home) and the Nottinghamshire Volleyball Association. The region has a number of vibrant and successful clubs. Through the 2025 Volleyball England club survey the clubs tell us that access to suitable and affordable venues are limited in the area. East Midlands Volleyball Association 4 Regional Leagues (2 men and 2 women’s) and a Junior Grand prix series <table><tr><td>Chairperson</td><td>Paul Kaerger</td><td>paul.kaerger@ntlworld.com</td></tr></table> Nottinghamshire Volleyball Association <table><tr><td>Secretary</td><td>Ian Clews</td><td>ianclews@hotmail.co.uk</td></tr></table> The biggest club in the Mansfield area is Ashfield Vipers, who play out of Ashfield School. Volleyball venues in Mansfield are limited, and Volleyball England would welcome the addition of a new facility to play both sitting volleyball and indoor. Their junior women’s team are highly competitive int the national junior competition and their women’s adult team play in the National Volleyball League. NGB	Priorities																																												
	What are your NGBs / Organisations current priorities in Mansfield District Council area? To encourage the growth of volleyball clubs and the development of suitable venues to play both sitting and indoor volleyball. What might be required to support your priorities in the coming years? The development of suitable venues to play both sitting and indoor volleyball What long term plans or developments do you have in mind/in progress for Mansfield District Council? To support the East Midlands and Nottinghamshire Volleyball Association to develop the sport in the area. Do you have access to funds to support your plans and developments across Mansfield District Council area? If yes, please provide further details. Sadly no.																																												
Netball	There are currently no England Netball registered clubs or leagues in Mansfield. I had previously mentioned during meetings that there are some commercial leagues operating out of a variety of venues in the area. We have as an NGB run Back to Netball and some Youth camps in Mansfield at the rugby club. Both currently on hold due to coach availability. No specific plans for any other delivery except possibly with the local schools and SGO. 	Back to Netball	Mansfield Rugby Club	NG18 3EW	between and 10 and 15	on hold due to coach availability		
Badminton England	Who are your key clubs/facilities and what do they deliver for your sport?						
	• Oak Tree Leisure Centre (Council + Serco-operated) ➢ Houses a sports hall with 4 marked badminton courts, available for hire weekly via online booking Offers “Forever Fit Badminton” sessions for 60+ players—a mix of social activity and exercise • Rebecca Adlington / Water Meadows / Warsop Leisure Centres ➢ While primarily featuring swimming and general fitness, they offer occasional badminton-based low-impact or social activity sessions, notably for older adults • Vision West Nottinghamshire College (Derby Rd) ➢ Provides four high-quality indoor badminton courts, available on a pay-as-you-play or block booking basis, with equipment hire and parking included • The Manor Sport & Recreation Centre, Mansfield Woodhouse ➢ Hosts Mansfield Junior Badminton Club and welcomes court hire via the sports hall facility • Mansfield Junior Badminton Club ➢ Runs a junior club at Oak Tree Leisure Centre every Friday evening via Nottinghamshire Badminton Association [Nottingham%20BA%20-%20Clubs]Nottingham BA – Clubs						
	What are your NGBs / Organisations current priorities in Mansfield District Council area? Nottinghamshire Badminton Association supports youth and club structures; local priorities include robust junior development (e.g., Mansfield Junior Club) Junior Clubs What might be required to support your priorities in the coming years? Clubs have waiting lists for juniors and adults and have no courts to expand and offer participation. Access to courts or more courts, may these be in a traditional sports hall setting or in a unique venue, i.e a faith centre, community hall or unused building.
