

Erratum - Mansfield Infrastructure Delivery Plan (IDP)

Please note that a number of minor changes have been made to the IDP since it was first published in September 2026.

These are as follows:

Paragraph / Infrastructure Type	September IDP	October IDP
Paragraph 7.34	Stated no step free access available to Mansfield railway station building and the northbound platform from the station car park.	Such provision is available via subway – Text has been corrected
Appendix C Primary education	Made reference to zero (£0) contribution for primary education on sites along with phasing.	Where there is no need for primary education contributions, references have been removed.
Appendix C Secondary education	Duplication of requirements.	Duplication has been deleted.
	SUE1 – Pleasley Hill Farm – Referred to existing commitment and a zero (£0) contribution.	As is a commitment, reference has been removed.
	SUE3 – Land at Berry Hill – Referred to existing commitment and a zero (£0) contribution.	As is a commitment, reference has been removed.
Appendix C Waste Water	For a number of sites, the number of dwellings in the plan period in the wastewater row was inconsistent with the remainder of the figures within the tables.	These have been corrected.
Appendix C Rail	A number of sites referred to upgrade of the Maid Marian Line whilst others referred to extension of the Robin Hood Line.	These have been corrected so all refer to extension of Robin Hood Line.
Appendix C Site H1Mb Abbott Road	For wastewater there was reference to provision in both Mansfield and Market Warsop.	Reference to Market Warsop has been deleted.
Appendix C Site H1Mi Land north of Skegby Lane	Indoor leisure centres requirement was repeated.	Duplication has been deleted.
